

Swami Vivekananda Life Story In Kannada

“If you want to know how deep the quotes of Swami Vivekananda are, then definitely read this book.” “This book showed that the words of Swami Vivekananda are still applicable today.” “True success and goals and career, both are best chapters, quotes of Vivekanand are really deep.” - READER'S REVIEW The author was researching on Swami Vivekanand for 2 years, before writing this book, the Author gone through hundreds of quotes and lectures. After two years of complete research, he comes up with this final product. Viveka enlightens the whole world with his thoughts in every aspect of the life of a person. This book will cover every basic aspect of the life of a person. We will see every aspect with his perspectives like goals and career, finance, health, relation, true success, and God, with the help of his deep quotes and lectures.

With historical-critical analysis and dialogical even-handedness, the essays of this book re-assess the life and legacy of Swami Vivekananda, forged at a time of colonial suppression, from the vantage point of socially-engaged religion at a time of global dislocations and international inequities. Due to the complexity of Vivekananda as a historical figure on the cusp of late modernity with its vast transformations, few works offer a contemporary, multi-vocal, nuanced, academic examination of his liberative vision and legacy in the way that this volume does. It brings together North American, European, British, and Indian scholars associated with a broad array of humanistic disciplines towards critical-constructive, contextually-sensitive reflections on one of the most important thinkers and theologians of the modern era. You Don T Simply Read A Man Like Vivekananda. In Reading Him, You Meet Him. And If You Don T Meet Him And Feel Him Contemporaneously, You Can Understand Little Of The Meaning Of What He Is Saying. In The Course Of A Short Life Of Thirty-Nine Years, Swami Vivekananda Came To Be Regarded As The Patriot Saint Of Modern India. Despite All That Has Been Written About His Life And His Epoch-Making Address At The Parliament Of Religions In Chicago, 1893, Swami Vivekananda Remains A Paradox: Much Is Known About Him, But Very Little Is Understood About The Man And His Relevance To Our Own Troubled Times. In Swami Vivekananda: The Living Vedanta, Chaturvedi Badrinath Looks Behind The Iconic Façade, Seeking To Liberate Vivekananda From The Confines Of The Worship Room. He Examines The Various Facets Of A Man Who Was As Much At Ease With Philosophical Discourse As He Was With Cooking; Whose Childlike Love For Ice Cream Went Hand In Hand With His Stature As A Prophet. The Author Also Throws Light On The Various Relationships That Shaped Swamiji S Philosophy Of Vedanta And Formed The Core Of His Teaching With His Spiritual Guru Sri Ramakrishna Paramahansa, His Mother Bhubaneswari Devi, And His Many Followers In The West, Mostly Women, Who Became Central To His Life And Work. Well Researched And Brimming With A Wealth Of Detail, Swami Vivekananda: The Living Vedanta Offers An Unforgettable Insight Into The Life And Times Of This Renaissance Figure A One Who Was The Very Embodiment Of The Vedanta That He Preached. ‘Religion is not in books; not in forms; not in sects; not in nation; religion is in the human heart...It is love alone that can conquer hatred...’ - Swami Vivekananda A genius; a visionary; a writer; a dreamer; a teacher and an inspiration for generations of Indians—this was Swami Vivekananda. Born into a family of lawyers; Narendranath Dutta was an exceptionally intelligent child; a natural leader among his playmates; who impressed his teachers with his scholarship. The spirituality of his mentor Shri Ramakrishna and his own study of philosophy and logic influenced Narendranath to join the monastic order. Vivekananda was the spokesperson for India at the Parliament of Religions in Chicago where the magic of his words held his audience in thrall. He also instilled among the Indian youth self-confidence and the hope of regeneration. Devika Rangachari’s account of the life and times of Swami Vivekananda is both inspiring and absorbing. It is the remarkable story of a spiritual leader who worked against overwhelming odds to realize his vision of a free India.

Swami Vivekananda Tells Stories

Life Of Swami Vivekananda In 2 Vols.

Life and Philosophy of Swami Vivekananda

Vivekânanda

This book published by Advaita Ashrama, publication house of Ramakrishna Math, Belur Math, is specially written for young boys and girls. Written in simple English, it tries to introduce Swami Vivekananda to readers in the hope that they will want to know more about this great man and get acquainted with his ideas and draw inspiration from them. This book may also serve as an excellent rapid reader. Volume One (revised and enlarged 5th edition) was released to the public on Swami Vivekananda's birthday in January 1980. Within the short period of two years, Volume Two in which the story of his activities in India and abroad is continued was published. Volume Two contains a Glossary, a Bibliography, an Index, and a few illustrations, which enhance the usefulness of the book. These two volumes were received with warmth by the admirers, followers, and students of Swamiji.

Swami Vivekananda S Own Speeches And Writings As Well As Accounts Left By His Disciples Are Many, But A Comprehensive, Objective And Critical Study By A Non-Devotee Is Not Extant. This Book Attempts To Supply The Need. Not Only Does It Bring Out His Superb Powers And Achievements But It Also Discusses A Few Oddities Like His Defence Of Animal Sacrifice And Indifference To Widow Remarriage. The Book Contains Forty Chapters The Book Covers The Life, Personality, Ideas, Social Service And The Hitherto Unexplored Aspects Of The Poetry And Prose Of This Intellectual Giant.

Swami Vivekananda philosophy was a blend of the traditional values and modern thoughts, as well as human values and superhuman thoughts. Although he lived only for thirty-nine years, he influenced multitudes around the world. His charismatic personality and intellectual speeches made an impact that altered people's concept of Hinduism and India globally. Even today, his teachings are capable of inspiring people who are keen to imbibe them. Vivekananda was born when Calcutta was India's capital under the British Raj. It was a time when the British Raj sought to change the governing system of India and Swami Vivekananda preferred a modern approach to deal with the existing social problems and favoured Western ideas. This book tries to cover the life and philosophy of Swami Vivekananda comprehensively and offers an insight about his personality.

Hinduism and India's Road to Modernity

A Biography of Swami Vivekananda

Swami Vivekananda on Himself

The Life and Times of Swami Vivekananda

Swami Vivekananda was born on 12th January 1863 and died on 4th July 1902. He was also known as Narendra Nath Datta. He was a firm advocate of Vedanta Philosophies and Yoga. He was a disciple of Guru Ramakrishna and founded Ramakrishna Math and the Ramakrishna Mission. Contents Addresses at The Parliament of Religions Karma-Yoga Raja-Yoga Lectures and Discourses

Jnana yoga, also known as Jnanamarga, is one of the several spiritual paths in Hinduism that emphasizes the "path of knowledge", also known as the "path of self-realization". It is one of the three classical paths for moksha. The other two are karma yoga and bhakti yoga.

Swami Vivekananda was a wonderful storyteller. His talks and writings are interspersed with numerous anecdotes and illustrations. This book published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, contains most of his stories from his nine-volume Complete Works, retold and illustrated.

After so much tapasya i have understood this as the highest truth: God is present in every being. There is no other God besides that. He who serves all beings serves God indeed.

Bhakti-yoga

Lectures from Colombo to Almora

As a young person of 23 years or so, Swami Vivekananda spoke to the Master in this strain: "I want to remain immersed in samadhi for three or four days, continuously, breaking it only for a little food." But the Master reprimanded him: "Shame on you! You are seeking such an insignificant thing. There is a state higher than that even. Is it not you who sing, 'Thou art all that exists?' I thought you would be like a banyan, sheltering thousands from the scorching misery of the world. But now I see you seek your own liberation." A few days later, however, Shri Ramakrishna blessed him with the experience of Nirvikalpa Samadhi. When the beloved disciple came back from that state, the Master said: "Now, then the Mother has shown you everything. Just as a treasure is locked in a box, so will this realization be hidden from you and the key shall remain with me. You have work to do. When you have finished it, the treasure will be unlocked again, and you will know everything then just as you do now." And, thus, the beloved disciple of the Master worked on incessantly for the next 16 years with a zeal that one rarely sees, surmounting mountain high and unthinkable obstacles, not even caring for his own liberation on the way, till his body broke down under the stress of intense work at the relatively young age of 39 years and five months. And a work was set into motion that laid a strong foundation once more for Hinduism to stand on a firm footing - this time against the onslaught of narrow-mindedness and sectarianism and bigotry on the one hand and western and modern science on the other hand - and thereby vindicating Sri Krishna's teaching that the Lord manifests his power again and again to protect the Eternal Religion!

An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

Vivekananda was born on 12th January, 1863 in Calcutta (Kolkata). His name was Narendranath. His father Shri Vishwanath Dutt was a renowned lawyer in Calcutta High Court. His mother Smt. Bhuvaneshwari Devi was a pious woman, a worshipper of Lord Shiva. Narendranath was extremely intelligent and quite naughty as a child. He played his pranks on friends and given a chance, he didn't spare even his teachers.

Swami Vivekananda in India: A Corrective Biography attempts to inform the reader accurately about his life both before and after his historic visits to the West. Much material has been translated anew from original Bengali books. At the same time it challenges current popular and pious notions held about this humanitarian-monk. The four major chapters in this book are about his meetings with Sri Ramakrishna, his travels in India during 1886-1893, media waves about him in India, and his triumphant return from the West in 1897. Analysis of original eyewitness reports in both India and Western newspapers and periodicals forms an integral part of this biography.

A Corrective Biography

Swami Gambhirananda A short biography of Swami Vivekananda

The Life of Swami Vivekananda

The Complete Works of Swami Vivekananda Volume 1

Vivekananda

The life of Swami Vivekananda has fascinated several generations of humanity across the globe. We have therefore, touched upon his early life and the influence of his great master upon him. There has never been a more fascinating story of a guru and disciple. The guru Sri Ramkrishna was a divinity in flesh and blood. There should not be the least doubt about that. But doubts are intrinsic to human nature. Even the great disciple Swami Vivekananda had a lingering doubt, perhaps as a brief flash of thought as to whether his master was really a divine incarnate, a Paramhansa, or not. The inside pages contain an interesting and elevating story of how a westernized disciple, who believed in logic and reasoning and whose intellect was superlative with strong will power came gradually to believe in the Vedantic dictum of divine unity through the grace of his guru.

He revived the Indian spirit that lay shackled by Western domination. He inspired his countrymen to be proud of their heritage. He urged them to be fearless. In his short life, and in the face of tremendous odds, he initiated a world-wide movement to uplift the human race, and opened the eyes of the West to the wonders of ancient Indian thought.

After his memorable work in the West, Swami Vivekananda landed at Colombo on the afternoon of January 15, 1897, and was given a right royal reception by the Hindu community there.

This book comprises of a choice collection of Swami Vivekananda's utterances culled from his numerous speeches and writings, arranged under 44 suitable sections. It is a treasure house of thoughts of power to inspire and guide mankind in its march towards the Supreme Reality. Covering the entire cyclorama of his life and its evolutionary movement, the electrifying gospel of this great Swami includes within its fold everything that would go to inspire and awaken a drooping soul by reminding him of his infinite potentialities and inherent greatness, and making him move ahead on the difficult terrain of life and circumstances. This book is a must for all those who earnestly wish to move ahead in the grand march of life, infested with tremendous obstacles and difficulties, towards the state of Supreme Felicity. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

Daily Life Vivekananda

Swami Vivekananda

Applying the Ideology of Swami Vivekananda in Today's World

The Monk as Man

Swami Vivekananda at the Parliament of Religions

What did Swami Vivekananda recommend about the eating of vegetarian and non-vegetarian food? Which of these did Swamiji enjoy the most: his mother's chorchori (a mixed vegetable delicacy), his father's pulao or his own khichuri? Was he fond of spicy food, sweets, or ice cream? During his days of hunger and want, for how many days at a stretch did Swamiji have to go without food? Over the last 150 years, writings on Swami Vivekananda's culinary interests have intrigued a wide spectrum of people across the world. This includes hitherto unknown stories of his spreading the art of making pulao and khichuri along with his propagation of the Vedas, in the United States of America. While many thinkers wonder at Swamiji's immense enthusiasm for teaching Indian cooking, yet it is not quite clear why no complete book about our culinary-enthusiast monk Vivekananda has ever been published in any language. Swami Vivekananda: The Feasting, Fasting Monk is the humble, illumination of a thousand faceted diamond by Sankar.

This book presents in the words of Swami Vivekananda (1863-1902) a history of Vedanta, the deep exploration of the inner human world going back to the most ancient rishis or seers whose testimony is still revered in India. He traces the tradition up to the beginning of the twentieth century, showing how the dynamics of social structures within Vedanta and the appearance from within Vedanta of traditions such as Jainism, Buddhism, Hinduism and Sikhism influenced and molded the tradition. In addition, he studies the impact of the Western, Abrahamic invasions of India that began around the eleventh century CE. These brought to bear on Vedanta a worldview which operated on the assumption that the physical world was the primary reality and that the kind of radical exploration of the inner world embraced by Vedanta was highly suspect and not valid. The Vedantic tradition adapted in many different ways, producing a variety of philosophical positions that are still extant today. Along with these traditions went various forms of yoga or self-transformation, in Vedanta the key to experiencing the inner meaning of not only philosophy, but also of our human condition, and of reality itself. This tradition presents four contexts of experience (chatuspad), suggesting the "right brain" mode of approach as described by Iain McGilchrist (2009). Under the influence of Shri Ramakrishna (1836-1886) Vivekananda gained access to vijnana or a knowledge higher than those classically described and known in the chatuspad. Vijnana permitted the acceptance of not only the traditional, deeply experiential truths of Vedanta, but also of the validity of Western materialism when seen as related to each other on a continuum of consciousness to be traversed by contemporary forms of yoga. I see the result as a resolution of "right-left" brain conflict à la McGilchrist and thereby a model for universal human understanding, conciliation and co-operation. In my introduction I attempt to show how the whole picture can be related both experientially and conceptually to matrices of consciousness developed in India as far back as the early medieval period. A large glossary and index-cum concordance indicate the various contexts and depths of thought that emerge from Vivekananda's multi-contextual vijnana.

Swami Vivekananda was a Hindu monk and chief disciple of saint Ramakrishna. He was the one who introduced the Indian philosophies of Vedanta and Yoga to the Western world. Swami Vivekananda devoted his life building a bridge between Indian and Western culture. He presented Hindu scriptures, philosophy and way of life to the Western people in a language which they could understand. This beautifully illustrated biography traces his journey from a young man to a teacher and philosopher, who established religion as the

highest and noblest pursuit to attain freedom, knowledge and happiness.

The life and message of Swami Vivekananda are a source of great inspiration to many in their individual as well as collective life. The present short biography published by Advaita Ashrama, a Publication House of Ramakrishna Math, Belur Math, is intended to meet the needs of those who have neither the time nor the opportunity to read bigger works about the Swami. A versatile genius as the great Swami was, and many-sided as were his activities, it is idle to hope that a complete picture of his wonderful life could be given in such a small compass. Here an attempt is made to give only a glimpse of this great personality so that people may become interested to know more about him.

Swami Vivekananda

Jnana Yoga

His Life, Legacy, and Liberative Ethics

Talks with Swami Vivekananda

My Master

This compilation by Advaita Ashrama, a publication centre of Ramakrishna Math, is a documentation of selected notes and utterances of Swami Vivekananda about himself and his work. These are arranged chronologically so as to form what may be called a near autobiography of the saint.

Written in simple English, this books tries to introduce Swami Vivekananda to young readers in the hope that they will want to know more about this great man and get acquainted with his ideas and draw inspiration from them. All the important events in Swami Vivekananda's life are presented in an engaging manner. A few important teachings of Swami Vivekananda are presented topic wise so that the reader may apply them in their own life. This book may also serve as an excellent rapid reader for school students.

Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math.

Swami Vivekanand had motivated his disciples and colleagues to devote their entire life to the cause of social welfare. Mrs Asha Prasad has presented the episodes related to Swami Vivekanand's motivating tactics in a very interesting manner in this book. The collection of these interesting episodes must have been a very difficult task involving many hassles and obstructions. Mrs Prasad deserves congratulation as well as thanks. This book portrays a true sage who had looked for the way to get God through the welfare of the bare, hungry, Dalit and downtrodden. He was different from those sages who think that showing small magical tricks and gathering crowd of people are the pinnacle of Indian spiritualism. Today, our youths are sans any leader and thus, they are wandering hither and thither. This book can give new inspiration to those young men and women.

Vivekanand had said to the youth, "First of all, have faith in your own self. Then, have faith in God. A handful of strong human beings can shake the world. We need a heart that may be able to feel sensation. We need a brain that may be able to catch thoughts. We need a strong arm that may be able to do work. The history of the world is the history of those few people who had faith in themselves. Due to faith, the divine power within the human being wakes up. Then, you can do anything"

Swami Vivekananda philosophy was a blend of the traditional values and modern thoughts; as well as human values and superhuman thoughts. Although he lived only for thirty-nine years; he influenced the thinking of multitudes around the world. His charismatic personality and intellectual speeches made an impact that altered people's concept of Hinduism and India globally. Even today; his teachings are capable of transforming all who are keen to imbibe them. Vivekananda was born when Calcutta was India's capital under the British Raj. It was a time when the British Raj sought to change the governing system of India after the Mutiny of 1857. Swami Vivekananda preferred a modern approach to deal with the existing social problems and favoured Western ideas. This book tries to cover the life and philosophy of Swami Vivekananda comprehensively and give an insight about his personality.

Biography of Swami Vivekananda

A Short Life of Swami Vivekananda

A Man with a Vision

Swami Vivekananda's History of Universal Religion and Its Potential for Global Reconciliation

The Prophet of Modern India

Swami Vivekananda has revealed himself with even greater appeal in his intimate and informal conversations with his disciples than in his preaching in public. In these talks published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, he gives directions about spiritual practice and meditation, discusses the highest philosophy, and in the next breath discusses the problems of national regeneration, social reform, educational ideals, and other such topics.

This lecture was delivered by Swami Vivekananda in California. It gives a vivid picture of how his great heart bled for the suffering millions of India, and also his plan for the uplift of his motherland to the position of her past glory. In these pages the reader also finds the great Swami speaking so poignantly about himself, his inner struggle and sorrow. Pubished by Advaita Ashrama, a branch of Ramakrishna Math, Belur Math, India, this book is a must for all those who want to feel the charm and force of Swamiji's thoughts.

The Life of Swami VivekanandaThe Prophet of Modern IndiaA Biography of Swami Vivekanandabooks catalog

Arguably, the greatest achievement of Swami Vivekananda, one of the most celebrated icons of modern India, was the reconstruction of Hinduism. This he accomplished by reforming the religion in India and changing its image in the West. Indeed, the Hinduism that Vivekananda expounded at the Parliament of World's Religions in Chicago was a new, progressive version of an ancient tradition, devoid of the

superstitions and distortions with which it had come to be associated. He revolutionized Hindu faith traditions by turning them into a repository of rational, universal philosophy. This book tries to get to the heart of Swami Vivekananda's legacy and his relevance in the contemporary world. It examines hitherto lesser-known aspects of Swamiji's life and work including his contributions to practical Vedanta, universal religion, science-spirituality and inter-religious dialogue, dharmic secularism, educational philosophy, poetry, and, above all, to the problem of Indian modernity. Despite the abundance of literature available on him, Swami Vivekananda is still not understood adequately, remaining somewhat of an enigma. A fresh reading of the life and times of the Swami by someone who has studied him closely, Makarand R. Paranjape's detailed, thought-provoking account shows that in Vivekananda's visionary thoughts lay the seeds of the creation of a modern India. This book reclaims Swami Vivekananda's stature as a pioneer of contemporary Hindu thought and nationalism.

Teachings of Swami Vivekananda

The Feasting, Fasting Monk

Swami Vivekananda: Life and Teachings

My Life and Mission

A collection of stories told by Swami Vivekananda

2012 Reprint of 1928 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Vivekananda was an important Indian teacher who came to this country just over a century ago and taught Hindu meditation practice and religious philosophy. Raja Yoga means the "discipline of meditation practice," as opposed to Hatha Yoga, which means the "discipline of physical stretching exercises." Raja Yoga is one of the most well-known books by Vivekananda, who also wrote books on Karma Yoga, Bhakti Yoga and Jnana Yoga. According to the author, the goal of Raja Yoga is to concentrate the mind and to discover the innermost recesses of our own mind. In order to obtain the goal, practice is absolutely necessary. The appendix contains the translation of the Patanjali Yoga Aphorisms.
