

## *Staying Ok*

The former Sex & Relationships Editor for *Cosmopolitan* and host of the wildly popular comedy show *Tinder Live with Lane Moore* presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show *Tinder Live* or being the enigmatic front woman of *It Was Romance*—as she is on the page, as both a former writer for *The Onion* and an award-winning sex and relationships editor for *Cosmopolitan*. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From spending the holidays alone to having better “stranger luck” than with those closest to her to feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. *How to Be Alone* is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it’s a book for anyone who desperately wants to feel less alone and a little more connected through reading her words.

RJ is struggling in math class and many of his assignments are missing or incomplet. With help he discovers how to stay organized so he doesn't have to do things over and over again.

So you want to disappear? Whether you got the fuzz on your back or a price on your head, Saul Goodman can help! *Big Brother*’s got eyes everywhere—don’t pretend they’re not all watching you. Nowadays you’d better assume anything you do is already on the 24/7 news feed, but there are measures you can take. Darken your windows. Bash your smartphone. Cut up your credit cards. But first, buy this book. From the cunning counsel (me) who kept you out of the slammer with his handy manual *Don’t Go to Jail!*, here’s your escape plan for busting out of the prison of modern surveillance. You might be up to no good or you might be up to nothing at all—hey, it’s not my business, and let me tell you, it’s nobody else’s business, either. My business is making sure it stays your business. An unlisted phone number is no longer enough. I want to help you find your inner alias. I want to show you your dream safe house. I don’t want to hear about you on the Internet. *Get Off the Grid!* can do all of this and more. It’s your one down-to-earth guide on going to ground, and not just that: it’s the best vanishing act you’ll never see!

**#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME** The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist – books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —*The New York Times* “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —*USA Today* **DON’T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.**

Staying O.K.

A Guide to Staying Safe in Avalanche Terrain

Bull routinely impressed his family, friends, and teachers with his ability to control his emotions and anger. He was always upbeat and looked at the bright side of things! He could remain calm in the toughest of circumstances, and never so much as raised his voice. But he wasn't always that way. Once upon a time, Bull's friend Fox showed him a simple and small tip that completely changed his approach. Find out what this tip is, and how to use it to instill emotional maturity, self-control, and mindfulness in your growing child! Teach your child: -How to deal with obstacles and hardships in life -The value of emotional control and letting things go -The costs of explosive anger, outbursts, and lashing out at the people around you -The lesson of how to be happy even when you don't get what you want Original, engaging, humorous, and re-readable. This is a children's book about building values and teaching life skills. Charlotte Dane possesses a unique understanding of child psychology, which allows her to write tales that are both educational and captivating for children. The Teach Me How! Children's Book Series is aimed at teaching children essential life skills, mindsets, and paths to success and happiness. Charlotte combines adorable and charming characters with wit and humor that even adults will enjoy. This series is perfect for children ages 3-11, and the adults that interact with them (parents, caretakers, teachers, relatives, coaches, and so on)!

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel From the Mixed-Up Files of Mrs. Basil E. Frankweiler. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is

deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

A VULTURE BEST BOOK OF THE YEAR (SO FAR) "Ho's debut work is the perfect modern example of great American fiction. . . . You will love it." —Jake Tapper "Intimate, cinematic. . . . The world Ho creates between the two women feels like one friend reading the other's story, wishing she were there." —The New York Times Book Review "Fiona And Jane captures the textures of female friendship and all the intensity, loyalty, and occasional torment of it." —NPR's "All Things Considered" "Intricately rendered. . . . Fiona and Jane celebrates a woman's ability to be late, to show up in their own lives when and where they want to, to change their minds, to be lonely and to be in love, and to be respected regardless." —The Washington Post A witty, warm, and irreverent book that traces the lives of two young Taiwanese American women as they navigate friendship, sexuality, identity, and heartbreak over two decades. Best friends since second grade, Fiona Lin and Jane Shen explore the lonely freeways and seedy bars of Los Angeles together through their teenage years, surviving unfulfilling romantic encounters, and carrying with them the scars of their families' tumultuous pasts. Fiona was always destined to leave, her effortless beauty burnished by fierce ambition—qualities that Jane admired and feared in equal measure. When Fiona moves to New York and cares for a sick friend through a breakup with an opportunistic boyfriend, Jane remains in California and grieves her estranged father's sudden death, in the process alienating an overzealous girlfriend. Strained by distance and unintended betrayals, the women float in and out of each other's lives, their friendship both a beacon of home and a reminder of all they've lost. In stories told in alternating voices, Jean Chen Ho's debut collection peels back the layers of female friendship—the intensity, resentment, and boundless love—to probe the beating hearts of young women coming to terms with themselves, and each other, in light of the insecurities and shame that holds them back. Spanning countries and selves, Fiona and Jane is an intimate portrait of a friendship, a deep dive into the universal perplexities of being young and alive, and a bracingly honest account of two Asian women who dare to stake a claim on joy in a changing, contemporary America. Staying at Daisy's

The Radleys

*Struggling with overwork and parenting angst, English village doctor Peter Radley endeavors to hide his family's vampire nature until their daughter's oddly satisfying act of violence reveals the truth, an event that is complicated by the arrival of a practicing vampire family member.*

*Monica Brant's expertise in fitness comes from years of hard work and dedication, which have catapulted her to the top of the fitness industry. In Monica Brant's Secrets to Staying Fit and Loving Life, she shares the real-life concerns and challenges of women, providing an approachable yet super-effective method of shaping the body through exercise and nutrition. It provides several training programs for different goals and timeframes, from quick circuit workouts to intensive muscle-building regimens--all fully photo-illustrated. The book also included a simple guide to nutrition, with meal ideas and recipes, and is packed from beginning to end with tips on self-motivation.*

*Rediscover the world of the Retrievers and the Cosa Nostradamus, in book 1 of the popular series by Laura Anne Gilman. It starts as a simple job--but simple jobs, when you're dealing with the magical world, often end up anything but. As a Retriever, Wren Valere specializes in finding things gone missing--and then bringing them back, no questions asked. Normally her job is stimulating, challenging and only a little bit dangerous. But every once in a while... Case in point: A cornerstone containing a spell is stolen and there's a magical complication. (Isn't there always?) Wren's unique abilities aren't enough to lay this particular case to rest, so she turns to some friends: a demon (minor), a mage who has lost his mind, and a few others, including Sergei, her business partner (and maybe a bit more?). Sometimes what a woman has to do to get the job done is enough to give even Wren nightmares... Originally published in 2004*

*A step-by-step guide to crafting a compelling scholarly book proposal--and seeing your book through to successful publication. The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so--and you may have never even seen a proposal before you're expected to produce your own. The*

*Book Proposal Book cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, The Book Proposal Book provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.*

Includes an excerpt from Love on the brain.

Life is easy, it's men she'll never figure out... When hotel manager Daisy MacLean meets cocky sports hero Dev Tyzack, it's a no brainer-stay away. He is arrogant and sarcastic-but also incredibly sexy. Daisy tries her best to steer clear of him, yet soon comes to realize he is the one guest she can't bear to see leave. Then she learns a devastating truth: most people are not who they seem to be, for better or worse... From the New York Times and USA Today bestselling author-smart, sassy, savy women's fiction that never disappoints! "Another jaunty read about life, love, and laughter." -Reading Evening Post "Engaging, warm, and funny...an entertaining romp." -Liverpool Echo "There's trouble at Daisy's hotel when she has to deal with a colourful set of wedding guests and her own troubled love life. Sure-fire bestseller from Queen of chicklit, Mansell." -Heat "A lively, appealing, and sassy comedy of errors about second chances...Romantic storyteller Jill Mansell is in top form."-Nuneaton Evening Telegraph

Transactional Analysis delineates three observable ego-states (Parent, Adult,

and Child) as the basis for the content and quality of interpersonal communication. "Happy childhood" notwithstanding, says Harris, most of us are living out the Not ok feelings of a defenseless child, dependent on ok others (parents) for stroking and caring. At some stage early in our lives we adopt a "position" about ourselves and others that determines how we feel about everything we do. And for a huge portion of the population, that position is "I'm Not OK -- You're OK." This negative "life position," shared by successful and unsuccessful people alike, contaminates our rational Adult capabilities, leaving us vulnerable to inappropriate emotional reactions of our Child and uncritically learned behavior programmed into our Parent. By exploring the structure of our personalities and understanding old decisions, Harris believes we can find the freedom to change our lives.

Saul Goodman's Guide to Staying Off the Radar

James Alexander Thom, bestselling author of two magnificent historical novels, says about his modern novel, *Staying Out of Hell*: "Like my character, Scotty Montgomery, I grew up in the idyllic prewar Midwest, was a Marine, and later a journalist appalled by the apparent cheapness of life and the world's casual disregard for human suffering. Like my protagonist, I am unable to reconcile my country's two roles: the citadel of humane idealism, and the leading world merchant of death-dealing weapons. I hope by this novel to awaken our benumbed souls to the awful absurdities with which we live."

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in

a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Fiona and Jane

Diary of a Wimpy Kid (BK1)

*From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You*

were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

George Soros Ends the Speculation "The outcome [of this book] is a summing up of my life's work. . . As I finish the book, I feel I have succeeded."-George Soros from the Preface

Critical praise for Soros on Soros "If you have ever wanted to sit down for a candid conversation with a phenomenal financial success, George Soros's book provides the opportunity. You will meet a complex man and a first-rate mind."-Henry A. Kissinger

"The best expert on Soros is undoubtedly George Soros! After all, who is better equipped to tell us what he really thinks and how he thinks, a matter of some importance given the fact that he has translated a remarkable personal financial success into a truly generous and historically significant effort to promote postcommunist democracy." -Zbigniew Brzezinski

"The best X-ray of the mind of the master yet." -Barton M. Biggs

"George Soros brings a lot more to the world of finance than the intuition and nerve of a born trader-and in Soros on Soros he's no longer bashful about telling us about it. A philosopher at heart, George attributes his success at investing to a theory of the interaction of reality and human perception. What really drives the man now, with a personal fortune beyond all personal need, is a different kind of strategic investing-investment to build in Eastern Europe the kind of open societies he came to value in his own life." -Paul A. Volcker

Financial guru George Soros is one of the most colorful and intriguing figures in the financial world today. Now in Soros on Soros, readers are given their most intimate and revealing look yet into the life and mind of the one BusinessWeek dubbed, "The Man Who Moves Markets." Soros on Soros interweaves financial theory and personal reminiscence, political analysis and moral reflection to offer a compelling portrait of the world (and its markets) according to Soros. In an interview-style narrative with Byron Wien, Managing Director at Morgan Stanley, and with German journalist Krisztina Koenen, Soros vividly describes the genesis of his brilliant financial career and shares his views on investing and global finance, politics and the emerging world order, and the responsibility of power. Speaking with remarkable candor, he traces his progress from Holocaust survivor to philosophy student, unsuccessful tobacco salesman to the world's most powerful and profitable trader and introduces us to the people and events that helped shape his character and his often controversial views. In describing the investment theories and financial strategies that have made him "a superstar among money managers" (The New York Times), Soros tells the fascinating story of the phenomenally successful Soros Fund Management and its \$12 billion flagship, Quantum Fund. He also offers fresh insights into some of his most sensational wins and losses, including a firsthand account of the \$1 billion he made going up against the British pound and the fortune he lost speculating on the yen. Plus: Soros's take on the devaluation of the peso and currency fluctuations internationally. He tells of the personal and professional crises that more than once threatened to destroy him

*and of the personal resources he drew upon to turn defeat into resounding victory. And he explains his motivations for establishing the Soros Foundation and the Open Society Institute through which he worked to build open societies in postcommunist countries in Eastern Europe and the former Soviet Union. Finally, turning his attention to international politics, Soros offers keen insights into the current state of affairs in Russia and the former communist bloc countries and analyzes the reasons behind and likely consequences of the West's failure to properly integrate them into the free world. He also explores the crisis of the ERM and analyzes the pros and cons of investing in a number of emerging markets. Find out what makes one of the greatest financial wizards of this or any age tick. Soros on Soros is a must read for anyone interested in world finance and international policy.*

*Named a Best Book of the Year by The Washington Post, Time, NPR, Amazon, Vice, Bustle, The New York Times, The Guardian, Kirkus Reviews, Entertainment Weekly, The AV Club, & Audible A New York Times Bestseller "One of the most compelling protagonists modern fiction has offered in years: a loopy, quietly furious pillhead whose *Ambien* ramblings and *Xanax* b\*tcheries somehow wend their way through sad and funny and strange toward something genuinely profound." — Entertainment Weekly "Darkly hilarious . . . [Moshfegh's] the kind of provocateur who makes you laugh out loud while drawing blood." —Vogue From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? *My Year of Rest and Relaxation* is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.*

*INSTANT NEW YORK TIMES BESTSELLER "Feeney lives up to her reputation as the "queen of the twist" ...This page-turner will keep you guessing." —Real Simple Think you know the person you married? Think again... Things have been wrong with Mr and Mrs Wright for a long time. When Adam and Amelia win a weekend away to Scotland, it might be just what their marriage needs. Self-confessed workaholic and screenwriter Adam Wright has lived with face blindness his whole life. He can't recognize friends or family, or even his own wife. Every anniversary the couple exchange traditional gifts--paper, cotton, pottery, tin--and each year Adam's wife writes him a letter that she never lets him read. Until now. They both know this weekend will make or break their marriage, but they didn't randomly win this trip. One of them is lying, and someone doesn't want them to live happily ever*

*after. Ten years of marriage. Ten years of secrets. And an anniversary they will never forget. Rock Paper Scissors is the latest exciting domestic thriller from the queen of the killer twist, New York Times bestselling author Alice Feeney.*

*A Story about Staying Positive and Overcoming Challenges*

**You have just been tapped on the shoulder, your hard work has paid off-it's time to celebrate getting there and quickly adjust to new expectations. Now comes the challenge: staying there! Now is when you learn that the skills that got you there-to a level in your career-are different from the ones you need to stay there. Priscilla Douglas has been there, as an executive herself and as a leadership coach to C-suite executives in a broad range of industries. In this book she shares her unique approach to accelerating your career progress, using a model based on agility. It takes agility to see opportunities and move into them, then stay there and move forward every day towards ever-higher objectives. Like athletes, agile executives recognize what is going on, they adjust their thinking, they align themselves with the situation, then they act. Getting There and Staying There is built around questions. As you read, you will ask yourself questions and discover the answers that work for you at this time in your career. You can revisit these questions at another time and the answers might be different. The important thing is to keep asking the questions. Getting There and Staying There is your take-anywhere "coach in your briefcase." Use it on an airplane or a weekend afternoon-anytime you have an hour or two to devote to improving your performance, your relationships, and your capacity to lead. Each chapter is a mini session with one of the country's best leadership coaches. Priscilla Douglas doesn't give you the answers. She asks you the hard questions, provides true-story examples, and helps you find your own answers-the ones that are unique to you and your situation.**

**"A welcome antidote to our toxic hustle culture of burnout."-Arianna Huffington "This book is so important and could truly save lives."-Elizabeth Gilbert "A clarion call to work smarter [and] accomplish more by doing less."-Adam Grant We work feverishly to make ourselves happy. So why are we so miserable? Despite our constant search for new ways to optimize our bodies and minds for peak performance, human beings are working more instead of less, living harder not smarter, and becoming more lonely and anxious. We strive for the absolute best in every aspect of our lives, ignoring what we do well naturally and reaching for a bar that keeps rising higher and higher. Why do we measure our time in terms of efficiency instead of meaning? Why can't we just take a break? In Do Nothing, award-winning journalist Celeste Headlee illuminates a new path ahead, seeking to institute a global shift in our thinking so we can stop sabotaging**

our well-being, put work aside, and start living instead of doing. As it turns out, we're searching for external solutions to an internal problem. We won't find what we're searching for in punishing diets, productivity apps, or the latest self-improvement schemes. Yet all is not lost—we just need to learn how to take time for ourselves, without agenda or profit, and redefine what is truly worthwhile. Pulling together threads from history, neuroscience, social science, and even paleontology, Headlee examines long-held assumptions about time use, idleness, hard work, and even our ultimate goals. Her research reveals that the habits we cling to are doing us harm; they developed recently in human history, which means they are habits that can, and must, be broken. It's time to reverse the trend that's making us all sadder, sicker, and less productive, and return to a way of life that allows us to thrive.

Every day, in every facet of our lives, opportunities to lead call out to us. At work and at home, in our local communities and in the global village, the chance to make a difference beckons. Yet often, we hesitate. For all its passion and promise, for all its excitement and rewards, leading is risky, dangerous work. Why? Because real leadership—the kind that surfaces conflict, challenges long-held beliefs, and demands new ways of doing things—causes pain. And when people feel threatened, they take aim at the person pushing for change. As a result, leaders often get hurt both personally and professionally. In *Leadership on the Line*, renowned leadership authorities Ronald A. Heifetz and Marty Linsky marshal a half century of combined teaching and consulting experience to show that it is possible to put ourselves on the line, respond effectively to the risks, and live to celebrate our efforts. With compelling examples including the presidents of countries and the presidents of organizations, everyday managers and prominent activists, politicians and parents, the authors illustrate proven strategies for surviving and thriving amidst the dangers of leading: "Getting on the balcony": stepping back to get perspective while remaining fiercely engaged "Thinking politically": keeping the opposition close, but watching your allies, too "Orchestrating the conflict": using stress productively to work the issues "Giving the work back": putting the responsibility on those who need to make the change "Holding steady": maintaining your focus while taking the heat The authors also address often-neglected aspects of leadership, such as how to manage your personal vulnerabilities, and how to anchor yourself and sustain your spirit through tough times. Both uplifting and practical, this essential book enables each of us to lead courageously and confidently—without losing ourselves. AUTHORBIO: Ronald A. Heifetz and Marty Linsky are on the faculty at the John F. Kennedy School of Government at Harvard University. Heifetz is the author of *Leadership Without Easy Answers* and Co-director of the school's Center for Public Leadership. Linsky is Faculty Chair of many of the school's executive programs, including Senior Officials in State and Local Government and Leadership for the 21st Century.

*Perfect for fans of Hatchet and the I Survived series, this harrowing middle grade debut novel-in-verse from a Pushcart Prize–nominated poet tells the story of a young girl who wakes up one day to find herself utterly alone in her small Colorado town. When twelve-year-old Maddie hatches a scheme for a secret sleepover with her two best friends, she ends up waking up to a nightmare. She’s alone—left behind in a town that has been mysteriously evacuated and abandoned. With no one to rely on, no power, and no working phone lines or internet access, Maddie slowly learns to survive on her own. Her only companions are a Rottweiler named George and all the books she can read. After a rough start, Maddie learns to trust her own ingenuity and invents clever ways to survive in a place that has been deserted and forgotten. As months pass, she escapes natural disasters, looters, and wild animals. But Maddie’s most formidable enemy is the crushing loneliness she faces every day. Can Maddie’s stubborn will to survive carry her through the most frightening experience of her life?*

**NOW A NETFLIX FILM, STARRING ELLE FANNING AND JUSTICE SMITH!** *The New York Times* bestselling love story about two teens who find each other while standing on the edge. And don’t miss *Take Me with You When You Go*, Jennifer Niven’s highly anticipated new book with bestselling author David Levithan! *Theodore Finch* is fascinated by death. Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—something to keep him here, and alive, and awake. Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister’s recent death. When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground—it’s unclear who saves whom. Soon it’s only with Violet that Finch can be himself. And it’s only with Finch that Violet can forget to count away the days and start living them. But as Violet’s world grows, Finch’s begins to shrink. . . . “A do-not-miss for fans of *Eleanor & Park* and *The Fault in Our Stars*, and basically anyone who can breathe.” —*Justine Magazine* “At the heart—a big one—of *All the Bright Places* lies a charming love story about this unlikely and endearing pair of broken teenagers.” —*The New York Times Book Review* “A heart-rending, stylish love story.” —*The Wall Street Journal* “A complex love story that will bring all the feels.” —*Seventeen Magazine* “Impressively layered, lived-in, and real.” —*Buzzfeed*

*The definitive, bestselling book on the origins of nationalism, and the processes that have shaped it. Imagined Communities, Benedict Anderson’s brilliant book on nationalism, forged a new field of study when it first appeared in 1983. Since then it has sold over a quarter of a million copies and is widely considered the most important book on the subject. In this greatly anticipated revised edition, Anderson updates and elaborates on the core question: what makes people live and die for nations, as well as hate and kill in their name? Anderson examines the creation and global spread of the ‘imagined communities’ of nationality, and explores the processes that created these communities: the territorialization of religious faiths, the decline of antique kinship, the interaction between capitalism and print, the development of secular languages-of-state, and changing conceptions of time and space. He shows how an originary nationalism born in the Americas was adopted by popular movements in Europe, by imperialist powers, and by the movements of anti-imperialist resistance in Asia and Africa. In a new afterword, Anderson examines the extraordinary influence of *Imagined Communities*, and the book’s international publication and reception, from the end of the Cold War era to the present day.*

*A sequel to I’m OK—You’re OK. This book offers advice on making important changes and*

*taking charge of your life, resolving conflicts, and rooting out the causes of worry, panic, depression, regret, confusion and feelings of inadequacy.*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

With more and more people heading into the winter backcountry on skis, snowshoes, and snowmobiles, avalanche safety is of paramount importance. Allen & Mike's *Really Cool Avalanche Safety Book* distills the sometimes overly technical information of snow science into a user-friendly format with helpful illustrations and easy-to-understand text. With years of experience as NOLS instructors to draw on, Allen O'Bannon and Mike Clelland team up to give winter recreationists the information they need to stay safe in the backcountry, including how to prepare for your trip, proper equipment and how to use it, snowpack assessment, choosing safe travel routes, decision making, and rescue scenarios. Written for both aspiring winter backcountry travelers and experts alike, this book is a must-read for anybody who loves to experience the solitude and beauty of the snowy mountains.

In 2007, *Diary of a Wimpy Kid* was published, introducing readers to Greg Heffley and his family, his best friend Rowley Jefferson, and the dreaded Cheese Touch. More than 250 million copies later, *Diary of a Wimpy Kid* has become a beloved book all around the world, and now, for the first time ever, Greg's diary-um, make that journal-is coming to life in a full-color, 3D animated Disney+ production. Whether you're meeting Greg for the first time or you're a lifelong fan of Jeff Kinney's hilarious series, you'll love diving into the *Wimpy Kid* universe.

At bedtime, Stella must find a way to make her toys fall asleep before she can go to sleep.
