

## Summoning Spirits The Art Of Magical Evocation

Now you can learn how to evoke and communicate with 50 spirit entities and make use of their abilities, when you get *Summoning Spirits* by Konstantinos. Evoking spirits is one of the most powerful magical techniques you can use-but, until now, most of the material available on evocation has been virtually unusable because it was written by those with little practical evocation experience. *Summoning Spirits* was written by a practicing magician who has successfully performed many evocations. With his guidance and clear directions, performing evocations will be easy and safe for anyone. · Learn to safely evoke powerful spirits to aid you with any task · Create sigils charged with the energy of spirits to magnify the effects of your evocations · Make an etheric egregore, a manufactured spirit that will perform the task of your choice · Perform easy exercises to train your magical abilities and to develop clairvoyance and clairaudience · Construct, prepare, and use special magical tools to aid your evocations · *Summoning Spirits* is a complete manual for evoking entities to effect positive changes in your life. Learn how the spirits that dwell on the other planes can be evoked to the astral and physical planes to help you obtain mystical abilities, locate hidden "treasure," and even command a spirit "army" to protect your home while you're away. *Summoning Spirits* describes the specific attributes and abilities of 50 entities that you can evoke to uncover valuable knowledge, and who will help you succeed in nearly any task, magical or mundane. Whether you need help to face life's challenges or to work a minor miracle, you will find the art of magical evocation a tremendously potent tool for change. Included are information and theory, as well as full instructions for all the rituals you will need to prepare for and then evoke spirits. No other book makes this ancient magical technique as easy to understand and use, as does this one. That's why you must get *Summoning Spirits*.

SIHR DJINN AFARIT AND HOW TO SUMMON THEM: The Banned Book Of Sorcery, Spells, Magic and Witchcraft. 3rd Edition. Published by Times Square Press, New York. "This is a heavy-duty Kitab (Book) on Sihr (Magic, Witchcraft, Sorcery), Djinn, Afarit, Kitabaat (Magical writings), and Talasem (Talismans). As a practitioner of Ilmu Al Sihr, you will have the rare and unprecedented opportunity to polish and perfect your practice. As a novice and a researcher, you will learn quite a lot about all these subjects which were never before discussed and explained in any other language than in Arabic. As you already know, Djinn, Afarit and Sihr originated in the ancient Middle East, Arab Peninsula and North Africa, and the Saher (Magician, Sorcerer) used only Arabic, and the secret languages of Al-Arwaah (Spirits) and "Etheric Entities" to summon multiple and various categories of Spirits and entities which remained shrouded in absolute secrecy for centuries." Honorable Ulema Master Farid Tayara.

*WINNER OF THE 2020 PEN/HEMINGWAY AWARD FOR DEBUT NOVEL. One of Barack Obama's Favorite Books of 2020. A finalist for the 2020 PEN/Jean Stein Book Award. Named one of the Best Books of 2020 by the New York Times (#30), the Guardian, the Boston Globe, Oprah Magazine, Kirkus Reviews, BBC Culture, Good Housekeeping, LitHub, Spectrum Culture, Third Place Books, and Powell's Books. Sharks in the Time of Saviors is a groundbreaking debut novel that folds the legends of Hawaiian gods into an engrossing family saga; a story of exile and the pursuit of salvation from Kawai Strong Washburn. "Old myths clash with new realities, love is in a ride or die with grief, faith rubs hard against magic, and comic flips with tragic so much they meld into something new. All told with daredevil lyricism to burn. A ferocious debut." —MARLON JAMES, author of Black Leopard, Red Wolf "So good it hurts and hurts to where it heals. It is revelatory and unputdownable. Washburn is an extraordinarily brilliant new talent." —TOMMY ORANGE, author of There There Named one of the most anticipated novels for 2020 by the Guardian and Paste Magazine. One of Book Riot's Best Books to Give as Gifts in 2020. In 1995 Kailua-Kona, Hawaii, on a rare family vacation, seven-year-old Nainoa Flores falls overboard a cruise ship into the Pacific Ocean. When a shiver of sharks appears in the water, everyone fears for the worst. But instead, Noa is gingerly delivered to his mother in the jaws of a shark, marking his story as the stuff of legends. Nainoa's family, struggling amidst the collapse of the sugarcane industry, hails his rescue as a sign of favor from ancient Hawaiian gods—a belief that appears validated after he exhibits puzzling new abilities. But as time passes, this supposed divine favor begins to drive the family apart: Nainoa, working now as a paramedic on the streets of Portland, struggles to fathom the full measure of his expanding abilities; further north in Washington, his older brother Dean hurtles into the world of elite college athletics, obsessed with wealth and fame; while in California, risk-obsessed younger sister Kauai navigates an unforgiving academic workload in an attempt to forge her independence from the family's legacy. When supernatural events revisit the Flores family in Hawai'i—with tragic consequences—they are all forced to reckon with the bonds of family, the meaning of heritage, and the cost of survival. Trithemius is best known for his hidden writing- the infamous Steganographia, but his other works, including this short grimoire on the use of crystals in summoning celestial spirits, are no less potent. Through the use of a simple wand, pedestal, lamen, and a polished and clear crystal, Trithemius states that it is possible to manifest and converse with celestial forces and to constrain them through the use of*

*The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.*

*The Lesser Key of Solomon, also known as Lemegeton Clavicula Salomonis or simply Lemegeton, is an anonymous grimoire on demonology. It was compiled in the mid-17th century, mostly from materials a couple of centuries older. It is divided into five books—the Ars Goetia, Ars Theurgia-Goetia, Ars Paulina, Ars Almadel, and Ars Notoria. This edition was translated by Samuel Liddell MacGregor Mathers and published by Aleister Crowley under the title *The Book of the Goetia of Solomon the King*. Crowley added some additional invocations previously unrelated to the original work, as well as essays describing the rituals as psychological exploration instead of demon summoning.*

This is a book that teaches you how to summon demons and spirits from a Hindu Aaiyyanist perspective. You can use these entities to gain wealth, power and ancient knowledge. Tens of thousands of people worldwide are using this knowledge to become successful and become one with Higher entities. Come join us. This book will show you the steps on how to summon Spirits (Pretas and Bhoots) as well as various designations of Demons such as Pishachas, Rakshasas and Asuras. This book will teach you how to communicate with these entities and also begin to form a link with them to aid you in various ways. These teachings have been used for thousands of years to help the rich and powerful retain control and it has also opened the gateway to those wishing to join the elite. This book focuses on the teaching of the Abhichaara School which is one of the Tantric schools of Hindu Aaiyyanism. One of the ways the Abhichaara school expresses itself is in the invocation or summoning of negative beings such as Asuras/Rakshasas (demons), Preta/Bhoots (spirits) etc... They do this to either immerse themselves in negative energy as a form of dark liberation, or to direct negative energy against their enemies. This book will present the methods used by the Abhichaara school to summon various negative entities that will aid you, if you so wish it. The aid these beings can give you are either to remove negativity from yourself on a superficial level to give you wealth and power, or (more usually) to curse your enemies. Aaiyyanists believe that negativity directed at someone can lead them to have bad luck, illness, physical, mental and material harm, so please do not use this to harm others. This book is for educational purposes only and should not be used in malice against anyone.

For those attracted to the occult, the author of "Nocturnal Witchcraft" presents a collection of magickal techniques working with dark forces.

Written for serious practitioners and researchers, this limited edition guide teaches the ancient esoteric art of working the spirits of the deceased. Readers are cautioned that although complete instructions are given here, the practice requires an extraordinary amount of responsibility and should not be undertaken lightly.

The Heptameron, or Magical Elements, is a 15th Century manual of ritual magic detailing the angels summoned on each day of the week, their unique sigils, ruling planets, and astrological powers. Attributed to the Italian philosopher Peter Abano, the Heptameron is an occult classic. This new edition is based primarily upon the 1665 translation by Robert Turner housed at the British Museum. Featuring new translations of the Latin and extensive annotations throughout the text, this handsome book provides a guided tour through the beliefs and practices of Renaissance Europe's ceremonial magicians.

This book is a modern day Grimoire! Unlike most Medieval Magick books or Grimoires which are very hard to understand, take an hour or longer to complete the rituals, and often hide the real way to summon spirits to benefit life, this book is simple to the point of Magick with the most powerful Spirits from Ancient Babylonian, Greek, Roman, Egyptian, Celtic and Nordic cultures plus a chapter on Angelic Magick. These rituals are also designed to conjure the spirits to visible appearance! This book will help you accomplish your goals of attaining money, health, psychic abilities, love, information and much more in as little as 10 minutes per day. All you need is a candle, incense and a rope circle to get started. There are over 50 spirits in this book specifically designed for your every request possible. Unlike spells that rely upon a belief system, these simple evocation rituals don't require you to believe in them at all as you are summoning these Ancient Spirits to do your bidding!

The Rise of Modern Western Magic

Absolutely brand new information never revealed before, or mentioned in any book in the West or the East. There is no other book like it on earth! It is the world's first, most useful and most powerful book on how to communicate with spirits, and summon angels, demons, entities and creatures from this world and the one beyond. It reveals the REAL TECHNIQUES OF MAGIC and SPIRITS SUMMONING instructions shrouded in secrecy for 1,700 years. This is the ultimate, forbidden and condemned book of the Sahiriin, the only masters of spiritism who in fact cracked the secrets and mysteries of calling upon angels, and commanding spirits and entities. For the first time in history, you will be able to contact the souls of dead people, converse with spirits, and command entities to fulfill your wishes and accomplish the impossible. Instructions and techniques are explained step-by-step in a simple language everybody would understand. This book will change your life and future for ever.

Cate Glass's A Summoning of Demons marks the thrilling conclusion for the Chimera team, a ragtag crew who use their forbidden magic for the good of the kingdom. Catagna has been shaken to its core. The philosophists insist that a disastrous earthquake has been caused by an ancient monster imprisoned below the earth, who can only be freed with magic. In every street and market, the people of Catagna are railing against magic-users with a greater ferocity than ever before, and magic hunters are everywhere. Meanwhile, Romy has been dreaming. Every night, her dreams are increasingly vivid and disturbing. Every day, she struggles to understand the purpose of the Chimera's most recent assignment from the Shadow Lord. As Romy and the others attempt to carry out their mission, they find themselves plunged into a mystery of corruption and murder, myth and magic, and a terrifying truth: the philosophists may have been right all along. Nathaniel is a magician's apprentice, taking his first lessons in the arts of magic. But when a devious hot-shot wizard named Simon Lovelace ruthlessly humiliates Nathaniel in front of his elders, Nathaniel decides to kick up his education a few notches and show Lovelace who's boss. With revenge on his mind, he summons the powerful djinni, Bartimaeus. But summoning Bartimaeus and controlling him are two different things entirely, and when Nathaniel sends the djinni out to steal Lovelace's greatest treasure, the Amulet of Samarkand, he finds himself caught up in a whirlwind of magical espionage, murder, and rebellion.

My name is Chloe Saunders and my life will never be the same again. All I wanted was to make friends, meet boys, and keep on being ordinary. I don't even know what that means anymore. It all started on the day that I saw my first ghost—and the ghost saw me. Now there are ghosts everywhere and they won't leave me alone. To top it all off, I somehow got myself locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. Don't tell anyone, but I think there might be more to my housemates than meets the eye. The question is, whose side are they on? It's up to me to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt me.

The mighty powers invoked by this eldritch tome are really long-forgotten psychic abilities, able to affect the most basic needs and desires, including Love, Wealth, Peace of Mind, and Protection Against Enemies. But now comes a guide that enables anyone to pick up the book and use its ineluctable power "without fear or risk" according to editor Simon.

*Learn How to Successfully Communicate with Spirits Would you like to: Develop your natural ESP abilities? Communicate with those who have passed on? Obtain information to which others do not have access? Prove the existence of life after death to yourself? Learn the key to all successful spirit communication? "How to Communicate with Spirits: Seances, Ouija Boards and Summoning" begins with a history of spirit communication, addresses the influences of popular media on the public's perception of it and gives reasons for its hypocritical suppression by the state. Then, it gives practical instructions and advice for successful spirit communication, including how to: Conduct a traditional seance; begin your own mediumship development circle; do automatic writing; hold a dumb supper; use a Ouija board as a paranormal research tool; summon angels (including the fallen ones); and get rid of unwelcome spirits. This book provides insights into the nature of ghosts, angels and demons and gives tips for better communication with them. It takes a fearless, no-fluff approach to the subject. Developing your ability to communicate with spirits can help you to: Improve your creative abilities. Learn the whereabouts*

of lost people, animals or things. Send and receive messages to and from the spirit world to help yourself and others. Conduct your own experiments into the nature of life after death. Obtain a greater understanding of the nature of the world we live in.

"Working with spirits can be some of the most dangerous yet some of the most gratifying work a magickal practitioner can engage in. With Jason as your guide in this book, you are in some of the best hands out there when it comes to approaching and working with spirits. This is a book I wish I had fifteen years ago when I began working closely with spirits." -Mat Auryn, author of *Psychic Witch Throughout history, humans have sought power and knowledge from spirits. Learning how to conjure, communicate, and negotiate with these unseen powers is one of the keys to success in magic. Consorting with Spirits presents a detailed explanation of what spirits are, their different classifications, and how they exist in relation to the world we normally perceive. The reader will then learn a system of practices that will cultivate three main skills: The capacity to perceive spirits clearly, the ability to interact with them effectively, and the tools to deepen your relationships. It is this focus on deepening relationships and increasing clarity in communications that has been missing from much of the material about spirits. This book will teach you different ways of interacting with spirits, from offerings and invitations to forceful conjurations. With these tools in hand, you can work with your spirit allies to achieve any goal, from protection, to wealth, to vast knowledge. Consorting with Spirits shares: Proper training necessary for calling and conversing with spirits. How to evaluate the messages you receive. A full view of different modes of contact and what situations each mode lends itself to Why the best sorcery is local. The tools to establish and maintain a long-term relationship with spirits (consorting). "Is this where you tell me, 'Yer a wizard'," Phil said. The man laughed. "No, not a wizard," he said. "A warlock." "What's the difference?" Phil manhandled a big bin liner full of crap into the skip. "One's make-believe while the other is very much real." So are daemons... Phil Rowling, a normal eighteen-year-old, discovers this when he is plucked from a dead-end life of fast-food service and enrolled into Wargsnouts College for Warlocks. At the college students are taught how to summon and control daemons from Hell. Everyone at Wargsnouts knows what a succubus is, and why warlocks summon them. It's a dirty joke shared in sniggers amongst the students. Succubi are female sex daemons, famed for their mastery of the arts of pleasure. Eager to experience this pleasure first-hand, Phil and his friend, Jake Pulman, take the *Daemonica Malefique* from the library and use it to summon a pair of succubi for a night of sexy fun. After all, succubi are sex daemons, used only for sex, how dangerous can it be... Phil finds out exactly how dangerous when the ritual goes wrong and he is taken prisoner by a harem of hot succubi. Trapped in a perverse corner of Hell, can he escape before the erotic wiles of the succubi claim his life and soul...?

A manual for constructing talismans, mixing magical compounds, summoning planetary spirits, and determining astrological conditions, *Picatrix* is a cornerstone of Western esotericism. It offers important insights not only into occult practices and beliefs but also into the transmission of magical ideas from antiquity to the present. Dan Attrell and David Porreca's English translation opens the world of this vital medieval treatise to modern-day scholars and lay readers. The original text, *Gh'yat al-ak'lam*, was compiled in Arabic from over two hundred sources in the latter half of the tenth century. It was translated into Castilian Spanish in the mid-thirteenth century, and shortly thereafter into Latin. Based on David Pingree's edition of the Latin text, this translation captures the spirit of *Picatrix*'s role in the European tradition. In the world of *Picatrix*, we see a seamless integration of practical magic, earnest piety, and traditional philosophy. The detailed introduction considers the text's reception through multiple iterations and includes an enlightening statistical breakdown of the rituals described in the book. Framed by extensive research on the ancient and medieval context that gave rise to the Latin version of the text, this translation of *Picatrix* will be an indispensable volume for students and scholars of the history of science, magic, and religion and will fascinate anyone interested in the occult.

Modern technology has given us powerful new tools for an age-old dream: seeing and speaking with the dead. Using things you probably already own - such as a camcorder, computer, or tape recorder - you can contact departed loved ones or other spirits, record their images and voices, and establish two-way communications between the worlds. *Speak with the Dead* also details the more traditional methods of seance, trance, and scrying. You don't have to be a "techie" or an occultist to use any of these techniques. This book will guide you to one of the most awe-inspiring experiences you'll ever have - making

contact with deceased loved ones and other souls. *Speak with the Dead* is the first book in the modern marketplace to focus on practical, usable techniques for communicating with spirits. This book shows you seven methods for spirit contact: -catching Electronic Voice Phenomena on tape -using radio noise to provide spirits with a voice -capturing ghostly images on videotape -letting spirits use your computer or telephone -scrying, establishing telepathic contact with the dead, and holding a seance *Speak with them. They're waiting.*

A captivating world of monsters and magic from the Wall Street Journal bestselling author of *The Paper Magician Series*. As a human vessel for an ancient spirit, Sandis lives no ordinary life. At the command of her master, she can be transformed against her will into his weapon--a raging monster summoned to do his bidding. Unlike other vessels, Sandis can host extremely powerful spirits, but hosting such creatures can be fatal. To stay alive, she must run. And in a city fueled by smoke and corruption, she finds a surprising ally. A cunning thief for hire, Rone owns a rare device that grants him immortality for one minute every day--a unique advantage that will come in handy in Sandis's fight for freedom. But Sandis's master knows how powerful she is. He's determined to get her back, and he has the manpower to find her, wherever she runs. Now, to outwit her pursuers, Sandis must put all her trust in Rone and his immortal device. For her master has summoned more than mere men to hunt her down...

*The Summoning God* is more than a superb murder mystery, it is a psychological thriller with blockbuster action, romance and suspense, and best of all a dynamic plot that will have you holding your breath waiting for the next step down the dark labyrinth of their serial murderers mind. When world-renowned Canadian Physical Anthropologist, Dr. Maureen Cole, is called to the United States to analyze burials found in an ancient subterranean ceremonial chamber, she is stunned to discover the burned bodies of thirty-three children and two adults. The children were burned in the flesh, meaning they were alive when the fire started, but was the fire an accident or deliberately set? The scattered, mutilated remains of the adults give Maureen her first clue. In order to solve the mystery she must work with American archaeologist William Dusty Stewart. They've worked on two archaeological projects in the past and get along like a mongoose and a cobra. Now they must work together to discover the dark and terrible secret of an ancient people. *The Gears* seamlessly weave together modern archaeology and ancient history. Like all of their books, *The Summoning God* is based on real archaeological sites that tell a terrifying story of North America eight hundred years ago. Breathtaking descriptions evoke the harsh beauty of the desert, while the lucid, erudite historical perspectives are informed by the authors own extensive archeological experience. The ethereal denizens of New York owe a great debt to Eve Whitby, the young medium who leads an all-female team of spiritualists in the police department's Ghost Precinct. Without her efforts on behalf of the incorporeal, many souls would have been lost or damned by means both human and inhuman. But now Eve faces an enemy determined to exorcise the city's ghostly population once and for all. Albert Prenze is supposed to be dead. Instead he is very much alive, having assumed the identity of his twin brother Alfred, and taken control of the family's dubiously acquired fortune. To achieve his vicious ends, Albert plots to twist Eve's abilities into his own psychic weapon—a weapon that not only poses a threat to spirits but to everyone she cares for, including her beloved Detective Horowitz . . . *Calling the Spirits investigates the eerie history of our conversations with the dead, from necromancy in Homer's Odyssey to the emergence of Spiritualism, when Victorians were entranced by mediums and the seance was born. Among our cast are the Fox sisters, teenagers surrounded by "spirit rappings;" Daniel Dunglas Home, the "greatest medium of all time;" Houdini and Sir Arthur Conan Doyle, whose unlikely friendship was forged, then riven, by the afterlife; and Helen Duncan, the medium whose trial in 1944 for witchcraft proved more popular to the public than news about the war. The book also considers Ouija boards, modern psychics and paranormal investigations, and is illustrated with engravings, fine art (from beyond), and photographs. The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, *Spirit Conjuring for Witches* includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: "A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you."—Ivo Dominguez Jr., author of *Spirit Speaks and Practical Astrology for Witches and Pagans* "Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft...This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic."—Jim Baker, author of *The Cunning Man's Handbook* "Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magickal evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly."—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer "I wish that there had a book like *Spirit Conjuring for Witches* back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan."—Steven Posch, Traditional Witch and Host of Radio Paganistan "As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with."—Lady Adariana, Gardnerian HPS

Aqueles que não provaram superstições mágicas podem aqui encontrá-los prontos para suas mãos. Em resumo, neste livro são mantidos os princípios de transportes mágicos. Pode ser concedido de imediato que o compromisso seja escrupulosamente cumprido; o que o operador deve fazer e como deve executá-lo, a fim de atrair espíritos para o discurso, são assuntos expostos tão claramente que o homem que viaja não precisa errar. Assumindo o cargo sacerdotal do operador, ou um padre cúmplice, é tudo tão simples que o fracasso não poderia muito bem ser atribuído a um erro de sua parte. O procedimento é dividido em duas partes - um método geral para a evocação dos Espíritos do Ar, que são indubitavelmente demônios, e um conjunto de conjurações angélicas próprias para cada dia da semana. A segunda seção provavelmente pertence ao departamento de Magia Branca, pois as inteligências envolvidas são boas e ótimas, embora seus escritórios sejam mistos e confusos, incluindo a descoberta de tesouros, a detecção de segredos, o fomento da guerra, a abertura de fechaduras e ferrolhos, adquirindo o amor das mulheres, inclinando os homens ao luxo e semeando o ódio e o mau pensamento. Obviamente, Magia Branca desse tipo é muito mais negra do que é pintada. Heptameron: ou, elementos mágicos Pietro d Abano, também conhecido como Petrus de Apono, Petrus Aponensis ou Pedro de Abano [1] (c. 1257 [2] [3] - 1316), foi um filósofo italiano, astrólogo e professor de medicina em Pádua. [4] Ele nasceu na cidade italiana de onde ele leva seu nome, agora Abano Terme. Ganhei fama escrevendo *Conciliator Differentiarum*, também entre *Philosophos* e *Medicos Versantur*. Ele acabou sendo acusado de heresia e ateísmo, e veio antes da Inquisição. Ele morreu na prisão em 1315 (algumas fontes dizem 1316 [5]) antes do final de seu julgamento.
