

Something Beautiful

"Mouse, Elephant, and Giraffe have so much in common. They like the same games. They eat the same snacks. They need no one else! Or do they? Perhaps there's something beautiful in making new friends"--

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Seventy years after her grandmother helped hide a Jewish family on a Greek island during World War II, a woman sets out to track down their descendants—and discovers a new way to understand tragedy, forgiveness, and the power of kindness in “an engrossing peek into a little-known chapter of World War II, and one family’s harrowing tale of finding the lost pieces of its own history” (Karen Abbott, *New York Times* bestselling author of *Liar Temptress Solider Spy*). Yvette Manassis Corporon grew up listening to her grandmother’s stories about how the people of the small Greek island Erikousa hid a Jewish family—a tailor named Savvas and his daughters—from the Nazis during World War II. Nearly 2,000 Jews from that area died in the concentration camps, but even though everyone on Erikousa knew Savvas and his family were hiding on the island, no one ever gave them up, and the family survived the war. Years later, Yvette couldn’t get the story of the Jewish tailor out of her head. She decided to track down the man’s descendants—and eventually found them in Israel. Their tearful reunion was proof to her that evil doesn’t always win. But just days after she made the connection, her cousin’s child was gunned down in a parking lot in Kansas, a victim of a Neo-Nazi out to inflict as much harm as he could. Despite her best hopes, she was forced to confront the fact that seventy years after the Nazis were defeated, remainders of their hateful legacy still linger today. As Yvette and her family wrestled with the tragedy in their own lives, the lessons she learned from the survivors of the Holocaust helped her confront and make sense of the present. In beautiful interweaving storylines, the past and present come together in a nuanced, heartfelt “story of compassion and collective resistance” with “undeniable emotional power” (Kirkus Reviews).

Find Your Way to Something Beautiful in Your Marriage

Is motherhood only about self-sacrifice? Or will it bless your life, too? You know that motherhood makes high demands. Yet you know it's worth the cost because it benefits your child. On some grand level, it's also good for civilization. And of course, it's a calling from God. So is that what you're doing here—pouring out your life for God and others while getting little in return except the consolation that you've done the right thing? Laura Booz wants you to expect something more out of motherhood—something truly beautiful. You might be asking: Will I lose myself in motherhood? Compromise my career? Squander my potential? What's the point of all that unseen (and uncelebrated) serving, cleaning, caring, snuggling, discipling, and praying? Laura wants to help you see that behind all the giving that mothers do is the receiving of something special—a profound growth in God that is cultivated through motherhood's everyday ups and downs. Let this book give you a renewed vision of motherhood: to see God's good purpose for you as a mother, a woman, and a follower of Christ.

America Mason, a sassy undergrad at Eastern State University, is in love with a Maddox--Shepley Maddox. Unlike his cousins, Shepley is more lover than fighter, but a road trip to her parents' home in Wichita, Kansas could mean the next step, or the end of everything

What began 50 years ago, when two high-school English teachers in an Indiana farm community began writing songs to express spiritual insights, has become a volume of church standards sung the world over. Bill and Gloria Gaither's songs have found permanent homes in people's hearts and hymnals, making this couple among the most prolific and popular in Christian music history. Now fans and music lovers can see inside the inspiration and life events that created the songs they sing most, including Because He

Lives, There's Something About That Name, and The Family of God. In her trademark elegant prose, Gloria has created a beautiful keepsake for all those who love Christian music and its history.

From Ben and Erin Napier, the stars of the hit HGTV show Home Town, comes Make Something Good Today, a memoir that tells us all to seek out the good in life, celebrate the beauty of family and friends, and prosper within our communities because everything we need in life to be happy, is within our grasp. Long before their hugely popular TV show, an expanding family, or demolition day on their dream home, Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life. She never expected that her depictions of small-town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime. Make Something Good Today offers a behind-the-scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor, adoring relationship, and ability to utterly transform a place into something beautiful and personal. This is the poignant story of how Erin and Ben took a small, tight-knit town into their own hands (literally) and used ingenuity, community, and authenticity to rebuild a once-thriving American Main Street. And how, by combining Ben's carpentry skills with Erin's design eye, Home Town is making it clear to us all that small-town living can feel as big as you make it. Complete with family photographs, Erin's hand-painted sketches, and never-before-heard personal stories, this inspirational memoir reminds us all not to give up hope that great love stories are possible, big things can bloom in small towns, and there is always magic in the ordinary if you know where to look for it.

A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of songwriting, the creators of the classic Broadway musicals Oklahoma!, Carousel, South Pacific, The King and I, and The Sound of Music, whose songs have never lost their popularity or emotional power. Even before they joined forces, Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows, but together they pioneered a new art form: the serious musical play. Their songs and dance numbers served to advance the drama and reveal character, a sharp break from the past and the template on which all future musicals would be built. Though different in personality and often emotionally distant from each other, Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team; their partnership was also one of the most profitable and powerful entertainment businesses of their era. They were cultural powerhouses whose work came to define postwar America on stage, screen, television, and radio. But they also had their failures and flops, and more than once they feared they had lost their touch. Todd S. Purdum's portrait of these two men, their creative process, and their groundbreaking innovations will captivate lovers of musical theater, lovers of the classic American songbook, and young lovers wherever they are. He shows that what Rodgers and Hammerstein wrought was truly something wonderful.

Do you find yourself chasing "something more"? We are people seized by longings we can't seem to satisfy. It's built into us—in our very bones. We were created with an innate desire to be a part of a world and a story bigger than ours. Sadly, however, most of us spend our lives blind to the fact that this story and this world are right in front of us, beckoning to us to come and play our part. We keep on with our focused, relentless pursuit of everything else and find ourselves dissatisfied. In Do Something Beautiful, York Moore shows you how to: reframe your own story and begin seeing God's story breaking into your life in the everyday moments leave behind mediocrity and be a part of that beautiful story, and make your life count for something that matters. Don't give up on your "something more." Chase it better.

Sara and Clay meet late one Saturday night in the bar of the hotel in Minnesota where both are staying while on temporary work assignments. There is an instant attraction, and what could've been a sleazy one-nightstand becomes an amazing love story. There are many odds against them. He's 17 years older. He lives in Minnesota, she in Atlanta, Georgia, and he's a Republican and she's a Democrat. By far, though, his alcoholism is their biggest obstacle. Still, for several years they have a long-distance romance filled with twists and turns. Only after Clay's untimely death does Sara understand how important she was to him. Friendships with his ex-wife, daughter, sisters, and friends help her see that she and Clay truly had something beautiful to remember.

To all the people in toxic relationships. Know your worth. Know that you don't always have to keep letting them in. That you don't always have to keep telling yourself they'll change. Know this and never forget it. There is always a way out. And there is always someone out there willing to guide and show you how you deserve better. How you deserve more. Know this. It is essential. Know this. You don't have to stay. There is always a way out. Something Broken. Something Beautiful.

When people ask him: "If only we have a dervish lodge...", Hz. Mevlânâ replied: "The world is a dervish lodge." When they asked: "Who will enlighten us?" he said: "For that, you have Masnavî." "Everything that happens in life presents a lesson to us; as long as we can see. As long as we learn how to see things from the right perspective, study hard on the teachings of that lesson and make our lives easy with the learnings. Some people take the Mevlevî path for a philosophy, but it's not. It is a journey of the soul. It is a path to find knowledge on how to balance the inner and outer aspects of our lives. That balance carries us further. It is what we learn from Hz. Mevlâna's teachings in the Mathnawî and his other works. Our family works to be of service, following the path that Hz. Pi'r set for us. Neither our ancestors, nor our father, or we held back from serving others. Since we were born into this family, we must keep this culture alive, up-to-date, and pass it on to future generations...

Do Something Beautiful for God is Mother Teresa's enduring invitation and challenge to the world. This is not an abstract invitation but a deeply personal and intimate one. There is so much happening in the world and so much happening within our own hearts, minds, and souls. All this makes it is easy to lose sight of what matters most and get absorbed in what matters least. Mother Teresa is an icon of goodness, one of the most beloved women in history. How did she become so much to so many people? Little by little. Small acts performed with great love. You become an icon of goodness by striving to be good and by consistently doing good. On these pages, you will find the essential teachings of Mother Teresa. They provide remarkable insight into the depths of her heart, mind, soul, and life. They will comfort you in your affliction and afflict you in your comfort. But most of all, in the midst of all this activity and noise of your life, you will hear Mother Teresa encouraging you by gently saying: Do something beautiful for God with your life!

A collection of essays composed during the Obama presidency on politics, theology, art, and education. Social and political critique, pastoral philosophy, postmodern theology, deschooling, and folk phenomenology: Rocha's essays in *Tell Them Something Beautiful* cover a range of topics and ideas, held together by his literary style and integrated point of view.

The masterly debut novel from “ an exquisitely astute writer ” (The Boston Globe), about growing up in—and out of—the suffocating constraints of small-town America. “ Compact and beautiful . . . This novel bordering on a novella punches above its weight. ” —The New York Times “ *Very Cold People* reminded me of *My Brilliant Friend*. ” —The New Yorker ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, Good Housekeeping, The Week, The Millions, She Reads, Lit Hub “ My parents didn ’ t belong in Waitsfield, but they moved there anyway. ” For Ruthie, the frozen town of Waitsfield, Massachusetts, is all she has ever known. Once home to the country ’ s oldest and most illustrious families—the Cabots, the Lowells:

the “ first, best people ” —by the tail end of the twentieth century, it is an unforgiving place awash with secrets. Forged in this frigid landscape Ruthie has been dogged by feelings of inadequacy her whole life. Hers is no picturesque New England childhood but one of swap meets and factory seconds and powdered milk. Shame blankets her like the thick snow that regularly buries nearly everything in Waitsfield. As she grows older, Ruthie slowly learns how the town ’ s prim facade conceals a deeper, darker history, and how silence often masks a legacy of harm—from the violence that runs down the family line to the horrors endured by her high school friends, each suffering a fate worse than the last. For Ruthie, Waitsfield is a place to be survived, and a girl like her would be lucky to get out alive. In her eagerly anticipated debut novel, Sarah Manguso has written, with characteristic precision, a masterwork on growing up in—and out of—the suffocating constraints of a very old, and very cold, small town. At once an ungilded portrait of girlhood at the crossroads of history and social class as well as a vital confrontation with an all-American whiteness where the ice of emotional restraint meets the embers of smoldering rage, *Very Cold People* is a haunted jewel of a novel from one of our most virtuosic literary writers.
