Spanish is a fun, social activity! What makes "Spanish with Amigos" different from the many other Spanish books out there is that instead of studying Spanish by yourself, this book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversación), or even a beginning Spanish conversation class (clase de conversación).

"Spanish with Amigos" has been intentionally designed to be very simplistic - with little grammar included. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning. / Buenos días. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!
