

Sweeney Todd The Demon Barber Of Fleet Street Applause Musical Library

The story of Sweeney Todds murderous partnership with pie-maker Margery Lovett--at once inconceivably unpalatable and undeniably compelling--has set the table for an endless series of dramatic adaptations. This new edition allows modern readers to savor the original in all its gruesome glory. This is the mystery novel that started it all: The gruesome legend about the "demon barber of Fleet Street." Many people still believe that Sweeney Todd and his aide, the pie-baking Mrs Lovett next door, were real people living at the turn of the century 1800, the time period in which the story is set, but The String of Pearls is in fact pure fantasy, based on a French myth which has been traced down to the 17th century, "The bloody legend about the barber and the patissier." The earliest known version of this myth can be found in a book from 1612, written by the priest Jaques du Breul. However, The String of Pearls is a very thrilling and suspenseful story in its own right. The novel was published anonymously as a serial in the penny magazine The People's Periodical and Family Library, in 1846-47. It was written by either James Malcolm Rymer (1814-84) or Thomas Peckett Prest (probably 1810-59), but presumably by both in collaboration. Rymer and Prest were the kings of "penny dreadful," also responsible for Varney the Vampyre (1845-47), the most successful penny dreadful ever and a precursor to Bram Stoker's Dracula.

Sweeney Todd: The demon barber of fleet street

The Demon Barber of Fleet Street : a Musical Thriller

Tale of Sweeney Todd, the Demon Barber of Fleet Street (Horror Classic)

Murder on stage is the first and most theatrical moment known to the theater. Sweeney Todd: The Demon Barber of Fleet Street, takes this effect to a whole other level. Sweeney Todd is a dark opera that follows the demise of a man through his struggle for revenge, and his quest to reunite with his family. This thesis will cover, from start to finish, the entire scenic design process of Temple University's 2010 production of Sweeney Todd: The Demon Barber of Fleet Street.

Sweeney Todd is a barber who murders his customers and turns their remains into meat pies sold at the pie shop of Mrs. Lovett, his partner in crime. His barber shop is situated in Fleet Street, London, next to St. Dunstan's church, and is connected to Lovett's pie shop in nearby Bell Yard by means of an underground passage. Todd dispatches his victims by pulling a lever while they are in his barber chair, which makes them fall backward down a revolving trapdoor and generally causes them to break their necks or skulls on the cellar floor below. If the victims are still alive, he goes to the basement and "polishes them off" by slitting their throats with his straight razor.

The "penny blood" came into being through a process which began with higher standards of general education and literacy in England at the beginning of the 19th century, and continued with the invention of fast and efficient printing presses and cheap paper production. These combined elements simultaneously created a new, mass market for literature, and fed that market with new, affordable product. The gothic novel, popular amongst a rarefied class of literary readers, duly gave way to sensationalistic, graphic shockers for the masses. The PENNY BLOOD CLASSICS ebook series, which focuses on the "golden age" of the penny bloods, starts with the legendary tale of Sweeney Todd, cut-throat barber of London's Fleet Street. Perhaps inspired by "Horrible Murder And Human Pie-Makers", a gruesome true crime story published in 1825 in The Tell-Tale and included here as a fascinating bonus story. Todd first appeared in Edward Lloyd's celebrated serial "The String Of Pearls" (1846-47), most likely written by James Malcolm Rymer, either alone or alternating with Thomas Peckett Prest. The blood-curdling version included here is from a lesser-known periodical, probably published around 1850, by which time Todd had acquired, via a theatrical melodrama by George Dibden Pitt, his famous catch-phrase "I'll polish him off". The book also includes an extensive introduction on the history of the penny blood.

The gruesomely fascinating musical about the 'Demon Barber of Fleet Street', one of Sondheim's greatest hits. From the writing partnership behind A Little Night Music. Victim of a gross injustice that robbed him of his wife and child, Sweeney Todd sets about exacting a terrible revenge on society: slitting the throats of the customers who visit his barbershop. But things are getting complicated - a romance has developed with Mrs Lovett, the lady who runs the pie shop next door, and the disappearances are starting to cause concern. With the bodies piling up, Sweeney Todd hits upon a novel idea, and starts passing on his 'patrons' to his homely neighbour... Meat pie, anyone? Stephen Sondheim and Hugh Wheeler's musical Sweeney Todd opened on Broadway in 1979 and in the West End in 1980. It won the Tony Award for Best Musical and Olivier Award for Best New Musical. It has since had numerous revivals as well as a film adaptation.

Defying the Traditions of American Musical Theater

The Demon Barber of Fleet Street

The Demon Barber of Fleet Street : the Graphic Novel

In the early years of the Victorian age, a newly literate class of readers turned to "penny dreadfuls" for escapist fun. Blood-curdling tales, published in installments and costing only a penny, offered gripping episodes of romance, mystery, and horror. The notorious penny dreadful Sweeney Todd: The String of Pearls recounts a young woman's desperate search for her missing sailor sweetheart?a quest that ends in a Fleet Street barber shop, where the proprietor has an unsavory connection with a local baker and the secret ingredient to her delicious meat pies. Authorship of this tale, which was printed anonymously in 1846-47 in eighteen weekly installments, remains in doubt. The story's serial publication ensured an abundance of cliffhangers, and its dark humor made it an especially appealing source for the long-running Broadway musical Sweeney Todd: The Demon Barber of Fleet Street. A delight for fans of the modern play, this gripping yarn remains a treat for readers of Victorian mysteries.

A Study Guide for Stephen Sondheim's "Sweeney Todd: The Demon Barber of Fleet Street" (film entry), excerpted from Gale's acclaimed Drama for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama for Students for all of your research needs.

Argues that the legendary character Sweeney Todd was an actual historical figure who committed his crimes in eighteenth-century London and was victimized by the poverty and crime that was prevalent in the underworld of that time period.

Sweeney Todd - The Demon Barber (Fantasy and Horror Classics)

Attend the Tale of Sweeney Todd

The Real Story of the Demon Barber of Fleet Street

Barber Sweeney Todd returns to London seeking revenge for the loss of his wife and daughter by killing customers and dropping to the shop downstairs to be made into meat pies by Mrs. Lovett. Includes sketches and photographs from several productions.

Presents in graphic novel format an adaptation of the classic Victorian tale of Sweeney Todd, the barber who robbed and murdered his customers and disposed of their remains at the local bakery, where they were made into meat pies.

Thomas Prest was a prolific and popular writer of Victorian 'penny dreadfuls'. The 'demon barber', Sweeney Todd, was his most famous and successful creation. Many of the penny dreadful stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Sweeney Todd, the Demon Barber of Fleet Street. [By Charlton Lea?].

Sweeney Todd (the Demon Barber of Fleet Street) (Vocal Selections)

Melodrama / Casting: 8m, 3f / Scenery: Simple ints./exts. In this version of the old melodrama, Todd has some grounds for his nefarious activities: his wife was abducted and raped by the Judge and his daughter abandoned, while he himself was deported on a false charge. He returns to avenge his family, accompanied by a sea captain, Anthony, whose life he has saved. Anthony falls in love with a young girl, the Judge's ward, who turns out to be Todd's daughter. Todd, meanwhile, sets up with Mrs. Lovett, the pie maker, and provides her with fillings for her pies. He proceeds with his vengeful plans but the outcome is bitterly ironic.
