Rolls helped create the new sport of hot-air ballooning and raced his balloon for his country. He then joined a select band of intrepid pioneers who risked all to prove the theory of powered flight. He was first to fly the English Channel both ways but weeks later perished at Bournemouth Air Show. The dynamics of hypersonic flight or hypersonic wing theory, magnetohydrodynamic theory, or any developments involving treatment of the Boltzmann equation are not included. This publication is intended for hypersonic aerodynamicists, students, and researchers conducting work on the hypersonic flow phenomena.
