Updated in a new 6th edition, Spanish Composition Through Literature provides varied literary material from all over the Spanish-speaking world which exposes students to a variety of topics, language styles and various types of discourse models that help generate engaging writing tasks. This book presents the fundamental aspects of writing -- Grammar, syntax, word choice, organization, and content -- and provides students with materials that can help them develop greater writing proficiency. Authentic literary selections by modern Spanish and Spanish American authors provide students with various types of discourse models that can help generate engaging writing tasks.
