

## *Sri Veerabhadra Swamy Kannada Songs*

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

Sadhguru presents a rare glimpse of undiluted truth from discourses given to seekers at the Isha Yoga Center and around the world. A tool of tremendous value in an age imprisoned by materialism and dogma, these dialogues are an essential key to inner exploration of the profound questions of humanity: Who am I? Why are we here? What is the meaning of life? The master speaks with undeniable logic and wisdom that penetrates the deepest realms of our heart and soul

Encounter the Enlightened (eBook)

***Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.***

Are you aware that there is a Great Wall of India built by Rana Kumbha at the Fort of Kumbalgarh?Or that Rash Behari Bose was the first to introduce Indian curry into Japan?Or of the Naval Ratings Mutiny that rocked the British empire?India is a nation where history literally lies under your feet, where every rock, nook and corner, has a story to tale.History Under Your Feet aims to look at the history behind some places and persons in India.

This book documents the history of Tamil cinema, one of the most colossal film industries in the world, and studies the major

studios of Madras, the largest outside classical Hollywood in the private sector. It engages with five major studios of Madras—Modern Theatres, AVM, Gemini, Vijaya-Vauhini, and Prasad—through the origins of their founders, and explicates how their history influenced the narratives, genre, and ideology of the canonical films made in Madras studios, arguing for their lasting influence on Tamil cinema. Based on rare primary and secondary materials, and oral history, this book engages with Tamil cinema at the intersection of its industrial, cultural, and socio-political history to argue for its specificity in terms of its aesthetics and its belief in the potential of the medium to mobilize audiences for ideology, politics, and reflexivity.

Dancing and chanting with their shaven heads and saffron robes, Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies. Yet few people know much about them. This comprehensive study includes more than twenty contributions from members, ex-members, and academics who have followed the Hare Krishna movement for years. Since the death of its founder, the movement, also known as the International Society for Krishna Consciousness (ISKCON), has experienced debates over the roles of authority, heresy, and dissent, which have led to the development of several splinter movements. There is a growing women's rights movement and a highly publicized child abuse scandal. Providing a privileged look at the people and issues shaping ISKCON, this volume also offers insight into the complex factors surrounding the emergence of religious traditions, including early Christianity, as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil.

Umrao Jan Ada

The Hare Krishna Movement

Vol. XXIII. No. 43. ( 26 OCTOBER, 1958 )

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In its veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

Narasimha, once a brave soldier, has left the war and lies low as a physician in a village. But a familiar face from his past seeks his help to stop the tyranny of the blind usurper Andhaka. If Narasimha refuses, the world might just end. What will he do? And why did he leave the war in the first

place? Prahlad, the interim king of Kashyapuri, is torn between the ideals of his unrighteous father and his love for Lord Vishnu. Whom will he choose? Hiranyakashyap, the ruler of the Asura Empire, wants to avenge the death of his wife. To do that, he must go through the Trials and get the ultimate weapon - the Brahmastra. But the Trials have sent so many others to their death. Can Hiranyakashyap survive? Welcome to the reimagining of the fourth Avatar of Lord Vishnu by bestselling author Kevin Missal. Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaiva saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

AKASHVANI

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana. The Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's adventures in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about his birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is precise.

introduction offering a geographical and historical context for the GanesaPurana. Following the translation are very extensive bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present and narratives in a coherent and fully integrated manner.

In this book, Sadhguru simplifies the many ideas surrounding sex, dispelling the philosophies and theories supporting sex and Sadhguru's eminent insight and humor takes the reader on an in-depth discussion about sex, revealing its true nature as an unconscious longing to know the divine.

Sathya Sai Speaks

Hymn to Tripurasundar? (Hindu deity).

In My Gita, acclaimed mythologist Devdutt Pattanaik demystifies The Bhagavad Gita for the contemporary reader. His unique approach-thematic rather than verse by verse makes the ancient treatise eminently accessible, combined as it is with his trademark illustrations

and simple diagrams. In a world that seems spellbound by argument over dialogue, vivaad over samvaad, Devdutt highlights how Krishna nudges Arjuna to understand rather than judge his relationships. This becomes relevant today when we are increasingly indulging and isolating the self (selfimprovement, selfactualization, selfrealization-even selfies ).We forget that we live in an ecosystem of others, where we can nourish each other with food, love and meaning, even when we fight. So let My Gita inform your Gita.

The Part II of the Press Commission Report contains a broad but concise survey of the development of the English and the Indian languages Press in India. It brings out the historical tendencies in so far as they affect the then state of the Press in the country, and serves as a background to the Press Commission enquiry.

Saakshi uses the Puranas and Vedanta as well as Gandhian concepts to discuss the meaning of truth and its distortions through greed, sexuality and desire. Overcome by guilt at having committed perjury in court, in a murder trial, Parameshwarayya, a village elder, commits suicide. Yama, the god of death and righteousness, affords him the privilege of presenting his case himself. Thereafter, he commands Parameshwarayya to return to earth in spiritual form to witness, but not to intervene, in subsequent events. Parameshwarayya observes his daughter Savitri, son Ramakrishna, son-in-law Satyappa, the woman Lakkoo and the sensitive Dr Hasheem as they are confronted by difficult decisions and revelations, which cause them to look inward and attempt an appraisal of their lives and values. Bhyrappa's portrayal of the greedy Nagappa, who grudges his only grandson the rice he eats and the arrogant, selfish and lustful Manjayya creates indelible impressions on the mind. This powerful novel questions what it means to be a witness—in a courtroom, before the gods, to the lives of others, or finally to one's self.

Yakshagana

Vol. XL. No. 30 ( 10 AUGUST, 1975 )

*Folk Culture, The Perennial Substratum Of The Sophisticated Metropolitan Culture, Takes Many Lively And Colourful Forms. This Is Particularly True In India. This Book Is A Study Of One Such Expression Of The Folk Culture Obtained In South Kanara, India. It Is Not One Of Those Dry Academic Studies Usually Made By Foreign Scholars. For The Authors, The Book Has Been A Passionate Involvement In A Traditional Art Form Yakshagana. The American Authors Have Put Down Their Experience With The Hope That The Reader Will Enjoy An Imaginary Trip To South Kanara, A Walk Through The Fields And A Thrilling Night Of Yakshagana. In A Lively Style, This Book Brings Home To The Readers Almost Everything About This Particular Form Of Dance-Drama, The Music, Dance Costumes And Make-Up And Impromptu Dialogue As Well As Its Literature On Which The Dramatic Themes Are Based, The Rituals Performed Before, During, And After The Drama, The Organization Of A Troupe, The Existing Troupes, And The Training Of The Performers. With Nineteen Four-Colour Reproductions, Twenty-Tree Black-And-White Illustrations And Eighteen Line Drawings, Yakshagana Has Something To Offer To Each Of Its Readers. For Those Trained In Music There Is The Style Of Singing And Rhythms Peculiar To Yakshagana. And Those Who Are Learned In Poetry, Religious Epics And Legends Can Revel*

*In The Beauty Of The Poetry, And Those Who Have A Sense Of Colour And Design Can Be Enchanted By The Costumes And Make-Up. The Readers Will Vicariously Experience The Intricate Steps Of The Dance, Not To Be Seen In Any Other Indian Dance Forms, Yet They Are Characteristically Indian. Yakshagana, As Experienced By The Authors, Reveals The Deeper Meanings Of The Indian Epics And Legends Through The Extempore Dialogue Of The Performers. Their Descriptions Of The Risqué Humour Of The Buffoon And His Comic Movements Come Alive Before The Readers. Here Is A Point Of Departure For More Study In New Directions, Valuable To The Students Of Arts And Folk Culture, And Yet Tempting The General Readers With Its Rich Fare Of Aesthetic And Intellectual Experiences. Yakshagana Is Tempting To The Booklover In Many Other Ways: The Subject Of The Book Has Been Presented And Decorated By One Of The Famous Indian Artists K.K. Hebbar, And Introduced By C. Sivaramamurti, A Noted Historian And Archaeologist Whose Deep Knowledge In Iconography Has Made Rich Contributions To The Study And Understanding Of The Ancient And Medieval Visual Arts In This Country.*
