Shadow of the  
Stolen Sun  
Welcome to the  
thrilling and  
unnervingly prescient  
world of the slow  
horses. This team of  
MI5 agents is united  
by one common bond:  
They've screwed up  
royally and will do  
anything to redeem

House is where washed-up MI5 spies go to while away what's left of their failed careers. The “slow horses,” as they're called, have all disgraced themselves in some way to get relegated there. Maybe they botched an Op so badly they can't be

Maybe they got in the way of an ambitious colleague and had the rug yanked out from under them. Maybe they just got too dependent on the bottle—not unusual in this line of work. One thing they have in common, though, is they want to be back

in the action. And most of them would do anything to get there?even if it means having to collaborate with one another.

When a young man is abducted and his kidnappers threaten to broadcast his beheading live on the Internet, the slow horses see an
