Photoshop CC: The Missing Manual
Learn to navigate the day-to-day skills you need to be a valuable member of the

veterinary office team!
Front Office Management for
the Veterinary Team, 3rd
Edition covers veterinary
office duties ranging from:
scheduling appointments to
billing and accounting,
managing inventory and

medical records, marketing, using outside diagnostic laboratory services, and communicating effectively and compassionately with clients. This edition includes two all-new chapters on strategic

planning and leadership, updated coverage of office procedures, veterinary ethics, and technology. In addition, this complete guide to veterinary practice management features step-by-step instructions, making it

easier for you to master vital front office tasks! UPDATED! Chapters include the most current information on team leadership, veterinary ethics and legal issues, human resources, and finance management. UPDATED!

Coverage of technology and procedures includes new computer screen shots and new photos. Comprehensive coverage of front office skills includes telephone skills, appointment scheduling, admitting and

discharging patients, and
communicating with clients.
Review questions and
suggested activities
reinforce important concepts
presented in each chapter.
Coverage of clinical
assisting ranges from

examinations and history taking for patients to kennels and boarding procedures, as well as radiology and laboratory procedures. Veterinary Ethics and Legal Issues chapter helps you protect

the practice, and run an office based on ethical principles. An Evolve companion website lets you practice front office tasks with exercises in bookkeeping/accounts receivable, appointment

management, and charting. Downloadable working forms offer practice in completing sample checks, laboratory forms, and incident reports. Information on electronic banking and tax forms ensures that you adhere to

the latest financial
guidelines. Information on
security in office
communication covers the
most current methods of
safe, electronic
communication. Practice
Point boxes highlight

practical information to remember while on the job. Veterinary Hospital Managers Association (VHMA) Critical Competencies are highlighted in each chapter. NEW! Strategic Planning chapter discusses how to

strategically plan for the successful future of the veterinary hospital, and will include details on growing the practice, planning the workforce, meeting consumer needs, and increasing the value of the

practice. NEW! The Leadership Team chapter discusses how leadership affects the paraprofessional staff, provides suggestions for effective leadership strategies, and methods to set expectations for

employees, including attracting and retaining employees, leveraging, empowering and driving employee engagement. NEW! Standard Operating Procedures provides a checklist of important tasks

associated with that chapter
that must be
addressed/completed in the
veterinary practice setting.
