to prepare individuals for the national Spanish for Nurses certification exam found on SCRON.org. Once the textbook is purchased, register for the free online lessons at <https://www.scron.org/register/> and within 24 hours, after verification of purchase, you will be given free access to the online lessons. If you don't receive access within 2 business days, please email contact@scron.org with your name and the date of your purchase, and you will be verified and given access to the online lessons.

How Long Does it Take to Complete? On average, it takes individuals 3-5 hours per week for 15 weeks to complete the Spanish for Nurses course.

What Level of Spanish is Needed to Take the Course? The course has been created for currently active Nurses as well as those studying to be nurses with little to no knowledge of Spanish. However, individuals who have taken a year or two of Spanish in High School or College will still greatly benefit from the course.

How Many Words and Phrases Will I Learn? There are over 350 words and phrases that are contained in the following sections of the medical Spanish for Nurses course:

- (1) Greetings (2 Chapters)
- (2) Negotiating a Conversation (1 Chapter)
- (3) Common Nurse Phrases (2 Chapters)
- (4) What is Your Name? (1 Chapter)
- (5) Do you speak English? (2 Chapters)
- (6) Basic Anatomy and Key Phrases (7 Chapters)
- (7) Where are you from? (2 Chapters)
- (8) Medical Verbs and Conversations (6 Chapters)
- (9) Medical Assessment (2 Chapters)
- (10) Final Review (1 Chapter)

Be sure to "Look Inside" at the left of this product page to learn more about each chapter.

How Does the Certification Course Work? There are 150 possible questions on the certification course. The course randomly chooses 100 of the 150 questions. The order, of the questions and answers, is changed every time and it is a timed test. There is not enough time given for learners to look up the questions. They have to know them well before taking the exam or they will not pass. The certification exam costs \$100, but the exam prep course is free with the purchase of this textbook (see above). In the exam prep lessons, a practice exam can be taken unlimited times to prepare for the final exam.

The Theories Behind the Course This course was designed based on many pedagogical (learning) and neuroscience (brain science) theories that the author studied in-depth during his Master's degree in Language Pedagogy and throughout his career as Director of the U.S. Institute of Languages.

Negotiating a Conversation The approach this course uses recognizes that it takes new Spanish speakers years to become fluent. However, if a nurse learns the medical vocabulary and strategies to properly negotiate a conversation, (s)he can learn to work through virtually any situation in a relatively short period of time. For example, if a patient says something a nurse doesn't understand, the nurse can ask them to repeat it or say it

slower. If a nurse doesn't know how to say something, (s)he can point to it and ask ¿Cómo se dice? (How do you say that.) These and many other techniques that are taught to help a nurse work through new situations. Use of Technology The use of technology can be very helpful to get through tricky situations. However, if a nurse only uses technology, this provides a poor patient experience and demonstrates poor bedside manner. Also, if only technology is used, body language and gestures are missed and the meaning can be misinterpreted. It is recommended that the nurse continue learning as much as possible using this course and software, then use technology to fill in the gap. Learn More about the Authors Take a "Look Inside" the textbook (at the left) to learn more.

One of Julio Cortázar's great early novels. 'Anyone who doesn't read Cortázar is doomed.'--Pablo Neruda In its characters, themes, and preoccupations, Final Exam prefigures Cortázar's later fictions, including Blow-Up and his masterpiece, Hopscotch. Written in 1950 (just before the fall of Perón's government), it is Cortázar's allegorical, bitter, and melancholy farewell to an Argentina from which he was about to be permanently self-exiled. (Cortázar moved to Paris the following year.) The setting of Final Exam is a surreal Buenos Aires, dark and eerie, where a strange fog has enveloped the city to everyone's bewilderment. Juan and Clara, two students, meet up with their friends Andrés and Stella, as well as a journalist friend they call 'the chronicler.' Juan and Clara are getting ready to take their final exams, but instead of preparing, they wander the city with their friends, encounter strange happenings in the squares and ponder life in cafés. All the while, they are trailed by the mysterious Abel. With its daring typography, its shifts in rhythm as well as in the wildly veering directions of its characters' thoughts and speech, Final Exam breaks new ground in the territory of stream-of-consciousness narrative techniques. It is considered one of Cortázar's best works.
