"Handwriting is proven to develop fine motor skills and eye-hand connection, strengthening the ability to translate ideas into words. In fact, it equips students to write and read more efficiently than reading and instruction alone. So when it comes time to assess students' yearly progress, it's not just about reading (or math, or science). It's about preparing confident communicators equipped with cross-disciplinary skills that translate directly to demonstrating proficiency on standardized tests. Zaner-Bloser Handwriting has been carefully designed to support the Texas Essential Knowledge and Skills (TEKS) standards for

It's been a decade since Lynne Dorfman and Rose Cappelli wrote the first edition of *Mentor Texts* and helped teachers across the country make the most of high-quality children's literature in their writing instruction. In the second edition of this important book Lynne and Rose show teachers how to help students become confident, accomplished writers by using literature as their foundation. The second edition includes brand-new "Your Turn Lessons," built around the gradual release of responsibility model, offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies, literary devices, sentence structures, and words. Lynne and

Rose offer new children's book titles in each chapter and in a carefully curated and annotated Treasure Chest. At the end of each chapter a "Think About It--Talk About It--Write About It" section invites reflection and conversation with colleagues. The book is organized around the characteristics of good writing--focus, content, organization, style, and conventions. Rose and Lynne write in a friendly and conversational style, employing numerous anecdotes to help teachers visualize the process, and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers. Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling
