Bigger, stronger, better! Russell Anderson has taken the most original and successful lectionary resource in history and improved on it. He has kept all of the traditional features that have made it a classic, such as: overviews of each liturgical season, commentaries compatible with the Revised Common and Roman Catholic lectionaries (plus Lutheran and Episcopal lections for those gradually converting to the Revised Common Lectionary), an introduction to the featured Gospel narrator (Matthew, in Cycle A), theological reflections for exploring the relationships between the texts, and wide margins for note-taking. Instead of stopping there, though, he has added: a 7" x 10" one-size-fits-all format, a suggested sermon title for each week, a Sermon Angle that briefly explicates the theological theme for the day (sometimes providing two or three of them), and illustrative stories in each chapter. "Contained are crisp, lightly written lectionary helps that zero in on the critical themes of the texts, augmented with illustrative materials. The Prayer of the Day suggestions summarize and apply the themes in helpful language." The Reverend

Dr. Dennis Anderson President, Trinity Lutheran Seminary "Pastor Anderson's ability to relate eternal truths in the language of our 20th century society will enable those informed by his writings to communicate the TRUTH in a way that will gain attention and guide the living of life." The Reverend Dr. Reuben T. Swanson Former Bishop, Nebraska Synod, Lutheran Church in America Former Secretary, Evangelical Church in America Russell F. Anderson is pastor at Holy Cross Evangelical Lutheran Church in Omaha, Nebraska. He received his master of divinity degree from The Lutheran School of Theology at Chicago and his doctor of ministry degree from McCormick Theological School in Chicago. He has published his own worship and homiletical resources under the banner "Worship Windows." He is married and the father of two grown daughters.

This is the story of Gordon Clark (1902-85), respected philosopher and prolific writer, who held that Christianity, as a logically coherent system, is superior to all other philosophies. Clark fought no wars and conquered no kingdoms. Yet he was a leading figure in many theological wars for the Kingdom of God. These battles for the minds and souls of men were every bit as crucial as physical wars between nations. In an age of increasing secularization, he put up an intellectual defense of the Christian faith. This faith, he believed, was a system. All of its parts link together, a luxury of no other philosophy. His stance shows a Christianity that is in fact intellectual, not relying on appeals to emotion or experience. In propounding this view, he encountered frequent opposition, not from the secular world, but from within his own denomination. This biography helps explain why his thought was so profound, why resistance mounted against him, and how his struggles impacted American Presbyterianism. Additionally, this book calls for a reappraisal of Clark's views, which have been maligned by controversy. Understanding and applying his views could significantly fortify Christians combating irrational and non-systematic ideas prevalent in today's churches.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on John 14:1-12 at Westminster Chapel in London. These sermons, presented in Let Not Your Heart Be Troubled, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century's foremost preachers.

I believe. These two words are among the most explosive words any human can utter. The Apostles' Creed has shaped and guided Christian faith for almost two thousand years. Shared by Protestant, Roman Catholic, and Eastern Orthodox traditions, it is perhaps the most compelling statement of Christian doctrine the world has ever known. But do we know what it really means--and how it applies to us today? In The Apostles' Creed, renowned theologian and pastor R. Albert Mohler Jr. works line-by-line and phrase-by-phrase through each section of the Creed, revealing the rich truths it contains, including: the profound mystery of the Trinity the miracle of the Incarnation the world-shaking truth of the resurrection the hope of Christ's return the theological heritage contained in this ancient statement The Apostles' Creed is an often-overlooked treasure that contains the power to shape us for vibrant and steadfast living today, equipping believers to live faithfully in a post-Christian culture.

Knowing God

The Church of England magazine [afterw.] The Church of England and Lambeth magazine

The president of Southern Seminary reveals how secularism has infiltrated every aspect of society and how Christians, equipped with the gospel of Jesus Christ, can meet it head on with hope, confidence, and steadfast conviction. A Storm Is Coming Western civilization and the Christian church stand at a moment of great danger. Facing them both is a hurricane-force battle of ideas that will determine the future of Western civilization and the soul of the Christian church. The forces arrayed against the West and the church are destructive ideologies, policies, and worldviews deeply established among intellectual elites, the political class, and our schools. More menacingly, these forces have also invaded the Christian church. The perils faced by the West and the church are unprecedented: threats to religious liberty redefinitions of marriage and family attacks on the sacredness and dignity of human life How should Christians respond to this multifaceted challenge? Addressing each dimension of this challenge, The Gathering Storm provides answers and equips Christians both to give an answer for the hope that is within them and to contend for the faith that was once and for all delivered to the saints.

"Oh Father, who art in heaven..." The opening words of the Lord's Prayer have become so familiar that we often speak them without a thought, sometimes without any awareness that we are speaking at all. But to the disciples who first heard these words from Jesus, the prayer was a thunderbolt, a radical new way to pray that changed them and the course of history. Far from a safe series of comforting words, the Lord's Prayer makes extraordinary claims, topples every earthly power, and announces God's reign over all things in heaven and on earth. In this groundbreaking new book, R. Albert Mohler Jr.

recaptures the urgency and transformational nature of the prayer, revealing once again its remarkable, world-upending power. Step by step, phrase by phrase, The Prayer That Turns the World Upside Down explains what these words mean and how we are to pray them. The Lord's Prayer is the most powerful prayer in the Bible, taught by Jesus to those closest to him. We desperately need to reclaim its power and practice. The Prayer That Turns the World Upside Down shows us how.

A synopsis is a tool which displays different passages of a text side by side for comparison. This is most commonly done with the four Gospels of the New Testament because of their similar material, but it could reasonably be done with any text that has similar passages, such as the Old Testament historical narratives. The synopsis you presently hold contains the four Gospels of the New Testament. It is different from comparing parallel versions, such as one English translation to another, because all of the passages displayed in this synopsis are from the same version, the NET Bible. It is different from a harmony because the passages are not reorganized into one story; each Gospel in a synopsis is separate from the others and can be read by itself or in comparison with the others. This parallel arrangement enables fruitful comparison of the Gospels to each other so each may be understood well on its own in light of the others.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testamen" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here

is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Let Not Your Heart Be Troubled (Foreword by Elizabeth Catherwood and Ann Beatt)

The Gospel written by the Beloved Disciple St. Augustine once said about the Gospel of John, that, "It is shallow enough for a child not to drown, yet deep enough for an elephant to swim in it." John contains the Bible's favorite verse - John 3:16. John's themes are essential to our understanding of Jesus as Son of God and Messiah. Here we learn about the Holy Spirit, the Counselor who lives within us to guide and empower us. We learn about the Father's love and eternal life. Some of the most beloved stories of Jesus' ministry are found only in the Fourth Gospel - changing the water into wine, the woman at the well, the woman taken in adultery, raising Lazarus, washing the disciples' feet, and many more. In John's Gospel you find Jesus as the Bread of Life; the Light of the World; the Good Shepherd; the Way, the Truth, and the Life. John's Gospel is lengthy - 21 chapters, but rich and deep. Each chapter concludes with a summary of lessons for disciples to ponder. This study's helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Master Subject Index is a comprehensive, alphabetized index of topics contained in the New Testament.
