A poignant and suspenseful retelling of a classic fairy tale set in a war-torn world, for readers of *The Tattooist of Auschwitz*, *We Were the Lucky Ones*, and *Lilac Girls* In the last months of the Nazi occupation of Poland, two children are left by their father and stepmother to find safety in a dense forest. Because their real names will reveal their Jewishness, they are renamed "Hansel" and "Gretel." They wander in the woods until they are taken in by Magda, an eccentric and stubborn old woman called a "witch" by the nearby villagers. Magda is determined to save them, even as a German officer arrives in the village with his own plans for the children. Louise Murphy's haunting novel of journey and survival, of redemption and memory, powerfully depicts how war is experienced by families and especially by children.

An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century. Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed. The intended readership will be those training for ministry in English speaking churches, so the studyguide will concentrate on those aspects of this subject of most relevance to this group. This means there will be greater attention to developments in the West than in the East, especially in later centuries, and to topics such as the nature of ministry, the sacraments, places of worship, authority in the church and mission. These will be examined at each period of church history, in each chapter, to provide reference points of comparison throughout the book. Each chapter will also contain a specific case study, presenting extracts of some key documents with notes, commentary and questions for discussion, to allow readers to develop skills in historical research. General discussion questions and reading lists will be provided at the end of each chapter. The final chapter will provide guidance for the study of the history of the student's own church and community.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

From the author of the acclaimed bestseller *Holes*, winner of the Newbery Award and the National Book Award, comes a *New York Times* bestselling adventure about the impact we have—both good and bad—on the world we live in. Be careful. Your next step may be your last. Fifth grader Tamaya Dhilwaddi and seventh grader Marshall Walsh have been walking to and from Woodridge Academy together since elementary

school. But their routine is disrupted when bully Chad Hilligas challenges Marshall to a fight. To avoid the conflict, Marshall takes a shortcut home through the off-limits woods. Tamaya, unaware of the reason for the detour, reluctantly follows. They soon get lost. And then they find trouble. Bigger trouble than anyone could ever have imagined. In the days and weeks that follow, the authorities and the U.S. Senate become involved, and what they uncover might affect the future of the world. "Sachar blends elements of mystery, suspense, and school-day life into a taut environmental cautionary tale."--Publishers Weekly

A beautiful invitation to discover your place in God's heart and let him set the pace for your life—from a wife and mother, singer-songwriter, and worship leader for Passion Conferences and IF:Gathering “Christy Nockels is a gentle, strong voice shepherding us into a fuller life with Jesus at the very center. This book will restore your weary soul.”—Jennie Allen, New York Times bestselling author of Get Out of Your Head and founder and visionary of IF:Gathering Christy Nockels knows firsthand how easily our desire to serve God—even when using the gifts He has given us—can overshadow our delight in simply being with Him. When God called her to lay down her ministry for a season, Christy was forced to confront how her sense of purpose and worth had become tangled up in her work. God then lovingly invited her to discover true rest in His presence as she learned to live as the Beloved. In *The Life You Long For*, Christy shows us how to let go of hustle and achievement and instead find our identity in the quiet center of God's love. As we delight in being with Him, we are filled to overflowing with contentment and love that propel us into an entirely new way of being, one in which every act of service and every encounter with the people around us arise from a heart at rest. With irresistible warmth and grace, this book calls you to step fully into the life you didn't even realize you've been seeking, as you find your highest calling not in a duty to uphold but in a beautiful identity to live out.

As further evidence of his family's bad fortune which they attribute to a curse on a distant relative, Stanley Yelnats is sent to a hellish correctional camp in the Texas desert where he finds his first real friend, a treasure, and a new sense of himself.

A Dominican-born academic tells the story of how the Great Books transformed his life—and why they have the power to speak to people of all backgrounds What is the value of a liberal education?

Traditionally characterized by a rigorous engagement with the classics of Western thought and literature, this approach to education is all but extinct in American universities, replaced by flexible distribution requirements and ever-narrower academic specialization. Many academics attack the very idea of a Western canon as chauvinistic, while the general public increasingly doubts the value of the humanities. In Rescuing Socrates, Dominican-born American academic Roosevelt Montás tells the story of how a liberal education transformed his life, and offers an intimate account of the relevance of the Great Books today, especially to members of historically marginalized communities. Montás emigrated from the Dominican Republic to Queens, New York, when he was twelve and encountered the Western classics as an undergraduate in Columbia University's renowned Core Curriculum, one of America's last remaining Great Books programs. The experience changed his life and determined his career—he went on to earn a PhD in English and comparative literature, serve as director of Columbia's Center for the Core Curriculum, and start a Great Books program for low-income high school students who aspire to be the first in their families to attend college. Weaving together memoir and literary reflection, Rescuing Socrates describes how four authors—Plato, Augustine, Freud, and Gandhi—had a profound impact on Montás's life. In doing so, the book drives home what it's like to experience a liberal education—and why it can still remake lives. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Joyce Meyer, #1 New York Times bestselling author, presents a study guide companion to *20 Ways to Make Every Day Better*, filled with biblical illustrations, engaging exercises, and practical advice. “*Stony the Road* presents a bracing alternative to Trump-era white nationalism. . . . In our current politics we recognize African-American history—the spot under our country’s rug where the terrorism and injustices of white supremacy are habitually swept. *Stony the Road* lifts the rug.” —Nell Irvin Painter, *New York Times Book Review* A profound new rendering of the struggle by African-Americans for equality after the Civil War and the violent counter-revolution that resubjugated them, by the bestselling author of *The Black Church*. The abolition of slavery in the aftermath of the Civil War is a familiar story, as is the civil rights revolution that transformed the nation after World War II. But the century in between remains a mystery: if emancipation sparked “a new birth of freedom” in Lincoln’s America, why was it necessary to march in Martin Luther King, Jr.’s America? In this new book, Henry Louis Gates, Jr., one of our leading chroniclers of the African-American experience, seeks to answer that question in a history that moves from the Reconstruction Era to the “nadir” of the African-American experience under Jim Crow, through to World War I and the Harlem Renaissance. Through his close reading of the visual culture of this tragic era, Gates reveals the many faces of Jim Crow and how, together, they reinforced a stark color line between white and black Americans. Bringing a lifetime of wisdom to bear as a scholar, filmmaker, and public intellectual, Gates uncovers the roots of structural racism in our own time, while showing how African Americans after slavery combatted it by articulating a vision of a “New Negro” to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age. The story Gates tells begins with great hope, with the Emancipation Proclamation, Union victory, and the liberation of nearly 4 million enslaved African-Americans. Until 1877, the federal government, goaded by the activism of Frederick Douglass and many others, tried at various turns to sustain their new rights. But the terror unleashed by white paramilitary groups in the former Confederacy, combined with deteriorating economic conditions and a loss of Northern will, restored “home rule” to the South. The retreat from Reconstruction was followed by one of the most violent periods in our history, with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation. An essential tour through one of America’s fundamental historical tragedies, *Stony the Road* is also a story of heroic resistance, as figures such as W. E. B. Du Bois and Ida B. Wells fought to create a counter-narrative, and culture, inside the lion’s mouth. As sobering as this tale is, it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds.

“Nothing in my life goes untouched by my husband’s calling.” Christine Hoover’s words in the first chapter describe so well the life of a church planter’s wife, which is enormously difficult yet extraordinarily rewarding. To be married to a church planter is a calling of its own with a richness of its own. In *The Church Planting Wife*, Hoover explores and encourages the hearts of her readers while teaching what it means to have heart prepared for this unique ministry. She knows the challenges: A church planter’s wife must develop a job description, be a wise helper to her husband, develop friendships within the church and community, deal with stress and discouragement, handle wounds, and more. Christine speaks candidly about these challenges while urging readers to grow a heart that wholly reflects Jesus. Spread throughout these pages are stories and interviews from church planting wives. Christine Hoover empathetically and pointedly builds from these testimonies to uplift the reader and offer lessons of hope in the midst of a challenging ministry.

A "profound and soul-nourishing memoir" (Oprah Daily) from an African girl whose near-death experience sparked a lifelong dedication to humanitarian work that helps bring change across the world. When severe drought hit her village in Zimbabwe, Elizabeth Nyamayaro, then only eight, had no idea that this moment of utter devastation would come to define her life's purpose. Unable to move from hunger and malnourishment, she encountered a United Nations aid worker who gave her a bowl of warm porridge and saved her life—a transformative moment that inspired Elizabeth to dedicate herself to giving back to her community, her continent, and the world. In the decades that have followed, Elizabeth has been instrumental in creating change and uplifting the lives of others: by fighting global inequalities, advancing social justice for vulnerable communities, and challenging the status quo to accelerate women's rights around the world. She has served as a senior advisor at the United Nations, where she launched HeForShe, one of the world's largest global solidarity movements for gender equality. In I Am a Girl from Africa, she charts this "journey of perseverance" (Entertainment Weekly) from her small village of Goromonzi to Harare, Zimbabwe; London; New York; and beyond, always grounded by the African concept of ubuntu—"I am because we are"—taught to her by her beloved grandmother. This "victorious" (The New York Times Book Review) memoir brings to vivid life one extraordinary woman's story of persevering through incredible odds and finding her true calling—while delivering an important message of hope, empowerment, community support, and interdependence.
