Murder in the Delta

The story of Emmett Till is a riveting, notorious murder case that gave birth to the modern-day civil rights movement, a story that continues to generate enormous interest from the general public and the media at large. This is a dynamic and explosive story of courage, determination, and faith, which gave rise to several award-winning documentaries and honorable mentions in several major motion pictures and television miniseries, such as the miniseries King, based on the life of Dr. Martin Luther King Jr.; the motion picture Mississippi Burning; as well as For Us the Living: The Medger Ever Story, The Rosa Parks Story, and the theatrical release of the film Ali, a story on the life of Muhammad Ali, just to name a few.
