Get ready to laugh and cry as you read You're Not the Only Nut in the Tree of Life: There are many of us hanging right there beside you. Being a mother of five children has been both a challenge and a joy for author Debra Munden. When she met her future husband, Bob, in high school, the two never imagined the

adventures they would share as parents. Like all young couples, they felt they would "have it all together" when it came to raising children. "We had it all planned out, but God had different ideas than we did. We are now enjoying watching our children go through the same struggles we did," she says with a quiet smile and a knowing nod. "I think my greatest joy has been when one of my children tells me, 'Please, don't tell me I was any way like this!' "Each chapter shares a personal story and ends with a tie-in to scripture in the Bible. "The purpose of my book is to achieve five things: to make you laugh; to make you

seventeen years as a producer at ESPN--and these fundamentals for success on the field or court work just as well in other spheres of leadership, especially when you add God's direction to the playbook. This collection of compelling, inspiring, and often funny stories challenges readers to ask themselves the hard questions. It draws them into introspection and then directs them into action so they can cultivate habits of service and excellence in themselves and in those around them. From Tony Dungy to Darryl Strawberry, Will Ferrell to Dwayne "The Rock" Johnson, readers will discover how to

replicate the principles practiced by some of the most influential leaders in sports and entertainment. And in the end, they'll be able to construct thriving cultures where the people they lead can bloom where they're planted and serve one another. For readers who want to lead meaningful lives--rooted in servant leadership, character, and integrity--and be entertained and inspired by personal, behind-the-scenes stories about athletes, coaches, and stars who spent the day with the author at ESPN, *The Uniform of Leadership* is a perfect guidebook.

the Dugout is "a game plan for happiness and success in the major leagues of school, friendships, and family life". The author brings his unique perspective as pediatrician, teacher, kids' baseball coach, and parent to this book of 101 life lessons. As an internationally recognized pediatric specialist and professor, Dr. Harley Rotbart has been named to Best Doctors in America every year since 1996. As a kids' baseball coach, from T-ball through high school, Coach Harley has studied the fine points of a fine game. He has used baseball to guide his players, his patients, and his own kids in

everything from homework, humility and helping others, to dating, driving and drugs. Everything a child needs to know about life can be learned from the dugout steps. Every pitch, hit, and play on the baseball field is its own life lesson. From taking charge under a pop fly, to taking risks on the base paths, to taking heart on the bench, THE ON DECK CIRCLE OF LIFE connects parents and their kids through the analogies, axioms, and allegories that baseball offers for life off the field. Written for kids of all ages to read, and for parents to read over their kids' shoulders, this is a warm and wise

My story is about a senior in high school, named Kennedy
Taylor who has to move across the United States halfway
through her last year of school due to her dads job making**

him relocate. She had a rough time for the first few weeks, fitting in with a new set of people than what she is used to, different from her friends way back home. A few mean girls, especially Adriana who were jealous of her, made life miserable until she meets a guy named Kevin, a guy who is nice on the eyes and everyones favorite athlete. Emotional and physical pain overruns though. Adriana also happens to be Kevins ex girlfriend. Adriana has the ability to turn Kennedys life into a nightmare. Will Kevin be her night and shining armor? Will he be the guy he promises to be to her for the rest of high school, or college? What about for the rest of their lives? I am very passionate about the bullying subject; no one has the right to do so, whether its

Diary. Kennedy goes through some of the everyday pressures you have to go through during your adolescent life. She has her virginity, and her beliefs about abstinence, until she feels like she doesn't want to keep her promise to herself. She lacks the confidence she needs to make some of her dreams come true until a modeling agency likes and accepts her for her, which turns her life around forever. I do believe as the Golden Rule says, Do unto others as you would have them do unto you. Just like Kennedy always believed What goes around comes around. For a child, every day is a thing of wonder. And for six-year-old Lily Lapp, every day is a new opportunity for

blessings, laughter, family, and a touch of mischief. As she explores her world, goes to school, spends time with her family, and gets into a bit of trouble with her friends, Lily learns what it means to be Amish and what it means to grow up. From getting a new teacher to welcoming a new sibling, Lily's life is always full of adventure. The first of four charming novels that chronicle the gentle way of the Amish through the eyes of a young girl, Life with Lily gives children ages 8-12 a fascinating glimpse into the life of the Amish--and lots of fun and laughter along the way. It combines the real-life stories of growing up Amish from Mary Ann Kinsinger and the bestselling writing of Amish fiction and nonfiction author Suzanne Woods Fisher. With

charming illustrations throughout, this series is sure to capture the hearts of readers young and old.

The Life Story of a Division I Collegiate Athlete is a summary of my life experiences as a young man and the many athletic successes and failures I had throughout my life. Detailed in this book are all the personal life experiences and my athletic successes that enabled me to earn a Division I scholarship to VA Tech. The book also includes twenty-four years of my personal softball playing seeking a Christian's men's softball team capable of ultimately winning the church's division I state softball championship.

This is the historical, humorous and inspiring autobiography of the legally-blind son of emigrant Italian parents, born and raised in the City of Yonkers during the Great Depression and the outbreak of World War II, who ultimately became a Judge.

A treasury of personal stories by some of the team's biggest stars includes portraits of such figures as Derek Jeter, Mariano Rivera and Reggie Jackson and features their first-person accounts of great moments in Yankees history as well as stories from their private lives.

ballpark in the Bronx. Along with taking readers behind the scenes of the greatest moments in Yankees history--from Bucky Dent's home run to David Wells's perfect game--the book offers a glimpse of what helped the stars reach their peak. Jorge Posada made up for the dream his father lost as a political prisoner in Cuba. Ron Guidry hunted from the time he was a boy to help his hard-working father put food on the table. Mel Stottlemyre, who

lost a son to leukemia, picked a seemingly meaningless regular-season game because "my boys didn't think I could do it." Joe Torre first started organizing games in the park as he took refuge from his "bully" of a father. Don Mattingly recounts the thrill of proving he could perform on the October stage and the decision to walk away from the game without a World Series ring so he could spend time with his family. Reggie Jackson details his

Veronica struggles to balance softball, friends, and family turmoil in this new honest and heartfelt middle grade novel by Jen Petro-Roy, *Life in the Balance*.

Veronica Conway has been looking forward to trying out for the All-Star softball team for years. She's practically been playing the game since she was a baby. She should have this tryout on lock. Except right before tryouts, Veronica 's mom announces that she 's entering rehab for alcoholism, and her dad tells her that they may not be able to afford the fees needed to be on the team. Veronica decides to enter the town talent show in an effort to make her own money, but along the way discovers a new hobby that leads her to doubt her feelings for the game she thought she loved so much. Is her mom the only one

In The Softball Coaching Bible, Volume II, the NFCA has assembled a stellar lineup of coaches who share the insights that have helped them establish successful programs. This book presents the most comprehensive information on fielding, hitting, training, forming a coaching staff, and helping develop well-rounded student-athletes.

In Mexican American communities in the central United States, the modern tradition of playing fastpitch softball has been passed from generation to generation. This

ethnic sporting practice is kept alive through annual tournaments, the longest-running of which were founded in the 1940s, when softball was a ubiquitous form of recreation, and the so-called "Mexican American generation" born to immigrant parents was coming of age. Carrying on with fastpitch into the second or third generation of players even as wider interest in the sport has waned, these historically Mexican American tournaments now function as reunions that allow people to maintain ties to a shared past, and to remember the decades of segregation when Mexican Americans' citizenship was unfairly questioned. In this multi-sited ethnography, Ben Chappell conveys the importance of

fastpitch in the ordinary yearly life of Mexican American communities from Kansas City to Houston. Traveling to tournaments, he interviews players and fans, strikes up conversations in the bleachers, takes in the atmosphere in the heat of competition, and combs through local and personal archives. Recognizing fastpitch as a practice of cultural citizenship, Chappell situates the sport within a history marked by migration, marginalization, solidarity, and struggle, through which Mexican Americans have navigated complex negotiations of cultural, national, and local identities.

*"Performance/Competition Ready". www.gymmba.info
This book makes use of the game of fast-pitch softball as a tool to tell a story about never, ever giving up. It's about dealing with defeat and personal adversity, about picking yourself up and staying in the game, and about*

Diary
surprise. The book uses the author's granddaughter, actual happenings from her life, and the fortunes of the game to tell a tale that teaches a life lesson. By the way, there are these furry little flying critters, called bats, that keep making their presence known throughout the story. Watch for them!

Limping through Life A Farm Boy's Polio Memoir
Jerry Apps "Families throughout the United States lived in fear of polio throughout the late 1940s and early 1950s, and now the disease had come to our farm. I can still remember that short winter day and the chilly night when I first showed symptoms. My life would never be

the same.” —from the Introduction Polio was epidemic in the United States starting in 1916. By the 1930s, quarantines and school closings were becoming common, as isolation was one of the only ways to fight the disease. The Sauk vaccine was not available until 1955; in that year, Wisconsin’s Fox River valley had more polio cases per capita than anywhere in the United States. In his most personal book, Jerry Apps, who contracted polio at age twelve, reveals how the disease affected him physically and emotionally, profoundly influencing his education, military service, and family life and setting him on the path to becoming a

professional writer. A hardworking farm kid who loved playing softball, young Jerry Apps would have to make many adjustments and meet many challenges after that winter night he was stricken with a debilitating, sometimes fatal illness. In Limping through Life he explores the ways his world changed after polio and pays tribute to those family members, teachers, and friends who helped him along the way.

Softball players play many, many games. It is difficult to remember the games, the opponents, the wins, losses, happy moments and even the not so happy moments. With this 50 Game journal (110 Pages), any softball

player can keep a basic record of up to 50 games. Keep records of your stats in the stats section, what you loved about the game, what you need to work on and keep record of the feelings and emotions that come from playing your heart out on the softball field with friends, coaches and even the family members that make up your greatest fans. There is also a specific page just for getting the autographs of all of your teammates and coaches. Because, when it comes down to it...you REALLY love this game and that is a feeling you should cherish the rest of your life!

anyway), bond like brothers, and teach each other a thing or two about life along the way. Meet crafty Jimmy, the Machiavellian mastermind of sundry clandestine enterprises; bombastic Howie, the irrepressible clown prince and erstwhile mime; silent Steve, the research chemist recruited by the Mob; and gentle John, the patient, paternal pastor who could snap you in half if he had to. Root for them and the rest of this dauntless dozen as they battle creaky joints, reconstructed limbs, weak bladders, self-doubts, insult, injury, gravity, and Father Time. In defying the odds, the clock, and their own limitless limitations, they illuminate a profound truth: In softball, and in life, it's never too late.
