A Note from the Author
and from O'Reilly
Media about what this
book does--and
doesn't--do: Palm
webOS is a brand new

Read Online Sony Ericsson C905 User Guide

platform and represents a very different type of operating system where the web runtime is used as the basis for the UI and Application model. Palm and O'Reilly felt that it was important to have a book available to help developers get a basic understanding of the new Palm platform at the time that the SDK was

Read Online Sony Ericsson C905 User Guide

released; this timing played a major role in the content and structure of the book. Ideally this book would have been a complete reference of the new platform but that wasn't possible since the content was written at the same time as the software SDK was being developed by the Palm engineering team. The book does provide a

Read Online Sony Ericsson C905 User Guide

complete overview of Palm webOS, a thorough description of the application model and gives details on many key design concepts. There are descriptions and examples of UI widgets, services, storage, notifications, dashboards and background applications, serving as

a great introduction but not as a definitive source. The book uses a simple News reader application to illustrate the technical descriptions but the examples are not intended to serve as a cookbook tutorial.

Experienced developers should be able to use the examples to build up a working application chapter by chapter but

Read Online Sony Ericsson C905 User Guide

others may not find the loose descriptions adequate for recreating the application unaided. Overtime, these different needs will be filled by other books, but in the meantime we hope that this book will serve a valuable role introducing developers to webOS and giving them a way of getting started with

Read Online Sony Ericsson C905 User Guide

webOS application development. A second printing of the book will update any original coverage obsoleted by subsequent Mojo SDK builds. For owners of the original printing of the book, all of these updates are posted on the "View/Submit Errata" link (please see left-hand column of this web page). Thanks

Read Online Sony Ericsson C905 User Guide

for understanding that book publishing and coverage of rapidly moving technologies can sometimes be an inexact science; we knew there'd be a need for a book such as Palm webOS: The Insider's Guide to Developing Applications in JavaScript using the Palm MojoT Framework, and

Read Online Sony Ericsson C905 User Guide

there's certainly no better person to write that book than Mitch Allen; that said, we understand that because it is such a new operating system and SDK, there would (and will continue to be) changes that at best can't be documented and explored until new printings of the books are released. In the meantime we will be
