Imagine growing up in the

*largest slum on the planet
in the year 2080AD. Twenty
million people are your
neighbors, huddled together
in an ocean of rusted
dwellings made from whatever
Sedonia City, the towering
metropolis in the distance,
decides to throw away. Gang
members, known as the T99s,
are the heads of your
community: smuggling tech,
trafficking drugs, and
fighting a constant guerilla
war against the City's bio-
augmented EXO police force.
There is little hope for
survival. None for escape to
a better life beyond the
half-mile high Border
between city and slum. This
is Matteo's world. A bright*

kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the

Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

**The purpose of this study,
commissioned by the Army, was to
document the process by which the
Congressional Medal of Honor was
awarded from December 7, 1941,
through September 1, 1948; to
identify units in which African
Americans served; to identify by
name all black soldiers whose names
were submitted for the medal and to
document any errors in the
processing of their nominations; and**

to compile a list of all black soldiers who received the Distinguished Service Cross, the second highest award. Based on this work, in January 1997 President Clinton awarded seven African Americans the Medal of Honor. The authors were selected by Shaw University of Raleigh, North Carolina, to conduct this study under a United States Army contract.
