In 1862 Charles Lutwidge Dodgson, a shy Oxford mathematician with a stammer, created a story about a little girl tumbling down a rabbit hole. Thus began the immortal adventures of Alice, perhaps the most popular heroine in English literature. Matte Cover 8.5x11' Can be used as a coloring book

Es war einmal vor langer, langer Zeit, da glaubte ich an Märchen. Aber dann nahm er mich. Und er lehrte mich, dass das Leben kein Märchen ist. Er ist vernarbt. Gebrochen. Ein dunkles und wildes Ding. Seine Schönheit ist brutal, und seine Worte sind grausam. Sein Herz ist eine schattige Landschaft, in der nichts wachsen kann. Er sagt mir, er könnte nie etwas für mich empfinden, und er beweist es jeden Tag. Er hat mein Leben zerstört. Mich gefottert. Und schlimmer noch ... Er hat mir antrainiert, um seine Zuneigung zu betteln. Dieses Gefängnis ist ein Ort, den das Sonnenlicht nicht erreicht. Er lehrte mich, dass Hass in der Dunkelheit geboren wird. Und dann lehrte er mich, dass Liebe das manchmal auch wird.

Major works from the Walker Art Center's collection, seen in the context of two watershed moments in American history This diverse survey of American art from the collection of the Walker Art Center uses two of the nation's most significant events as its chronological boundaries: the failed Bay of Pigs Invasion in 1961 that escalated the Vietnam War and the 2001 terrorist attacks on New York and Washington, DC. Within the timeframe of these two landmark calamities, the United States saw the emergence of some of its most noteworthy artists. The publication examines the many themes and techniques developed during those 40 years within the greater context of American history and culture, from modernist abstraction to mass production. These generations of artists probed the very notion of what art is and what it can do using paint, performance, installation, video and photography. This paperback volume features work by artists such as Jasper Johns, Donald Judd, Barbara Kruger, Robert Rauschenberg, Bruce Nauman, Cindy Sherman, Robert Rauschenberg, Kara Walker and Andy Warhol from the Walker Art Center's acclaimed collection.

The Internet can be regarded as an iceberg: the tip is the so-called surface web, the digital terrain we know and surf by means of search engines, social networks, blogs and news sites. The submerged part, roughly 90% of the iceberg, is the so-called deep web. Under the surface web that we use day in, day out, lies an encrypted and constantly evolving network of total anonymity, beyond the reach of search engines.

This darknet is a lawless no-man's land, only accessible using specific software, where anything goes and nothing is traceable, and where illicit online business, especially in contraband, proliferates. The Iceberg features a selection of stock images and original photographs drawn from the myriad ads for drug sales on the dark web designed to catch the consumer's eye.

A study of the influence Romanticism exerts upon Western culture.

What if Wonderland was in peril and Alice was very, very late? Alice is different than other eighteen-year-old ladies in Kexford, which is perfectly fine with her. She'd rather spend golden afternoons with her trusty camera or in her aunt Vivian's lively salon, ignoring her sister's wishes that she stop all that "nonsense" and become a "respectable" member of society. Alice is happy to meander to Miss Yao's teashop or to visit the children playing in the Square. She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he is sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects—the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all—a badly-injured dark-haired girl asking for Alice's help.Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she able to do so . . . before the End of Time?

What if Meg had to become a Greek god? After Hercules proves he's a true hero and regains his godship, all seems right in the world. That is, until Zeus tells Meg that she can't be with Hercules because she's, well, mortal. Luckily, Hera has a solution, offering Meg a chance to prove herself worthy of a spot on Mt. Olympus—as a god. All Meg has to do is complete a mysterious quest. The mission? Oh, just to rescue her ex's current wife from the Underworld. The ex-boyfriend she saved by selling her soul to Hades. The ex-boyfriend who immediately moved on to someone else while she was stuck in the Underworld. Can Meg put her past behind her and use her quick-wit to defeat monsters and gods alike, including the nefarious Hades? Will she finally figure out her place and contribution to the world? Or will her fear of commitment have her running away from an eternity of godhood with Herc? Written by the author of Mirror, Mirror and Conceal, Don't Feel, Jen Calonita's latest twist is sure to delight and surprise.
