The Most Trusted Almanac Used by Savvy Investors to Profit Year after Year! Created by Yale Hirsch in 1967, the Stock Trader's Almanac has delivered money-making insights and strategies to investors for more than six decades. The Almanac originated such important market phenomena as the "January Barometer" and the "Santa Claus Rally" and was instrumental in popularizing other tradable strategies, such as "The Best Six Months Strategy" (commonly known as "Sell in May and Go Away") and the four-year Presidential Election Cycle. Mr. Hirsch imparted his knowledge of the stock market to his son, Jeffrey Hirsch, who joined the organization as a market analyst and historian under the mentorship of his father in 1990 and became editor-in-chief some years later. Even since, Jeff has carried on his father's tradition of constantly improving the Stock Trader's Almanac and
