He's a two-year-old terror who gets away with everything—and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge too long. How can he get his parents to pay attention to him for a change?

Sheila does her best to pretend she's an expert at everything, but she knows she isn't fooling her new best friend, Mouse Ellis, who happens to be a crackerjack swimmer and a dog lover. The echanting escapades of a little boy living in China 100 years ago

He knows a lot of big words, but he doesn't know where babies come from. He's never heard of a stork, but he plans to be a bird when he grows up. He's Superfudge, otherwise known as Farley Drexel Hatcher. And, according to his older brother Peter, the biggest pain ever invented. Among other things. As fans of *Tales of a Fourth Grade Nothing* already know, nothing is simple for Peter Hatcher. He is far from overjoyed at the turn the family fortunes are taking. It looks as if Peter will be spending the sixth grade far from Central Park, Sheila Tubman, Jimmy Fargo, and Henry the doorman. (He won't miss Sheila). And it also looks as if Fudge will no longer be the baby of the family. How will Peter ever survive if his new sibling is a carbon copy of Fudge? But as Fudge fans also know, bad news for Peter generally means good news for Judy Blume's readers—in the form of a very funny story. They won't be disappointed!

There is a lot going on in his life that thirteen-year-old Tony Miglione does not really understand—like why his parents suddenly have money enough to buy a house on Long Island, why his mother has changed, why his rich friend Joel shoplifts, why he is obsessed with Joel's sixteen-year-old sister, and why he is having terrible stomach pains.

Junie B. Jones is a Party Animal

Fifth-grader Peter Hatcher's mother is pregnant, his four-year-old brother, Fudge, is a constant embarrassment to his family, and his parents want to move to New Jersey for a year, could life get any worse?

In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of *Summer Sisters* and of young adult classics such as *Are You There God? It's Me, Margaret*, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the *Unlikely Event*

is vintage Judy Blume, with all the hallmarks of Judy Blume's unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: "Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents." —Booklist (starred review) and "In Blume's latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human." —Publishers Weekly

Neil's life turns upside down when his parents take his retarded sister out of an institution and bring her home to stay.
