Four girls. One summer. And a pact to do the impossible. Skyler, Ellie, Scarlett, and Amelia Grace are forced to spend the summer at the lake house where their moms became best friends. One can't wait. One would rather gnaw off her own arm than hang out with a bunch of strangers just so their moms can drink too much wine and sing Journey at two o'clock in the morning. Two are sisters. Three are currently feuding with their mothers. One is hiding how bad her joint pain has gotten. All of them are hiding something. One falls in love with a boy she thought she despised. One almost sets her crush on fire with a flaming marshmallow. One has a crush that could change everything. None of them are the same at the end of the summer.

Lu Zimmer's best friend moved away last summer. Salman Page is the new kid in school. Bloss Pease takes everything literally. Three kids who are on the fringe of the middle school social order find each other and warily begin to bond, but suddenly things start going wrong. Salman becomes the object of the school bully's torment, and Lu's pregnant mother has some unexpected complications. Is something conspiring against them? In fact, through no fault of their own, Salman and Lu have become pawns in a game of jealous one-upmanship between Oberon and Titania, the king and queen of Faery, with the mischievous Puck trying to keep the peace. Taken from Titania's mention of a foundling in Shakespeare's *A Midsummer Night's Dream*, A. C. E. Bauer spins an original tale about magical intervention in the least magical of settings: a public middle school.

Tabloid scandals have driven TV star Ryan Hertzog to North Carolina's Outer Banks, where he's hiding out doing summer stock at his cousin's seaside theater. When a hookup with local handyman Trey Donovan results in Ryan being photographed butt naked, he vows to keep his pants on and his hands off Trey. How was he supposed to know Trey would turn out to be the summer stock set builder? Trey isn't looking for a relationship; he's still recovering from the emotional fallout of an abusive marriage. But Ryan's laughter draws him in again and again, and he's not about to say no to fooling around. As the summer heats up, the paparazzi catch Ryan in increasingly compromising situations. In this complex and emotionally resonant novel about a Métis girl living on the Canadian prairies, debut author Jen Ferguson serves up a powerful story about rage, secrets, and all the spectrums that make up a person—and the sweetness that can still live alongside the bitterest truth. Lou has enough confusion in front of her this summer. She'll be working in her family's ice-cream shack with her newly ex-boyfriend—whose kisses never made her feel desire, only discomfort—and her former best friend, King, who is back in their Canadian prairie town after disappearing three years ago without a word. But when she gets a letter from her biological father—a man she hoped would stay behind bars for the rest of his life—Lou immediately knows that she cannot meet him, no matter how much he insists. While King's friendship makes Lou feel safer and warmer than she would have thought possible, when her family's business comes under threat, she soon realizes that she can't ignore her father forever. A sixteen-year-old girl captures the dangerous attention of an older man in this New York Times bestselling novel by the author of *Black Narcissus*. Soon after the end of the terrible Great War, Mrs. Grey brings her five young children to the French countryside for the summer in hopes of instilling in them a sense of history and humility. But when she is struck down by a sudden illness and hospitalized, the siblings are left to fend for themselves at the lovely, bullet-scarred hotel *Les Oeillets*, under the suspicious, watchful eyes of its owner, Mademoiselle Zizi. The young ones find a willing guide, companion, and protector in charming Englishman Eliot, a longtime resident at *Les Oeillets* and Mlle. Zizi's apparent paramour. But as these warm days of freedom, discovery, and adolescent adventure unfold, Eliot's interest becomes more and more focused on the eldest of the Grey children, sixteen-year-old daughter Joss. The older man's obsession with the innocent, alluring, heartbreakingly beautiful woman-child soon threatens to overstep all bounds of propriety. And as Eliot's fascination increases, so does the jealousy of his disrespected lover, adding fuel to a dangerously smoldering fire that could erupt into unexpected violence at any moment. Told from the point of view of Cecil, Joss's sharp-eyed younger sister, *The Greengage Summer* is a beautiful, poignant, darkly tinged coming-of-age story rich in the sights, smells, and sounds of France's breathtaking Champagne country. It remains one of the crowning literary achievements of Rumer Godden, acclaimed author of beloved classics *Black Narcissus*, *The River*, and *In This House of Brede*. This ebook features an illustrated biography of the author including rare images from the Rumer Godden Literary Estate.

Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's

security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.
