Call to Treason

In response to the growing use of sophisticated digital encryption to conceal potential threats to the United States, the National Security Agency has ushered forth the new dawn of intelligence-gathering techniques. The top-secret initiative is dubbed Third Echelon. Its existence denied by the U.S. government, Third Echelon deploys a lone field operative. He is sharp, nearly invisible, and deadly. And he has the right to spy, steal, destroy, and assassinate to protect American freedoms. His name is Sam Fisher. He is a Splinter Cell®.

The author's "forgotten novel" about submarine warfare finds the United States at war and its underwater fleet carrying the burden of the conflict. Reprint.

## PREQUEL TO THE MUCH-ANTICIPATED NEW GAME

**HITMAN: ABSOLUTION** Since the devastating conclusion of *Hitman: Blood Money*, Agent 47 has been MIA. Now fans awaiting the return of the blockbuster videogame and film phenomenon can pinpoint the location of the world's most brutal and effective killer-for-hire before he reemerges in *Hitman: Absolution*. When the Agency lures him back with a mission that will require every last ounce of his stealth, strength, and undercover tactics, they grossly underestimate the silent assassin's own agenda. Because this time, Agent 47 isn't just going to bite the hand that feeds him. He's going to tear it off and annihilate anyone who stands in his way.

When all evidence points to him as the mole who sold out his government, Third Echelon operative Sam Fisher races against time to prove his innocence and expose the real traitor responsible for helping to deplete the ranks of the Splinter Cells. Original.

stop them before the deadly plot unfolds. "Echoes" takes place between the events of Splinter Cell Conviction and Splinter Cell Blacklist. The series bridges the gap between the two games with a realistic, original story that sets the tone for the opening events in Splinter Cell Blacklist! Written by Nathan Edmondson, critically-acclaimed writer of BLACK WIDOW and THE PUNISHER and Marc Laming, artist behind EXILE ON THE PLANET OF THE APES, THE RINSE, THE ACTIVITY and Dynamite's own KINGS WATCH comes a story of the Sam Fisher you only thought you knew. This latest volume in the Penal Theory and Penal Ethics series addresses one of the oldest questions in the field of criminal sentencing: should an offender's previous convictions affect the sentence? Although there is an extensive literature on the definition and use of criminal history information, the emphasis here is on the theoretical and normative aspects of considering previous convictions at sentencing. Several authors explore the theory underlying the practice of mitigating the punishments for first offenders, while others put forth arguments for enhancing sentences for recidivists.
