With the future of the

planet Bajor in the  
balance, a trade  
conference aboard Deep  
Space Nine threatens to  
become a battleground  
as hidden terrorists  
sabotage the station and  
a Cardassian  
commander claims it for  
his empire. Original.

A boy looks up. He sees  
a Cardassian's hand on  
his shoulder and knows  
that this is usually a

prelude to a beating or,  
if he is fortunate  
enough, arrest. The boy  
knows how many  
disappeared during the  
Occupation of Bajor. So  
he does the one thing he  
can think of: he bites the  
Cardassian. Then the  
nightmare begins. He is  
ripped from the family  
that took him in as an  
orphan, clothed him, fed  
him, always loved him

unconditionally. And no matter how earnest, how caring the commander of Deep Space 9 is, the boy knows this is all a horrible mistake. How can someone from Starfleet judge him by what he looks like, not by what he is? He prays to the Prophets; he is Bajoran. They all keep telling him that the test proves the large

So they send Rugal home -- to Cardassia. On the homeworld of the Cardassian Union where sacrifice and devotion to

only by the  
government's need to

one very lonely boy  
discovers that if he  
doesn't resist, his life --  
like those of so many  
others -- will be added  
to the tally of the never-  
ending sacrifice.

Political tensions on  
Bajor are once again on  
the rise, and the various

Deep Space Nine. Odo soon traces the murders to a bizarre and dangerous form of holosuite technology--a technology that turns it's users into insane killers and now threatens Sisko's son, Jake. As the situation on Bajor deteriorates, Sisko learns that the political conflict and the new holosuites are

connected. Both are the work of a single dangerous man with a plan that threatens the very fabric of reality. The plot is darker than anything Sisko has faced before, and to defeat it, he must enter the heart of a twisted, evil world where danger lurks in every corner and death can come at any moment--from the

evil within himself,  
from his closest friends,  
or even at the hands of  
his own son.

Despite the fact that Star  
Trek: Deep Space Nine  
ended over twenty-five  
years ago, there has yet  
to be a stand-alone  
assessment of the series.  
This collection corrects  
that omission,  
examining what made  
Deep Space Nine so

# Acces PDF Star Trek Deep Space Nine Calendar

unique within the Star  
Trek universe, and how  
that uniqueness paved  
the way for an  
altogether new, entirely  
different vision for Star  
Trek. If the Star Trek  
slogan has always been  
"to boldly go where no  
one has gone before,"  
then Deep Space Nine  
helped to bring in a new  
renaissance of serialized  
television that has

become normal practice.

Furthermore, Deep  
Space Nine ushered in  
critical discussions on  
race, gender, and faith  
for the franchise,  
science fiction  
television and American  
lives. It relished in a  
vast cast of supporting  
characters that allowed  
for the investigation of  
psychosocial  
relationships--from

familial issues to interpersonal and interspecies conflict to regional strife--that the previous Star Trek series largely overlooked. Essays explore how Deep Space Nine became the most richly complicated "sci-fi" series in the entire Star Trek pantheon.
