Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Help your student form a solid understanding of the Spanish language. Building on the basics, this book covers common phrases, functional vocabulary, conjugation of verbs, basic grammar, and sentence structure. Over 100 pages of reproducible activities get your students started on the path to speaking and writing Spanish. The activities provided offer fun and varied exercises to practice concepts and vocabulary. Students learn to tell time, formulate sentences, conjugate verbs, pose and answer questions, and make comparisons; all while learning about Spanish-speaking culture.

A definitive grammar for all students of Spanish. Covers topics from basic pronunciation and the use of the noun, to particular problem areas such as difficulties with verbs and word order. Attention is paid to regional diversity within the language and in particular to Latin American variations.
