The title of my book, Santa’s Thirty-Five Year Sleigh Ride: Memoirs of a Professional Career as Santa Claus, states the basic summary of my book and alerts the reader of what to expect. It contains many of my favorite memories (memoirs) of my career as a professional Santa Claus over the past thirty-five years. To me, children are special, and they deserve to be happy. At first contact, I have no idea of their background or their circumstances. I just do my best to make them feel like the most important person in the world. The few minutes they have with me (as Santa Claus) might very well be the only time during the entire year that they feel special, important, and loved. My memoirs are full of interesting stories, sad stories and true tales of surprising adventures and events in the life of a modern-day Santa Claus. Since I love humor, and I think that most people do, I have included my most memorable stories that are memorable because of the humor involved. And perhaps some of my favorite memories will become some of yours as well. Maybe you have wondered what a Santa Claus does, what experience he has had, or why he became a Santa Claus in the first place. Perhaps you have wondered what credentials he has to have or what type of personality he needs to be a great and convincing Santa Claus. If so, my book will be of great interest and value to you. I, as Santa, have had many, many precious moments with children; I have had both funny and sad moments that may bring you to tears. I’ve smiled, I’ve laughed, and I’ve cried. You will too. And if you’ve ever wondered what it would be like to be a Santa Claus and make a child smile by just being there...my book will help you to understand. And finally, if you have ever considered actually donning the red suit and portraying the 'Jolly Old Elf' yourself, my book may very well push you over the top.

Bush pilot Ella Conway's niece writes an urgent letter to Santa. In it she begs him to convince North Pole's favorite son and two-time Iditarod Champion, Kody Lord, to complete her aunt Ella's training, thereby fulfilling Ella's late father's dream that she run "The Last Great Race" for him. But Santa needs to hurry, please, because the race is held the first Saturday of March, less than three weeks away. Clara Goebel, leader of the Elves, a group that answers Santa's letters, thinks it'll do still-grieving widower Kody and his faltering business good if he not only trains Ella but runs the race again as well. After the death of his wife following the Iditarod, Kody swore he would train only sled dogs, not people. When Ella arrives at Sled Dog Safari, Kody prepares to send her packing . . . but seeing Ella interact with her dogs touches something deep inside him, as does Ella herself. While training for the race, Ella and Kody fall slowly in love both with each other and North Pole in all its winter wonder. But when the time comes for the race, Kody panics at the thought that the Alaskan wilderness could take from him another woman he loves. When Kody leaves her at the starting line, Ella fears she's seen the last of him. Can she continue with their relationship knowing that everything she loves causes him pain?
