

Seven Daughters And Seven Sons

If you are struggling to find your place and calling in this copy-and-paste world, you are not alone. There is a higher way of being, a way that stretches beyond watered-down religion and powerless sentiments. Our world is waiting for the unveiling of God's glorious sons and daughters, and it's time that we step into that reality. In I AM, the Sons & Daughters collective helps you discover how to step into the fullness and adventure that God has waiting for you, believing and living the truth that - you are creative - you are holy - you are righteous - you are secure - you are called - you are confident - you are loved
You are a son or daughter of God--and your future starts now.

A son's death. A mother's grief. Accusations. Condemnation. Guilt. Alienation. What is left of a family in the aftermath of violence? Set in East Flatbush, Brooklyn; Trinidad; Barbados; Northern California; and throughout the globe, The Sons and Daughters of Ham is the story of a Caribbean-American family, an African-American young man, violence, choice, and destiny. The Sons and Daughters of Ham, Book I: A Requiem, is the first book in Petra E. Lewis' powerful inter-generational and historical literary-fiction trilogy. The books' concept started with three acts of violence in the author's own life—the final one being the murder of a young man. This led to a question: "Why is it so easy for Black and Brown young men to kill each other—and where did this mindset come from?" Seeking answers, this stunning debut fiction trilogy is Petra E. Lewis' heartbreaking answer to "Why?"

A retelling of a traditional Arabic tale in which a young woman disguises herself as a man and opens up a shop in a distant city in order to help her impoverished family.

A #1 New York Times bestseller by Kim Edwards, The Memory Keeper's Daughter is a brilliantly crafted novel of parallel lives, familial secrets, and the redemptive power of love
Kim Edwards’s stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other, are yet bound by the fateful decision made that winter night long ago. A family drama, *The Memory Keeper's Daughter* explores every mother's silent fear: *What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally uncovered.*

Find Your Identity. Claim Your Freedom. Embrace the Adventure.

The Lottery

A Novel

Seven Daughters and Seven Sons

A Memoir

Seven Against Thebes

Contains the unabridged text King Lear as published in Volume XVII of Tkhe Caxton Edition of the Complete Works of William Shakespeare.

A family memoir that traces the myths, legends, and secrets of seven generations of remarkable women
All families have their myths and legends. For many years Juliet Nicolson accepted hers--the dangerous beauty of her flamenco dancing great-great-grandmother Pepita, the flirty manipulation of her great-grandmother Victoria, the infamous eccentricity of her grandmother Vita Sackville-West, her mother ’ s Tory-conventional background. But then Juliet, a distinguished historian, started to question. As she did so, she sifted fact from fiction, uncovering details and secrets long held just out of sight. A House Full of Daughters takes us through seven generations of women. In the nineteenth-century slums of Malaga, the salons of fin-de-siecle Washington D.C., an English boarding school during the Second World War, Chelsea in the 1960s, the knife-edge that was New York City in the 1980s, these women emerge for Juliet as people in their own right, but also as part of who she is and where she has come from. A House Full of Daughters is one woman ’ s investigation into the nature of family, memory, and the past. As Juliet finds uncomfortable patterns reflected in these distant and more recent versions of herself, she realizes her challenge is to embrace the good and reject the hazards that have trapped past generations.

Here are five Nigerian folktales, retold in language as rhythmic as the beat of the story-drum, and illustrated with vibrant, evocative woodcuts.

Feeling that she is neither fully human nor "Folk," a changeling learns her true identity and attempts to find the human child whose place she has been given.

Propheying Daughters

A Memoir of Seven Generations

The Blue Book of Grammar and Punctuation

In 1994 Professor Bryan Sykes, a leading world authority on DNA and human evolution, was called in to examine the frozen remains of a man trapped in glacial ice in northern Italy. News of the discovery of the Ice Man and his age, which was put at over five thousand years old, fascinated the world. But what made the story particularly extraordinary was that Professor Sykes was also able to track down a living generic relative of the Ice Man, a woman living in Britain today. How was he able to locate a living relative of a man who died thousands of years ago? In The Seven Daughters of Eve, Bryan Sykes gives us a first hand account of his research into a remarkable gene which passes undiluted from generation to generation through the maternal line and shows how it is being used to track our genetic ancestors through time and space. After plotting thousands of DNA sequences from all over the world he found that they had clustered around a handful of distinct groups. In Europe there are only seven. The conclusion: almost everyone of native European descent, wherever they live in the world, can trace their ancestry back to one of seven women, the Seven Daughters of Eve. He has named them Ursula, Xenia, Helena, Velda, Tara, Katrine and Jasmine. In this remarkable scientific adventure story we learn exactly how our origins can be traced, how and where our ancient genetic ancestors lived, what their live were like and how we are each living proof of the almost miraculous strength of our DNA which has survived and prospered over so many thousands of years to reach us today. It is a book that not only presents the story of our evolution in a wholly new light, but also strikes right at the heart of ourselves as individuals and of our sense of identity.

Feeling neglected by her innkeeper mother, Rosie reveals her feelings and dreams in a fantasy world called the Land of Three Roses which she and her bartender friend create together.

A collection of fifty-eight traditional Persian folktales and legends translated from Kerm?n? and Bakht?ar?, including a guide to the pronunciation of Persian words and a glossary.

"A timely, sophisticated tale [that] explores what happens when a charmed life loses its luster." –O Magazine
From the award-winning author of the new collection Awayland, an imaginative novel about a wealthy New England family in the 1960s and '70s that suddenly loses its fortune—and its bearings. An NPR Best Book of the Year Labor Day, 1976, Martha’s Vineyard. Summering at the family beach house along this moneyed coast of New England,

Fern and Edgar—married with three children—are happily preparing for a family birthday celebration when they learn that the unimaginable has occurred: There is no more money. More specifically, there’s no more money in the estate of Fern’s recently deceased parents, which, as the sole source of Fern and Edgar’s income, had allowed them to live this beautiful, comfortable life despite their professed anti-money ideals. Quickly, the once-charmed family unravels. In distress and confusion, Fern and Edgar are each tempted away on separate adventures: she on a road trip with a stranger, he on an ill-advised sailing voyage with another woman. The three children are left for days with no guardian whatsoever, in an improvised Neverland helmed by the tender, witty, and resourceful Cricket, age nine. Brimming with humanity and wisdom, humor and bite, and imbued with both the whimsical and the profound, Sons and Daughters of Ease and Plenty is a story of American wealth, class, family, and mobility, approached by award-winner Ramona Ausubel with a breadth of imagination and understanding that is fresh, surprising, and exciting.

Things Fall Apart

Persian Tales

The Seven Son & Seven Daughters

King Lear

After accidentally ruining his family's haft-seen, a display of seven traditional items to bring luck in the Persian New Year, young Kian finds seven unusual items to replace them. Includes facts about Nowruz.

The formidable talents of Anthony Hecht, one of the most gifted of contemporary American poets, and Helen Bacon, a classical scholar, are here brought to bear on this vibrant translation of Aeschylus' much underrated tragedy The Seven Against Thebes. The third and only remaining play in a trilogy dealing with related events, The Seven Against Thebes tells the story of the Argive attempt to claim the Kingdom of Thebes, and of the deaths of the brothers Eteocles and Polyneices, each by the others hand. Long dismissed by critics as ritualistic and lacking in dramatic tension, Seven Against Thebes is revealed by Hecht and Bacon as a work of great unity and drama, one exceptionally rich in symbolism and imagery.

An ingenious Egyptian slave girl undertakes a dangerous assignment as a spy in the royal palace of Thebes during the rule of Queen Hatshepsut.

Every night, Shahrazad begins a story. And every morning, the Sultan lets her live another day -- providing the story is interesting enough to capture his attention. After almost one thousand nights, Shahrazad is running out of tales. And that is how Marjan's story begins.... It falls to Marjan to help Shahrazad find new stories -- ones the Sultan has never heard before. To do that, the girl is forced to undertake a dangerous and forbidden mission: sneak from the harem and travel the city, pulling tales from strangers and bringing them back to Shahrazad. But as she searches the city, a wonderful thing happens. From a quiet spinner of tales, Marjan suddenly becomes the center of a more surprising story than she ever could have imagined.

Mara, Daughter of the Nile

Sons and Daughters

The Moorchild

Black Women Preachers and the Word, 1823-1913

Sons and Daughters of Ease and Plenty

During a time when young men have a hard time grasping what it means to sacrifice and take care of the family and young ladies have forgotten the art of what it means to take care of a household, raising children, and instilling morals and values in them . . . The Seven Sons and Seven Daughters is a heartwarming tribute that gives the depiction of a strong black woman who loved hard and allowed it to show in her everyday life. It is an epic tale of struggles of an ex-alcoholic father, who-through the grace of God-was able to lay down the bottle and pick up salvation and a new determination on life. It is the story of strength, adversity, spirituality, and growth, laced with the pain and tragedy of death and life after death. The Seven Sons and Seven Daughters is a gentle reminder of the days when blacks had little to no rights, with little to no resources to do much to better self and how a little Mississippi family found the strength to overcome every obstacle that was placed before them. In a day and age where technology has taken over the world, where children would rather stay in the house and play video games than to play in the park or play a good game of tag or freeze football. During an era where little girls don't see the joy in playing with Barbie's or playing dress up, in their mother's old clothes.

In nineteenth-century America, many black women left their homes, their husbands, and their children to spread the Word of God. Descendants of slaves or former “slave girls” themselves, they traveled all over the country, even abroad, preaching to audiences composed of various races, denominations, sexes, and classes, offering their own interpretations of the Bible. When they were denied the pulpit because of their sex, they preached in tents, bush clearings, meeting halls, private homes, and other spaces. They dealt with domestic ideologies that positioned them as subservient in the home, and with racist ideologies that positioned them as naturally inferior to whites. They also faced legalities restricting blacks socially and physically and the socioeconomic reality of often being part of a large body of unskilled laborers. Jarena Lee, Julia Foote, Maria Stewart, and Frances Gaudet were four women preachers who endured such hardships because of their religious convictions. Often quoting from the scripture, they insisted that they were indeed prophesying daughters whom God called upon to preach. Significantly, many of these women preachers wrote autobiographies in which they present images of assertive, progressive, pious women—steadfast and unmovable in their religious beliefs and bold in voicing their concerns about the moral standing of their race and society at large. Chanta M. Haywood examines these autobiographies to provide new insight into the nature of prophesying, offering an alternative approach to literature with strong religious imagery. She analyzes how these four women employed rhetorical and political devices in their narratives, using religious discourse to deconstruct race, class, and gender issues of the nineteenth century. By exploring how religious beliefs become an avenue for creating alternative ideologies, Prophesying Daughters will appeal to students and scholars of African American literature, women’s studies, and religious studies.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

With four starred reviews, Angeline Boulley's debut novel, *Firekeeper's Daughter*, is a groundbreaking YA thriller about a Native teen who must root out the corruption in her community, perfect for readers of Angie Thomas and Tommy Orange.
Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

Spiritual orphans finding our way home

Rashi's Daughters: Joheved

Using practical, firsthand stories that offer helpful, portable takeaways, Pastor Boyd looks at the interweaving of his journey from spiritual orphan to treasured son, offering candid stories and freeing insights for every Christian still longing for God. Christians still strive to “fit in” with God even when our Father offers us the identity of beloved daughters and sons. We’ve already been admitted, approved, and accepted—but we aren’t living that way. In *Sons and Daughters*, Pastor Boyd looks at how God is at work in our hearts and our daily lives: How do those who know they are God’s children think, speak, and act differently? How do they function as leaders and friends? How do they walk through pain? You—and the purposes God has for you—are a cause for celebration. Come discover how to live like you belong.

"Damour draws on decades of experience and the latest research to [propose] the seven distinct--and absolutely normal--developmental transitions that turn girls into grown-ups, including parting with childhood, contending with adult authority, and caring for herself. Providing ... scenarios and ... advice on how to engage daughters ... [this book] gives parents a broad framework for understanding their daughters while addressing their most common questions"--Dust jacket flap.

In this retelling of the Indian fable, seven blind mice discover different parts of an elephant and argue about its appearance. This Caldecott Honor book is in a board book format for the first time. Full color.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden's father was killed in an accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and his own addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

An Every-day Story

Lessons and Letters from Daughters and Sons

I Rode a Horse of Milk White Jade

R, My Name is Rosie

The Sons and Daughters of Ham

Beat the Story-drum, Pum-pum

Drawing on stories he heard as a boy from female relatives, Jilali El Koudia presents a cross section of utterly bewitching narratives. Filled with ghouls and fools, kind magic and wicked, eternal bonds and earthly wishes, these are mesmerizing stories to be savored, studied, or simply treasured. Varied genres include anecdotes, legends, and animal fables, and some tales bear strong resemblance to European counterparts, for example Amar and his Sister (Hansel and Gretel) and Nunja and the White Dove (Cinderella). All capture the heart of Morocco and the soul of its people. In an enlightening introduction, El Koudia mourns the loss of the teller of tales in the marketplace, and he makes it clear that storytelling, born of memory and oral tradition, could vanish in the face of mass and electronic media.

Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. 25,000 first printing.

Retells the Biblical story of Joseph, from his viewpoint, relating how he was sold into slavery and became the Egyptian Pharaoh's adviser.

What does it really mean to be a good father? What did your father tell you, that has stayed with you throughout your life? Was there a lesson from him, a story, or a moment that helped to make you who you are? Is there a special memory that makes you smile when you least expect it? After the publication of Tim Russert's number one New York Times bestseller about his father, *Big Russ & Me*, he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers, most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments--of advice, tenderness, strength, honor, discipline, and occasional eccentricity. Most of these daughters and sons were eager to express the gratitude they had carried with them through the years. Others wanted to share lessons and memories and, most important, pass them down to their own children. This book is for all fathers, young or old, who can learn from the men in these pages how to get it right, and to understand that sometimes it is the little gestures that can make the big difference for your child. For some in this book, the appreciation came later than they would have liked. But as *Wisdom of Our Fathers* reminds us, it is never too late to embrace it. From the father who coached his daughter in sports (and life), attending every meet, game, performance, and tournament, to the daughter who, after a fifteen-year estrangement, learned to make peace with her difficult father just before he died, to the son who came, at last, to appreciate the silent way his father could show affection, *Wisdom of Our Fathers* shares rewarding lessons, immeasurable gifts, and lasting values. Heartfelt, humorous, engaging, irresistibly readable, and bound to bring back memories of unforgettable moments with our own fathers, Tim Russert's new book is not only a fitting companion to his own marvelous memoir, but also a celebration of the positive qualities passed down from generation to generation.
