Could the science fiction of Star Wars be the actual science of tomorrow? -How close are we to creating robots that look and act like R2-D2 and C-3PO? -Can we access a "force" with our minds to move objects and communicate telepathically with each other? -How might spaceships like the Millennium Falcon make the exhilarating jump into hyperspace? -What kind of environment could spawn a Wookiee? -Could a single blast from the Death Star destroy an entire planet? -Could light sabers possibly be built, and if so, how would they work? -Do Star Wars aliens look like "real" aliens might? -What would living on a desert planet like Tatooine be like? -Why does Darth Vader require an artificial respirator? Discover the answers to these and many other fascinating questions of physics, astronomy, biology and more, as a noted scientist and Star Wars enthusiast explores The Science of Star Wars.

- Flip Book: Extensive walkthroughs of every level for both Star Wars® The Clone Wars™: Lightsaber Duels™ for the Nintendo Wii and Star Wars® The Clone Wars™: Jedi Alliance™ for the Nintendo DS.
- Breakdown: Complete information with all combos detailed and mission challenges listed!
- Secrets: Hints and tips to unlock everything for both games!
- Bonus Content: Exclusive art section for both games!

NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

With plenty of lesser-known details, even die-hard fans will learn new facts about characters. © & TM 2021 Lucasfilm Ltd.

It's not easy being a Super Hero when you've got a steady job to hold down and girlfriend problems to deal with. Somehow, Peter Parker manages to do it while regularly saving New York City from a rogues' gallery of super villains. In The World According to Spider-Man, the hero spills the beans on how he balances his two lives and manages to keep his trademark sense of humour, even while he's tangling with the Green Goblin. The book comes with a wealth of incredible inserts, including clippings from the Daily Bugle, snapshots taken by Spidey on patrol, a letter from Oscorp, a note from Mary Jane Watson, a page from Uncle Ben's diary, schematics showing how the web-shooters work, and more. Unlike most makers of modern or futuristic films, George Lucas turned away from the standard special operatives or secret agents who are the heroes for his epic Star Wars saga. Part knight, part monk, the Jedi Knights were an order of swordsmen that helped rule the universe with law and lofty principles of justice and honor. Without the Jedi, there could be no Star Wars, and without the lightsaber sword, there could be no examination of the Jedi Knights, their adversaries the Sith and their lightsaber swordplay throughout all six episodes of the franchise even which Lucas blended science fiction with the most ancient and epic tales of traditional samurai and Western swordsmen. It presents a new way to better understand the Jedi Knights, focusing on the human movement and activity surrounding the weapon and the ways in which Japanese martial arts were adapted for use in the films. Topics of discussion include the powerful effects of the master-apprentice relationship; the technical choreography used in the lightsaber scenes of the Star Wars films; and the historical precedents for the Jedi order, including the monks of Japan, the Janissaries and Mamelukes of Islam, and the knights of the Templar, Hospitaller and Teutonic orders.

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even The Phantom Menace . . . Jedi lit the way across the galaxy in The High Republic It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, world by world, under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm But the even brighter shadow, and some storms defy any preparation. When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel

disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergency to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Force to see them through a day in which a single mistake could cost billions of lives. Even as the Jedi battle valiantly against calamity, deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A thr darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

Star Wars: The Secrets of the Jedi

Across the galaxy, the Clone Wars are raging. The Separatists, led by Count Dooku, the onetime Jedi and now secret Sith Lord, continue to press forward, and more and more worlds are either falling, or seceding and joining the cause. Under the leadership of Supreme Chancellor Palpatine, the Republic heroically battles on, championed by its huge army of cloned soldiers and their Jedi generals. Anakin Skywalker, believed by some to be the prophesied "Chosen One" destined to bring balance to the Force, is now a Jedi Knight under the tutelage of his Jedi Master, Obi-Wan Kenobi. Death is a constant possibility—and his chances of survival aren't improved by the unexpected arrival of an apprentice: Ahsoka, a brash, inexperienced fourteen-year-old Padawan apprenticed to Anakin. But there's no time for Anakin to question his latest orders: He and Obi-Wan have been assigned a new mission, and failure is not an option. Jabba the Hutt's precious infant son has been kidnapped, and when the frantic parent applies to the Jedi for help, it falls to Anakin, Obi-Wan, Ahsoka, and their clone troops to track down the evidence and retrieve the missing Huttlet. And more is at stake: For a grateful Jabba just might allow the Republic access to the Hutt-controlled space lanes that the Grand Army desperately needs in order to beat the Separatists into submission. But the Republic is not the only power that craves access to those space lanes. Count Dooku, determined to win the prize for the Separatists, has set a trap for the Jedi. When they find the Huttlet, they will also find Dooku's master assassin, Asajj Ventress, and countless legions of battle droids waiting to spring a trap. The blazing new animated feature film Star Wars: The Clone Wars takes place in the years preceding Star Wars: Episode III: Revenge of the Sith and sets the stage for the groundbreaking TV series. Both contain all original material—direct from the brilliant

imagination of legendary Star Wars creator George Lucas. And these exciting new adventures and characters are being brought to life in book form by none other than #1 New York Times bestselling Star Wars author Karen Traviss. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Presents recipes for Star wars-themed treats.

Star Wars: The Lightsaber Collection Lightsabers from the Skywalker Saga, The Clone Wars, Star Wars Rebels and more | (Star Wars gift, Lightsaber book) Insight Editions

NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away. . . . A thrilling new adventure set between A New Hope and The Empire Strikes Back, and—for the first time ever—written entirely from Luke Skywalker’s first-person point of view. Luke Skywalker’s game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire. Though he’s a long way from mastering the power of the Force, there’s no denying his phenomenal skills as a pilot—and in the eyes of Rebel leaders Princess Leia Organa and Admiral Ackbar, there’s no one better qualified to carry out a daring rescue mission crucial to the Alliance cause. A brilliant alien cryptographer renowned for her ability to breach even the most advanced communications systems is being detained by Imperial agents determined to exploit her exceptional talents for the Empire’s purposes. But the prospective spy’s sympathies lie with the Rebels, and she’s willing to join their effort in exchange for being reunited with her family. It’s an opportunity to gain a critical edge against the Empire that’s too precious to pass up. It’s also a job that demands the element of surprise. So Luke and the ever-resourceful droid R2-D2 swap their trusty X-wing fighter for a sleek space yacht piloted by brash recruit Nakari Kelen, daughter of a biotech mogul, who’s got a score of her own to settle with the Empire. Challenged by ruthless Imperial bodyguards, death-dealing enemy battleships, merciless bounty hunters, and monstrous brain-eating parasites, Luke plunges head-on into a high-stakes espionage operation that will push his abilities as a Rebel fighter and would-be Jedi to the limit. If ever he needed the wisdom of Obi-Wan Kenobi to shepherd him through danger, it’s now. But Luke will have to rely on himself, his friends, and his own burgeoning relationship with the Force to survive. Praise for Heir to the Jedi “Utterly compelling . . . [The novel] plants readers in Luke Skywalker’s boots in the early days of his heroism, during the weeks after he blew up the Death

Star.—*New York Daily News* “An excellent book with rich characters, bubbling humor and poignant emotion.”—*Roqoo Depot* “Entertaining . . . action-packed . . . suspenseful.”—*New York Journal of Books* “Great . . . [an] entertaining introduction into understanding Luke’s character . . . There are moments in *The Empire Strikes Back* that I now point to and say, ‘I understand how he got there,’ and it’s because of this novel.”—*The Wookiee Gunner* “Pure Star Wars . . . From shoot-outs to narrow escapes, I could practically hear John Williams’s score playing in my head—a credit to Kevin Hearne, to be sure.”—*Coffee with Kenobi* “A must-read for fans . . . I left with a much closer understanding of who Luke Skywalker is, and an even deeper admiration for the character. All things are connected in the Force, and I feel more connected to Luke after reading *Heir to the Jedi*.”—*Comicbook*

Age Of Republic - Heroes

BEING A TEENAGER IS HARD ENOUGH WITHOUT ALSO TRAINING TO BE A JEDI.... Obi-Wan Kenobi has not been apprenticed long to Qui-Gon Jinn, and he is chafing at Qui-Gon's training style: all meditation, no action. Obi-Wan yearns to prove himself on a mission, but when he and Qui-Gon are finally set to leave on an assignment, Qui-Gon is nowhere to be found. Angered by his master's abandonment, Obi-Wan sets out on the mission alone, determined to prove himself. On a mysterious planet he encounters a pack of feral, Force-wielding teens who seem to be the planet's only inhabitants. As he experiences wild freedom with them and wonders if this isn't the life he was meant for, Obi-Wan can't escape the nagging sense that something is wrong with the Force there. Romantic complications, startling revelations, and a looming threat to both the planet and his new friends will bring Obi-Wan face-to-face with his worst fear: that maybe he was never supposed to be a Jedi at all. Can he connect with the living Force in time to save himself and everyone around him? It's the star of the Obi-Wan Kenobi Disney+ limited series as you've never seen him before....

Speculative science fiction, with its underlying socio-political dialogue, represents an important intersection of popular culture and public discourse. As a pop culture text, the animated series Star Wars: The Clone Wars offers critical commentary on contemporary issues, marking a moment of interplay whereby author and audience come together in what Russian philosopher Mikhail Bakhtin called collaborative meaning making. This book critically examines the series as a voice in the political dialogues concerning human cloning, torture, just war theory, peace and drone warfare.

Anakin Skywalker searches for the evil Darth Sidious, struggles with his duty as a Jedi Knight and role as the secret husband of Senator Padme Amidala, and strives to eliminate all resistance to the Empire in his new role as Darth Vader. The Jedi are taught to use the Force for good; to avail themselves only to the light side. But the dark side can be a dangerous temptation to even the strongest Jedi, as Aayla Secura learns when she battles former Jedi in training Aurra Sing, and Quinlan Vos discovers when he crosses swords with a true master of the dark, Count Dooku. Set against the backdrop of the Clone Wars, this novel-length adventure is filled with espionage, betrayal, and amazing lightsaber battles. It all begins with a dangerous undercover assignment that leads to—well, we dare not reveal the shocking ending! A story that is sure to have Star Wars fans talking—and wondering whether the fate of the Jedi lies in the light...or the dark. • This volume collects Star Wars: Republic #54-#63, Star Wars: Jedi—Aayla Secura, and Star Wars: Jedi—Dooku.
