The 10 best paper airplanes you've ever folded and flown! These are high performance, blow-the-competition-away flying paper machines! The book features 10 designs and 40 sheets of full colour, flight-ready paper. Best for children over 7 years.

Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. Star Wars® Origami marries the fun of paper folding with the obsession of Star Wars. Like The Joy of Origami and Origami on the Go, this book puts an original spin on an ancient art. And like Star Wars® Scanimation® and Star Wars® Fandex®, it's a fresh take on Star Wars mania. Chris Alexander is a master folder and founder of the popular website StarWarsOrigami.com, and here are 36 models, clearly explained, that range in difficulty from Youngling (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book's unique folding paper, two sheets for each figure. Illustrated with original art, it makes each creation—the essential lightsabers, the Death Star, and much more—true to the movies. Star Wars Origami includes a foreword by Tom Angleberger, author of the New York Times bestsellers The Strange Case of Origami Yoda and Darth Paper Strikes Back, and is scheduled to be published at the same time as Angleberger's upcoming book, The Secret of the Fortune Wookiee.

Snik, Brenton, Judy, and Kelsey haven't stayed in the best touch since last year's big homework-machine scandal. But they are all pulled back together again when Brenton realizes that the most powerful part of the machine that lets you cheat on homework was never really destroyed. And there is someone out there who wants to use it for a lot more than just cheating. So the group bands together again not only to stop the culprit, but also to be the first to find a hidden treasure. If you enjoyed the first adventure, The Homework Machine, hold on to your hats for this one!
