Kundala is Miina's world, created by that Goddess with the help of the dragons. But Miina is missing, and her people have been enslaved by the alien V'ornn. Now a savior has come, the Dar Sala-at, a messiah promised by prophecy yet unlike anyone's expectations: within the body of a beautiful young woman is the mind and spirit of a

unique Kundalan female who is joined in mystical partnership with the mind and spirit of Annon Ashera, a V'ornn male, the last survivor of a noble family. Together the two adolescents have matured and merged into a new joint identity. Now their common destiny, and Kundala's, is in their own hands. In Lustbader's richly imagined saga *The Pearl*, magic and science clash on an epic scale. As in the *Midkemia* novels of Raymond Feist, the juxtaposition shows that neither is inherently good or evil. It is the people using

magic or science who give them meaning, and Lustbader has created people you will never forget: Riane, the Dar-Sala-at; Eleana, the woman she loves twice over; Kurgan, the V'ornn usurper who raped Eleana and sired her child; Marethyn Stogggul, Kurgan's defiant sister, an artist who joins the Kundalan resistance; Marethyn's lover, chief trader Sornnn SaTrryn, who secretly helps the resistance as well; and the fabulous Krystren, the Sarakkon woman from the mysterious southern continent, who comes

north on a secret mission and will change the lives of everyone she meets. All the while, the evil Sauromicians threaten the world as they seek to use banestones to bind a dragon. With each new volume, The Pearl has bloomed and ramified like a gorgeous flowering vine. The Mistress of the Pearl is the best yet, and those who have read the previous books will find new sources of excitement and enlightenment, but this is also a great place to begin catching up with the series, as the Pearl shines ever brighter.

The sisters are mesmerized by Ah-ma's retelling and the fact that the very mooncakes they enjoy each holiday are a symbol of this legend's bravest soul.

"I present to you . . . the truth about this man's death and my life." Baltimore, 1849. The body of Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and even Poe's own family and friends accept the conclusion that Poe was a second-rate writer who met a disgraceful end as a drunkard. Everyone, in fact, seems to believe this except a young Baltimore lawyer named Quentin Clark, an ardent admirer who puts his own career and reputation at risk in a passionate crusade to salvage Poe's. As Quentin explores the puzzling circumstances of Poe's

demise, he discovers that the writer's last days are riddled with unanswered questions the police are possibly willfully ignoring. Just when Poe's death seems destined to remain a mystery, and forever sealing his ignominy, inspiration strikes Quentin—in the form of Poe's own stories. The young attorney realizes that he must find the one person who can solve the strange case of Poe's death: the real-life model for Poe's brilliant fictional detective character, C. Auguste Dupin, the hero of ingenious tales of crime and detection. In short order, Quentin finds himself enmeshed in sinister machinations involving political

agents, a female assassin, the corrupt Baltimore slave trade, and the lost secrets of Poe's final hours. With his own future hanging in the balance, Quentin Clark must turn master investigator himself to unchain his now imperiled fate from that of Poe's. Following his phenomenal debut novel, *The Dante Club*, Matthew Pearl has once again crossed pitch-perfect literary history with innovative mystery to create a beautifully detailed, ingeniously plotted tale of suspense. Pearl's groundbreaking research—featuring documented material never published before—opens a new window on the truth behind Poe's demise, literary history's

Oscar Micheaux—the most prolific African American filmmaker to date and a filmmaking giant of the silent period—has finally found his rightful place in film history. In this important collection, prominent
