Once upon a time in a very busy city, on a very busy street, in two very small apartments, lived... Herman and Rosie. Herman liked playing the oboe, the smell of hot dogs in the winter, and watching films about the ocean. Rosie liked pancakes, listening to old jazz records, and watching films about the ocean. They both loved the groovy rhythm of the city, but sometimes the bustling crowds and constant motion left them lonely, until one night ... A Neal Porter Book

THE KILLER IS CLOSER THAN YOU THINK The intelligent, original thriller that will keep you guessing, from Richard & Judy million-copy bestselling author Sharon Bolton and perfect for fans of Lisa Jewell, Cara Hunter and Karin Slaughter. He knows the victims are all boys, just like him. He knows the bodies were found on river banks. And he's sure the killer will strike again soon. But there's something else, a secret he'd rather not know, a secret he is too scared to share... And who would believe a twelve-year-old boy anyway?

When Sasha disappears, Ellen fears the worst. Then long-buried secrets resurface, Ellen realizes she may not know Sasha -- or what she's capable of -- at all. 2005: 17 year old Ellen falls under the spell of glamorous newcomer, Sasha. As Ellen is welcomed into Sasha's family, she doesn't see the darkness that lies beneath their musical, bohemian lifestyle. At a New Year's Eve party, events come to a dramatic head, resulting in a court case (in which Ellen is a key witness) that means family life at the Corner House will never be the same again. 2018: Now 30, Ellen and Sasha are still entwined in each other's lives and sharing a flat in London. When Sasha disappears, Ellen fears the worst. She has gone missing like this before and the police won't take it seriously, but long-buried events in their shared past mean that Ellen has good reason to be frightened - not only for Sasha, but also for herself. Finding out the truth about what really happened on New Year's Eve twelve years ago puts Ellen in terrible danger, and forces her to confront not only the past, but how well she really knows her best friend.

BDSM fantasy comix. Celine is a horny young woman who's looking for a real man... and finds one, a Master who turns her into a full time slave. He binds her, torments her, and uses her... and she discovers that she loves it. He sends her to a special "beauty salon" for a kinky makeover. Then he rents her out to swinging couples and sends her to a sex shop to trade her services for kinky toys. Finally, he sells her to a depraved couple (whose twisted tastes we'll probably see in her next adventure). These are sexy comix from Europe, explicitly rendered, leaving nothing to the imagination.

Lupus

The final and dramatic conclusion... Can they turn their back on Natsune-kun to give him what he wants...? The group comes to a decision and splits up, leaving the dark world behind them. Hopefully, life will find a way in the final volume of Starving Anonymous...

Lupus Lablennoʀre is a man on the run. Like a cosmic Odysseus, he wanders from planet to planet, haunted by his past and orbiting around a woman. It starts as a fishing trip with his ex-military pal Tony. Their lifelong friendship has started to feel different lately, and not just because of the drugs. Picking up Sanaa, a wealthy and mysterious runaway, only complicates the situation. When tragedy strikes and they're forced to flee, new worlds await with many ways to disappear. But Lupus will find that the tendrils of friendship, love, and family are not so easily severed. Armed with astonishingly expressive brushwork and a dreamy, intimate narrative, Frederick Peeters drifts on the solar winds to a new understanding of memory, guilt, isolation, and connection.

YA. Adventure fiction. Fantasy fiction. Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . .Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is . Jonathan Stroud has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

A central theme running through the Bible, Exodus tells of the mass movement of people, including the Israelites' escape from slavery, the wanderings of Moses and his followers and the Ten Commandments given to Moses on Mount Sinai. The text is introduced by author David Grossman.

From the bestselling author of Doppler, a wry and very funny look at the pitfalls of human existence ... and the charms of celebrity chef Nigella Lawson. Aspiring playwright Bror Telemann loves all things British. His wife, Nina, loves everything German. So a family holiday at the foot of the Alps, south of Munich — which Bror believes to be the birthplace of Nazism — is bound to cause tension. Especially when Bror spends the whole time virtually stalking (and constantly fantasizing about) his greatest obsession, British chef Nigella Lawson. Can Telemann continue to bear the pressure of his empty existence? Or will his long-suffering family be the first to snap?

When the laboratory technicians working for Ancestor Lu discover the key to the immortality genetic structure, Victor names it the 'Cathy Key' in honor of his quest to make Cathy immortal, but when events go fatally wrong and a fortune teller's grim prophecy comes true, soon a homicide investigation is underway.

Anna, Queen of Arendelle, has been tirelessly preparing for the Polar Night's Celebration that is held every year to welcome the time when the sun doesn't rise in the Polar Circle. She has been working so hard, her fiancé Kristoff suggests she take a night off to visit her sister Elsa, the Snow Queen. Anna loves the idea. Accompanied by Kristoff, Sven, and Olaf, Anna reunites with Elsa in the Enchanted Forest. After telling spooky stories around the campfire, Olaf swears that one of the creatures of their tales has come to life! Who else is responsible for the sudden onset of storms and the earlier than normal darkening of the skies? Why else is everyone starting to become so forgetful? Anna and Elsa join forces to determine what is going on. Together they recall Kristoff's terrifying tale about a princess who turned into a draugr--an undead creature that steals memories in an effort to make others forget the misdeeds it committed when it was alive. Is it possible that Kristoff inadvertently unearthed memories of a draugr, and thus unleashed the monster upon Arendelle? Anna and Elsa must uncover the real story behind the tale before everyone in Arendelle forgets who they are and is cast into darkness forever....

Unexplainablenews.com is reporting strange phenomena in cemeteries in Scotland, Germany, Italy, and America. Only one individual knows what's happening--and why! This person also knows the one girl who can prevent an unspeakable and imminent catastrophe from taking place. But will she? When Caitlin Fletcher's mom disappeared (or left?) four years ago, Caitlin began suffering from breathless bouts of anxiety. Her new move to London, with her Dad and brainiac sister, threatens to lead to more situations that will trigger panic. Now, he's having anxiety over the possibility of having anxiety! Caitlin's life takes a turn for the bizarre when she's tricked into climbing down a "rabbit hole", landing in a wondrous fairy tale universe--except it's crawling with savage, starving blood-eyed zombies. But what's scarier--a blood thirsty zombie, a panic attack...or the painful truth?!

Back in a new printing is this original vision of a forest filled with cute horny winged little fairies in tight fetish leather outfits. In Kondom's fairy-world, when a fairy turns 100 years old they become keepers and caretakers of the forest and all the little critters who live in the woods. While searching for a missing Stag Beetle, Pfil comes across an isolated house with three evil fairies who drug, bind and take her prisoner for their own sexual purposes. Where is Pamila and how does Pfil get out of this one?

This book reviews current controversies and dilemmas in the educational and social development of children and adolescents in Britain, India, Bangladesh and Nepal. Britain is contrasted with the Indian Sub-Continent because in theory at least, Britain has policies which should enable young people to be fully integrated within the educational system, whatever the degree of their original disability, while in the Indian Sub-Continent such educational opportunities are denied to many children because of problems of social structure, values, and poverty. The rights of the disabled to full inclusion are emphasized in two chapters by Sharon Rustemier. But a chapter by Dame Mary Warnock whose report to government designed the system for educational inclusion, shows that British policies for inclusion of the disabled are not working. The chapter by Bagley outlines the 'poverty of education' in Britain, which means that in a highly stratified society many children - both poor and disabled - are excluded from mainstream education by decisions based on school policies and neighbourhood disadvantage. India in contrast is a culture in which inclusion of the disabled within educational systems is marred by economic poverty, as well as deliberate policies which deny Dalits (formerly known as 'Untouchables') access to many kinds of educational opportunity. Nevertheless, there are pockets of good practice in India including the legal framework for action, which chapters by Jha and Jaya identify. The history of educational initiatives for social and educational of the very poor of Bangladesh are reviewed in detail since these initiatives illustrate the work of a unique NGO (BRAC - the Bangladesh Rural Advancement Committee) which offers advancement for the poorest of the poor in a nation that is significantly poorer than India. Nepal too is also one of the poorest nations on earth, and we offer a detailed account of the trafficking of women and girls from Nepal into Indian brothels. These girls are permanently excluded from all social and educational networks, and their plight poses a major challenge for the movement for the social and educational inclusion of all children.

Megg is a depressed, drug-addicted witch. Megg is her black cat. Their friend, Owl, is an anthropomorphized owl. They hang out a lot with Werewolf Jones. This may sound like a pure stoner comedy, but it transcends the genre: these characters struggle unsuccessfully to come to grips with their depression, drug use, sexuality, poverty, lack of work, lack of ambition, and their complex feelings about each other in ways that have made Megg and Mogg sensations on Hanselmann's GirlMountain tumblr. This is the first collection of Hanselmann's work, freed from its cumbersome Internet prison, and sure to be one of the most talked about graphic novels of 2014, featuring all of the "classic" Megg and Mogg episodes from the past five years as well as over 70 pages of all-new material.

Araki's career in full, from the portraits of the early 1960s to city scenes and tender tributes to his wife Araki is known the world over for his controversial erotic portraits of Japanese women, often bound using the kinbaku (Japanese bondage) technique. A unique figure in contemporary photography, he has always found creative inspiration in his daily existence, without making any distinction between his personal life and public and professional practice. The Araki Effect offers a broad overview of his career: from the first series from 1963-65, Satchin and His Brother Mabo, to Subway of Love, a large collection of images taken in the Tokyo subway between 1963 and 1972, the year he also made Autumn in Tokyo, which recounts the autumn he spent wandering through the city in the twilight hours. These are followed by Sentimental Night in Kyoto, less known than the famous Sentimental Journey, both tributes to his wife, Yoko; Balcony of Love, Death Reality, Tokyo Diary from 2017, and one of his latest collections, Araki's Paradise from 2019. Born in Tokyo in 1940, Nobuyoshi Araki worked at an advertising agency in the 1960s, where he met his future wife, Yoko Araki, the subject of his now classic volume Sentimental Journey. Araki's oeuvre spans erotic portraits of women, still lifes, images of plants, scenes of everyday life and architectural photography. He has published around 400 books, shown in many international exhibitions and his work is part of important collections worldwide. Araki lives and works in Tokyo.

Poor Takashi Tono, who joined his all-boys school's Photography Club unaware that the group's main extracurricular activity is offering its sexual services to the student body, also learns that his crush Yacchan isn't the angelic idol everyone thought! While still reeling from the revelation, Tono also has to reconcile with the fact that fellow first-year Yu Kashima doesn't just want to fake-date as a front to fool the sex-happy club—he wants to date for real! -- VIZ Media

Were witches real in the Middle Ages? This handbook on witchcraft, first published in 1628, claims to expose the entire practice and profession of witchcraft. Was used as support in the accusation of witches at the time, although we can recognize much of it today as being paranoid superstition by religious authorities. The book is valuable because it allows one to view the extreme superstition surrounding witchcraft at the time, and to better understand the degree of persecution that resulted.
