

Tales Of The Bounty Hunters Star Wars Kevin J Anderson

*Collecting Star Wars: Bounty hunters #6-11"--Page 4 of cover.

Boba Fett fears only one enemy--the one he cannot see.... Feared and admired, respected and despised, Boba Fett enjoys a dubious reputation as the galaxy's most successful bounty hunter. Yet even a man like Boba Fett can have one too many enemies.... When Boba Fett stumbles across evidence implicating Prince Xizor in the murder of Luke Skywalker's aunt and uncle, Fett makes himself an enemy even he fears: the unknown mastermind behind a monstrous deception, who will kill to hide his tracks. Fett also finds himself in possession of an amnesiac young woman named Neelah, who may be the key to the mystery--or a decoy leading Fett into a murderous ambush. Fett's last hope is to run through the list of Xizor's hidden enemies. And since Xizor's hidden enemies are almost as legion as Fett's, the chance of survival is slim--even for someone as skilled and relentless as Boba Fett. © 1999 Lucasfilm Ltd. and TM. The old Apache renegade Soldado Viejo is hiding out in Mexico, and the Arizona Department Adjutant has selected two men to hunt him down. One -- Dave Flynn -- knows war, the land, and the nature of his prey. The other is a kid lieutenant named Bowers. But there's a different kind of war happening in Soyopa. And if Flynn and his young associate choose the wrong allies -- and the wrong enemy -- they won't be getting out alive.

A group biography of '90s punk rock told through the prism of Green Day, The Offspring, NOFX, Rancid, Bad Religion, Social Distortion, and more Two decades after the Sex Pistols and the Ramones birthed punk music into the world, their artistic heirs burst onto the scene and changed the genre forever. While the punk originators remained underground favorites and were slow burns commercially, their heirs shattered commercial expectations for the genre. In 1994, Green Day and The Offspring each released their third albums, and the results were astounding. Green Day's Dookie went on to sell more than 15 million copies and The Offspring's Smash remains the all-time bestselling album released on an independent label. The times had changed, and so had the music. While many books, articles, and documentaries focus on the rise of punk in the '70s, few spend any substantial time on its resurgence in the '90s. Smash! is the first to do so, detailing the circumstances surrounding the shift in '90s music culture away from grunge and legitimizing what many first-generation punks regard as post-punk, new wave, and generally anything true punk music. With astounding access to all the key players of the time, including members of Green Day, The Offspring, NOFX, Rancid, Bad Religion, Social Distortion, and many others, renowned music writer Ian Winwood at last gives this significant, substantive, and compelling story its due. Punk rock bands were never truly successful or indeed truly famous, and that was that -- until it wasn't. Smash! is the story of how the underdogs finally won and forever altered the landscape of mainstream music.

The Bounty Hunter Code

Two exciting stories from bestselling author Clint Clay. These two tales are about bounty hunters. If you love westerns and exciting adventure stories you will love these. Especially hand picked for you by the author himself. Western frontier adventure Brogan the Bounty Hunter. Brogan has had a difficult life and as a bounty hunter has made few friends. Those few friends seem to be becoming fewer. He misses a life he once knew and sees a glance into that happiness in a single woman and her Indian child. Bringing in who he thought would be his last bounty he heads back east in search of a better life. Those plans briefly interrupted when the woman and child he had planned to take with them suddenly change their mind. Brogan finds himself again traveling alone and facing depressing memories that could prove fatal. The Den of the WolfJake had sat on the rim of the box canyon among the green pines concealed. He had always enjoyed the smell of the pines, and it had made the last six days bearable. He had been watching the activity of the cabin below and his camp had been a cold one making Stone miss his coffee. He didn't like waiting but knew patience was important in his line of work. It could make the difference between life and death and he had killed many who had lost their patience and had risked everything by not waiting.

Boba Fett bound together the Bounty Hunters Guild and the Death Watch recruiting booklet, together these form 'The Bounty Hunter Code.' This is an illustrated guide for all bounty hunters, containing the secrets of the hunt of this misunderstood profession. As well as the bounty hunter philosophy, also included are discussions of armour and weaponry.

The adventures of a motley crew in search of an elusive prey.

The martial world only respects the strong. Bounty hunters have taken Shu Yan. After surviving an ambush by the double-crossing Lady Yue, Li Ming, the last swordsman of Blue Mountain, will stop at nothing to free the girl. To save her, he will have to count on the help of some old allies: the deadly spearwoman Jingyi, and Tao Jun, his sworn brother (and occasionally corrupt magistrate). Meanwhile, Shu Yan, in the company of the most ruthless and dangerous scum of the martial world, must rely on more than her wits and a snarky joke to survive. But there is unrest in the martial world. Shazha Kui, the butcher of Blue Mountain, is building a powerful army, awaiting the right moment to topple an empire. Has the time finally come for Li Ming to ave the ghosts of his family? TALES OF THE SWORDSMAN is a blend of witty banter, laugh out loud humor, martial arts action, and larger-than-life characters. Inspired by sweeping martial arts epics like Legends of the Condor Heroes, Hero, Crouching Tiger Hidden Dragon, and anime hits like Samurai Champloo, fans of classic wuxia will love this series.

Star Wars: Doctor Aphra Vol. 3

Collects Star Wars (2015) #7, 15, 20, 26-30; material from Star Wars (2015) #37. Lost tales of the Jedi revealed! Obi-Wan has slowly adjusted to his life of exile on Tatooine, secretly protecting young Luke Skywalker. But now, injustice reigns as villainous scum run rampant, extorting moisture farmers and wreaking havoc. Will "Old Ben" risk revealing himself to do what's right? And when Jabba the Hutt hires a bounty hunter to find out who's been thwarting his men, Obi-Wan must take on the galaxy's deadliest Wookiee, Black Krrsantan! Plus, years earlier, when Obi-Wan was still a Padawan, Master Yoda found himself trapped on a savage world with a hidden power. Yoda must learn the secret of the stones -- and his struggle in the past will affect Luke in the present! And can Obi-Wan save a young Tusken Raider? Duke Morgan owns and operates one of the largest bail bond companies in Atlanta. Not only does he bond criminals out of jail, he and his notorious group of bounty hunters will also track them down and ensure they show up for court. Roman 'Quick' Webb is Duke's business partner and best friend. Both men are in their forties and have given up on the happily ever after with the ranch-style home, and white picket fence. They'd both tried it and failed miserably. But they have their friendship and they have the business. When Quick's son, Vaughn Webb returns -- after seven years -- from studying abroad with his law degree in hand, he's back to claim what he's always wanted...his fathers' best friend... Duke Morgan. Vaughn has always claimed to be a classic gentleman with an old soul. He didn't party and screw up like his buddies. He was focused and dedicated to becoming the man worthy of Duke's love. It's a complex and messy situation as Duke and Quick figure out how to still be best friends when one of them is sleeping with his friend's one and only son. But when Duke is hurt on the job, all the unimportant trivialities fall to the wayside and Vaughn and Quick put their heads together to save Duke. Part I of the Promises story is about Duke and Vaughn. Part II will be about Quick and his realization that it's not too late for any of them to find love.

Five stories highlight the world of Star Wars and feature the writings of Dave Wolverton, Kathy Tyers, M. Shayne Bell, and Daniel Keys Moran

The Bronze Age Bounty Hunters

An Agony... In Eight Fits

In the dusty heat of twin-sunned Tatooine lives the wealthiest gangster in a hundred worlds, master of a vast crime empire and keeper of a vicious, flesh-eating monster for entertainment (and disposal of his enemies). Bloated and sinister, Jabba the Hutt might have made a good joke -- if he weren't so dangerous. A cast of soldiers, spies, assassins, scoundrels, bounty hunters, and pleasure seekers have come to his palace, and every visitor to Jabba's grand abode has a story. Some of them may even live to tell it. . . . Featuring original stories by: Kevin J. Anderson, M. Shayne Bell, John Gregory Betancourt, Mark Budz and Marina Fitch, A.C. Crispin, Dan! Danehy-Oakes, George Alec Effinger, Kenneth C. Flint, Esther Friesner, Barbara Hamby, Daryl F. Mallett, J.D. Montgomery, Judy and Gar Reeves-Stevens, Jennifer Roberson, Kathy Tyers, Deborah Wheeler, Dave Wolverton, William F. Wu, Timothy Zahn.

Never betray a bounty hunter - especially if it's Boba Fett! Years ago, Valance and Bossk joined Fett on a mission that went sideways in a bad way, thanks to a violent betrayal by Valance's mentor Nakano Lash! The trio barely escaped with their lives. Now, Lash has finally resurfaced under mysterious circumstances - and every bounty hunter in the galaxy wants a piece. Valance is hell-bent on getting to the prize first; after all, he has score to settle...but so does Boba Fett! With a slew of assassins on her tail, what could have possibly made Lash break her word and betray her protégé? The truth could shake the foundations of the galaxy's criminal underworld! The biggest, baddest bounty hunters of all clash in a rip-roaring tale of scum and villainy. STAR WARS-style! COLLECTING: STAR WARS BOUNTY HUNTERS (2020) 1-5

"The rogue archaeologist returns - with a new crew and a new mission! With the Rebel Alliance on the run after their defeat at the Battle of Hoth, it's never been a more dangerous time for outlaws and scoundrels. But after a string of bad luck and near escapes, Doctor Aphra is back on the job--hunting the score of a lifetime that's too good to pass up. To find the cursed Rings of Vaale, Aphra will need a crew of treasure hunters the likes of which the galaxy has never seen before! But Ronen Tagge, heir to the powerful Tagge family, also has his eyes on the prize. Do Aphra and her team stand a chance at fortune and glory? Or could there be a traitor in their midst?"--Provided by publisher.
At some point in his career Boba Fett bound together two volumes of great importance to him: the latest edition of the Bounty Hunters Guild Handbook and a recruiting booklet put out by Death Watch, the secretive splinter group of Mandalorians. Together, these volumes make up The Bounty Hunter Code. The Handbook contains the secrets of the ins and outs of a demanding, misunderstood profession. The Death Watch volume is full of Death Watch history and philosophy, with handwritten notes from Jango Fett to his son Boba. The Bounty Hunter Code - along with Boba Fett's personal effects - is housed within a secure, blast-proof bounty hunter's case, recovered by Alliance forces after the enigmatic tracker's untimely end at the Pit of Carkoon.

JEDI KNIGHT AND PRIVATE EYE TEAM UP TO UNCOVER A MYSTERY THAT WILL CHANGE THE HIGH REPUBLIC FOREVER! A Jedi Master is dead. Another is in a state of complete shock. It's a murder the likes of which the Jedi Order has never seen before. There are no leads. There are no suspects. There is no motive. But Jedi Investigator EMERICK CAPHTOR must solve the case before it's too late. The fate of the Jedi, the Huts, the Nihil and everyone in the galaxy, hangs by this unglued thread of lies and deceit. Emerick will need to dive into the darkness, testing himself and his Jedi ideals like never before. He'll need help. Luckily, Private Eye SIAN HOLT lives in the dark. Together, they'll follow this trail of shadows wherever it leads. If they can work together, that is. Teenage bounty hunters hunt down the world's most wanted terrorists in order to avert a world war. In a world brought to the brink of collapse by climate change, 18-year olds Lance and Boom Boom struggle to make ends meet as teenage bounty hunters. With the promise of a \$25 million reward that will allow them to hang up their bounty hunting boots, Lance and Boom Boom undertake a perilous mission to capture the world's most wanted terrorist.

This mission thrusts them into a conspiracy that has the potential to ignite a world war. That's the basic premise of Tales of a Teenage Bounty Hunter. Lance and Boom Boom have had a love-hate relationship ever since they were kids, but they've always had each other's backs when it mattered most. With their sassy and voluptuous side-kick, Krystal, there's no criminal these teenage bounty hunters can't take down. Their amazing streak of outwitting bad guys comes to a screeching halt, however, when one of their intended targets, Caesar Dominguez, turns the tables and puts a bounty on their heads... a cool \$10 million. Lance, Boom Boom and Krystal realize if they plan on reaching their 20s, they're either going to have to either find a new occupation, or cash in on a really big pay-day. The decide to go for the latter when President Angela Klaxton puts out a bounty for the world's most wanted terrorist, Mikhail Rasputin. The reward? An unheard of \$25 million. If they get that, Lance and his female companions will never have to work another day in their young lives. The task of hunting down Rasputin is easier said than done, of course. The trio must first traverse the crime-riddled wasteland of America. Along the way they must dodge all the bounty hunters now after them, not to mention avoid all the criminals plugging the country like locusts. When they finally do reach Rasputin's rumored hideout, they stumble upon a conspiracy that, if left unchecked, could result in a nuclear holocaust. Lance, Krystal and Boom Boom started this voyage with the intention of making some serious dough. They end up, however, being the only people standing in between a continued peace and a catastrophic world war. Tales of a Teenage Bounty Hunter is told in a dual first-person narrative style. Chapter One is told from Lance's POV, Chapter Two is told from Boom Boom's POV, Chapter Three from Lance's, etc. This allows readers to get both sides of the story from the two main characters. It's an action-packed thriller sprinkled with just enough romance to keep everyone happy. This is the first book of a 7-part series.

Galaxy's Deadliest

Brian King was honorably discharged from the United States Navy five years ago. He'd left with the highest honors a man can receive in his country, but he'd paid the ultimate price to earn them. He was considered one of the best: an Intelligence Officer in a Joint Special Operations Delta team that'd been a twelve-man wrecking crew. They'd thought they were invincible... until they weren't. Brian was the only member that survived the ambush. He survived ten months of pain, of torture, only to emerge on the other side a warrior. A POW survivor. He'd returned home with all his limbs, his right mind, and with his only brother Ford, at his side. But, one thing had been lost, maybe for good... his voice. Now, being a bounty hunter is Brian's only means to satisfy his need to calculate, track, and capture. His only outlet to the stress caused by his silence. He was good at what he did. But, all work and no play for a forty-four year old man was taking its toll. Brian wasn't a faulty experiment. He missed companionship, he missed communicating. So, when he met Sway Hamilton - in the most unconventional means - he'd been surprised at his special way of understanding Brian's every look... and touch. Sway grew up in the rough part of ATL, trailing behind his twin brother Stanton and his best friend, Dana. He and his brother had a bond only twins could understand. So when Stanton's life was taken during their sophomore year in college, Sway didn't think he'd ever recover. He finally finished school, got his masters in nursing, worked hard, and focused on taking care of his mother. However, Sway knew there was more to life than heartache, and caring for others. There had to be. But he didn't know what any of those things were until he met a dark hunter that blew his mind... and the intense man had never uttered a single word. Brian and Sway can feel the powerful connection between them. It was there from the start-but both of them have battled with loss and anguish for so long, neither understand that love can ease all of it. Do they have the courage to battle through it together? Sway has to learn to trust In love, and Brian has to believe that Sway will always understand him even if he never speaks again.

A captivating adventure for all ages, Briz and Bayla: The Bronze Age Bounty Hunters is the first installment of Jeremy Goble's Moving Targets series. Follow Briz and Bayla on the beginnings of their immortal journey of mystery, magic, and fortune.

The worlds of Star Wars are full of countless alien species, each stranger and more fascinating than the last. Here you'll find six stories for kids about just some of the amazing aliens who appear in the smash-hit movie Star Wars: The Force Awakens. Featuring a dashing tale of piracy and double crosses, the story of a wise Jakku constable and an unfortunate droid, and a mystery that can be solved only by the gruff cook at Maz Kanata's castle, this collection will bring thrills and chills as it takes you deep into the corners of your favorite galaxy far, far away... Constable Zuzu must get to the bottom of things when a faithful droid commits a bold robbery in "High Noon on Jakku."

The Frigorian cryptosurgeons of Takodana give a criminal on the run just what she asks for in "The Face of Evil." The repugnant scrap trader Unkar Plutt may finally have met his match in the twisty tale "True Love." Bobboja the Crittermonger spins a tale of bravery against impossible odds in the fable "All Creatures Great and Small." "When his sous chef turns up dead, the cook at Maz Kanata's castle holds an unusual competition to find the culprit in "A Recipe for Death." And pirates, gangs, and bounty hunters alike race to find precious cargo in "The Crimson Corsair and the Lost Treasure of Count Dooku."

When the man who murdered her husband places a bounty on her head, bounty hunter Cat O'Banyon teams up with con artist Alexi Romanov--with whom she shares a complicated history--in order to catch the killer before he catches her.
