

Sermon Outline And Notes Dr Stephen Felker Pastor

Christians are a large and influential voting block today. But as each governmental election approaches, an increasing polarity occurs within those claiming the Christian faith. This comes as a result of party-voting rather than voting according to Biblical mandates and authority. To refocus correctly, Dr. Tony Evans goes back to the basics and teaches on how God established government as a divine institution whose tasks include promoting the well-being of those within its realm and protection from evil. Scripture trumps all political alliances making the voting decision a critical opportunity for Christians to promote God's Word and His values through whom they elect. In the face of increasing emotions the Christians representing God's kingdom values should communicate His truths in a manner reflective of the King – in a gracious and strategic way. Dr. Evans also looks at the necessary qualities in a good candidate which include intellect, education, competency, skill and spiritual beliefs – whether certain issues are non-negotiables, and how a responsible citizen is to research a candidates' position in order to evaluate it against God's Word.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, *David* is the creation of a literary artist comparable to the Shakespeare of the history plays.

"Does it really matter what I say?" Your greatest weapon—for good or evil—is in your mouth. From bestselling author Dr. Tony Evans comes a compelling resource to help you learn to tame your tongue. With life-changing insights shared through engaging lessons and anecdotes, you'll learn what the Bible teaches about talking: Discover the power of the spoken word to bolster your faith when you're doubting. Discern what should or shouldn't be said so that you honor God with your speech. Develop the ability to praise God and voice wisdom even in tough circumstances. Get inspired by Tony's teaching on the tongue and model with your mouth the character of God. Don't let your words bring cursing or destruction to yourself and those you love. Instead, let your words minister to and speak life into the world around you.

Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas, TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage-by-passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

The quest to preach well is an endless one. The Sermon Doctor combines the preaching and communication expertise of Harry Farra with the wisdom of the masters of all ages, classic to modern. Substantial help awaits both experienced and younger preachers. Seminarians, especially, will find bedrock principles here to shape their preaching ministry. In a unique Socratic format, this creative guide to preaching records a series of fictional meetings between the Sermon Doctor and three discouraged preachers in search of a better understanding of effective preaching. They have a deep desire to honor God and inspire congregations by revitalizing their faltering preaching techniques. Many helpful insights are provided in this practical and creative handbook for today's sermon makers.

In this important book, Webb makes two central claims. First, that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation. Preachers can learn the practices and disciplines that make it possible to deliver articulate, thoughtfully crafted sermons, not from a written page, but as a natural, spontaneous act of oral communication. Throughout the book, the author offers specific examples including a transcript of a sermon preached without manuscript or notes.

Second, that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news.

Inman Moore grew up in Southern Mississippi, mainly along the Gulf Coast. He is a graduate of Long Beach High School, Mississippi, and Millsaps College, Jackson, Mississippi, and holds a graduate degree in theology from the Candler School of Theology, Emory University, Atlanta, Georgia. Inman has been pastor of churches in both Mississippi and California. While in Mississippi, during the late fifties and early sixties, Inman was very involved in the civil rights movement. He was a founding member of the reconstituted Mississippi Council on Human Relations. In January of 1963, while pastor of Leggett Memorial United Methodist Church in Biloxi, Mississippi, he was one of twenty-eight Mississippi ministers who signed a statement on civil rights entitled *Born of Conviction*. In April of 1963, Inman and his family moved to California, to a pastorate in Palmdale.

Preaching Without Notes

On the Road to Civil Rights

Baptist Missionary Review

Rev. Mayshack is masterful in his presentation of 75 sermon outlines which provide the essence of the written biblical word. The scriptural basis for each detailed outline grounds the words in relevant biblical text.

This is a classic that has stood the test of time. For forty-five years, seminary students and pastors have benefited from the principles found in this book. Two of Koller's popular texts, Expository Preaching without Notes and Sermons Preached without Notes, are now included in this single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes. Among the eighteen topics discussed are the biblical conception of preaching, the advantages of preaching without notes, the importance of structure, and the systematic filing of materials. Now repackaged for the next generation of preachers, with a foreword by current Northern Seminary preaching professor Michael J. Quicke, *How to Preach without Notes* is a practical and steady sales.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

A how-to guide for preparing and delivering Spiritfilled, biblical messages that make an impact Being called to preach is a tremendous commission. In *Preaching Life-Changing Sermons*, Jesse L. Nelson shares a simple process for effective expository sermon preparation and delivery, flavored with insights from his life in ministry and academic work. Those with teaching and preaching responsibilities with little to no seminary training will learn practical steps they can use today in their ministry. Nelson outlines the six foundations of life-changing preaching and shows how each looks in the everyday life of a pastor: Seek the Spirit Select the Scripture Study the Scripture Structure the Sermon Speak in the Spirit Share the Savior Handling God's Word rightly through prayer, sermon preparation, and sermon delivery sets the stage for people to absorb the message. When the Spirit moves as Scripture speaks, souls are changed--and the call to preach becomes an exciting, transformative adventure.

Olford on Scroggie

This book is a collection of sermon outlines and notes. Stacey Shiflett has been in ministry for over 25 years. This collection is the result of hundreds of hours of prayerful and passionate Bible study. The topics covered in this collection are: the Home, the Church, Prayer, Preaching, Wisdom, Purpose. Each outline is filled with cross references, illustrations, humor and practical applications. These notes can be used for personal Bible study, family devotions, Sunday School lessons, discipleship classes or a supplemental resource for preaching. These sermon notes and nuggets are guaranteed to both inspire and instruct the serious Bible student.

These previously unpublished sermon outlines, notes, and sermons by W. Graham Scroggie would be a rare find in themselves ... but add to that Stephen F. Olford's running commentary on how to preach them results in a dynamic combination of preaching power! Dr. Olford sat at Dr. Scroggie's feet, learning homiletics. We too, can improve our preaching by sitting at the feet of these two preaching giants!
