Support Spanish acquisition using Skills for Success: Spanish for grades 6-12. Students can use the activities in this 128-page book on their own or in addition to any Spanish program. The exercises are presented in a range of formats that help students acquire everyday Spanish vocabulary. The book includes vocabulary lists, reproducible storybooks, a pronunciation key, and an answer key.

Organized into one- or two-page worksheets that present a topic and provide practice, Workbook in Everyday Spanish is a tried and true approach to reviewing grammar, vocabulary, and sentence structure. It includes clear and concise explanations in English of key grammatical points followed by straightforward examples that guide users through the accompanying exercises. The topics are then reinforced in self-contained review sections, followed by a word game (Buscapalabras) that keeps readers' interest level high. For employees in organizations and businesses where a working knowledge of Spanish grammar, vocabulary, and sentence structure is necessary.

A proven grammar-based approach that gets you communicating in Spanish with confidence, right away Easy Spanish Step by Step proves that a solid

grounding in grammar basics is the key to mastering a second language. Grammatical rules and concepts are clearly explained in order of importance, and more than 300 verbs and key terms are introduced on the basis of frequency. Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major interlingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
