

Spiritual Leadership J Oswald Sanders Notes By Dave Kraft

Dr. Sanders presents the doctrine of the Holy Spirit in non-technical language relating the doctrine to its practical implications in the life and experience of the believer. The author answers in an irenic manner many of the controversial aspects of the doctrine current today, especially in relation to the baptism and the gifts of the Spirit. In order that readers may have the benefit of the views of acknowledged authorities on this subject, each chapter is preceded by two or three quotations selected from the writings of a selection of evangelical scholars. - Back cover.

Follow your heart. You do you. You are enough. We take these slogans for granted, but what if this path to personal happiness leads to a dead-end? In Rethink Your Self, Trevin Wax encourages you to rethink some of our society's most common assumptions about identity and the road to happiness. Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). Rethink Your Self proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we were created to be that we discover our true purpose and become our truest selves.

Samuel Chadwick (1860-1932) was a Wesleyan Methodist minister, and a nonsense kind of preacher. His works have endured long after his death, and will doubtless continue to impact readers, as his practical approach and straight-forwards style make even the most complicated topic easy to grasp.

In this book, Richard D. Phillips cuts through the cultural confusion, highlights Gods mandate for men, and encourages readers to join him on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of Gods Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and their high calling, and by Gods grace, serve faithfully in whatever context God has placed them.

Author J. Oswald Sanders, a lawyer turned 20th century missionary statesman, follows Jesus from His pre-existence to His earthly life and coming Second Advent. Throughout he upholds Jesus as the powerful and perfect Savior of the world, arguing against any who would diminish His uniqueness.

Christ's Body, Human Flesh If we're honest, no one really cares about theology unless it reveals a gut-level view of God's presence. According to pastor and ministry leader Hugh Halter, only the incarnational power of Jesus satisfies what we truly crave, and once we taste it, we're never the same. God understands how hard it is to be human, and the incarnation—God with us—enables us to be fully alive. With refreshing, raw candor, Flesh reveals the faith we all long to experience—one based on the power of Christ in the daily grind of work, home, school, and life. For anyone burned out, disenchantd, or seeking a fresh honest-to-God encounter, Flesh will invigorate your faith.

The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated information throughout, a self-assessment tool, and other additional material. Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

Lead

Breakthrough to Spiritual and Emotional Health

"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as:
• building integrity
• seizing opportunities
• exploring new horizons
• speaking into crises
• receiving power
• accepting authority
• promoting truth
• managing expectations
• dealing with criticism
Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from 'over-spiritualized' to 'de-spiritualized' in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

Sanders combs the Scriptures to learn about the Christian's final home: 'So incredibly glorious is heaven that we are compelled to express it in...symbols of grandeur and majesty.'

The church is experiencing a leadership crisis. What can we do to prevent pastors from leaving the ministry? For every celebrity pastor exiting the ministry in the spotlight, there are many more lesser-known pastors leaving in the shadows. Pastor and best-selling author Paul David Tripp argues that lurking behind every pastoral failure is the lack of a strong leadership community. Tripp draws on his decades of ministry experience to give churches twelve gospel principles necessary to combat this leadership crisis. Each of these principles, built upon characteristics such as humility, dependency, and accountability, will enable new and experienced leaders alike to focus their attention on the ultimate leadership model: the gospel.

Spiritual Maturity

J. Oswald Sanders says loneliness originates in mankind's alienation from God, but that it can mature you spiritually and morally if you'll learn to reach out and care for others, instead of seeking comfort for yourself. Facing Loneliness encourages and challenges you to take specific steps to overcome the sorrow of loneliness.

In this exposition of 1 Corinthians, D. A. Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to God's people. He explains the key biblical principles for dynamic, cross-centered ministry and how to put the cross at the center of Christian life.

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

There's no scorebook in the sanctuary, and the only plate is probably for the offering. But every church leader needs to know how to win, and every congregation needs to know when to cheer. This insightful book speaks to every church leader who yearns for a simpler, more effective approach to ministry. An engaging parable about one overwhelmed pastor is followed by an overview of seven successful team practices, each one developed and applied in a ministry setting. Reinforced by relevant discussion questions, these clear, easy, and strategic practices can turn any ministry into a winning team. Your ministry is perfectly designed to produce the results you are currently experiencing. If you are satisfied with those results, you don't need this book. If not, it's time for a change. Like your own personal trainer, 7 Practices of Effective Ministry is an insightful guide for any leader who yearns for a simpler, more effective approach to ministry. Here are seven strategic principles that when put into play will bring focus and clarity to everything you do and turn your ministry into a winning team. Story Behind the Book Looking for ways to help pastors faced with hectic lives and depleted resources, Andy Stanley, Reggie Joiner, and Lane Jones decided to write a parable about the complicated life of a local pastor. Rather than come straight at those in ministry with formulas and lists, they engage readers in an effort to have them identify with the character. "For many years, I practiced and taught church growth. What I have witnessed as a member at North Point takes church growth to a whole new level. Andy and his team communicate principles that will add value to you and the church you love." -John C.

Maxwell, founder, The INJOY Group "Every professional athlete recognizes the value of solid coaching. The best are always working to get better. From what I've seen at North Point, these seven practices can improve the game of any church in America." -John Smoltz, Cy Young Award-winning pitcher "The practices covered in this book are down-to-earth, practical, and come from real difference-makers who know what church leadership is all about. Andy, Reggie, and Lane have definitely hit the ball out of the park with the 7 Practices of Effective Ministry." -Ed Young, Jr., senior pastor, Fellowship Church

J. Oswald Sanders probes Scripture to elicit principles and factors that inspired the dynamic spiritual leadership of Paul and the other apostles in the halcyon days of the church. Paul's letters reveal a frail, fallible man—one who fell and rose again—someone who can speak to our need. Because spiritual principles are timeless, we can learn to apply them to our own situations.

The more I read the Bible, the more evident it becomes that everything I have ever taught or written about effective leadership over the past 25 years, Jesus did to perfection. He is simply the greatest leadership role model of all time. Effective leadership—whether on the job, in the community, at church, or in the home—starts on the inside. In this revised classic, renowned leadership expert Ken Blanchard guides you through the process of discovering how to lead like Jesus. Before you can hope to lead anyone else, you must know who you are. Every leader must answer two critical questions: One deals with your relationship to Christ. The other with your life purpose. Whose are you going to be? Who are you going to be? Learning to lead like Jesus can be described as the process of aligning two internal domains (the heart and the head) and two external domains (the hands and the habits). These four dimensions of leadership form the outline for this very practical and transformational book, from which you will learn how to: Integrate your faith with your role and responsibility as a leader Identify your priorities Build your relationship with God in a new and personal way Move from success to significance Lead out of service rather than self-interest Put the love of Jesus into action With simple yet profound principles from the life of Jesus, and dozens of stories and leadership examples from his own life, Ken Blanchard once again shows us the way effective leaders lead.

Leaders Who Last

Responding to God's Call

Are you hungry to help others through leadership but don't feel like you have the authority? One of the greatest myths of leadership is that you must be in charge in order to lead. Great leaders don't buy it. Great leaders--whether they have the official authority or not--learn how to be an influential presence wherever they are. In How to Lead When You're Not in Charge, author and pastor Clay Scroggins explains the nature of leadership and what's needed to be a great leader--even when you answer to someone else. Drawing from biblical principles and his experience as the lead pastor of Buckhead Church in Atlanta, Georgia, Clay will help you nurture your vision and cultivate influence with integrity and confidence, even when you lack authority in your organization or ministry. In this book, Clay will walk you through the challenge of leadership and the four basic behaviors all great leaders have and how to cultivate them: Leading yourself Choosing positivity Thinking critically Rejecting passivity With practical wisdom and humor, Clay Scroggins will help you free yourself to become the great leader you want to be so you can make a difference. Even when you're not in charge. ----- "This book will be one of the most, if not the most, pivotal leadership books you'll ever read." - Andy Stanley "If you're ready to lead right where you are, this book can show you how to start." - Dave Ramsey "Read this book! The marketplace is full of leadership messages, but this one is a stand out." - Louie Giglio

"The work you do reflects, shapes, and defines you-and it's a key way you serve God and love your neighbor. Discover the dignity and importance of faithful work"--

You've studied everything you think you need to know before entering a career in ministry. But how well do you know yourself? Serving as a pastor is tough, but it can be fulfilling and rewarding if you take the time to examine both your gifts and vulnerabilities. The church needs leaders who have the clear-eyed courage to pursue the hard journey of self-examination.

Discipleship is eschatological in nature, because the church that makes and receives disciples is eschatological in nature. Often eschatology is thought to refer only to "last things" doctrines. However, eschatology in its broader sense encompasses the Christian view of time and the future of the world, informing both one 's evangelism and ecclesiology. Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview, imbalanced discipleship, and eventually, a tragic inability to model the Christian way of life. By answering questions like " What time is it?" and " Where is history going?" Trevin Wax helps Christians view the past, present, and future biblically, and shapes their understanding of following Jesus.

Why do some leaders get and accomplish what they want as a matter of routine, while others seem to regularly experience frustration and setbacks? Why do some leaders achieve their goals and reach new heights, while others barely "hang in there" and survive? Based on his groundbreaking psychological study of the ways that successful individuals think and behave, Dr. Henry Cloud presents a simple yet profound roadmap to help leaders--and those who want to become leaders--arrive at greater levels of personal growth and corporate influence than they previously thought were possible. The good news for all of us is that leadership success is not limited to vague notions of "charisma" nor traditional advantages like graduate degrees and connections, but much more to a pattern of thinking and moving forward that

learns from mistakes and stays focused on goals.
