

## Stolen By The Alpha Wolf Deliberate Theft Accidental 2 Charlene Hartnady

In the second volume of the romantic trilogy featuring the Duncan sisters and their matchmaking service in Edwardian London, Prudence enlists the aid of Sir Gideon Malvern when a powerful earl threatens to ruin them.

As the son of the first she-wolf Alpha, and an Alpha male, Luca Redhawk was destined to become an Alpha. He chose to reclaim the Ridgewood pack that was stolen from his family when his father was murdered 24 years prior. Now with his mate by his side they hope to restore the Ridgewood pack to its former glory and beyond. After asking her to wait for him to become Alpha before they get married, he is finally beginning to fulfill his promises to her. She is still eager to have a pup, but will they? Will they fulfill their plans for the Ridgewood pack? Or will their reign be threatened like his father's reign was?

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love. Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for

herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

From the bestselling Chosen Series Keto is soon to be crowned. He doesn't feel quite ready even though it's a day he's been working towards his whole life. There are many changes he wants to bring about, all for the betterment of his people. He has a kingdom to run and a council to win over. Elven kings can be voted out of power by their councils. His position is not yet cemented. His first order of business is to choose an elven female. One he can take as a mate. Keto desperately needs heirs. It is expected of him and must happen soon. Why can't he get a certain vampire female out of his head though? It's worse when he sees her again after all these years. She doesn't recognize him and he can't blame her. He's changed so much. So has she and all for the better. Still tall and athletic, but curved in all the right places, and just as feisty as ever. So damned uncivilized and he loves every minute. Find an elven female... do it now ... he must keep his focus on a future mate. Keto wants the vampire female one last time though...just once. Then he'll see about a mate...an elven mate. It's not like he has a choice! This Story Contains strong sexual themes/language and is not intended for readers under the age of 18.

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside. The school itself is divided by the two gangs who run this town. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they

don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.

I was walking through an unknown foggy forest when I spotted a field of wildflowers. My feet had a mind of their own as they led me to wander through the flowers. I nonchalantly dragged my hands over the flowers. It was a beautiful and serene sight. I deeply inhaled the sweet scent of the flower and gave a little shudder of bliss. I closed my eyes and just absorbed the moment wanting to remember it. Suddenly the sounds of paws hitting the forest floor overwhelmed me. Then the forest was ignited with flames. Everything glowed vibrant oranges and reds as heavy smoke smothered me from above. I threw myself to the ground desperate for any trace of clean air. As I attempted to crawl out of the flowers a new sound harmonized with the thunder paws, screams and howls for help terrorized me. I clawed at the ground desperate to escape the menacing choir. Fire licked my skin and I screamed for help. Sobs escaped my lips as flaming branches fell on me from above. The smell of burning flesh was the only thing that consumed me as everything went dark.

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Isabella is in trouble. Big trouble. She knows that opening her curtains and touching herself while her alpha watches from the woods is wrong, but she does it anyway. And she plans on doing it again. Every night, in fact, until her alpha teaches her otherwise. Roman, alpha of the Silverclaw Pack, is tired of Isabella teasing him. Even more, he's tired of her disobeying his every command. And he knows exactly how to fix both problems. Devour every inch of her until she's begging for him at his feet. Will Isabella succumb to Roman's advances? Or will she toy with him to the very end? Read Submitting to the Alpha, an erotic werewolf romance, written by Emilia Rose.

A Paranormal Werewolf Romance

*This is the complete story with no cliffhanger! An out of place college student who feels completely alone in her world, Marie Damascus answers an ad posted online requesting the help of a maid. When she discovers her potential employer, Adrian Capitoline, is the man of every woman's dreams--a sexy, mysterious, billionaire--she thinks she's encountered a miracle. She's quick to become his live-in maid, and delighted when a sizzling romance begins to develop between the two of them. Until night falls, and Marie must learn that even the gentlest man has a beast--and that she might very well like it. As Marie fully embraces the nature of her sexual awakening with the man of her dreams she soon finds that she must come to terms with her desires for the monster within him. At the hands of a beast so powerful, she finds herself helpless, and can't manage to admit to herself how much she loves it. Fully embracing her life with both sides of her lover: in control during the day and losing it each night, she revels in her erotic relationship with her employer. When Adrian questions her strength of conviction, she decides to take her power back in the same way the wolf has taken it from her. Their steamy and passionate dynamic is short-lived, however, when they suddenly find themselves face to face with a dark and ominous figure from Adrian's past. Marie is faced with the reality of her worst nightmares coming to light, and Adrian must reach inside of himself to find the strength to end the madness once and for all--even if it means he loses everything, and everyone, that he's ever cared for. You won't be able to stop reading! This book is full of twists, surprises, and seductive scenes of passion that you won't be able to resist. WARNING: This book is meant for 18+ readers only.*

*An omega raised as a wealthy human in the lap of luxury... A Harley riding alpha who rules a pack of pot-growing wolves in a commune... what was fate thinking? Sky Blackwood is an omega wolf who's only ever lived a fabulous, all-too-human existence in the wilds of... Beverly Hills. A place where your best friend will smile in your face while stabbing you in the back if there's money or fame involved. His Gramps told him all about fated mates and the old-school shifters who still live in packs, but those were just stories. Until they aren't. Sold by his family, Sky's saved from the auctioneer's block by Devon--a sexy alpha wolf who looks like surfer Thor, drives an even sexier Harley, and smells like everything Sky never knew he wanted. If fated mates are real, what if all those other stories about packlife are as well? Sky feels like he's on the best adventure ever as he learns to live like a shifter. With Devon's help, he's ready to settle into the peaceful commune life. Only problem? Even paradise can be a camouflage for something darker. Having grown up among people who hid their evil behind friendly smiles and designer clothes, Sky soon realizes Devon needs help if they're to survive the unseen threat. He's not worried, he was taught to "handle people" from the cradle, a few hippies with criminal intentions shouldn't be too difficult, right? The pack's problems are easy to fix, but his real issue... not so much. What exactly is expected of an omega and how is he supposed to*

*actually do it? Fortunately, his mate's brothers know a few omegas who are all too happy to help. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 78k full-length novel is Devon's story. Prepare yourself for a dual pregnancy, an omega discovering his power, and more giggles than are appropriate during violent scenes. But then again, this is a Susi Hawke book, so what else can you expect?*

*In Transylvania during the Middle Ages, a pack of wolves sets out on a perilous journey to prevent their enemy from calling upon a legendary evil one that will give her the power to control all animals.*

*I came here with a single goal in mind. An aim. A purpose. I will break out of Darkmore Penitentiary. But I was a fool to think that it would be so simple. And now with more and more Fae relying on me to get them out of this slice of hell, I find myself unable to do a damn thing. Mason Cain stabbed me in the back and left me to rot in the dark. So now I have another goal in mind before I escape this place, because no one messes with the Queen of the Oscura Clan and lives to tell the tale. The moment I get out of this place, my sights will be set on him. Between the four alpha males luring me in, the psychopaths trying to kill me and the monster roaming the halls at night, I have my hands full in here. But one thing is for sure. I'm not throwing my life away in this place. So I'll do whatever it takes to escape. This is a dark, hot paranormal romance series where the main character will end up with more than one male partner. The series is set in the same world as Zodiac Academy and Dark Fae, with some character cross-over but each series can be read without having read the other series.*

Her old pack comes calling, and they aren't the sort of visitors that come bearing gifts. They bring danger, threats, and for whatever reason, Ash. To quell the tension between her old alpha and her new one, Ruby volunteers to go with Ash on a mission to find information about lupine being hunted. Working together leads to more discoveries between themselves than anything else, however, when Ruby's honed defenses prove flimsy against Ash's charm and persistence. The last thing she needs is to play with a younger lover, especially when lupine are going missing. With too many questions and mysteries floating around her, will Ruby find the balance between her lupine loyalties and her own free will? Her heart has been broken before, and now she's protecting her very spirit. \*\*\* KEYWORDS: steamy paranormal wolf shifter romance, shapeshifter romance, standalone romance for adults, interracial, werewolf romance, younger man older woman romance

Ethan I've never had to worry about things in my life. I lived inside a stifling bubble of protection, wealth, and status. But when I hear that our planet has an enemy, and that they are dying and need our help, I try to get answers. Instead I get a pat on the back and the boot out of my father's office. My father already lost one child, he didn't want to risk another. Drake Seidemen is everything an Alpha ought to be and more. I just didn't expect him to fall onto my anemone garden and I didn't think he'd steal me from my planet. He also stole my heart. \*\*\* With an evil brother who wants Drake Seidemen's position as head Alpha, what will he do to achieve that? Will Drake and Ethan be safe? Find out inside! There's an HEA, no cliffhangers and of course an adorable baby born in the middle of a flower field.

"Lock your doors. Hold them tight. Close your windows. Every night. Don't go out, in case he's there. Always live in total fear." Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes and she finds herself questioning what is real, and what is not. Mara always assumed her mate would be a man from her own pack. A good man. Not a sadistic, sinful Alpha named Kaden.

It's amazing to be a dominant wolf... if you're male. When you're a nineteen year-old girl who can beat the crap out of every wolf in your pack, suddenly it's not so great. Love isn't everything, I know; but even the most powerful she-wolf submits to her mate. If you can't be dominated, you can't be mated. And an unmated wolf has no place in the pack. My one hope is the clan gathering in the Blackwood Fortress. Every wolf in the continent attends, and a few seriously sexy wolves catch my eye. I'm bound to find at least one who can match me, right? Then there's my other problem: My alpha is a grade-A jerk. After treating me like a genetic freak my whole life, he suddenly decides to stake a claim. But I can't refuse the challenge, and my wolf won't back down. Either I submit to the alpha and become mated to his skeezy pelt, or I win the challenge and my freedom... by taking his place as alpha. Only no one has ever heard of a female alpha, and if I become one, I'll never find a mate. Wolf Shunned is the first book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. Be warned: This is a slow burn, why choose romance. Once you pick this story up, you won't be able to stop devouring it until the very last page. The Alpha Queen Legacy will be four delicious novels. Book 5 of the Alpha Assassin Series

Standalone Vampire Romance Novel Have you ever wanted to date a vampire? Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a non-disclosure clause. Limited positions available... York has always wanted a female of his very own. One to love and care for. One who will love him in return. More than anything he wants a family... he longs to hear the sound of children's laughter filling his home. It is his deepest desire. Since most vampire females are not able to birth young, a program is started to ensure the continuation of the vampire species. The vampire elite must fight, fist and fang, for a much sought after place in the program and a chance to date human women. There are a multitude of beautiful human females in attendance. They have been handpicked to ensure that they are irresistible to vampire males. Why is it then that York wants the one female he can't have? When Cassidy is selected for the trial phase of the program, she is ecstatic. This is the break she's been waiting for. Her job is to root out any vampires with bloodlust. She's quaking in her boots because she could end up dead. This position certainly isn't for sissies. Thing is, it's only three days of her life. All she needs to do is to allow a few of them to drink from her and survive long enough to get paid. Then she's home free. Besides, she quit her job in order to be here so she so doesn't have any other options available to her. Three days... pity one times big, badass vampire is determined to get in the way of her plans. The story contains strong sexual themes/language and is not intended for readers under the age of 18. This is a standalone novel. No cliffhanger! Demon Chasers... Protectors of humanity. Sworn to uphold the peace. Oath bound to keep the existence of demons a secret. Gray, a newly appointed Alpha and half blood demon wolf, can only turn during a full moon. With only three days before the next cycle, time is running out to convince the highest ranking female wolf to become his mate. Success will see him become a full blood. Failure will spell his death. It is only a matter of time before the challenges start coming in. Ashlyn, a hard ass Demon Chaser just happens to be human and the pack's newest resident. She is there on Demon Control Agency business. Her attraction for the new Alpha can't be allowed to stand in her way, after all, Gray is already taken. More importantly, she has a serial killer to catch, and then she needs to get the heck out of wolfville. For both their sakes... Please note this book has an actual page length of 100 pages - I write bite size stories my readers can sink their teeth into, so if you're feeling a little peckish you know what to do...

What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval...and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.

You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

Wolf Shifter Romance

Stolen From My Mate

Stolen By Alphas Mate

Wolf's Bane

Darkmore Penitentiary

**"As much as I felt bad for this Elisha person-God, my heart was breaking for the young man and all he'd been through-I was also angry. I'd left that pack in my rearview ten years ago for a good reason." Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live**

**in. Then Matt gets a call from an old childhood buddy. He's being called back-begged to return-to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die. Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs? They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes. This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty heat that comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.**

**I never expected a night of drinking to end in blood and werewolves. I never expected any of it, not being pimped out by a deranged alpha to repopulate their pack or to be seeking help from an overly serious, overtly sexy scarred stranger who just so happens to be a werewolf himself. I don't have a choice but to trust him, but trusting him shouldn't involve being so drawn to him. Why can't I stop? He said he had been alive for over seventy years, and that was just in passing, so how can I trust that he isn't using me for his own nefarious schemes that I haven't found yet? Why would he help a random human that he stumbled upon anyways? He's a lone werewolf who stumbled upon his True Mate in a cage, she's a flighty junior in college who was only ever interested in sparkly fantasy. Are you ready to run with them through forests, lust, and intrigue? Are they ready to face each other and that war-fractured pack chasing them for her fertility?**

**"It's time to embrace your inner wolf." Arriving in Mercaida was the least of our worries once we saw the dangers that awaited us. It was the place that held half of who I was, yet it turned out to be filled with even more secrets than I could ever imagine. Was the shifter passing me on the street every morning friend or foe? Even the friendliest face held the darkest of intentions. Things were worse than we thought. Some friends became enemies, and sometimes the ones who could hurt us the most were the ones closest to us. Connecting with my wolf turned out to be one of the greatest things that ever happened to me, but this time it brought me struggles and pain. Challenging us. Testing us. Destroying us. Alpha Murdock has a hint of darkness hiding behind his plaster-kind smile. With the darkness growing thicker over Mercaida, we're running out of time to fight it. Yet when secrets are exposed and the truth emerges, we must choose between fighting against our own, or fighting for our freedom. My wolves are calling, but can I help them? This is book 2 out of 3 Wolves of Mercaida series: Call of the Wolf, Fall of the Alpha, Rise of the Pack**

**As one of the final surviving members of a brutal shifter clan, I've been chained and imprisoned for my entire life by my human uncle for the sole purpose of keeping other humans safe from me. At least that's his excuse. Solitude and pain are all I've known, so when four men show up claiming to be my saviors I'm not exactly receptive to the idea. Sure, I'm grateful that they've busted me out of my own personal brand of hell, but that's about as far as the gratitude goes. Now I have no money, no pack, and nowhere to go unless I take them up on their offer to transport me safely to Newhaven, a sanctuary for omega wolves deep in the woodlands of Alaska. With no other choice left, I take it while vowing to keep my distance for the week-long trip. But as time passes my guard falls, leaving me conflicted and suddenly vulnerable to the charismatically handsome group of men. Will I make it to Newhaven without falling for them, and do I really want to? This is a reverse harem wolf shifter romance with themes of abuse trauma, overcoming it, and learning to trust the ones you love.**

"I loved this sexy romance with the fascinating characters as well as the twisty and wild plot. This is a perfect read by the fire with a nice glass of wine." ~New York Times Bestselling Author Rebecca Zanetti Can an alpha wolf catch a thief who bends the laws of physics? Wolf shifter and billionaire Arek Varg runs a security company specializing in bodyguards,

extraction teams, and hostage rescue. He ' s also the alpha of all the Western Packs and uses his ancient Odin medallion to connect with his packs ' magic and lead his wolves as a cohesive unit. With war brewing between the four major shifter coalitions, the last thing he needs is a mysterious woman stealing his relic. He ' ll use all of his resources to hunt her down. And if he does, will she tame him? Former museum curator Dr. Laney Marconi was the darling of the magical artifacts ' academic world until she fell from grace due to a scandal based on false accusations. She now reclaims stolen items for insurance companies, using her witch powers that manipulate parallel dimensions. When a routine case turns into a disaster of epic proportions, she needs to evade the sexy shifter she stole from long enough to figure out who set her up. The hunt is on. But with Arek hot on her heels, Laney is forced to decide if salvaging the few crumbs left of her good reputation is worth teaming up with the alpha wolf whose ice-blue gaze pierces her shields while he demands nothing less than her soul. If you ' re a fan of these themes, you ' ll love A WOLF ' S HUNGER: -> Fated Mates -> Billionaire Alpha Wolf Hero -> Headstrong Smart Witch Heroine -> Enemies to Lovers -> Sizzling Chemistry that Burns Up the Sheets Praise for the author's work: " When it comes to paranormal romance with explosive action scenes, Bradley has that nailed. " ~Entertainment Weekly " Action-packed, sexy, and fun! ...reminiscent of JR Ward. " ~Ilona Andrews, #1 New York Times Bestselling Author " The romance is sizzling, the battle scenes top-notch, and the characters intriguing. " ~Booklist " ...blends Norse mythology and evil government experiments into an unusual paranormal...perfect for paranormal romance readers who are looking for something different. An " infuriating, fast-paced " (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America ' s special forces—from a Pulitzer Prize – winning reporter WINNER OF THE COLORADO BOOK AWARD • " Nearly impossible to put down. " —Jon Krakauer, New York Times bestselling author of Where Men Win Glory and Into the Wild In this " brilliantly written " (The New York Times Book Review) and startling account, Pulitzer Prize – winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as " the forever war. " When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he ' d stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha ' s war, both in Iraq and in the shocking trial that followed the men ' s accusations, would complicate the SEALs ' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

House of Earth and Blood

A Slow-burn Fantasy Romance

Dark Fae

Seduced by the Alpha Wolf

Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones – you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner – Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.

The paranormal has a way of creeping up on the least prepared. For Faith Luvena it strolls through the doors of the flower shop where she works. The pale gentleman has a dark allure around him that draws her to him and draws out a hidden, lustful animal within her. She decides to follow him into the shadows of the night, and her decision leads her from the highest society to the darkest alleys of the city, and among the undead. Undead that have every intention of making her permanently dead. The Blood Thief series is a sensual episodic serial where each book contains a conclusive story within an over-arching tale of sensual fun. A rash of attacks on humans in their territories has one purpose and one purpose only - to cause chaos within the Blue Mountain Pack territory. Newly bitten wolves need a lot of time and care, that is, if they survive. One of these humans just so happens to be Liam's mate. Zoe is a trauma nurse who spent most of her life raising her sister after their mom left. Everything was left to her since their dad had to work two, sometimes three jobs to support them on his own. Zoe took care of their family put herself through the nursing school. Ever since her mom left, Zoe refused to rely on anyone, no matter how lonely she is. When Liam finds her in the forest with a brand new bite from a wolf shifter, Zoe will have to learn how to rely on someone else again or lose everything she'd worked so hard for.

The peace treaty between humans and shapeshifters was signed over a century ago. One of the consequences is that humans must provide shifters with young brides to give them heirs and ensure the survival of their species. Today, all over the world, special boarding schools take girls from orphanages and give them the most exquisite education, preparing them to become brides for the enemy. Sexy, curvy, and confident, Avelyn is one of those wild souls who will not be traded off as livestock. She's determined to do everything in her power to gain her freedom and build a new life far away from shapeshifters and what society expects of her. Alpha werewolf Max Blackmane is in search of a bride. When he comes to Alma Venus Boarding School, one of the best schools for shifter brides in the world, he is set on buying a young woman who would bring him political advantage. When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf-shifter for a husband and a bunch of wolf pups clinging to her skirts.
