

## ***Shamefully Broken A Dark Romance***

There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything. Oscar Micheaux's novel *The Forged Note: A Romance of the Darker Races* was published in 1915. The story pertains to a racially motivated lynching in Atlanta.

When tall, handsome Ben Weathers catches eighteen-year-old Stacy Miller watching porn and touching herself, the shy girl is utterly mortified. But Ben feels no hesitation in informing Stacy that he thinks he's the right man to punish her thoroughly for her disgraceful behavior, and she soon finds herself over his knee for a painful and humiliating bare-bottom spanking. Ben doesn't stop there, though. Seeing the way Stacy responds to his dominance, he decides to enlist the help of her naughty viewing habits in training her to please a man. From that point, he oversees her erotic education: she will visit his home twice a week, where she will submit to him completely. Though each meeting with Ben is more shameful and indecent than the last, Stacy soon realizes that Ben has begun to teach her to embrace her true erotic self and to find pleasures she never imagined. Week after week she returns to Ben's house for more. When Ben decides that it's time for him and his friends to give Stacy her final lesson, though, will she turn her back on her indecent awakening? Publisher's Note: *An Indecent Awakening* is an erotic novel that includes spankings, sexual scenes including a threesome, anal play, exhibitionism, elements of BDSM, and more. If such material offends you, please don't buy this book.

In the bestselling tradition of Cheryl Strayed's *Wild* and Helen MacDonald's *H Is for Hawk*, Karen Auvinen, an award-winning poet, ventures into the wilderness to seek answers to life's big questions with "candor [and] admirable courage" (*Christian Science Monitor*). Determined to live an independent life on her own terms, Karen Auvinen flees to a primitive cabin in the Rockies to live in solitude as a writer and to embrace all the beauty and brutality nature has to offer. When a fire incinerates every word she has ever written and all of her possessions—except for her beloved dog Elvis, her truck,

and a few singed artifacts—Karen embarks on a heroic journey to reconcile her desire to be alone with her need for community. In the evocative spirit of works by Annie Dillard, Gretel Ehrlich, and Terry Tempest Williams, Karen’s “beautiful, contemplative...breathtaking [debut] memoir honors the wildness of the Rockies” (Publishers Weekly, starred review). “Rough Beauty offers a glimpse into a life that’s pared down to its essentials, open to unexpected, even profound, change” (Brevity Magazine), and Karen’s pursuit of solace and salvation through shedding trivial ties and living in close harmony with nature, along with her account of finding community and even love, is sure to resonate with all of us who long for meaning and deeper connection. An “outstanding...beautiful story of resilience” (Kirkus Reviews, starred review), Rough Beauty is a luminous, lyric exploration, “a narrative that reads like a captivating novel...a voice not found often enough in literature—a woman who eschews the prescribed role outlined for her by her family and discovers her own path” (Christian Science Monitor) to embrace the unpredictability and grace of living intimately with the forces of nature.

*From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.*

*The MacArthur grant-winning environmental justice activist's riveting memoir of a life fighting for a cleaner future for America's most*

*vulnerable A Smithsonian Magazine Top Ten Best Science Book of 2020 Catherine Coleman Flowers, a 2020 MacArthur "genius," grew up in Lowndes County, Alabama, a place that's been called "Bloody Lowndes" because of its violent, racist history. Once the epicenter of the voting rights struggle, today it's Ground Zero for a new movement that is also Flowers's life's work—a fight to ensure human dignity through a right most Americans take for granted: basic sanitation. Too many people, especially the rural poor, lack an affordable means of disposing cleanly of the waste from their toilets and, as a consequence, live amid filth. Flowers calls this America's dirty secret. In this "powerful and moving book" (Booklist), she tells the story of systemic class, racial, and geographic prejudice that foster Third World conditions not just in Alabama, but across America, in Appalachia, Central California, coastal Florida, Alaska, the urban Midwest, and on Native American reservations in the West. In this inspiring story of the evolution of an activist, from country girl to student civil rights organizer to environmental justice champion at Bryan Stevenson's Equal Justice Initiative, Flowers shows how sanitation is becoming too big a problem to ignore as climate change brings sewage to more backyards—not only those of poor minorities.*

But the discovery of another life-sustaining planet light years away gives those who remain alive hope. Only a few will be able to make the journey-Holle Groundwater is one of the candidates. If she makes the cut, she will live. If not, she will be left to face a watery death...

A mage and a warrior must see beyond their facades and embrace the bond that links their souls in this powerful Carpathian novel from #1 New York Times bestselling author Christine Feehan. At any other time, Julija Brennan would find solace in the quiet of the Sierra Mountains, but now the mage is in the race of her life. Having broken free from her controlling family, Julija's attempt to warn the Carpathians of the coming threat has failed and put a target on her back--and those who are hunting her are close behind.... After centuries locked away in a monastery in the Carpathian Mountains, Isai Florea can't believe he's finally found his lifemate--the missing half of his soul. The second he sees Julija, his world blazes with color. But despite their explosive connection, Julija rebels against what she sees as Isai's intent to control her and rejects the bond that would prevent him from becoming a monster. As their unfulfilled bond continues to call to them both, Julija and Isai aim to complete the task that brought them together. They are used to facing danger alone, but now the mage and the ancient warrior must learn how to rely on each

other in order to stop a plot that threatens all Carpathians....

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Laziness Does Not Exist

Broken by the Alien

The Romance of a Shop

**From social psychologist Dr. Devon Price, a conversational, stirring call to “a better, more human way to live” (Cal Newport, New York Times bestselling author) that examines the “laziness lie”—which falsely tells us we are not working or learning hard enough. Extra-curricular activities. Honors classes. 60-hour work weeks. Side hustles. Like many Americans, Dr. Devon Price believed that productivity was the best way to measure self-worth. Price was an overachiever from the start, graduating from both college and graduate school early, but that success came at a cost. After Price was diagnosed with a severe case of anemia and heart complications from overexertion, they were forced to examine the darker side of all this productivity. Laziness Does Not Exist explores the psychological underpinnings of the “laziness lie,” including its origins from the Puritans and how it has continued to proliferate as digital work tools have blurred the boundaries between work and life. Using in-depth research, Price explains that people today do far more work than nearly any other humans in history yet most of us often still feel we are not doing enough. Filled with practical and accessible advice for overcoming society’s pressure to do more, and featuring interviews with researchers, consultants, and experiences from real people drowning in too much work, Laziness Does Not Exist “is the book we all need right now” (Caroline Dooner, author of The**

**Out here beyond the wall, men take what they want. I was warned. I was told what the savages in the wild lands outside the city would do to a girl like me, how they would ravish me, share me, and shame me. I should have listened... Once I left home, I didn't even last a day on my own. With a bear set on making me his next meal, it took four fearsome beasts of men to save my life. But the rugged, battle-hardened brutes who rescued me have no intention of letting me go. I belong to them now, and they are more than ready to strip me bare and punish me as sternly as needed to teach me my place. They have claimed me, but they will not merely use my virgin body for their pleasure. They are going to breed me. They'll take me hard and often, sometimes one at a time and sometimes several at once, until they've mastered me so completely that I can't help begging for more. Publisher's Note: Savages includes spankings and sexual scenes. If such material offends you, please don't buy this book.**

**This book by a black suffragette female writer Alice Dunbar-Nelson presents a collection of stories with unique characters. Each story leaves a specific incomparable aftertaste. The collection contains short essays, poems, and stories. The introduction to this book was written by the Black suffragette Sylvanie Williams, who Dunbar-Nelson presumably encountered during her time in turn-of-the-century New Orleans before moving to Harlem, New York.**

## Violets and Other Tales

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving their identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national life from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which the differences between American regions are greater than between European nations.

"This is truly an amazing read." --RT Book Reviews When your dreams come crashing down, what's next? Dawn Johnson and her sorority sisters thought she made a huge mistake marrying blue-collar Reginald. But Dawn and Reginald have built a life for themselves and their two children. Dawn can't wait to show everyone how wrong they were--especially when her successful best friend, Sasha, comes to visit. She never expected Sasha and Reginald would hit it off so well. She never thought they'd betray her in the most shocking and hurtful way imaginable--by running off together. And she never knew how much she could hold in her broken heart. . . With her life now in shambles, Dawn will do whatever it takes to regain what she lost. . . the road back will mean risking more than she ever imagined. . . "I recommend *Should Have Known Better* to readers who want a book that will have them talking out loud." --APOOO Book Club "Octavia skillfully adds dimension and hidden aspects to her characters while offering surprises aplenty. . ." --Booklist on *His Third Wife*

A #1 International Bestseller "A deeply imagined and deeply moving novel. Reading it made me happy and weepy in equal copious amounts." —Karen Joy Fowler "You can't help feeling that Jane would have approved." —The Guardian For fans of Jane Austen's *Longbourn*, a witty, wonderfully original novel about Cassandra Austen and her famous sister, Jane. Whoever was the elderly lady and saw the young heroine she once was? England, 1840. Two decades after the death of her beloved brother, Cassandra Austen returns to the village of Kintbury and the home of her family friends, the Fowles. In a dusty corner of the vicarage, there is a cache of Jane's letters that Cassandra is desperate to find. Dodging her hostess and a meddling neighbor, Cassandra eventually hunts down the letters and confronts the secrets they hold, secrets not only about Jane but about herself. Will Cassandra bare the most private details of her life to the world, or commit her sister's legacy to the flames? Back and forth between the vicarage and Cassandra's vibrant memories of her years with Jane, interwoven with Jane's reimagined lost letters, *Miss Austen* is the untold story of the most important person in Jane's life. With extraordinary emotional complexity, and wit, Gill Hornby finally gives Cassandra her due, bringing to life a woman as captivating as

Austen heroine.

She needs his protection. He demands her surrender. Since the arrogant, infuriatingly sexy brute spanked her like a l on her eighteenth birthday seven years ago, Ellie has done her best to avoid Mason Malone, and he is the absolute last she wants to come crawling to asking for a favor. But with her brother deep in debt to the wrong people and her life in jeopardy, she knows Mason is the only one who can help her. Mason agrees to intervene, but the rough, battle-hardened former I millionaire owner of a private security agency is no knight in shining armor, and his assistance will come at a high price. In return for his protection, Ellie will be made to surrender her body to him utterly and completely, to be used anywhere and in any way he pleases. He will not be patient. He will not be gentle. He is going to make her pay for all the years she's been looking down her nose, pretending she was too good for a guy like him. She will moan, plead, and cry out with pain, and helpless, desperate need as he strips her bare, punishes her harshly, and then takes her over and over, each time the last. He is going to break her in the most shameful way imaginable, and she is going to beg him for it. Publisher's Note: Shamefully Broken includes spankings, sexual scenes, intense and humiliating punishments, and strong D/s themes. If any material offends you, please don't buy this book.

**I was a good girl. Until you made me love you. You trained me to be your pretty little bird, my feathers spreading under your attention and praise. You promised you'd leave her. Swore it was me you wanted more than life. But then you broke my wings and silenced my song, and you became my obsession. I've spent years trying to figure out a way to change your mind, to win back your heart. But in this moment of desperation, my mind leaves me. And I'll just Steal you instead. Surely a fertility doctor would never steal a semen analysis sample for herself? Steal You is a dark erotic romance full of suspense, depicting a twisted love affair between a professor and his student. They have an**

obsessive, almost scary kind of love, one that could get them both hurt... and maybe even killed.

Her planet belongs to him. Her body will too. I've been a slave since Earth was conquered, but today a powerful Rathkari commander has singled me out. He's brought me aboard his ship and made sure I'm bathed and pampered. Now this huge, fearsomely sexy alien warrior plans to do absolutely anything he wants with me. I hate him and his entire race, and I fight him with everything I have... at first. But before long, I'm moaning, writhing, and blushing with utter shame as he forces one savage, shattering climax after another from my naked, helpless, tightly bound body. Soon I'll surrender completely. Then he'll claim me, use me, and breed me hard and often, and I'll take everything he gives me and beg for more. He'll have broken me, and I'll know it. Publisher's Note: Broken by the Alien includes spankings and sexual scenes. If such material offends you, please don't buy this book.

I thought I could leave the life behind. Then her father betrayed my father and pulled me back in. She was meant to be collateral, just a pawn in a deadly game, but she became so much more...

Five angry soldiers. One bad girl who's going to pay. The last time I was in this much trouble, five elite soldiers risked everything to save me. Then I made a selfish choice that cost them their careers. Now I'm going to have to pay the price. I didn't have a choice, so I accepted the deal they offered. In return for their protection, these rough, battle-hardened men now own me. I'm theirs to share, not just for a night, but forever. They'll strip me, punish me, and use me again and again until I'm sore, shamed, and utterly spent. I'm going to get exactly what I deserve, and I'll hate every moment of it... or at least that's what I try to tell myself. Publisher's Note: Shamefully Shared includes spankings, sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

A Dark Sci-Fi Romance

Her Brutal Alien

Loki Little Golden Book (Marvel)

Miss Austen

Rough Beauty

Waste

**First published in 1888, “The Romance of a Shop” is a novel by Amy Levy that tells the story of the Lorimer sisters who, following the death of their father, decide to open a photography business to avoid a life of poverty. An interesting exploration of the vagaries and vicissitudes of life for the “New Women” in the late 1900s that will appeal to those with an interest in history and feminism. Contents include: “In the Beginning”, “Friends in Need”, “Ways and Means”, “Number Twenty B”, “This Working-Day World”, “To the Rescue”, “A New Customer”, “A Distinguished Person”, “Show Sunday”, “Summing Up”, “A Confidence”, etc. Amy Judith Levy (1861–1889) was a British poet, novelist, and essayist. She was notably the first Jewish woman to study at Cambridge university, and she became well-known for her feminist positions as well as her romantic relationships with both male and female political and**

literature figures. Other works by this author include: “Xantippe and Other Verse” (1881), “Reuben Sachs” (1888), and “Miss Meredith” (1889). Read & Co. Classics is proudly republishing this classic novel now in a new edition complete with an introductory biography of the author by Richard Garnett.

One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.

**They'll Bring Him To His Knees.**Aiden Taylor-Chapman had it all until he threw his life away on drugs and crime. Now he's being targeted by a mob boss who wants him dead, and he's been captured by two military grade bodyguards who are holding him on the orders of Mason Malone - a man who was once his best friend, but is now keeping his sister prisoner. If only Steven and Robert would let him go, he might have a chance of putting things right, but the two ex-Marines are more than a match for him. They demand obedience and submission, two things Aiden has never been able to give anybody. It's a battle of wills he loses every time as they subject him to their unique brand of military discipline.It's bad enough that they won't give him the fix he craves. Worse still, he's falling for them both.

Maverick's bigot father raised him to be a racist.The moment he sees me-the biracial new girl-an invisible target is placed on my back.Before the first day of school, he turns most of the senior class against me. Maverick thought I would roll over and take his abuse, never anticipating a battle.He was mistaken.I will fight until my last breath.Maverick and his friends can suck it.When I don't fold under pressure, he comes at me full force, wanting to destroy me.He never expected to be the one to fold.

A brutal beast of an alien monster burst into my kitchen, killed my husband, and abducted me. Now I find myself captive on a distant planet, caught up in royal alien intrigue, a political prisoner for reasons I cannot begin to understand. My alien captor's name is Tusk. He says hates humans. He pretends not to want me. But whenever I am near him, every part of his massive body tells me otherwise... He is my brutal alien. I am his human captive. This is our story.

Grabbed off the street, locked in a cell, and falsely accused of a terrible crime, Tara thought they had taken everything they could from her. But she was wrong. Terribly wrong. They plan to take her modesty, her dignity, and her free will itself.

**They intend to break her. Breaking women is Doctor Mark Kilroy's job and he does it well. Tara will be stripped bare, thoroughly humiliated, and punished harshly for the slightest hint of disobedience. Her body will be pushed to its limits with pleasure so shameful and intense it will shatter her ability to resist his demands. When Mark is finished, he will not need to force himself on her. She will beg for it. But Tara is not like any other woman Mark has broken. Even as her body surrenders to his mastery, her mind refuses to yield. Worse still, he finds himself yearning to cast aside protocol, abandon his duty, and claim her for himself. When the time comes for him to complete his task and put Tara's conditioning to the test, will her defiance end in catastrophe for them both? Publisher's Note: Broken by Him includes spankings and sexual scenes. If such material offends you, please don't buy this book.**
