Quincy has the same dream every year on Christmas Eve - of finding a little boy holding a special gift for her under the tree - and every Christmas morning, she’s awoken to find a gift wrapped in tinfoil with her name on it... When school resumes after the winter break, Quincy’s class discovers they have an unusual new transfer student named Cupid. Ridiculously cute and friendly, the new boy has everyone both enamored and confused. Those antlers can’t be real...can they?? With Cupid having seemingly set his sights on Quincy, it seems she’ll be having a memorable year indeed!

Non è il principe azzurro... Callum Griffin è l'erede della mafia irlandese. È spietato, arrogante, e vorrebbe vedermi morta. Abbiamo iniziato col piede sbagliato quando ho appiccato un (piccolissimo) incendio in casa sua. Le nostre famiglie pensano che un matrimonio combinato sia l'unica cosa che possa evitare una guerra senza esclusione di colpi. Quanto a me, penso che magari potrei ucciderlo mentre dorme. Sarebbe molto più semplice se Callum non fosse tremendamente attraente. Tuttavia, il mio cuore è chiuso in cassaforte. Perché, anche se mi costringono a sposarlo... non potrò mai amare un principe crudele. ??????? \* \* Principe crudele è il primo esplosivo atto dell'epica serie Eredi brutali. Si tratta di un romanzo dark sulla mafia, stand-alone, con lieto fine e senza finale aperto.

Is love worth betraying everything? Plunge into the second adventure in the internationally bestselling Mortal Instruments series and "prepare to be hooked" (Entertainment Weekly). Clary Fray just wishes that her life would go back to normal. But what’s normal when you’re a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who’s becoming more than a friend. But the Shadowhunting world isn’t ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary’s only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this breathtaking sequel to City of Bones, Cassandra Clare lures her readers back into the dark grip of New York City’s Downworld, where love is never safe and power becomes the deadliest temptation.

Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare’s Queen of Air and Darkness, the final novel in the New York Times and USA TODAY bestselling The Dark Artifices trilogy. Queen of Air and Darkness is a Shadowhunters novel. What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. Their society now teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find there is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of the Shadowhunters before a deadly curse destroys them and everyone they love. Wall Street Journal bestseller | An indispensable guide to decision-making and risk-taking for anyone who finds themselves afraid of making a wrong choice in their career. This fresh, new approach comes from one of the most highly regarded and well-respected female tech executives in Silicon Valley, who made many wrong choices in her career, but learned how to turn those down moments into successes. Life is made up of a series of choices. What do you do if one of those choices turns out poorly, especially if it was carefully considered? How do you trust your instinctive decision-making skills and make the next right choice? How do you continue to take risks when, suddenly, your risks are not working out? Sukhinder Singh Cassidy is one of the most highly regarded and well-respected female tech executives in Silicon Valley, but she’ll be the first to admit that her path to success has been far from linear. She started three companies that have done exceedingly well, including theBoardlist (an organization designed to promote and place women onto corporate boards), and she just served as president of StubHub, which sold earlier this year for \$4 billion. But she’s also encountered plenty of poor choices, misfires, unexpected headwinds, and all other types of pitfalls that she had to learn how to confront, analyze, navigate, and incorporate into her new path forward. From her own experience, she knows that personal success does not come from making one singular “correct” or “big” decision. Rather, long-range success comes from tackling numerous choices that are aimed to optimize future possibilities. Singh Cassidy’s “seven myths of success,” as well as her advice on how to make FOMO into your friend, multiply your “bets” in life, and understand why you shouldn’t be blinded by “passion bias,” all provide an entirely new way to approach risk-taking and achieve lasting success.

A #1 New York Times bestseller! From #1 New York Times and USA TODAY bestseller Cassandra Clare comes an exciting short story collection that follows Jem Carstairs as he travels through the many Shadow Markets around the world. Ghosts of the Shadow Market is set in the world of the Shadowhunters. The Shadow Market is a meeting point for faeries, werewolves, warlocks, and vampires. There, the Downworlders buy and sell magical objects, make dark bargains, and whisper secrets they do not want the Shadowhunters to know. Through two centuries, however, there has been a frequent visitor to the Shadow Market from the very heart of the Shadowhunters’ world. Jem Carstairs is searching through the Shadow Market, in many different cities over long years, for a relic from his past. Follow Jem and see—against the backdrop of the Shadow Market’s dark dealings and spectacle—Anna Lightwood’s doomed romance, Matthew Fairchild’s great sin, and Tessa Gray as she is plunged into a world war. Valentine Morgenstern buys a soul at the Market and a young Jace Wayland’s soul finds safe harbor. In the Market is hidden a lost heir and a beloved ghost, and no one can save you once you have traded away your heart. Not even Jem.

The third and final instalment in the bestselling urban gothic fantasy trilogy - The Mortal Instruments - international release date 24th March! With two of the Mortal Instruments now in Valentine’s hands, the world of the Shadowhunters teeters on the brink of civil war. Jace and the Lightwoods are recalled to Idris, the Shadowhunters’ remote and hidden home country, where a search has began for the last of the Instruments, the Mortal Glass. Clary finds herself caught up in the chaos as the delicate social order of the Nephilim begins to shatter, pitting Downworlders and Shadowhunters against each other. When the City of Glass falls under attack, can Downworlders and Nephilim fight together to defeat Valentine, or will their longstanding hatred destroy them all? And when Clary discovers the unbelievable truth about her past, can she find Jace before it’s too late?

**From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?**

**A #1 New York Times bestseller! “A rip-roaring adventure merged with satisfying romance.” —Entertainment Weekly “[A] swashbuckling launch to the Eldest Curses series.” —Publishers Weekly From #1 New York Times and USA TODAY bestseller Cassandra Clare and award-winner Wesley Chu comes the first book in a new series full of “swoon-worthy romance [and] abundant action” (Publishers Weekly). The Red Scrolls of Magic is a Shadowhunters novel. All Magnus Bane wanted was a vacation—a lavish trip across Europe with Alec Lightwood, the Shadowhunter who against all odds is finally his boyfriend. But as soon as the pair settles in Paris, an old friend arrives with news about a demon-worshipping cult called the Crimson Hand that is bent on causing chaos around the world. A cult that was apparently founded by Magnus himself. Years ago. As a joke. Now Magnus and Alec must race across Europe to track down the Crimson Hand before the cult can cause any more damage. Demons are now dogging their every step, and it is becoming harder to tell friend from foe. As their quest for answers becomes increasingly dire, Magnus and Alec will have to trust each other more than ever—even if it means revealing the secrets they've both been keeping.**

**Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.**

**Named a Best Book of 2020 by NPR and Vanity Fair One of Smithsonian's Ten Best Science Books of 2020 “A searching and vital explication of germ theory, social norms, and what the modern era is really doing to our bodies and our psyches.” —Vanity Fair A preventative medicine physician and staff writer for The Atlantic explains the surprising and unintended effects of our hygiene practices in this informative and entertaining introduction to the new science of skin microbes and probiotics. Keeping skin healthy is a booming industry, and yet it seems like almost no one agrees on what actually works. Confusing messages from health authorities and ineffective treatments have left many people desperate for reliable solutions. An enormous alternative industry is filling the void, selling products that are often of questionable safety and totally unknown effectiveness. In Clean, doctor and journalist James Hamblin explores how we got here, examining the science and culture of how we care for our skin today. He talks to dermatologists, microbiologists, allergists, immunologists, aestheticians, bar-soap enthusiasts, venture capitalists, Amish people, theologians, and straight-up scam artists, trying to figure out what it really means to be clean. He even experiments with giving up showers entirely, and discovers that he is not alone. Along the way, he realizes that most of our standards of cleanliness are less related to health than most people think. A major part of the picture has been missing: a little-known ecosystem known as the skin microbiome—the trillions of microbes that live on our skin and in our pores. These microbes are not dangerous; they're more like an outer layer of skin that no one knew we had, and they influence everything from acne, eczema, and dry skin, to how we smell. The new goal of skin care will be to cultivate a healthy biome—and to embrace the meaning of “clean” in the natural sense. This can mean doing much less, saving time, money, energy, water, and plastic bottles in the process. Lucid, accessible, and deeply researched, Clean explores the ongoing, radical change in the way we think about our skin, introducing readers to the emerging science that will be at the forefront of health and wellness conversations in coming years.**
