Pursuing the spirit of adventure and an altruistic goal of raising global awareness and funds for breast cancer, Polly Letofsky broke down barriers and walked across four continents, 22 countries, and covered over 14,000 miles in five years to be the first American woman to successfully walk around the world.

This is the story of Bhima, the second son, always second in line -- a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's *Bhima* is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beautiful Arjuna.

WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

It is the spring of 1939 in the age of anxiety. In months Europe will be Hitler's. And Badenheim, a resort town vaguely in the orbit of Vienna, is preparing for its summer season. The vacationers arrive as they always have, a sampling of Jewish middleclass life: the impresario Dr. Pappenheim, his musicians, and their conductor; the gay Frau Tsauberblit; the historian Dr. Fussholdt and his much younger wife; the 'readers,' twins whose passion for Rilke is featured on their

program; a child prodigy; a commercial traveler; a rabbi. The list waxes as the summer wanes. To receive them in the town are the pharmacist and his worried wife, the hotelier and his large staff, the pastry shop owner and his irritable baker, Sally and Gertie (two quite respectable prostitutes), and, mysteriously, the bland inspectors from the "Sanitation Department." The story unfolds as matter-of-factly as a Chekhov play. The characters on stage are so deeply held by their defensive daily trivia that they manage to misconstrue every signal of their fate. Finally, de facto prisoners in their familiar resort, the vacationers, now increased by the forced crowding-in of other Jews hardly on vacation, take on the lineaments of undefined disaster. The text builds a sense of foreboding in which each human detail is so persuasive, so right in its fidelity to the terrible evasions of the time, that it leaves the reader transformed by what he and the author know must happen to Badenheim's people. Badenheim 1939 owes everything to its author's astonishing capacity to recreate the energies and confusions of innocent and uncomprehending victims who, always loyal to civility and social graces, fail to even dimly see the cruel terms of their imminent fate.

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, The Legends of Khasak, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

While Shakespeare today is considered literature and is taught as a pure, high form of art, in his own day it was the quintessential masala entertainment he provided that attracted both the common people and the nobility. In *Masala Shakespeare*, Jonathan Gil Harris explores the profound resonances between Shakespeares craft and Indian cultural forms as well as their pervasive and enduring relationship in theatre and film. Indeed, the book is a love letter to popular cinema and other Indian storytelling forms. It is also a love letter to an idea of India.

In this book Dr. Joseph Murphy explains how the latent powers inherent in our subconscious can improve our lives. He discusses the two minds that each of us possess; the objective mind and the subjective mind, and how to integrate them. He also explains how to harness the power of mind, especially the subconscious mind. Dr. Joseph Murphy, the founder of 'The Church of Divine Science', produced books, tapes, and radio broadcasts on spiritual matters, the historical values of life, the art of wholesome living, and the teachings of great philosophers-both from the Eastern and Western cultures.

First published in Malayalam in 1973, *My Story*, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Deepak Chopra brings the Buddha back to life in this gripping New York Times bestselling novel about the young prince who abandoned his inheritance to discover his true calling. This iconic journey changed the world forever, and the truths revealed continue to influence every corner of the globe today. A young man in line for the throne is trapped in his father's kingdom and yearns for the outside world. Betrayed by those closest to him, Siddhartha abandons his palace and princely title. Face-to-face with his demons, he becomes a wandering monk and embarks on a spiritual fast that carries him to the brink of death. Ultimately recognizing his inability to conquer his body and mind by sheer will, Siddhartha transcends his physical pain and achieves enlightenment. Although we recognize Buddha today as an icon of peace and serenity, his life story was a tumultuous and spellbinding affair filled with love and sex, murder and loss, struggle and surrender. From the rocky terrain of the material world to the summit of the spiritual one, Buddha captivates and inspires—ultimately leading us closer to understanding the true nature of life and ourselves.

Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur.

Fascinated with accounts of the prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years.

Vikrant Pande and Neelesh Kulkarni's quest to retrace the trail of Rama's fabled travels during his years in exile began with their trying to locate Chitrakoot on the map and realizing that they had little idea where it might be. Curious about the places mentioned in the Ramayana, they set off on a journey of their own, following Rama's route from Ayodhya to the Dandakaranya forest and Panchavati (near Nashik) and on to Kishkindhya (close to Hampi), Rameshwaram and Sri Lanka. Along the way they would discover how closely the narrative of the Ramayana is linked to local folklore, and how the stories of the Ramayana and the moral framework that binds them together still speaks to the people who live in the land across which Rama, Sita and Lakshman made their journey. For the armchair traveller as well as the enthusiast for epic tales, this is a wonderful book with which to revisit the world of the Ramayana.

Memoirs of a Namboodiri Woman

Autobiographical reminiscences of Mannathu Padmanabhan, 1878-1970, social reformer and nationalist from Kerala and the role of Nair Service Society founded by him.

History of Mappila Muslims is known to scholars in the English-speaking world thanks to certain works which carved a niche in what later came to be known as Mappila studies. Although these works are considerably a few and their importance has been slighted by the coming generations as per the ever-evolving standards of historicity, they could set a paradigm in this area of historical exploration. Tuhfatul Mujahidin and Fatah al-Mubeen in the days of yore and Roland Miller's Mappila Muslims of Kerala in the last century are among the paradigmatic texts which Other Books has either published or will soon publish. Classical works like Tuhfa and Fatah al-Mubeen are the masterpieces

which resist any overlooking as per any standards of historical analysis, chiefly because they speak of the space and time in which their authors encountered the bloody enactment of a historical event: Gama's arrival on the coast of Malabar. All other events preceding 1498 are narrated in these works in relation to or in the context of that apocalyptic coup d'état. By publishing JBP More's Origin and Early History of the Muslims of Keralam-700 AD 1600 AD, we would like to shed as much light as possible on the history preceding, as well as the history of more than a century succeeding, Gama's arrival on the coast of Malabar. We have the same objective behind publishing the Malayalam translation of Roland E Miller's Mappila Muslims, which too comes out all but simultaneously. As befitted a historian, More has gone through several sources, which he has duly footnoted, in the analysis of historical events narrated in the work. We hope these works will serve as lighthouses to guide explorations in the sea of literatures and oral narratives, chronicled or yet to be chronicled, on the history of Malabar and Mappilas. Since these works are second-hand sources, we request you to subject their historicity to scrutiny more than we do the historicity of classics. For example, a section of this book deals with Cheraman Perumal's conversion into Islam- an incident in the history of Kerala which elicits many questions from academics and historians on its chronology and the nature of incident. Author's discussion of the incident may not be agreeable to many readers. For example, in page 112 of the book, the author states that 'if the prophet had really met Cheraman Perumal it would have been mentioned in the Hadith literature'. But in Al- Musthadrak of Hakim (1002- 03), a collection of ahadith, the following event is reported on the authority of Abu Saeed Al-Khudri, one of the famed companions of the Prophet and widely remembered Helper (Ansar) who has reported around 1170 prophetic narrations: "A king from India presented the messenger, a bottle of ginger, which the messenger handed to his companions for eating. He gave me some, too". The Indian king is believed to be Cheraman Perumal based on the analysis of narration. However, Other Books aims to bring out and strengthen many and varied discourses on otherwise less discussed issues in the history of Kerala. We hope those readers will judiciously collate their data, compare them with the author's sources and form an opinion accordingly.

An unusual and witty travel book about the United States of America. At the age of fifty, when most people have settled for the safety of routine, R. K. Narayan left India for the first time to travel through America. In this account of his journey, the writer's pen unerringly captures the clamour and energy of New York city, the friendliness of the West Coast, the wealth and insularity of the Mid-West, the magnificence of the Grand Canyon... Threading their way through the narrative are a host of delightful characters—from celebrities like Greta Garbo, Aldous Huxley, Martha Graham, Cartier Bresson, Milton Singer, Edward G. Robinson and Ravi Shankar to the anonymous business tycoon on the train who dismissed the writer when he discovered Narayan had nothing to do with India's steel industry. As a bonus, there are wry snapshots of those small but essential aspects of American life—muggers, fast food restaurants, instant gurus, subway commuters, TV advertisements, and American football. An entrancing and compelling travelogue about an endlessly fascinating land.

On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhan's is the tale of an uprooted life, told here through the contemporary lens of Rupi Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's Budhini powerfully invokes the wider bio-politics of our relentless modernization and the dangers of being indifferent to ecological realities.

Ru: In Vietnamese it means lullaby; in French it is a small stream, but also signifies a flow - of tears, blood, money. Kim Thy's Ru is literature at its most crystalline: the flow of a life on the tides of unrest and on to more peaceful waters. In vignettes of exquisite clarity, sharp observation and sly wit, we are carried along on an unforgettable journey from a palatial residence in Saigon to a crowded and muddy Malaysian refugee camp, and onward to a new life in Quebec. There, the young girl feels the embrace of a new community, and revels in the chance to be part of the American Dream. As an adult, the waters become rough again: now a mother of two, she must learn to shape her love around the younger boy's autism. Moving seamlessly from past to present, from history to memory and back again, Ru is a book that celebrates life in all its wonder: its moments of beauty and sensuality, brutality and sorrow, comfort and comedy.

Kerala, on the south-western coast of India, was described as late as 1838, as 'God's Garden' by German missionary and scholar, Hermann Gundert. Even as this land continues to sustain its reputation, little is known about its social and cultural ethos. Lore and Legends of Kerala is a distillation of 48 of the most sparkling of the 800 or so stories that form Aithiyamala, the definitive collection of the myths and social history of Kerala. Aithiyamala, which was first published in 1909, is a compilation of narratives that were recorded by Kottarathil Sankunni and published by the Malayala Manorama newspaper and its literary journal Bhashaposhini. Peopled by sorcerers, spirits, dynamic women, and snakes and elephants, the stories of this grand collection explore universal human values like faith, commitment to spirituality, respect for elders, reverence for parents and mentors, love for the young, and compassion for dependants. Significantly, the stories range across all the religious groups of Kerala. A representative selection of the themes and stories of this classic work, this book includes

illustrations by leading Malayalee artists C.N. Karunakaran and Namboodiri. This book has been designed to appeal to young readers who will find the stories interesting and the illustrations delightful, as also for enthusiasts of Indian literature and culture and general readers.

Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a

member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.

The first full-length memoirs of a Namboodiri woman, the work reveals little-known facets of a Namboodiri woman's life lived behind closed doors. Told without a trace of self-pity, the work throws interesting sidelights on the social history of a largely insular community.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Novel based on social themes.
