

Small Great Things The Bestselling Novel You Wont Want To Miss

#1 NEW YORK TIMES BESTSELLER • From the author of Small Great Things and A Spark of Light comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unfold side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

Jimmy McClean is a Lakota boy—though you wouldn’t guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider’s perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840–1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather’s tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award

From the #1 New York Times bestselling author of Small Great Things and the modern classics My Sister’s Keeper, The Storyteller, and more, comes a “complex, compassionate, and smart” (The Washington Post) novel about a family torn apart by a murder accusation. When your son can’t look you in the eye...does that mean he’s guilty? Jacob Hunt is a teen with Asperger’s syndrome. He’s hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he’s always showing up and telling the cops what to do. And he’s usually right. But when Jacob’s small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob’s behaviors are hallmark Asperger’s, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob’s mother, it’s a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it’s another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? House Rules is “a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise” (People).

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Small Things Like These

Jonathan Livingston Seagull

Autobiography of a Recovering Skinhead is Frank Meeink’s raw telling of his descent into America’s Nazi underground and his ultimate triumph over drugs and hatred. Frank’s violent childhood in South Philadelphia primed him to hate, while addiction made him easy prey for a small group of skinhead gang recruiters. By 16 he had become one of the most notorious skinhead gang leaders on the East Coast and by 18 he was doing hard time. Teamed up with African-American players in a prison football league, Frank learned to question his hatred, and after being paroled he defected from the white supremac.

From #1 New York Times bestselling authors Jodi Picoult and Samantha van Leer, OFF THE PAGE is a tender and appealing YA novel filled with romance, humor, and adventure. Deillah and Oliver shouldn’t be together. But they are together. And just as they’re getting used to the possibility that happily ever after may really, truly be theirs, the universe sends them a message they can’t ignore: they won’t be allowed to rewrite their story. Deillah and Oliver must decide how much they’re willing to risk for love and what it takes to have a happy ending in a world where the greatest adventures happen off the page. “Off the Page is just so sweet and magical. In high school, I would have given ANYTHING to crawl inside one of my favorite books to escape the real world. I wish!”—SARAH DESSEN, #1 New York Times bestselling author of Saint Anything

Winner of the Art Seidenbaum Award for First Fiction A New York Times 2016 Notable Book Entertainment Weekly’s #1 Book of the Year A Washington Post 2016 Notable Book A Slate Top Ten Book NEW YORK TIMES BESTSELLER “The Nix is a mother-son psychodrama with ghosts and politics, but it’s also a tragicomedy about anger and sanctimony in America. . . . Nathan Hill is a maestro.” —John Irving From the suburban Midwest to New York City to the 1968 riots that rocked Chicago and beyond, The Nix explores—with sharp humor and a fierce tenderness—the resilience of love and home, even in times of radical change. It’s 2011, and Samuel Andresen-Anderson—college professor, stalled writer—has a Nix of his own: his mother, Faye. He hasn’t seen her in decades, not since she abandoned the family when he was a boy. Now she’s re-appeared, having committed an absurd crime that electrifies the nightly news, beguiles the internet, and inflames a politically divided country. The media paints Faye as a radical hippie with a sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she’s facing some serious charges, and she needs Samuel’s help. To save her, Samuel will have to embark on his own journey, uncovering long-buried secrets about the woman he thought he knew, secrets that stretch across generations and have their origin all the way back in Norway, home of the mysterious Nix. As he does so, Samuel will confront not only Faye’s losses but also his own lost love, and will relearn everything he thought he knew about his mother, and himself.

The Extraordinary Power of Caring for Your People Like Family

Everybody Matters

Autobiography of a Recovering Skinhead

The Nix

Atomic Habits

This raw, moving novel follows two teenagers—one, a Mohawk-wearing 17-year-old violent misfit; the other, a gay 13-year-old cast out by his family, hustling on the streets and trying to survive. Acclaimed author Davida Wills Hurwin creates a riveting narrative told in alternating perspectives of their lives before and after the violent hate crime that changed both their futures. This tragic but ultimately inspirational journey of two polarized teens, their violent first meeting, and their peaceful reunion years later is an unforgettable story of survival and forgiveness. This story is inspired by the real lives of Matthew Boger and Timothy Zaal, who have shared their story on The Oprah Winfrey Show and NPR. In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-ture romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Best-selling author James Green shares his own ground-breaking 6-step formula for producing top quality, highly successful non-fiction books in just 24 hours. 24 Hour Bestseller: How to Write a Book in 24 Hours will provide you with a 6-step writing blueprint that you can set on full 'rinse and repeat mode' providing you with a step-by-step recipe for writing success. When a mysterious man claims to be her long-missing brother, a woman must confront her family’s closely guarded secrets in this “delicious hybrid of mystery, drama, and elegance” (Jodi Picoult, #1 New York Times bestselling author). Washington, DC, 2019: Laura Preston is a reclusive artist at odds with her older sister Beatrice as their elegant, formidable mother slowly slides into dementia. When a stranger contacts Laura claiming to be her brother who disappeared forty years earlier when the family lived in Bangkok, Laura ignores Bea’s warnings of a scam and flies to Thailand to see if it can be true. But meeting him in person leads to more questions than answers. Bangkok, 1972: Genevieve and Robert Preston live in a beautiful house behind a high wall, raising their three children with the help of a cadre of servants. In these exotic surroundings, Genevieve strives to create a semblance of the life they would have had at home in the US—ballet and riding classes for the children, impeccable dinner parties, a meticulously kept home. But in truth, Robert works for American intelligence, Genevieve finds herself drawn into a passionate affair with her husband’s boss, and their serene household is vulnerable to unseen dangers in a rapidly changing world and a country they don’t really understand. Alternating between past and present as all of the secrets are revealed, What Could Be Saved is an unforgettable novel about a family broken by loss and betrayal, and “a richly imagined page-turner that delivers twists alongside thought-provoking commentary” (Kirkus Reviews).

Small Great Things

In the tradition of Jennifer Close’s Girls in White Dresses comes a “a pin-sharp, utterly addictive debut” (Vogue U.K.) told in vignettes that speak to a new generation not trying to have it all but hoping to make sense of it all. “Everyone’s been talking about this book. . . . Charming and funny, this read is simply delightful.”—Bustle “A deadpan comic debut for the procrastination generation.”—The Guardian Claire Flannery has just quit her office job, hoping to take some time to discover her real passion. The problem is, she’s not exactly sure how to go about finding it. Without the distractions of a regular routine, Claire confronts the best and worst parts of herself: the generous, attentive part that visits her grandmother for tea and cooks special meals for her boyfriend, Luke, and the part that she feels will never measure up and makes regrettable comments after too many glasses of wine. What emerges is a candid, moving portrait of a clear-eyed heroine trying to forge her own way, a wholly relatable character whose imperfections and uncanny observations highlight what makes us all different and yet inescapably linked. Praise for Not Working “Ruefully funny . . . features a kind of millennial Bridget Jones whose red wine-and-TED Talk-fueled pursuit of a higher purpose in life leads to hard truths and hangovers.”—Vogue “In this laugh-out-loud debut, Claire Flannery is a lost soul who quits her day job to discover her true passion. In taking a hard look at her own character, Claire finds that her loveable qualities are sometimes squashed by mistakes, like the evenings she blurts inappropriate remarks after too many glasses of wine. [Lisa] Owens’s story is a smart, relatable and delicious debut.”—Harper’s Bazaar “It’s no mean feat to fashion a novel out of the stuff of everyday life. . . . Fortunately, Owens is quite a writer. . . . Not Working works because there is lots going on beneath its placid, ordinary surface. . . . With this funny, serious debut, Lisa Owens has proved that she’s one to watch.”—The New Statesman “There are sharp observations about generational change, particularly on the topic of work. . . . The novel is a light read but it raises some timely issues. . . . A secure job with a future is not that easy to find, as Claire’s comic and compelling tale serves to show. This book offers a form of catharsis for anyone who has felt that they are not quite doing their job right. . . . It is soothing to find you are not the only one noodling along in your career.”—Financial Times “Stellar . . . [Owens has an] ability to take the potentially trite problem-of-the-privileged trope and deftly craft it into readable fun.”—Publishers Weekly “Owens offers a millennial take on the traditional British chick-lit heroine. . . . Claire is a realistically awkward character who will appeal to readers looking for a less-anxsty take on the new adult trend.”—Booklist “A novel as insightful about the contemporary dilemmas facing young professionals as it is sharp, incisive and laugh-out-loud funny.”—The Observer “Lots of people say they laugh out loud when they read a book they love. But in the case of Not Working, I really did laugh out loud, often and raucously.”—Elisabeth Egan, author of A Window Opens

In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of Summer Sisters and of young adult classics such as Are You There God? It’s Me, Margaret, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the Unlikely Event is vintage Judy Blume, with all the hallmarks of Judy Blume’s unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: “Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents.” —Booklist (starred review) and “In Blume’s latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human.” —Publishers Weekly **#1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE* VANITY FAIR * GLAMOUR 2021 WOMEN’S PRIZE FINALIST** “Bennett’s tone and style recalls James Baldwin and Jacqueline Woodson, but it’s especially reminiscent of Toni Morrison’s 1970 debut novel, The Bluest Eye.” —Kiley Reid, Wall Street Journal “A story of absolute, universal timelessness ...For any era, it’s an accomplished, affecting novel. For this moment, it’s piercing, subtly wending its way toward questions about who we are and who we want to be...” – Entertainment Weekly From The New York Times–bestselling author of The Mothers, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, The Vanishing Half considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times–bestselling debut The Mothers, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

“Bob Chapman, CEO of the \$1.7 billion manufacturing company Barry-Wehmiller, is on a mission to change the way businesses treat their employees.” – Inc. Magazine Starting in 1997, Bob Chapman and Barry-Wehmiller have pioneered a dramatically different approach to leadership that creates off-the-charts morale, loyalty, creativity, and business performance. The company utterly rejects the idea that employees are simply functions, to be moved around, “managed” with carrots and sticks, or discarded at will. Instead, Barry-Wehmiller manifests the reality that every single person matters, just like in a family. That’s not a cliché on a mission statement; it’s the bedrock of the company’s success. During tough times a family pulls together, makes sacrifices together, and endures short-term pain together. If a parent loses his or her job, a family doesn’t lay off one of the kids. That’s the approach Barry-Wehmiller took when the Great Recession caused revenue to plunge for more than a year. Instead of mass layoffs, they found creative and caring ways to cut costs, such as asking team members to take a month of unpaid leave. As a result, Barry-Wehmiller emerged from the downturn with higher employee morale than ever before. It’s natural to be skeptical when you first hear about this approach. Every time Barry-Wehmiller acquires a company that relied on traditional management practices, the new team members are skeptical too. But they soon learn what it’s like to work at an exceptional workplace where the goal is for everyone to feel trusted and cared for—and where it’s expected that they will justify that trust by caring for each other and putting the common good first. Chapman and coauthor Raj Sisodia show how any organization can reject the traumatic consequences of rolling layoffs, dehumanizing rules, and hypercompetitive cultures. Once you stop treating people like functions or costs, disengaged workers begin to share their gifts and talents toward a shared future. Uninspired workers stop feeling that their jobs have no meaning. Frustrated workers stop taking their bad days out on their spouses and kids. And everyone stops counting the minutes until it’s time to go home. This book chronicles Chapman’s journey to find his true calling, going behind the scenes as his team tackles real-world challenges with caring, empathy, and inspiration. It also provides clear steps to transform your own workplace, whether you lead two people or two hundred thousand. While the Barry-Wehmiller way isn’t easy, it is simple. As the authors put it: “Everyone wants to do better. Trust them. Leaders are everywhere. Find them. People achieve good things, big and small, every day. Celebrate them. Some people wish things were different. Listen to them. Everybody matters. Show them.”

Leaving Time

It’s Not How Good You Are, It’s How Good You Want to Be

Brick Walls

In the Footsteps of Crazy Horse

From Jodi Picoult, #1 New York Times bestselling author of The Storyteller and My Sister’s Keeper, comes a gripping and beautifully written novella, now available exclusively as an eBook. Set in the wilds of Africa, Larger Than Life introduces Alice, the unforgettable character at the center of Picoult’s anticipated new novel, Leaving Time. A researcher studying memory in elephants, Alice is fascinated by the bonds between mother and calf—the mother’s powerful protective instincts and her newborn’s unwavering loyalty. Living on a game reserve in Botswana, Alice is able to view the animals in their natural habitat—while following an important rule: She must only observe and never interfere. Then she finds an orphaned young elephant in the bush and cannot bear to leave the helpless baby behind. Thinking back on her own childhood, and on her shifting relationship with her mother, Alice risks her career to care for the calf. Yet what she comes to understand is the depth of a parent’s love. Praise for Jodi Picoult “Picoult is a skilled wordsmith, and she beautifully creates situations that not only provoke the mind but touch the flawed souls in all of us.”—The Boston Globe “Picoult is a rare writer who delivers book after book, a winning combination of the literary and the commercial.”—Entertainment Weekly “Jodi Picoult’s novels do not gather dust on the bedside table. They are gobbled up quickly and the readers want more.”—Los Angeles Times

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. “Once there was a tree...and she loved a little boy.” So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another’s capacity to love in return. Every day the boy would come to the tree to eat her apples, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein’s incomparable career as a bestselling children’s book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don’t Bump the Glump!, and Runny Rabbit. And don’t miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

An astonishing novel about redemption and forgiveness from the “amazingly talented writer” (HuffPost) and #1 New York Times bestselling author Jodi Picoult. Some stories live forever... Sage Singer is a baker. She works through the night, preparing the day’s breads and pastries, trying to escape a reality of loneliness, bad memories, and the shadow of her mother’s death. When Josef Weber, an elderly man in Sage’s grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their differences, they see in each other the hidden scars that others can’t. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor. If she says yes, she faces not only moral repercussions, but potentially legal ones as well. With the integrity of the closest friend she’s ever had clouded, Sage begins to question the assumptions and expectations she’s made about her life and her family. In this searingly honest novel, Jodi Picoult gracefully explores the lengths to which we will go in order to keep the past from dictating the future.

An Instant New York Times Bestseller and #1 Indie Bestseller! A William C. Morris YA Debut Award Finalist An Asian Pacific American Librarians Association Honor Book Two friends. One fake dating scheme. What could possibly go wrong? Frank Li has two names. There’s Frank Li, his American name. Then there’s Sung-Min Li, his Korean name. No one uses his Korean name, not even his parents. Frank barely speaks any Korean. He was born and raised in Southern California. Even so, his parents still expect him to end up with a nice Korean girl—which is a problem, since Frank is finally dating the girl of his dreams: Brit Means. Brit, who is funny and nerdy just like him. Brit, who makes him laugh like no one else. Brit. . . who is white. As Frank falls in love for the very first time, he’s forced to confront the fact that while his parents sacrificed everything to raise him in the land of opportunity, their traditional expectations don’t leave a lot of room for him to be a regular American teen. Desperate to be with Brit without his parents finding out, Frank turns to family friend Joy Song, who is in a similar bind. Together, they come up with a plan to help each other and keep their parents off their backs. Frank thinks he’s found the solution to all his problems, but when life throws him a curveball, he’s left wondering whether he ever really knew anything about love—or himself—at all. In this moving debut novel—featuring striking blue stained edges and beautiful original endpaper art by the author—David Yoon takes on the question of who am I? with a result that is humorous, heartfelt, and ultimately unforgettable.

Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter’s marriage, after which she falls in love with another woman, Vanessa, and wants to start a family; but her ex-husband, Max, in the grips of an anti-gay pastor, stands in the way. Includes a CD of songs created for the novel. (This title is being re-listed in Forecast). 1.5 million first printing.

A highly relevant and gripping novel that challenges us to ask what it means to forgive while seeking justice and to pursue reconciliation while loving others as ourselves. Adisa Johnson is living her dream of practicing law with a prestigious firm in downtown Atlanta. Then a split-second mistake changes the course of her career. Left with no other options, Adisa returns to her hometown where a few days earlier a white police officer shot an unarmed black teen who is now lying comatose in the hospital. Adisa is itching to jump into the fight as a special prosecutor but feels pulled to do what she considers unthinkable as a young black woman—defend the officer. As the court case unfolds, everyone in the small community must confront their own prejudices. Caught in the middle, Adisa also tries to chart her way along a path complicated by her budding relationship with a charismatic young preacher who leads the local movement demanding the police officer answer for his crime. In a small Georgia town where racial tensions run high and lives are at stake, can one lawyer stand up for justice against the tides of prejudice? A stand-alone legal drama Book length: approximately 120,000 words Includes discussion questions for book clubs

An Easy & Proven Way to Build Good Habits & Break Bad Ones

It Ends with Us

In the Unlikely Event

Frankly in Love

The Complete Edition

Alice Metcalf was a devoted mother, loving wife, and accomplished scientist who studied grief among elephants. Yet it's been a decade since she disappeared under mysterious circumstances, leaving behind her small daughter, husband, and the animals to which she devoted her life. All signs point to abandonment . . . or worse. Still Jenna -- now thirteen years old and truly orphaned by a father maddened by grief -- steadfastly refuses to believe in her mother's desertion. So she decides to approach the two people who might still be able to help her find Alice: a disgraced psychic named Serenity Jones and Virgil Stanhope, the cynical detective who first investigated her mother's disappearance and the death of one of her mother's co-workers. Together these three lonely souls will discover truths destined to forever change their lives.

#1 NEW YORK TIMES BESTSELLER • The author of Small Great Things returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—The Washington Post The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? A Spark of Light will inspire debate, conversation . . . and, hopefully, understanding. Praise for A Spark of Light “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

#1 NEW YORK TIMES BESTSELLER • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, Small Great Things is the stunning new page-turner from Jodi Picoult. SOON TO BE A MAJOR MOTION PICTURE “[Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book.”—Booklist (starred review) Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty years’ experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she’s been reassigned to another patient. The parents are white supremacists and don’t want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious crime. Kennedy McQuarrie, a white public defender, takes her case but gives unexpected advice: Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy’s counsel, Ruth tries to keep life as normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other’s trust, and come to see that what they’ve been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn’t offer easy answers. Small Great Things is a remarkable achievement from a writer at the top of her game. Praise for Small Great Things “Small Great Things is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice.”—The Washington Post “A novel that puts its finger on the very pulse of the nation that we live in today . . . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down.”—San Francisco Book Review “Includes the rediscovered part four”--Cover.

Shine (Short Story)

#1 NEW YORK TIMES BESTSELLER • From the author of Small Great Things and The Book of Two Ways comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of The Seven Husbands of Evelyn Hugo) and Daisy Jones & The Six) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by She Reads Diana O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they’d booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father’s suspicion of outsiders. In the Galápagos Islands, where Darwin’s theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

Loner James Malloy is a ferry captain—or used to be, until he was unceremoniously fired and replaced by a girl named Courtney Farris. Now, instead of piloting Brenton Island’s daily lifeline to the glitzy docks of Newport, Rhode Island, James spends his days beached, bitter, and bored. When he discovers a private golf course staked out across wilderness sacred to his dying best friend, a Narragansett Indian, James is determined to stop such “improvements.” But despite Brenton’s nickname as “Cooperation Island,” he’s used to working solo. To keep rocky bluffs, historic trees, and ocean shoreline open to all, he’ll have to learn to cooperate with other islanders—including Captain Courtney, who might just morph from irritant to irresistible once James learns a secret that’s been kept from him for years. This salt-sprayed fourth novel by 2004 Olympic Sailor Carol Newman Cronin celebrates wilderness and water, open space and open-mindedness, and the redemptive power of neighborly cooperation. Sixteen-year-old Prince Oliver, who wants to break free of his fairy tale existence, and fifteen-year-old Dellilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek Oliver’s freedom.

“ It’s Not How Good You Are, It’s How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world’s top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity – all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom – all packed into easy‐to‐digest, bite‐sized spreads. If you want to succeed in life or business, this book is a must. ”

The Frank Meeink Story as Told to Jody M. Roy, Ph.D.

The Giving Tree

In the aftermath of a small-town school shooting, lawyer Jordan McAfee finds himself defending a youth who desperately needs someone on his side, while detective Patrick Ducharme works with the primary witness--the daughter of the judge assigned to the case.

Jodi Picoult tackles issues of race and privilege in this ebook original short story, a prequel to her upcoming novel Small Great Things. In “ Shine, ” the master storyteller and #1 New York Times bestselling author of Leaving Time and My Sister ’ s Keeper introduces readers to the unforgettable Ruth Brooks. Today is Ruth ’ s first day of third grade at Dalton. The prestigious institution on New York ’ s Upper East Side couldn ’ t be more different from her old school in Harlem. Despite being the smartest girl in her grade, Ruth suspects that her classmates and teachers only see her dark skin. She also notices that Christina, the daughter of her mother ’ s employer, treats Ruth very differently when they ’ re hanging out with the popular girls rather than playing together. Ruth must navigate between two worlds, never losing sight of the dreams she has for herself—in hopes that someday, someone will see her for who she really is. Includes a preview of Jodi Picoult ’ s highly anticipated new novel, Small Great Things! Praise for Jodi Picoult “ Picoult writes with unassuming brilliance. ” —Stephen King “ It ’ s hard to exaggerate how well Picoult writes. ” —Financial Times “ Picoult writes with a fine touch, a sharp eye for detail, and a firm grasp of the delicacy and complexity of human relationships. ” —The Boston Globe “ Picoult is a master of the craft of storytelling. ” —Associated Press

GOOD MORNING AMERICA BOOK CLUB PICK • A soul-stirring novel about what we choose to keep from our past and what we choose to leave behind, from the New York Times bestselling author of Wish You Were Here and the bestselling author of She ’ s Not There Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father ’ s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can ’ t help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn ’ t acknowledge the flashes of his father ’ s temper in Ash, and as the case against him unfolds, she realizes he ’ s hidden more than he ’ s

shared with her. Mad Honey is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.
