This Big Preschool Workbook combines popular 32-page School Zone workbooks into one convenient 320-page volume. Child-friendly exercises and full-color illustrations make learning fun. Use Big Workbooks to reinforce or review grade-level skills or prepare for the upcoming school year. Contents include: Same or Different, Mazes, Does It Belong, Uppercase Alphabet, Lowercase Alphabet, Thinking Skills, Preschool Basics, and Preschool Scholar. (Ages: 3-5 | 320 Pages)

Prepare your kindergarten graduate for first grade with the Summer Bridge Activities Learning Kit! Each book in the learning kit provides practice in reading, writing, and math skills and extends learning to science, social studies, and beyond. The Summer Bridge Activities Learning Kits combine engaging skill reinforcement, extension activities, and hands-on resources to prepare students for the year ahead. Each book in the learning kit guides the student from one school year to the next, becoming more challenging as the summer progresses. At the same time, the bonus interactive extensions workbook provides ways for young learners to explore their world all summer long. Multipurpose flashcards and game boards extend learning even further, and each book suggests fun ways to make the most of these resources.

Delight your kids with mind-bending, rib-tickling, brain-boosting fun! These Summer Bridge Activities(TM) Fact Cards are a great companion to the award-winning workbook series, providing hours of fun for everyone. This boxed set includes two decks of 79 full-color cards, which are held together with a corner grommet to keep the cards from getting lost and to make it easy for children of all ages to hold and flip through the cards no matter where they are. The set includes 158 cards featuring hundreds of preschool to kindergarten activities such as jokes, math, fun facts, language arts, word play, picture puzzles and mind-bogglers. All of the activities are self-checking, the answers provided on the back of each card.

An intriguing book that interweaves anthropological evidence with Inuit traditional knowledge Tuniit: Mysterious Folk of the Arctic introduces young readers to the huge, shy, powerful, ingenious race of Tuniit, the people who populated the Arctic even before modern Inuit. Young readers will be fascinated to discover the great impact these former giants of the Arctic had on some of the most well-known and practical aspects of Arctic life. By presenting the factual basis for many of the Inuit traditional beliefs about the Tuniit, this book provides readers with a blend of myth and fact.

Summer Bridge Activities for Young Christians

Summer Brain Quest: Between Grades K & 1

Summer Bridge Activities(R) for bridging grades K–1 is designed specifically for preparing Canadian kindergarten students for the new year ahead. Reviewed by Canadian teachers and students, this workbook features daily activities in reading, writing, math, and language arts plus a bonus section focusing on character development and healthy lifestyles. The exercises are easy to understand and are presented in a way that allows your child to review familiar skills and then be progressively challenged on more difficult subjects. Give your children the head start they deserve with this fun, easy-to-use, award-winning series, and make learning a yearlong adventure! 160 full-colour perforated pages and an answer key.

In this lushly written follow-up to Almost French, Sarah Turnbull explores a new paradise: Tahiti. Having shared her story in her bestselling memoir, Almost French, Australian writer Sarah Turnbull seemed to have had more than her fair share of dreams come true. While Sarah went on to carve out an idyllic life in Paris with her husband, Frédéric, there was still one dream she was beginning to fear might be impossible—starting a family. Then out of the blue an opportunity to embark on another adventure offered a new beginning—and new hope. Leaving behind life in the world's most romantic and beautiful city was never going to be easy. But it helps when your destination is another paradise on earth: Tahiti.

Jam-packed with hours of curriculum-based activities, exercises and games in every subject, Brain Quest Kindergarten Workbook reinforces what kids are learning in the classroom. The workbook's lively layout and easy-to-follow explanations make learning fun, interactive, and concrete. Plus it's written to help parents follow and explain key concepts. Includes ABCs, 123s, mazes, "paint by letters," sorting games, phonics, shapes and colors, money, telling time, and much, much more.

The Big Fat Notebooks go to high school! A lively, fully illustrated guide to acing high school geometry, with clear notes on the big ideas, helpful tips for memorizing processes and remembering definitions, and lively doodles that make math easier to understand (and fun to study).

All Good Things

Summer Big Fun Workbook Bridging Grades K & 1

In just five simple steps, children can make a variety of whimsical objects such as a bowl, a basket, and a hand puppet out of paper. Fourteen projects make clever use of commonly available materials and simple tools, turning paper bags, streamers, and crepe paper into lasting crafts and toys. Children five years and older will develop fine motor skills, feed their creativity, and discover new uses for everyday objects.
