

Spiritual Direction Wisdom For The Long Walk Of Faith Henri Jm Nouwen

In recent years, many Christian clergy, laity and mental health professionals have rediscovered the ancient practices of spiritual direction. Seen as a refreshing alternative to the techniques and limitations of modern psychology, such practices offer new insights for pastoral care. But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners. Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic, Orthodox and Episcopal traditions but is also present in Wesleyan/Holiness, Pentecostal/charismatic, social justice and Reformed communities. Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation, spiritual direction offers significant resources for today s pastors, counselors, therapists, chaplains and other caregivers attuned to the work of God in people s lives. In this landmark volume, editors Gary W. Moon and David G. Benner, along with a team of expert contributors, provide a comprehensive survey of spiritual direction in its myriad Christian forms. Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction, with particular attention to each tradition s definition of spiritual direction, the process of authentic transformation, the role of the spiritual director, indicators of mature spirituality and other aspects of the spiritual direction process. Chapters also provide psychological and clinical insight into how spiritual direction is similar to, different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God.

The Classic Work on Helping People Become Closer to God Fathers Barry and Connolly see the work of spiritual direction as helping people to develop their relationship with God. In thinking and practice they have absorbed the insights of modern psychotherapy, but have not been absorbed by them. This highly practical book reflects the authors' experience at the Center for Religious Development in Cambridge, Massachusetts, where spiritual direction is available and where directors are trained.

Updates his classic, Spiritual Friend Spiritual direction pioneer Tilden Edwards here shares the wealth of twenty years of experience he's gained since his classic book, Spiritual Friend. The fresh and insightful result covers both spiritual and practical sides of the art, from the nature of the soul to recommendations on payment rates. Both directors and directees benefit from this wholistic look that considers all of the person and not just his or her prayer life. At the book's heart, though, is spiritual direction at its best. Edwards examines new methods to nurture the soul, ways to recognize a true spiritual experience, and suggestions for being truly present during the process. Practical guidelines are also given for getting started with new directees, running group spiritual direction, evaluating sessions, and setting up a spiritual director peer group. In addition, Edwards gives a brief history of this special ministry and a view of its future. He also considers spiritual companionship in other religious traditions and their relation to a Christian framework. This new title offers enormous insight and support for both spiritual directors and directees, anyone considering entering spiritual direction, and all those ministers--from pastors to Christian counselors--who so often unexpectedly find themselves in the role of spiritual director.

Spiritual direction is increasingly popular among Christians of all mainstream traditions, with demand for directors outstripping supply in many places. And although the Bible is central to the practice of spiritual direction, very little has been published on how best to use it in this form of ministry. Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience, in order to discourage poor, shallow or rigid use of the Bible, which can lead to damage and inhibit spiritual growth. According to Hoare, the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ, for the flourishing of the church as a whole. Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality, as well as current literature and practice, this book offers a rich, stimulating, and thoroughly biblical resource for all those who give and receive spiritual direction.

Giving and Receiving Spiritual Guidance

Foundations in Spiritual Direction

Preaching as Spiritual Direction

The Way of Spiritual Direction

Please note: This is a companion version** & not the original book. Sample Book Insights: #1 The distance between a Zen Master in the Far East and a Christian spiritual director in the West might seem wide, but it points to the wisdom we need to live the questions of our lives, both alone and in community. #2 To seek spiritual direction, for me, means to ask the big questions, the fundamental questions, and the universal ones in a supportive community. Out of asking the right questions and living the questions, right actions will come about. #3 The first step in receiving guidance is to ask yourself difficult questions. Your life is not a problem to be solved, but a journey to be taken with Jesus as your friend and guide. #4 To receive spiritual help in time of need, you must first not deny but affirm the search. Painful questions must be raised, faced, and then lived. This means that you must constantly avoid the temptation of offering or accepting simple answers.**

While searching for a model of preaching that is apt for our postmodern moment, Kay Northcutt respectfully eschews earlier models and suggests the what of preaching should consist in spiritual formation or the practice of spiritual direction. Taking an evocative, rather than how-to, approach, Northcutt notes the gaps created by earlier models and makes a case not only for framing preaching as an attractive art but also for understanding the preachers authority as religious in nature. The author provides readers with a new paradigm for developing their own homiletical discipline.

The need for spiritual directionor the accompaniment of a spiritual guideis becoming more prominent in a world where so many are suffering from so many wounds. With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction, and the insight of the psychological sciences, Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. Spiritual Direction: A Guide for Sharing the Father's Love fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded, assist men and women in hearing the voice of God, and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. Spiritual Direction will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.

“Henri Nouwen was one of the great spiritual masters of the modern age. His beloved writings have helped millions understand that no matter where we are, God can meet us there. Read this brand-new compilation of his writings and conferences, and let Henri Nouwen accompany you—with his trademark wisdom, acuity, common sense, erudition and, most of all, compassion—and help you encounter God more fully in your daily life.” — James Martin, SJ, author of The Jesuit Guide to (Almost) Everything Led by the writing of beloved, bestselling author Henri Nouwen (With Open Hands, Reaching Out, The Wounded Healer, Making All Things New), the authors of Spiritual Direction, return with the second work in this popular spirituality series on how to live out the five classical stages of spiritual development.

Spiritual Direction and the Care of Souls

Bread for the Journey

Henri Nouwen—beloved author, priest, and internationally recognized spiritual master, counselor, and guide—offers gentle wisdom for universal questions of the spiritual life: Who am I? Where have I been and where am I going? Who is God for me? Where do I belong? How can I be of service? As a priest, pastor, and professor of spirituality at Notre Dame, Yale, and Harvard, Nouwen offered spiritual direction to many students, but his famous course on spiritual direction was never recorded during his lifetime. Now, in Spiritual Direction, the first of a series, one of Nouwen's students (Michael Christensen) and one of his editors (Rebecca Laird) have developed his courses and practice of spiritual direction into a book of profound wisdom for living a deep spiritual life.

Designed to help spiritual directors and others use expressive arts in the context of spiritual direction.

An interfaith exploration of spiritual direction

In this latest addition to the Spiritual Directors International Series, professional spiritual directors and those in formation programs learn to extend traditional forms of hospitality by living out its deeper meaning as they explore ways in which the spirit of hospitality enriches the spiritual direction experience.

Spiritual Direction and the Journey to God

Using the Bible in Spiritual Direction

Through Wind and Waves

God gives us companions on our journey. A spiritual director is one such companion, offering spiritual guidance. Whether you are a director, a directee or simply someone who wants to learn more about this ancient ministry, this comprehensive introduction to the art of both giving and receiving spiritual direction will be a helpful guide.

Foundations in Spiritual Direction describes spiritual direction and soul guidance across religious traditions. Using text and sacred art, the book includes meditative practices from the world's religions, suggestions for further study and research, and informative definitions of spiritual terminology. Each chapter ends with journal questions.

A humble prayer calls down fire from above, and as we learn to live a life rooted in prayer, this heavenly fire grows into a profound awareness of the presence of God. This is the deepest purpose of prayer, and making this journey is essential for reaching the heights of holiness for which we were made. In Fire From Above, Dr. Anthony Lilles, Academic Dean at St. John's Seminary in California, shows you how to put your whole life in conversation with the Risen Lord within the Catholic tradition of spirituality. The wisdom of great saints and mystics will help you discover how to surrender your pride and appeal to God with humble trust, and how prayer addresses your deepest human needs. Dr. Lilles then shows you how the mystery of prayer unfolds, and how God provides heroic levels of courage and deep internal resolve through humble and persevering devotion. You'll examine how spiritual battles and dryness in prayer are essential to reaching communion with God, including the dark night of the soul. In these remarkable pages, you'll also explore: Why finding time to pray is always possible and necessary even when life is busyHow the proper use of sacramentals can render the heart more vulnerable to God's saving power while protecting it from evil.Practical ways to confront self-deception and other challenges to contemplative prayer.How forgiveness and bearing hardships are means for spiritual maturityThe indispensable role of Our Lady in the life of faith Read these pages, and you'll soon embark on the epic adventure which is the life of prayer, and you'll find encouragement to desire neither the goods nor the experiences of this world, but instead to pursue alone the Lord and His divine plan for your life.

Spiritual Direction gives us the unique and unrivaled experience of having Henri Nouwen as our personal spiritual director, answering our questions about the spiritual life in his wise, comfortable, and engaging style. With Nouwen's guidance, we can reorient our lives and open the door to true spiritual transformation. Henri Nouwen, the world-renowned spiritual guide and counselor, understood the spiritual life as a journey of faith and transformation that is deepened by accountability, community, and relationships. Though he counseled many people during his lifetime, his principles of spiritual direction were never written down. Now two of his longtime students, Michael Christensen and Rebecca Laird, have taken his famous course in spiritual direction and supplemented it with his unpublished writings to create the definitive work on Nouwen's thoughts on the Christian life. Stories, readings, and thematically organized questions for reflection and guided journal writing provide an unparalleled resource for spiritual direction, both for individuals and for small groups.

A Practical Introduction

The Heart of Spiritual Direction

An Invitation to the Spiritual Life

Spiritual Direction 101 brings spiritual guidance down to earth, making it accessible to people from a variety of spiritual and religious traditions. This book gives you the "here's how it's done" information, such as tips, tools, stories and descriptions to assist spiritual directors and build awareness in those seeking spiritual help.

In late antiquity the rising number of ascetics who joined the priesthood faced a pastoral dilemma. Should they follow a traditional, demonstrably administrative, approach to pastoral care, emphasizing doctrinal instruction, the care of the poor, and the celebration of the sacraments? Or should they bring to the parish the ascetic models of spiritual direction, characterized by a more personal spirituality? The Early Church explores the struggles of five clerics (Athanasius, Gregory Nazianzen, Augustine of Hippo, John Cassian, and Pope Gregory I) to reconcile their ascetic idealism with the reality of pastoral responsibility. Through a close reading of Greek and Latin texts, George E. Demacopoulos explores each pastor's criteria for ordination, his supervision of subordinate clergy, and his methods of that occurred during this period reflected and informed broader developments in religious practices. Demacopoulos describes the way in which these authors shaped the medieval pastoral traditions of the East and the West. Each of the five struggled to balance the tension between his ascetic idealism and the realities of the lay church. Each offered distinct (and at times very different) solutions that demonstrates both the complexity of the problem and the variable nature of early Christianity. Scholars and students of late antiquity, the history of Christianity, and historical theology will find a great deal of interest in Five Models of Spiritual Direction in the Early Church. The book will also appeal to those who are actively engaged in Christian ministry.

"A Michael Glazier book."Originally published: Wilmington, Del. : M. Glazier, ©1985. Includes bibliographical references (pages 216-220). Table of Contents: Spirituality regeneration -- Spiritualization-interiorization -- The spiritual director as abba/amma -- Spiritual direction as listening -- Manifestation of the heart -- Basic principles for listening -- Divine wisdom -- The emergence of the directee's spirituality -- Difficulties for the directee in listening -- Listening and loving the directee -- The spiritual director-directee relationship -- Listening and poverty of spirit -- Personalized retreats.

A guide for Christians who are considering spiritual direction or who are already engaged in the process. It explains what spiritual direction is, the qualities to look for in a director, the process of finding a director and ways to develop a deeper prayer life.

Fire from Above

A Handbook for Spiritual Directors

Spiritual Direction: A Guide for Sharing the Father's Love

You have spent a great amount of time, effort, and money in training to be a good spiritual director. Now you can fulfill this calling as your full-time work. This book is an "insider's report from the trenches," based on Bruce Tallman's experience of being a full-time spiritual director since 2002 and his research on how successful counselors set up their practices. Dr. Tallman has presented this material in training sessions for spiritual directors across North America. It is becoming "required reading" in many programs because it is full of practical, down-to-earth insights on every aspect of developing a spiritual direction practice. The book has sold well as an ebook since 2007 and now has been totally updated on how to find seekers through social media networking: Facebook, Twitter, YouTube, and Skype.

We all need companions and guides on our spiritual journey. W. Paul Jones believes that spiritual direction is essential for every Christian. "Along each person's pilgrimage are those who can make one's journey accountable and whose hospitality makes it possible," Jones says. In The Art of Spiritual Direction, you'll discover the answers to these questions and more: What is spiritual direction? What is the difference between spiritual direction and counseling? How can you know if you are called to the ministry of spiritual direction? What should happen in direction sessions? The appendixes feature helpful tools like the Myers-Briggs Type Indicator, a Theological Worlds Inventory, the Enneagram, and other resources. Whether you are a pastor, church leader, or a layperson, you will benefit from the wealth of information contained in this book. Timothy Gallagher has focused his entire adult life to studying and teaching Ignatian spirituality. For decades he has made it the focus of his work to guide spiritual directors in the rich Ignatian discipline which currently is experiencing a remarkable renaissance far beyond the Catholic realm. Out of this work grew the Handbook for Spiritual Directors which will make Fr. Gallagher's extraordinary teaching available to Fr. Gallagher's growing audience around the world. This book helps spiritual directors guide the process of Ignatian discernment in a very practical and yet profoundly spiritual way. Spiritual directors receive few requests more often, and more demanding than that of helping a person discern God's will in life's taxing decisions. With this handbook, Fr. Gallagher has provided the means necessary for responding to and helping with this request. For those spiritual directors trained in Ignatian spirituality this book offers to become an essential companion, and for those who want to learn this form of discernment this book will provide the foundation for understanding and learning this age-old, proven process for discerning the will of God.

Experienced spiritual director Alice Fryling presents an overview of what group spiritual direction is and how it is practiced, offering practical step-by-step guidance for those who would like to start, lead or particpate in group spiritual direction.

Wisdom for the Long Walk of Faith

Sacred is the Call

Discerning Life Transitions

A guide is a welcome addition on most any journey. So it is with the greatest of all journeys: the journey to God. One of the Church's most long-standing and fruitful traditions, spiritual direction is an instrument of God's glory in the world. The act of clearing the way for the Holy Spirit is a delicate yet challenging matter, and one that requires humility, patience, and charity, among other virtues. Through Wind and Waves is a guidebook for those undertaking this important work. It offers wisdom for both the supernatural and the practical elements of spiritual direction. It shows that being a spiritual guide is not simply a matter of prayer and meditation, but one of a firm interior life, genuine friendship, and the daily realities of living one's life for the Lord. That life will be marked by adventure, since every soul is unique and is led by the Spirit to blaze new paths to holiness. Filled with wisdom from the saints, as well as Jesus' words in the Gospels, Through Wind and Waves is a valuable resource for those called to lead others into the safe harbor of God's love. Rev. Francis Fernández-Carvajal holds graduate degrees in both History and Canon Law. Ordained in 1964, he is a priest of the Opus Dei Prelature and the author of many popular spiritual works. His seven-volume series In Conversation with God provides over 500 meditations to be used throughout the liturgical year. It has sold over 2 million copies and has been translated into many languages.

Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance. This guide aims to equip clergy and laity engaged in this task, or in training for it.

Essays drawn from Presence, the journal of Spiritual Directors International, examine spiritual direction in different social contexts: in the workplace, with the aging, in hospitals, with women's groups, with youth, with the homeless, and with those in m

With a goal of transcendent awareness, John Shea presents this commentary on the Sunday Gospel readings for those who are drawn to the spiritual wisdom of the Gospels. Ideal for Christian preachers and teachers, and Christians who meditate on the Gospels, Shea's book takes a literary-spiritual approach. He analyzes the mindsets of characters and how Jesus complimented, critiqued, praised these mindsets, to inspire meditation, reflection, and spiritual development. On Earth as It Is in Heaven, Year A is the first book of a four-volume set, The Spiritual Wisdom of the Gospels for Christian Preachers and Teachers. This set is a lectionary-based resource that references both Roman Catholic and Revised Common Lectionaries, making it useful and interesting to various Christian denominations. A Scripture index makes Shea's insightful reflections accessible for personal reflection on the Gospel texts as well as other uses outside of liturgical preparation. With wisdom relevant to our contemporary world, The Spiritual Wisdom of the Gospels for Christian Preachers and Teachers: On Earth as It Is in Heaven will find its way to the top of your resource list. John Shea, STD, is a theologian and storyteller who lectures nationally and internationally on storytelling in world religions, faith-based health care, contemporary spirituality, and the spirit at work movement. He has published thirteen books and lives in Chicago, Illinois.

Presented by the leading spiritual direction program in the U.S., this handbook addresses how spiritual direction leaders can present key topics in a spiritual direction program. It also provides wise guidance for individual seekers. Topics include contemplative listening, discernment, the wisdom of the body, ethics, male and female perspectives, sexuality, prayer and others. Each contribution features reflection questions and suggestions for further reading

Every one of us will experience several major life changes over the course of adulthood. Each of these transitions will be marked by external changes, such as change of location, career changes, promotions, or job losses, plus changes in family circumstances, including births, marriage, and death. These transitions may also be marked by inner change, since most of us readily examine our faith life and relationship with God during such periods. This new book helps people examine both the outward and the inward dimensions of major life changes. This blend of interior examination and attention to practical issues is shown in the questions that set the stage for the discernment process: • What theme or themes do you bring to this process of discernment? • What details would be necessary to know in order to discern an outcome? • What are financial implications? • What are the implications for family members or others close to you? • What information do you need to start gathering?

Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity, but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing. In this book, Kreeft brings together 358 useful, everyday insights from Aquinas' masterpiece the Summa Theologiae. He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors. These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord. His practical, personal, and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity, happiness, and union with God.

When beloved author Henri Nouwen set out to record this daybook of totally new reflections, he suddenly found himself on "a true spiritual adventure." For in these 366 original, interlocking morsels of daily wisdom, Nouwen provides both sustenance and a trail for us to follow, as he unveils, to his own surprise, his personal map of faith. From the delicate interplay of human experience to the surrender to Christ and the embrace of Christian community, that journey of Christian spirituality is explored and celebrated here in each eloquent, thought–provoking passage, "The table is one of the most intimate places in our lives. It is there that we give ourselves to one another. When we say, 'Take some more, let me serve you another plate, let me pour you another glass, don't be shy, enjoy it,' we say a lot more than our words express. We invite our friends to become part of our lives. We want them to be nurtured by the same food and drink that nurture us. We desire communion.... Every breakfast, lunch, or dinner can become a time of growing communion with one another." Intimately personal and inspiring, Bread for the Journey is a daily feast of fresh insight into the challenges and deep joys of a life lived in close communion with God. Nouwen is a wise, loving companion who invites us along as he finds joy in the community of loss, true freedom in forgiveness of others, and hope in surprising places. Each daily meditation is a stepping–stone along a path of private discovery, offering Nouwen's seasoned yet fresh ideas on kindness, love, suffering, and prayer, the Church as God's people, and the importance of Jesus in one's life—reflecting, as a whole, Nouwen's own 'personal creed.' Bread for the Journey brims with daily nourishment and guidance for devoted followers and new friends alike — food for thought on a yearlong journey of discovery and faith.

Spiritual Direction 101

Inviting the Mystic, Supporting the Prophet

The Art of Spiritual Direction

Among the smiling faces in church on Sunday mornings are those who long for deeper, more genuine relationships within their local congregations--active, intentional relationships that nurture the soul and encourage personal encounters with God. Drawing on decades of experience in spiritual direction, congregational ministry, and seminary teaching, this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition. The authors explore the topic in a biblically based and historically informed manner and give practical help for cultivating spiritual relationships in congregations and beyond, using stories throughout to illustrate key ideas. Discussion questions are included.

Newly repackaged, Making All Things New is an eloquent and simple explanation of the spiritual life from Henri J.M. Nouwen, author of Letters to Marc About Jesus and A Letter of Consolation and one of the best-loved spiritual writers of the twentieth century.

The need for spiritual direction—or the accompaniment of a spiritual guide—is becoming more prominent in a world where so many are suffering from so many wounds. With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction, and the insight of the psychological sciences, Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. Spiritual Direction: A Guide for Sharing the Father's Love fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded, assist men and women in hearing the voice of God, and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. Spiritual Direction will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.

Inviting the Mystic, Supporting the Prophet is written to encourage lay people, sisters and priests to confidently use their gifts to become spiritual directors to others. This book offers encouragement to those already involved in the task, builds upon the natural gifts of those who feel called to begin and hopes to increase the number of hearts willing to hear others in this way.
