Jesus said, "I have come that they may have life, and have it to the full." That's the offer of Christianity, from God himself. Jesus touched people, and they changed: the blind had sight, the lame walked, the deaf heard, the dead were raised. To be touched by God, in other words, is to be restored, to be made all God means us to be. That is what Christianity promises to do?make us whole, set us free, and bring us fully alive. In this revised and updated study guide, bestselling author John Eldredge takes you deeper into the secret of finding that life, identifying the battle over your heart, and embracing all God has in store for you. Packed with questions, stories, and discussion topics, this study guide features: The Big Ideas: The eye-opening central truths of each chapter Mythic Parables: Classic stories from Scripture as well as fairy tales, old and new Heart Monitors: Barometers for evaluating your feelings, struggles, and passions Leader's Guide: A new leader's guide to help you guide groups through the material No matter what you've known so far, an abundant and glorious new life is waiting for you—if you open the eyes of your heart and see.

This study guide is an easy read, a very practical approach, and not too in-depth or over-the-top, getting right to the point of the fears we all experience in our lives.

This practical study guide is a wonderful complement to The Remarkable Women of the Bible by Elizabeth George as well as a powerful exploration of lives changed by God's love. What others are saying about "LEED Green Associate Exam Guide"...(Part I) "Finally! A comprehensive study tool for LEED GA Prep!" "I took the one-day Green LEED Green Associate course and walked away with a power point binder printed in very small print—which was missing MUCH of the required information (although I didn't know it at the time). I studied my little heart out and took the test, only to fail it by 1 point. Turns out I did NOT study all the material I needed to in order to pass the test. I found this book, read it, marked it up, retook the test, and passed it with a 95%. Look, we all know the LEED Green Associate Exam is new and the resources for study are VERY limited. This one's the VERY best out there right now. I highly recommend it." --Consultant VA "Complete overview for the LEED Green Associate exam" "I studied this book for about three days and passed the exam ... if you are truly interested in learning about the LEED system and green building design, this is a great place to start." --K.A. Sometimes the voices that speak most clearly in the present are those that echo from the past. So it is in this Christian classic by the late pastor and evangelist A. W. Tozer. In The Pursuit of God, Tozer brings the mystics to bear on modern spirituality, grieving the hustle and bustle and calling for a slow, steady gaze upon God. With prophetic vigor and flowing prose, he urges us to

replace low thoughts of God with lofty ones, to quiet our lives so we can know God's presence. He reminds us that life apart from God is really no life at all. Tozer's bestseller, this book has been called "one of the all-time most inspirational books" by a panel of Christian magazine writers. And with this study guide, ideal for group or individual use, reflection and discussion questions

will help you internalize the content and apply it to your life.
