

Surrender Uplody

A Romance Novel by USA Today Bestselling Author Priscilla West
Note: This is the beginning of Vincent & Kristen's story. You DO NOT need to read any books in the Forever Series before enjoying this one. "What gives you a thrill Kristen?" The minute I saw Vincent Sorenson, I knew he was trouble. Arrogant. Controlling. Possessive. He was everything I craved, and nothing I needed. Unfortunately, I couldn't just avoid him. The higher ups at my company decided they needed his business, and I was on the team to bring him in. Vincent Sorenson didn't seem as interested in business as he was in me, but I knew that was a door better left unopened. If I got involved with him, it would only unearth the pain I spent years trying to bury. I thought I had it under control, but I seriously underestimated Vincent's seductive charm and silver-tongue. I would soon find out how delicious it would feel to let myself fall into this forbidden surrender. _____
Reading Order: The Forever series currently follows three different couples. You can choose which couple you start reading about, but each couple's story has an order. Forbidden Surrender (Vincent & Kristen 1) Secret Surrender (Vincent & Kristen 2) Beautiful Surrender (Hunter & Lorrie 1) Rescued (Hunter & Lorrie 2) Reckless (Jax & Riley 1) Fearless (Jax & Riley 2)

She had lost nearly everything . . . When a terrible tragedy left her penniless and alone, Lady Astrid Derring did whatever it took to survive. She fired half her staff, borrowed gowns, and subsisted on cucumber sandwiches from the galas she attended. She endured the wagging tongues of the ton and the indecent proposals from noblemen who deemed her ripe for the plucking. Finally, she finds a way to escape the shame and restore her good name. But it will require a dangerous journey to Scotland, where she will come face-to-face with danger . . . and a sinfully handsome rogue who may be the greatest threat of all. Any gentleman would lend his hand to a lady in distress, but handsome, rough-hewn Griffin Shaw is no gentleman, and Astrid is far from safe in his company. Accompanying her through the Highlands is a small price to pay for luring her into his bed. Entranced by her boldness, enchanted with her beauty, he is determined to thaw her cold heart. However, he soon finds himself wanting more than a brief affair with the proper lady. Nothing less than the total surrender of her heart will satisfy him.

“ So I just might die a virgin after all. That ’ s what sucks about the end of the world, you just don ’ t plan for it and once it ’ s upon you it ’ s too late. It ’ s been a few weeks since I ’ ve had time to actually write anything down, which sucks because more has happened in my life in the past three weeks than it has in all my seventeen, (soon to be eighteen) years. So I ’ m going to give you a quick recap, because my diary is totally a living breathing thing and really cares...not. Basically we are on the run from Lorsan, the dark elf king, while also looking for the Book of the Elves, which he stole (but head), while at the same time attempting to shut down the sale of Rapture, a liquid drug the dark elves devised to enslave the human race. If you ask me their goals are a little lofty, but then nobody asked me, and therein lies their problem. But our problems don ’ t end there. On top of trying to get Rapture out of the human realm and taking out Lorsan, we also have to rescue Cassie ’ s parents. Apparently there ’ s a dark elf who is delusional and believes Cassie is his Chosen reincarnated. So naturally he thought kidnapping her parents would win her heart. Loser. What happens to love notes and flowers? Anyways, now you ’ re caught up, roughly. The point is, life is about as jacked up as it can get at the moment. I would like to give some Braveheart worthy speech and say that we totally got this, but honestly, I have no idea if we can pull this off. ” –Elora

"In the first international history of the end of World War II in the Pacific - the only book to fully integrate the roles of the United States, the Soviet Union, and Japan - Tsuyoshi Hasegawa traces an intricate diplomatic and military end game as he shatters standard accounts of the Japanese surrender."--Jacket

Total Surrender

Surrender, New York

Her Art Of Surrender

Destiny's Surrender

How Fighting Ends

No one can deny that situations in the world today are become more catastrophic, and the end-times seem to be drawing closer with each new day. However, all hope is not lost, whether for Christians or non-Christians, as confidence for the future ahead can be regained again in complete surrender to the Creator of each person: the Almighty God. So, how does one go about giving everything in his/her life over to God in surrender? It's easier said than done; but to Crystal Archibald, author of the new book Total Surrender, it is possible to lovingly give God one's life to be used for His purposes. Our everything needs to be surrendered to God. All of our hopes and aspirations should be totally embedded in God's will for our lives and although its much easier said than done, it is a much better perspective... Crystal pinpoints several avenues of sin where people can fall into temptation and agree to the devil's promptings to give into their fleshy desires and wishes. She compares these examples of present-day temptations people struggle with to what people from the Bible endured, people who handled similar enticements but sought God for redemption. Think of King David and his overwhelming desire to commit adultery with the married Bathsheba, which led him down a dangerous path that was later redeemed by God. The same with Paul, as his sin-led pursuit of killing Christians guided him to be saved by God and continue on a new path bringing people to Christ. These miracles happen only when the person came to God in total surrender, wanting His will for life instead of personal will. Surrender doesn't have to be seen as giving up, but giving towards a greater reason for life in God's ultimate plan for the world.

Believing comes to our lives to Christ can be a lifelong process of recommitting daily to Him, but this surrender is actually a victory. In The Triumph of Surrender, the late Dr. William Fletcher shows that if we stop struggling and let our loving God be in charge, our Christian walk will be filled with joy, meaning, and contentment.

With the help of an eccentric ex-governor, a teenage boy searches for his missing cousin in the Florida wilds. The bride had a secret... She adored her husband, but knew she could never give him what he really needed. That was why she walked out on their marriage two years ago. Now Joanna has no choice but to return to Sandro for help. He agrees, but on one condition: that she return as his wife-to his bed. Joanna loves Sandro more than ever, but can she face a replay of their disastrous wedding night? Surrender to Sandro means revealing the secret she's kept hidden from him all along. Passion is the risk that Joanna must take—if she's to save her marriage...

The Surrender Experiment

Fate's Surrender

Surrender to Me

Joyful Surrender

Dare to Surrender

Finding Harmony in God's Plan

In this expanded edition of a spiritual formation classic, David G. Benner explores the twin themes of love and surrender as the heart of Christian spirituality. God doesn't want his people to respond to him out of fear or obligation, but invites us to enter into an authentic relationship of intimacy and devotion—by surrendering to love.

Destined to be sold off to the highest bidder after her reputation is irrevocably destroyed by a family scandal, Roselyn Longworth finds herself in the hands of Kyle Bradwell, the one man who knows her most intimate secrets and now demands her complete surrender. Original.

As a single, independent woman, Bronnie Ware was used to donning a variety of hats: singer, songwriter, author, speaker, traveler, and adventurer. And as her soul would have it in her mid-forties, she felt the urge to add one more, mother. Ware, author of The Top Five Regrets of the Dying, had learned many lessons as a palliative-care giver, and she began to absorb even more from the opposite end of the spectrum as a giver of life. Only a few moments into motherhood, however, Ware's body had a different idea, when chronic crippling pain from an auto-immune disease took hold. In this inspiring memoir, Ware reminds us that whether life's lessons arrive through illness, trauma, or any other unexpected upheaval, life really does love us. By finding the courage to confront her upper limits, surrender to life's blessings, and have gratitude every step of the way, Ware discovered how to bloom in a field of formidable challenges.

A USA Today Bestseller Chasin Murray found The One. His perfect match. And in a single act of stupidity he threw her away. Genevieve Ellison is not a woman Chasin can forget, even if she was only his for the weekend. But now that she's back in his life, the last thing she wants is a reconciliation. And with her comes a deadly secret, one that blindsides the former SEAL. A relentless stalker threatened Genevieve Ellison until she fled Nashville, seeking solace in Kent County at her family's vacation home. The country music star hadn't planned on meeting the one person on earth who has no idea who she is. She also hadn't planned on falling in love only to have her heart shattered. When new and repulsive evidence comes to light, Genevieve can no longer deny how much danger she's in. Luckily for her, Gemini Group is willing to protect her. What's not so lucky—the man who did the heart breaking is back in her life. While Genevieve and Chasin are busy playing games of the heart, the stalker makes a deadly move. The two lovers may have won their battle, but someone is determined to win the war—permanently. Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! Historical Origins of International Criminal Law

A Place Called Surrender

Racing the Enemy

The history of surrender is one of the most neglected in the history of war, and yet it is vital to understanding not only how wars end but also how they are contained. This is a book with a chronological sweep that runs from the Stone Age to the present day, written by a team of truly distinguished scholars.

A Place Called Surrender is a testimony to this truth—it was written from the cancer treatment ward of a Mexican hospital. It's a book about joy—not the joy of a problem-free life, but that which results from an encounter with the Source of joy. Dan Roelofs invites you to see your pain differently.

Natasha Kirby had long been saddened by her family's feud with the Mandrakis men...now she's caught in its savage cross fire. The family business has fallen into the hands of merciless tycoon Alex Mandrakis. Summoned to his bedroom, Natasha is given an impossible ultimatum: "sacrifice her virginity, or he will destroy her family!" Captive on Alex's luxury yacht, Natasha finds her trembling fear turns to traitorous shivers of desire. By rights she should despise him, but slowly she finds herself wishing that her bittersweet seduction could last forever...

In our age of instant gratification and if-it-feels-good-do-it attitudes, self-discipline is hardly a popular notion. Yet it may be one of the most important lost virtues of our time. In Joyful Surrender, former missionary and beloved author Elisabeth Elliot offers her understanding of discipline and its value for people of all times. She shows readers how to - discipline the mind, body, possessions, time, and feelings - overcome - change poor habits and attitudes - trust God in times of trial and hardship - let Christ have control in all areas of life Elliot masterfully and gently takes readers through Scripture, personal stories, and incisive observations of the world around her to help them discover the understanding that our fulfillment as human beings depends on our answer to God's call to obedience.

The international law governing armed conflict is at a crossroads, as the formal framework of laws designed to control the exercise of self-defense and conduct of inter-state conflict finds itself confronted with violent 21st Century disputes of a very different character. Military practitioners who seek to stay within the bounds of international law often find themselves applying bodies of law-IHRL, IHL, ICL-in an exclusionary fashion, and adherence to those boundaries can lead to does not adequately address contemporary security challenges. Fighting at the Legal Boundaries offers a holistic approach towards the application of the various constitutive parts of international law. The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn, or are being interpreted in too rigid a fashion. Emphasis is placed on the disconnect that can occur between theory and practice regarding how one another. Through a number of case studies, Fighting at the Legal Boundaries explores how the threat posed by insurgents, terrorists, and transnational criminal gangs often occurs not only at the point where these bodies of law interact, but also in situations where there is significant overlap. In this regard, the exercise of the longstanding right of States to defend nationals, including the conduct of operations such as hostage rescue, can involve the application of human rights transcending the conflict spectrum. This book has five parts: Part I sets out the security, legal, and operational challenges of contemporary conflict. Part II focuses on the interaction between the jus ad bellum, humanitarian law and human rights, including an analysis of the historical influences that shaped their application as separate bodies of law. Emphasis is placed on the influence the proper authority principle has had in the human rights based approach being favored when it comes to both international and non-international armed conflict. Part III analyzes the threats of insurgency and terrorism, and the state response. This includes exploring their link to criminal activity and the phenomenon of transnational criminal organizations. Part IV addresses the conduct of operations against non-State actors that span the conflict spectrum from inter-state warfare to international law enforcement. Lastly, Part V looks at the way ahead and discusses the approaches that and unique security threats facing the international community.

"To remain indifferent to good fortune or to adversity by accepting it all from the hand of God without questioning, not to ask for things to be done as we would like them but as God wishes, to make the intention of all our prayers that God's will should be perfectly accomplished in ourselves and in all creatures is to find the secret of happiness and content."

I loved every single minute of it and couldn't put it down!!!!" ~Nerd Girl Reviews**

The historical origins of international criminal law go beyond the key trials of Nuremberg and Tokyo but remain a topic that has not received comprehensive and systematic treatment. This anthology aims to address this lacuna by examining trials, proceedings, legal instruments and publications that may be said to be the building blocks of contemporary international criminal law. It aspires to generate new knowledge, broaden the common hinterland to international criminal law, and further develop this relatively young discipline of international law. The anthology and research project also seek to question our fundamental assumptions of international criminal law by going beyond the geographical, cultural, and temporal limits set by the traditional narratives of its history, and by questioning the roots of its substance, process, and institutions. Ultimately, we hope to raise awareness and generate further discussion about the historical and intellectual origins of international criminal law and its social function. The contributions to the three volumes of this study bring together experts with different professional and disciplinary expertise, from diverse continents and legal traditions. Volume 2 comprises contributions by prominent international lawyers and researchers including Professor LING Yan, Professor Neil Boister, Professor Nina H.B. J rgensen, Professor Ditlev Tamm and Professor Mark Drumbl.

'SURRENDER' is a real-life mesmerising journey, from leading a worldly existence to experiencing the inscrutable power of the Supreme Lord, our Spiritual Master, Shirdi Sai Baba. Shri Sai Baba of Shirdi needs no introduction. He is a perfect Spiritual Master, who communicates with His loving devotees through His all-pervading Spirit. One need not be well versed in the Vedas or Puranas; have any educational qualification or belong to a particular caste, colour, creed, religion or gender. The One Infinite Energy, equally permeates the whole creation. Surrender to that Formless and Omnipresent Lord. Enjoy the Bliss of Pure Consciousness. Eternal Peace shall come to reside within. Silence the mind and achieve the real purpose of human birth. Sainath, Himsel, led us from Ignorance to Truth, Fear to Fearlessness, Bondage to Freedom, Jiva to Shiva, Duality to Oneness, Partial to Whole, Many to One, Unreal to Real, Form to Formless, Finite to Infinite, Death to Immortality, Relative to Absolute. Sainath has specifically instructed me not to put any of His pictures in this book, for He wants everyone to experience His formlessness. In this book, I have covered our journey, full of unbelievable miracles and divine lessons. If I claim this book to be mine, then there couldn't be a greater lie. Sai is the inspiration; Sai is the writer; Sai is the reader; this book is full of Sai. He alone is the script-writer, editor, director, actor, producer and also the audience. Merits of many lifetimes have bestowed this Blessing upon me. On Baba's Command, I have become His pen, to share His true stories, full of Divine Sport. Every word is a narration of the direct experiences given by Sainath. Through my body, He started healing souls. This indirectly healing me and making me rise above my pain. Baba made me aware of the extent of dejection and despair experienced by many souls. He taught me not to get affected by worldly praise or criticism, honour or dishonour, flattery or insults, pleasure or pain. Herewith sharing innumerable lessons, for all traversing on or aspiring to traverse the path, leading to The One Ultimate Truth. When we feel dejected in life, our pain leads us to the Supreme Lord, looking for that friend and saviour, who will hold us, understand us and give us internal Peace and Contentment. The Merciful Sai gave me all this and much more. He Directly Blessed me with Faith, Patience, Love and Compassion for all. May "SURRENDER" impart immense joy, happiness and knowledge for all seekers on the Path of Spirituality. Sai Bless All Am Tat Sat

The child he didn't know he had . . . Andrew Yates has come to a decision: it's time to stop sowing those oats and start a family. But searching for a bride isn't as simple as he'd hoped, and many of the respectable women of his acquaintance feel . . . lacking. Then beautiful, feisty Wilhelmina "Billie" Wells arrives at the family ranch with a toddler in her arms, claiming Drew is the father! The woman he didn't know he loved . . . Billie had no choice but to show up at Destiny in search of Drew. For the sake of their child, she's willing to leave him with his father so the boy can have a better life, but then, before she can blink, she's saying "I do" in front of a preacher in a marriage of convenience. All Billie and Drew have in common is the heat that brought them together, but can their sizzling passion lead to an everlasting love?

Included in your purchase you have The Terms of Surrender in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside The Terms of Surrender: Look inside the book: As every man, woman, and child in the place came to the store at some time of the day or night, and invariably applied Euclid's definition of the nearest way between two given points, the flora of Colorado was quickly stamped out of recognition in that particular locality, except during the irrepressible period when, as already mentioned, the fierce rains of April pounded the sleeping earth and even bronze dogs into a frenzied activity. ...The other day, when he stood for a minute or so in the foyer of the Savoy Hotel in London, waiting while his automobile was summoned from the courtyard, he seemed to have lost little of the erect, sively figure and ill-the carriage which were his most striking physical characteristics twenty-five years ago; but the smooth, dark-brown hair had become gray, and was slightly frizzled about the temples, and the clean-cut oval of his face bore records of other tempests than those noted by the Weather Bureau. About Louis Tracy, the Author: Around 1884 he became a reporter for a local paper - "The Northern Echo" at Darlington, circulating in parts of Durham and North Yorkshire; later he worked for papers in Cardiff and Allahabad. During 1892-1894 he was closely associated with Arthur Harmsworth, in "The Sun" and "The Evening News and Post".

NEW YORK TIMES BESTSELLER "An addictive contemporary crime procedural."—Michael Connelly, The New York Times Book Review (Editors' Choice) Caleb Carr, the author of The Alienist and The Angel of Darkness, returns with a contemporary, edge-of-your-seat thriller featuring the brilliant but unconventional criminal psychologist Dr. Trajan Jones. In the small town of Surrender in upstate New York, Dr. Jones, a psychological profiler, and Dr. Michael Li, a trace evidence expert, teach online courses in profiling and forensic science from Jones's family farm. Once famed advisors to the New York City Police Department, Trajan and Li now work in exile, having made enemies of those in power. Protected only by farmhands and Jones's unusual "pet," the outcast pair is unexpectedly called in to consult on a disturbing case. In rural Burgoyne County, a pattern of strange deaths has emerged: adolescent boys and girls are found murdered in gruesome fashion. Senior law enforcement officials are quick to blame a serial killer, yet their efforts to apprehend this criminal are peculiarly ineffective. Jones and Li soon discover that the victims are all "throwaway children," a new state classification of young people who are neither orphans, runaways, nor homeless, but who are abandoned by their families and left to fend for themselves. Two of these throwaways, Lucas Kurtz and his older sister, Amby, cross paths with Jones and Li, offering information that could blow the case wide open. As the stakes grow higher, Jones and Li must not only unravel the mystery of how the throwaways died but also defend themselves and the Kurtz siblings against shadowy agents who don't want the truth to get out. Jones believes the real story leads back to the city where both he and Dr. Kreitzer did their greatest work. But will Jones and Li be able to trace the case to New York before they fall victim to the murderous forces that stalk them? Tautely paced and richly researched, Surrender, New York brings to life the grim underbelly of a prosperous nation—and those most vulnerable to its failings. This brilliant novel marks another milestone in Caleb Carr's triumphant literary suspense career. Praise for Surrender, New York "[A] page-turning thriller . . . For maximum enjoyment: surrender, reader."—"The Wall Street Journal "Every word of fiction Carr has produced seems to have been written in either direct or indirect conversation with Sir Arthur Conan Doyle. . . . [Surrender, New York] allows Carr to deploy his indisputable gift for the gothic and the macabre, and the pursuit is suspenseful and believable."—USA Today "[A] long-awaited return."—"O: The Oprah Magazine "[A] superb mystery . . . [that moves] at a swift and often terrifying pace. As in The Alienist, Carr triumphs at every twist and turn."—"Providence Journal "Edgar Allan Poe would have understood this book and hailed it a masterpiece. . . . A terrific story with a great setting and a very modern social message."—"The Globe and Mail "[An] engrossing mystery."—Library Journal "[A] compulsive read . . . Carr once again delivers a high-stakes thriller featuring a new band of clever, determined outcasts."—Booklist (starred review) "Carr's many fans will find this well worth the wait."—Kirkus Reviews

"Jeanette Grey has become a must-read voice in romance. Seven Nights to Surrender is lyrical, stunningly sexy, and brings swoons for days." --- Christina Lauren, New York Times bestselling author By day, he'll show her a side of Paris not found in any guidebook. By night, he'll introduce her to a passion beyond her wildest dreams. In this sensuous story of indulgence and desire, Jeanette Grey delivers one of the most romantic reads of the year and proves why she is fast becoming a must-read star. SEVEN NIGHTS TO SURRENDER Kate arrives in Paris hoping to find inspiration. Instead she finds Rylan. In a swirl of stolen kisses and hot, tangled sheets, Kate is quickly swept away by the sexy stranger, longing to surrender to his expert touch. With Rylan, nothing is forbidden—even the truth. An American ex-pat worth millions, Rylan never flaunts his fortune. Rather, he guards his identity from everyone, especially women. No strings, no commitments, no complications. But the second his lips taste Kate's soft, sweet skin, everything changes. For the first time, Rylan has found someone to share his every want and need. Yet he knows that secrets stand between them. To keep her, he'll need to confess the truth before it's too late . . . even if doing so could mean losing Kate forever.

A woman who needs to run her own life. A man who needs to exert control. Can she surrender to his demands without losing her sense of self once more? After ending a relationship to a cheating, domineering man, Isabelle Masters takes off in her leased Mercedes, only to be arrested for grand theft and hauled to a local police station. To her surprise, she is rescued by the most unlikely person, Gabriel Dare, a man she's been attracted to for far too long. Although Gabe yearns to possess Isabelle, he knows all too well he must fight his primitive need to bind her to him, and instead help bring out the independent woman she yearns to become — or risk losing her for good.

Surrender

If the words, "I just don't think I can let this go," have ever crossed your mind or surrendering feels more like a chain than freedom, this book has been written with you in mind. Her Art of Surrender explores the concept of surrendering from a place of power and refining of one's heart, mind, and soul. What would happen if you just let it all go? Could this actually be the most freeing thing you could do? Would it really change your life? As you read this collection of stories written by women, just like you and me who are figuring out their way through divorce, loss, abuse, judgment, motherhood, and literally being a woman, you will find a piece of your story in their words and the courage to surrender in ways you never dreamed possible. Her Art of Surrender, a collection of stories about letting go and embracing the soul.

You have a plan for the rest of your life. God has a plan for the rest of your life. Are they the same?You have expectations for how your life will play out, and you hope those plans will become realities.But what if God's plan for your life is far different from what you had in mind? Can you accept that? Will you surrender your goals for God's?Kay Warren had a plan. Together with her husband, Rick Warren, author of the megaseller The Purpose Driven Life, she planned that after her kids were grown, she'd travel the world, teaching and encouraging couples in ministry. It was a good plan. But it wasn't what God had in mind for her.In a startling wake-up call, Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine. "I want to use you!" she heard God say. That began the struggle—first to avoid God's call and then to surrender herself to God.She cried out to God, "Why are you bothering me with this? There's nothing I can do about it. I'm just an ordinary person. What could one person do about such a gigantic problem?" But God had grabbed her attention and wouldn't let go.If you've ever struggled with knowing and doing God's will, this book is for you. With raw honesty, Kay goes straight to the heart of the matter: the bottom line is surrender. Will you trust God? Along the way she'll introduce you to others—people like you—who have said yes to God and have made a difference in the world. Using their skills, energy, faith, and a willingness to take risks, they became powerful instruments of change and tools in God's hands.Giving in to God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before.I had to make a conscious decision. Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call—and let my heart engage with a cause such as AIDS that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice; I couldn't go back, and yet the way forward looked like stepping into a void.Kay Warren took that step, choosing to dangerously surrender to God. That decision transformed her life, marriage, and future. She invites you to do the same.You'll benefit most by discussing this book with others. A Readers' Group Discussion Guide is provided in the back of the book. Additional help can be found at www.kaywarren.com.

Discusses how just war theory needs to be revised to better secure and respect human rights. Warfare in the twenty-first century presents significant challenges to the modern state. Serious questions have arisen about the use of drones, target selection, civilian exposure to harm, intervening for humanitarian reasons, and war as a means of forcing regime change. In Just War and Human Rights Todd Burkhardt argues that updating the laws of war and reforming just war theory is needed. A twenty-year veteran of the US Army, Burkhardt claims that war is impermissible unless it is engaged, fought, and concluded with right intention. A state must not only have a just cause and limit its war-making activity in order to vindicate the just cause, but it must also seek to vindicate its dilemma in a way that yields a just and lasting peace. A just and lasting peace is motivated by the just war tenant of right intention and predicated on the realization of human rights. Therefore, human rights should not only dictate how a state treats its own people but also how a state treats the people of other countries, insulating them and protecting innocent civilians from the harms of war. "Todd Burkhardt, experienced American soldier and educator, has here crafted a clearly written and spirited book. It's timely and practical—analyzing drone strikes and post-conflict dilemmas—as well as reflective and theoretical—arguing that the rule of 'right intention' deserves far more prominence in just war theory than it has recently been given. Above all, this is a readable and constructive call to reform the laws of armed conflict in light of human rights values, especially as understood through the lens of John Rawls's theory of international justice. A welcome contribution to today's philosophy of war." — Brian Orend, author of The Morality of War, Second Edition

What is it like to live a deliberate negotiated power dynamic — a dominant/submissive, master/slave, or owner/property relationship -- as part of one's spiritual path? This book is an anthology of real people who follow that barely charted road in a variety of different faiths and spiritualities. These writings go beyond the simple matter of ethics and move into the realm of relationship as transcendent discipline. Edited by Raven Kaldera, Sacred Power, Holy Surrender takes us into a world where power can be uncorrupted and surrender can be a way to freedom.

The Terms of Surrender - The Original Classic Edition

Welcome to Spindle Cove, where the ladies with delicate constitutions come for the sea air, and men in their prime are . . . nowhere to be found. Or are they? Spindle Cove is the destination of choice for certain types of well-bred young ladies: the painfully shy, young wives disenchanted with matrimony, and young girls too enchanted with the wrong men; it is a haven for those who live there. Victor Bramwell, the new Earl of Rycliff, knows he doesn't belong here. So far as he can tell, there's nothing in this place but spinsters . . . and sheep. But he has no choice, he has orders to gather a militia. It's a simple mission, made complicated by the spirited, exquisite Susanna Finch—a woman who is determined to save her personal utopia from the invasion of Bram's makeshift army. Susanna has no use for aggravating men; Bram has sworn off interfering women. The scene is set for an epic battle...but who can be named the winner when both have so much to lose?

The Power of Sexual Surrender, first published in 1959, is a classic guide to female sexuality and the treatment of frigidity.

PEMENANG NASKAH ROMANCE DEWASA TERBAIK WATTPADLIT AWARDS Versi Remake – Berbeda dari Wattpad Tiga belas tahun bukanlah waktu yang singkat bagi Emily untuk mengobati luka hatinya. Susah payah ia berjuang untuk bangkit, hingga akhirnya berhasil membangun kembali puing-puing kehidupannya yang sempat hancur. Namun semuanya berubah berantakan sejak Em bertemu dengan Will, yang malam itu merampok apartemennya. Will adalah rampok yang sangat gigih, dia tidak pernah menyerah untuk mendekati Em. Pria itu membawa Em dalam pusaran gairah, ke dalam perasaan dan rotasi yang telah lama tak dirasakannya. Panik, Em harus berusaha keras agar dirinya tak menyerah pada cinta...

A fight he must win . . . Piper Oliver knows she can't trust him. They warned her that the tall, dark, and sexy black-ops soldier Jory Dean would try to win her over with his steel-gray eyes and deadly charm, but she won't be conned by this man they call a traitor. All she has to do is figure out the science necessary to save his life, and she's done. Something isn't adding up, though, and she won't rest until she uncovers the truth—even if it's buried in his deep, dangerous kiss. A passion she can't resist . . . Jory will do anything to reunite with and save his brothers—even kidnap the gorgeous woman who's working to deactivate the deadly chip in their spines. But the forces determined to destroy his family won't let them go so easily. Keeping Piper alive is more than he bargained for—and so is his burning desire for her. But with every second bringing him closer to certain death, can he afford to lose himself in her hot and willing embrace?

NEW YORK TIMES BESTSELLER • From the author of the #1 New York Times bestseller *The Untethered Soul* comes the astonishing true-life story about what happens when you just let go. • *A thriving spiritual community on over six hundred acres of pristine forest and meadows in Florida* • *A cutting-edge software package that transformed the medical practice management industry* • *A billion-dollar public company whose achievements are archived in the Smithsonian Institution* • *A book that became a New York Times bestseller and an Oprah favorite* • *A massive raid by the FBI that would lead to unfounded accusations by the U.S. government* How could all of this spring from a man who had decided to live alone in the middle of the woods, let go of himself, and embrace a life of solitude? Michael A. Singer, author of *The Untethered Soul*, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots. As Singer takes you on this great experiment and journey into life's perfection, the events that transpire will both challenge your deepest assumptions about life and inspire you to look at your own life in a radically different way.
