provide students with a trusted and clear introduction to fundamental accounting concepts, which has made this best-selling text so popular. Helping students get the most out of their accounting course by making practice simple, the new edition continues to present the accounting cycle from a sole proprietor perspective, whilst providing the latest IFRS integration throughout (separate references to GAAP are made at the end of each chapter for courses where needed). To maximise student achievement a plethora of additional teaching and learning resources will be available including self-tests, exercises, templates, videos and more. Using metric units and companies with a more global feel, this new text is ideal for courses across the world. Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively

and to answer the changing needs of this course. Just as bridges connect parts of Canada together, Canadian Income Taxation: Planning and Decision Making connects tax law and its application, to business and investment transactions and decision making. The 2020-2021 Edition of Buckwold/Kitunen/Roman maintains its highly readable student friendly format and full coverage of the CPA competency map without compromising the planning content needed for professional exams. The changes to this edition continue to broaden the subject base and provide current updates, ensuring complete coverage of the taxation competencies in the 2020 Competency Map, issued in December 2019. A new online appendix covering Data Analytics as it relates to taxation has been added.

will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
