Whereas most other 12-step programs simply use an undefined understanding of God, this program presents the only true God. The

about it. The warning signs of chemical dependency. Who they are in Christ and how to deal with shame and guilt... and many other issues.

What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and

Online Library Serenity A Companion For Twelve Step Recovery Book

Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often

Online Library Serenity A Companion For Twelve Step Recovery Book

violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land."

Online Library Serenity A Companion For Twelve Step Recovery Book

Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and

consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the

The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor Prophets because

Online Library Serenity A Companion For Twelve Step Recovery Book

they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah

Online Library Serenity A Companion For Twelve Step Recovery Book

were prophets in Judah before the Babylonian Exile. Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined

together to make one scroll known collectively as "The Twelve."

Staying Sober Without God is a guide for non-believers who want to get sober without an act of faith.

Dear future mom, how many times have you heard negative stories about other women's birth experiences?

Your mother, your aunt, your sister, your girlfriend! Everyone has a horror story to share about giving birth! The result is that you convince yourself

Online Library Serenity A Companion For Twelve Step Recovery Book

that birth is associated with excruciating pain. What a false belief! What a disastrous belief! Disastrous for yourself and the little angel that you'll bring to this world. Fear makes your body become tense which then prohibits it from performing a normal physiological function. And then pain.

Online Library Serenity A Companion For Twelve Step Recovery Book

And more pain. And the pain starts to get unbearable. And stress. And anxiety. Giving birth turns into a long nightmare. And then, the knife intervention! Why should it be like that? Giving birth should be a pleasant process. The most beautiful process in this life. Your body is naturally

Online Library Serenity A Companion For Twelve Step Recovery Book

designed to give birth. Do I have to say that? Isn't that obvious? Now, do you think that it's only you that you suffer? Do you think that a such a painful process affects only you? NO! All this anxiety and fear pass on to your little angel. A newborn infant may later display a variety of long-

Online Library Serenity A Companion For Twelve Step Recovery Book

term effects as older children, including an altered response to pain and an exaggerated physiological response to stress, new research shows. I'm not here to freak you out even more. No. I'm here to explain the way to avoid all this. I will show you that there is a secret to a calm and

Online Library Serenity A Companion For Twelve Step Recovery Book

effortless birth without any problems. That's hypnobirthing. Hypnobirthing will enable you to work with your body, which as I said is naturally designed to give birth. It will release your fear and negativity and replace it with calm confidence, so you can enjoy this amazing experience of not

only giving birth but the whole pregnancy experience. I will teach you how to 1) experience less pain 2) feel more confident 3) learn how to breath the right way 4) visualise 5) enter into self-hypnosis You will also get access to a new chapter with easy tips so you are in control throughout your
