

## ***Streaming Radio Guide Michael Savage***

In the follow-up to the #1 New York Times bestseller *Trump's War*, Michael Savage makes the case for President Trump in 2020. Before anyone was ready to take Donald Trump seriously as a candidate, Michael Savage saw the roots of a populist uprising that was about to take place in the United States -- one that he wrote about with startling accuracy in his bestselling book *Trump's War*. Now that that populist uprising has taken place and the Washington establishment has reacted accordingly, throwing up roadblocks for President Trump at every turn, concocting a baseless investigation into his ties with Russia, and impeaching him over nothing, Dr. Savage's voice is needed more than ever. In his new book, a follow-up to *Trump's War*, Dr. Savage will make the case for why Donald Trump needs to be elected again in 2020, returning to the sharp commentary and engaging voice that made *Trump's War* (a #1 New York Times bestseller) such a massive success. He will recount some of President Trump's best accomplishments (some of which you may not have noticed) and expose his enemies for the hacks that they are.

In the follow-up to the #1 New York Times bestseller *Trump's War*, Michael Savage makes the case for President Trump in 2020. America rolled into 2020 like a juggernaut, with the strongest economy in its history and a renewed leadership role on the world stage. President Trump was cruising to reelection on the strength of record low unemployment, phase one of a historic trade deal, and a more stable Middle East after the defeat of ISIS. Then, catastrophe struck. A novel coronavirus originating in Wuhan, China, swept the world, taking hundreds of thousands of lives and wreaking economic and social destruction. As America battled to its feet and prepared to reopen its economy, the tragic death of George Floyd at the hands of a police officer lit a powder keg of political tension waiting to explode after months of lockdown. As the November elections approach, America is at war with itself to decide if it will remain a land of freedom and opportunity, or whether a radical new vision will emerge. Americans are searching for answers. Was the American lockdown necessary to defeat Covid-19 or was it a politically motivated strategy to harm President Trump's reelection chances? Does the death of George Floyd represent a systemic problem with American police or is the Left exploiting the tragedy for political purposes? Where does legitimate protest end and insurrection begin? A trained scientist who studied epidemiology for his PhD and one of America's most popular conservative radio hosts for the past twenty-six years, Dr. Michael Savage is uniquely positioned to answer these burning

questions. In OUR FIGHT FOR AMERICA: THE WAR CONTINUES, Savage cuts through the propaganda and noise to present a clear analysis of the crises and the political and scientific motivations behind them. Michael Savage tells the truth even when nobody wants to hear it and presents a clear vision of what Americans must do to survive our most turbulent period in decades.

From Robert Spencer, the New York Times bestselling author of The Politically Incorrect Guide to Islam and The Complete Infidel's Guide to ISIS, comes a bold defense of freedom of speech—the single most valuable freedom humanity has, a freedom now endangered world-wide.

This One Book Can Stop Obama's Tyranny The USA or the USSA? The United States of America or the Union of Socialist States of America? That is the question. Will President Obama transform the greatest engine of freedom the world has ever known into a Stalin-like dictatorship? Or can the American people expose and rid themselves of this regime? Is the most polarizing president in our history transforming us into Caracas or Beijing? Moscow or Tehran? Trillions in new debt. His solution? Print more money, crippling American taxpayers and our children with unlimited debt while corrupt crony supporters continue to loot our economy. His attorney general has shipped weapons to Mexico, turning our southern border into a war zone as gangs of drug thugs and human traffickers endanger the citizenry of America. He's hobbled the most powerful military in the world, reducing the U.S. Navy to the smallest force since 1930 and rendering us unable to maintain our advanced weapons and technological advantages over the enemies at our gates. And what does Obama do as Iran spews genocidal dictates, promising to "kill all Jews" and "annihilate Israel"? He abandons our ally and continues to push a "diplomatic" solution to this threat. Obama is transforming us into a second-class nation, with communists and Islamists given free rein to expand their power. As Obama accrues power with little opposition and his oppression creeps down from the top, the American people must stop the tyranny!

A Nurse Practitioner's Complete Guide to a Successful Medical House Call Practice

A pioneering book that takes us beyond economic debate to show how inequality is returning us to a past dominated by emp

dynastic elites, and ethnic divisions. The economic facts of inequality are clear. The rich have been pulling away from the rest of us for years, and the super-rich have been pulling away from the rich. More and more assets are concentrated in fewer and fewer hands. Mainstream economists say we need not worry; what matters is growth, not distribution. In *The Return of Inequality*, acclaimed sociologist Mike Savage pushes back, explaining inequality's profound deleterious effects on the shape of societies. Savage shows how economic inequality aggravates cultural, social, and political conflicts, challenging the coherence of liberal democratic nation-states. Put simply, severe inequality returns us to the past. By fracturing social bonds and harnessing the democratic process to the strategies of a resurgent aristocracy of the wealthy, inequality revives political conditions we thought we had moved beyond: empires and dynastic elites, explosive ethnic division, and metropolitan dominance that consigns all but a few cities to irrelevance. Inequality, in short, threatens to return us to the very history we have been trying to escape since the American Revolution. Westerners have been slow to appreciate that inequality undermines the very foundations of liberal democracy: faith in progress and trust in the political community's concern for all its members. Savage guides us through the ideas of leading theorists of inequality, including Marx, Bourdieu, and Piketty, revealing how inequality reimposes the burdens of the past. At once analytically rigorous and passionately argued, *The Return of Inequality* is a vital addition to one of our most important public debates.

In his trademark in-your-face style, bestselling author and top conservative talk-show host, Michael Savage has a lot to say about the state of the country in *STOP THE COMING CIVIL WAR*. According to Michael Savage, *OUR NATION IS IN REAL TROUBLE* and the seeds of a second conflagration have been sown. Not between the states - but between true patriots who believe in our nation's founding principles and those he believes are working every day to undermine them and change the very nature of the country. Michael Savage is convinced we face more than just political differences. He believes the split between right and left is possibly irreparable - unless we understand what's really happening and how we must act to stop it. This fervent warning of Savage truth - a call to action in the voting booth - in order to defend the freedoms our Constitution so brilliantly established. Rita, Dan, Max and Ted are on the move in Trucktown! Kids will have hands-on fun with a movable part on each spread! Swing Wrecker Rosie's wrecking ball, spin Monster Truck Max's wheel, dump gravel from Dump Truck Dan's bed, and move Tow Truck Ted's hook up and down as he saves a good friend!

Michael Savage—conservative talk radio host and #1 New York Times bestselling author—takes on President Obama's socialist agenda, his Chicago-style strong-arm tactics, and his Lenin-like complex in *Trickle Up Poverty*. Savage's quest is to help Americans save America from economic Armageddon, and *Trickle Up Poverty* addresses everything from the global warming myth to the health care debacle to the Tea Party revolution, in an essential conservative manifesto that anyone who loves S. Hannity, Rush Limbaugh, Bill O'Reilly, Glen Beck, and Dick Morris must read.

A Thriller

*Radio legend Michael Savage reveals the man behind the microphone, sharing his extraordinary American journey and the adventures that shaped him. \*\*FEATURING EXCLUSIVE, NEVER-BEFORE-PUBLISHED NEW MATERIAL\*\* For twenty-five years, Michael Savage has captivated listeners on his national radio show The Savage Nation, which reaches a loyal audience of more than ten million each week. In A Savage Life, the usually private man tells his own compelling story in forty-six vignettes that span his childhood to today. These tales of Savage's journey from poor immigrant's son in New York City to media star are deeply personal and revealing: he writes of being so poor as a child that he had to wear a dead man's pants; of the various trials that beset his parents and "silent brother," Jerome, who was sent to an institution; of his botanical expeditions to Fiji in the 1970's; and, most of all, of his family, his sustaining force throughout. "A marvelous storyteller." — THE NEW YORKER "Vivid storytelling." — WASHINGTON TIMES*

*Suggests that conservative talk radio blossomed after the FCC voted to stop enforcing the Fairness Doctrine, and expresses concern that the Obama administration and Democratic Congress may reinstate it to stifle free speech. In the past few years, trust in traditional media has reached new lows. Many Americans disbelieve what they hear from the "mainstream media," and have turned to getting information from media echo chambers which are reflective of a single party or ideology. In this book, Paul Matzko reveals that this is not the first such moment in modern American history. The Radio Right tells the story of the 1960s far Right, who were frustrated by what they perceived to be liberal bias in the national media, particularly the media's sycophantic relationship with the John F. Kennedy administration. These people turned for news and commentary to a resurgent form of ultra-conservative mass media: radio. As networks shifted their resources to television, radio increasingly became the preserve of cash-strapped, independent station owners who were willing to air the hundreds of new right-wing programs that sprang up in the late 1950s and 1960s. By the early 1960s, millions of Americans listened each week to conservative broadcasters, the most prominent of which were clergy or lay broadcasters from across the religious spectrum, including Carl McIntire, Billy James Hargis, and Clarence Manion. Though divided by theology, these speakers were*

*united by their distrust of political and theological liberalism and their antipathy towards JFK. The political influence of the new Radio Right quickly became apparent as the broadcasters attacked the Kennedy administration's policies and encouraged grassroots conservative activism on a massive scale. Matzko relates how, by 1963, Kennedy was so alarmed by the rise of the Radio Right that he ordered the Internal Revenue Service and Federal Communications Commission to target conservative broadcasters with tax audits and enhanced regulatory scrutiny via the Fairness Doctrine. Right-wing broadcasters lost hundreds of stations and millions of listeners. Not until the deregulation of the airwaves under the Carter and Reagan administrations would right-wing radio regain its former prominence. The Radio Right provides the essential pre-history for the last four decades of conservative activism, as well as the historical context for current issues of political bias and censorship in the media.*

*New York Times bestselling author and expert in epidemiology Dr. Michael Savage explains the origins of viruses and their impact on the U.S. With new and resurgent diseases resulting from unregulated immigration and a politicized public health system, Michael Savage sees the need for some changes - starting with the President and the Center for Disease Control telling us the truth. Savage makes his case for the government to enforce travel bans, the use of quarantines and the importance of proper border screenings. However, this is not a cure or treatment for any of these diseases. With Zika virus, tuberculosis, hepatitis, Enterovirus 68 and other new disease threats emerging across the U.S., Savage will explain ways to fortify your immune system and defend against these and other diseases. Drawing from his extensive training, Dr. Savage examines the benefits of using specific nutrients to boost the human immune system which, in turn, increases the odds of surviving a viral infection as well as preventing other diseases. Based on his knowledge of the politics of medicine being played by the Obama mandarins and his Ph.D. in Epidemiology and Nutrition from the University of California, Berkley, Dr. Savage presents solid information to protect your health. Whether you want to defend your body against deadly diseases, boost your immunity, or learn more about the government's impact on reemerging and imported diseases, Diseases Without Borders is your source for informative, helpful, and potentially life-saving advice.*

## *The War Continues*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell — plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

What does the white evangelical want? In our moment of crisis and rage, this question is everywhere. Scholars ask from where its desires emerged, pundits divine its political future, and the public asks how we lapsed into social chaos. For their part, white evangelicals feel misunderstood while failing to see the direction of their ambitions. We must interrogate its aims not only through its past or current trends but also through the various fantasies by which it rejects and enlivens reality. Against traces five zones of opposition: future, knowledge, sexuality, reality, and society. If climate change is the greatest threat civilization has ever faced, then a faith aiding collapse must face analysis. If it swims in assured forgiveness, it feels no shame for its sins against humanity. If it wants a king, it threatens democracy. If it veils xenophobia, it shall be ever more cruel. In a critical and accessible history of odd

ideas, DeLay chronicles the past and sketches its troubling future. It might die, but what's certain is that a faith built on nostalgia and supremacy won't moderate. We live in dangerous times, so let us consider its justifications, turmoil, appetite, and catastrophe.

From Michael Savage, The New York Times bestselling author of Abuse of Power and radio host of The Savage Nation, comes a powerful new thriller, A Time for War. A Chinook helicopter carrying a squad of Navy Seals suddenly plummets to earth in Afghanistan. A car driven by FBI agents tailing a suspicious vehicle is mysteriously rendered immobile in San Francisco. The body of a Chinese agent is found floating miles from the Golden Gate Bridge after being fed to sharks. The U.S. is under secret attack and only Jack Hatfield, a popular television host hounded from his position by left-wing forces in the media for speaking the truth, suspects the danger of this lethal conspiracy. With the help of Dover Griffith, an idealistic young woman staffer at the Office of Naval Intelligence, Hatfield pursues a trail leading to a billionaire American electronics entrepreneur who has sold out his own country with the help of officials at the highest level of the American government. As enemy operatives plan a two pronged attack that will disarm the American military and release a deadly toxin killing hundreds of thousands of civilians, Hatfield and Dover race to locate this new Ground Zero and save an unsuspecting county.

The business of journalism has an extensive, storied, and often romanticized history. Newspaper reporting has long shaped the way that we see the world, played key roles in exposing scandals, and has even been alleged to influence international policy. The past several years have seen the newspaper industry in a state of crisis, with Twitter and Facebook ushering in the rise of citizen journalism and a deprofessionalization of the industry, plummeting readership and revenue, and municipal and regional papers shuttering or being absorbed into corporate behemoths. Now billionaires, most with no journalism experience but lots of power and strong views, are stepping in to purchase newspapers, both large and small. This addition to the What Everyone Needs to Know® series looks at the past, present and future of journalism, considering how the development of the industry has shaped the present and how we can expect the future to roll out. It addresses a wide range of questions, from whether objectivity was only a conceit of late twentieth century reporting, largely behind us now; how digital technology has disrupted journalism; whether newspapers are already dead to the role of non-profit journalism; the meaning of "transparency" in reporting; the way that private interests and governments have

created their own advocacy journalism; whether social media is changing journalism; the new social rules of old media outlets; how franchised media is addressing the problem of disappearing local papers; and the rise of citizen journalism and hacker journalism. It will even look at the ways in which new technologies potentially threaten to replace journalists.

Liberalism Is a Mental Disorder- Michael Savage has the cure. With grit, guts, and gusto, talk radio sensation Michael Savage leaves no political turn unstoned as he savages today's most rabid liberalism. In this paperback edition of his third New York Times bestseller, Savage strikes at the root of today's most pressing issues, including: Homeland security: "We need more Patton and less patent leather . . . Real homeland security begins when we arrest, interrogate, jail, or deport known operatives within our own borders . . . One dirty bomb can ruin your whole day." Illegal immigration: "I envision an Oil for Illegals program . . . The president should demand one barrel of oil from Mexico for every illegal that sneaks into our country." Lawsuit abuse: "Lawyers are like red wine. Everything in moderation. Today we have far too many lawyers, and we're suffering from cirrhosis of the economy." "Pure Savage. Very effective, very timely, very hot." American Compass Book Club

"A marvelous storyteller." —The New Yorker "A blazing flamethrower of truth." —Ted Nugent, Washington Times A #1 New York Times bestselling author and superstar radio personality, Michael Savage is admired by millions for his tough talk and no-punches-pulled common sense about the state of our union and its leaders. In Train Tracks, a more personal side of Savage shines through in this marvelous collection of "American Stories for the Holidays." Like Glen Beck's blockbuster, The Christmas Sweater, Michael Savage's poignant, personal stories of home, family, and the holidays will resonate with readers everywhere.

The Complete Infidel's Guide to Free Speech (and Its Enemies)

Against

*From bestselling author of Stop the Coming Civil War, Michael Savage reveals the massive dangers currently leading to the demise of our government. Michael Savage has been warning Americans for decades and now it's here. In GOVERNMENT ZERO: No Borders, No Language, No Culture, Savage sounds the alarm about how progressives and radical Islamists are each unwittingly working towards similar ends: to destroy Western Civilization and remake it in their own respective images. These two dark forces are transforming our once-free republic into a socialist, Third World dictatorship ruled by Government Zero: absolute government and zero representation. Combining in-depth analysis with biting commentary, Savage cuts through mainstream media propaganda to reveal an all-out attack on our borders, language and culture by progressive travelers who have hijacked public policy from national defense to immigration to public education. Find out everything you need to know about this terrifying agenda to weaken the U.S. military, cripple the American economy, subvert basic American liberties such as freedom of speech, and destroy the international world order. There is no time to lose. The Progressive-Islamist agenda has advanced into every public space, from the White House to the military to your local public school. If America is to survive, it has to be stopped. Michael Savage has a plan. Get the inside story before it's too late.*

*Michael Savage attacks big government and liberal media bias. The son of immigrants, Savage shows how traditional American freedoms are being destroyed from the outside and undermined from within—not just our own government, but also from alien forces within our own society. Savage argues that if the price of liberty is eternal vigilance, then only a more "savage nation" will enjoy these liberties. Savage's high ratings and the rapid growth of his program prove he is in touch with the concerns of the average American.*

*The author of Midnight's Children and The Satanic Verses describes his 1986 trip to Nicaragua and shares his impressions of the true Nicaragua--the people, politics, land, poetry, and problems behind the headlines. Reprint.*

*"JUST STAY QUIET AND YOU'LL BE OKAY." That's what Mohamed Atta told the doomed airline passengers on 9/11. And we still hear the exact same message today from the powerful but shadowy lobby that is working behind the scenes to gut the First Amendment and prohibit "hate speech"—or any criticism—of Islam. As bestselling author Robert Spencer shows in his startling new book, The Complete Infidel's Guide to Free Speech (and Its Enemies), aggressive Muslims and their appeasers have mounted a dangerous and disturbingly successful campaign against our constitutional rights. Spencer reveals: How social media behemoths Facebook and Twitter—not to mention student groups at American college campuses—are doing the bidding of anti-First Amendment Muslim activists Why core Islamic teachings make criticism of Islam punishable by death How American representatives at the United Nations have already agreed to limit freedom of speech How Curt Schilling and other outspoken conservatives have lost their jobs for criticizing Islam Why Twitter and Facebook now regularly censor speech*

*critical of Islam—while allowing death threats against its critics How blasphemy laws in Muslim countries are used as a pretext for arresting, even lynching Christians How European "hate speech" laws are used to prosecute and harass critics of Islam Why appeasement of Islam is endangering our First Amendment freedoms and could lead to your prosecution for "hate speech" If you value your First Amendment rights, you owe it to yourself to read The Complete Infidel's Guide to Free Speech (and Its Enemies). It will give you the information and tools you need to fight back—because Islam and its progressive fellow travelers have only begun their campaign to define what you can read, say, and think.*

*The Return of Inequality*

*A fresh take on social class from the experts behind the BBC's 'Great British Class Survey'. Why does social class matter more than ever in Britain today? How has the meaning of class changed? What does this mean for social mobility and inequality? In this book Mike Savage and the team of sociologists responsible for the Great British Class Survey look beyond the labels to explore how and why our society is changing and what this means for the people who find themselves in the margins as well as in the centre. Their new conceptualization of class is based on the distribution of three kinds of capital - economic (inequalities in income and wealth), social (the different kinds of people we know) and cultural (the ways in which our leisure and cultural preferences are exclusive) - and provides incontrovertible evidence that class is as powerful and relevant today as it's ever been.*

*In this shocking new book, author Robert Spencer details how jihad warriors have already established numerous footholds right here in America, and are an established growing, and ominous threat in Europe. Onward Muslim Soldiers reveals the openly violent contempt that radical Muslims in the United States and around the world have for Western freedom and tolerance, and details why a clash of civilizations is already upon us. Using Muslim sources, Robert Spencer uncovers the tracts that influence radical Muslims - material full of naked hatred and intolerance, material that is freely and popularly available and that is almost completely ignored by the establishment media. This explosive book concludes with a series of practical steps that we must take to combat jihad terrorism - before it's too late.*

The "Godfather of Trumpmania," Michael Savage, examines the initial appointments, speeches, tweets and history of Donald Trump and offers his insights and*

*analysis. The man many consider to be the determining factor in driving Trump over the finish line by motivating millions of undecideds and the "Deplorables," who would have otherwise sat out the election, provides a crucial first look at the early direction of the Trump presidency. Savage has waged a twenty-five year war on the radio to save America's borders, language and culture from a progressive onslaught that is already turning Europe into a socialist, multiculturalist nightmare, where violent gangs of radical Islamic refugees terrorize defenseless citizens on a daily basis. While most in the chattering classes around the world dismissed Trump's campaign, conservative radio icon Dr. Michael Savage championed Trump's platform and helped him galvanize the support of disaffected middle Americans left behind by the globalist central planners in their distant capitol. Savage's army of listeners on The Savage Nation was instrumental in electing Donald Trump to take the fight to Washington. But electoral victory was only the beginning. Trump now has an even bigger challenge in delivering on the promises he made to millions of American voters. He faces relentless opposition from special interests in both parties who stand to lose trillions if Trump's America First policies become the law of the land. Dr. Michael Savage has been on the front line of this fight for decades and knows what Trump and his administration are up against. He lays out a path to victory for the new, conservative American revolutionaries in Trump's War.*

**#1 NYT bestselling author Michael Savage calls out the mass hysteria mongers and their methods, and shows Americans that we must look to history to understand the present and avoid repeating the mistakes of the past. Since Donald Trump's historic ascendance to the presidency, American politics have reached a boiling point. Social and economic issues, even national security, have become loud, violent flashpoints for political rivals in the government, in the media and on the streets. This collective derangement has a name: mass hysteria. In his new book, Stop Mass Hysteria, #1 New York Times bestselling author Michael Savage not**

**only deconstructs the Left's unhinged response to traditional American values like borders, language, and culture, but takes the reader on an unprecedented journey through mass hysteria's long history in the United States. From Christopher Columbus to the Salem Witch trials to the so-called "Red Scares" of the 1930s and 40s and much more, Dr. Savage recounts the many times collective insanity has gripped the American public - often prompted by sinister politicians with ulterior motives. Dr. Savage provides vital context for the common elements of dozens of outbreaks of mass hysteria in the past, their causes, their short and long-term effects, and the tactics of the puppet masters who duped gullible masses into fearing threats both real and imagined. By shining a light on the true nature and causes of American mass hysteria in the past, Savage provides an insightful look into who and what is causing dangerous unrest in our lives - and why.**

### Trump's Fight for AmericaThe Battle Continues

For decades, Michael Savage has been preaching his political faith of borders, language and culture to millions on his nationally-syndicated radio show, The Savage Nation. Now, Savage gives his audience a look into his religious faith and his ideas about the Judeo-Christian foundation of the American culture he has fought all his life to preserve. But rather than a dry, theological treatise, Savage provides something more akin to an ancient mystery text. Drawing on Christian, Jewish, Buddhist and other spiritual sources, as well as autobiographical material and highlights from his radio show, Savage shares a series of glimpses of God he has experienced over the whole of his life, before and after his groundbreaking radio career. Moving childhood stories, his dinner with an atheist and a Buddhist, an interview with a Jewish gangster and Savage's reflections on selected passages from ancient scriptures are just a few of the eclectic group of experiences and insights Savage shares in what is easily the most unique book on spirituality in decades. From his days as a boy growing up in New York City to many years searching for healing plants in the South Seas to his current incarnation as one of the most popular talk radio hosts in the world, Savage has been haunted by glimpses of the divine and struggled to find their meaning. Rather than trite, orthodox answers, GOD, FAITH, AND REASON presents the reader with one man's perceptions and consideration of the daily presence of God in the world around us and how the search to find God is the finding itself.

Through your computer you can listen to thousands of stations your radio cannot reach, and with The Rough Guide to Internet Radio you can begin to explore this astoundingly varied world. The Rough Guide gives you

The Daily Show (The Book)
