

Where To Learn Talk Dirty Spanish Beyond Merda The Curses Slang And Street Lingo You Need To Know When You Speak Espanol

Talk Dirty Spanish Beyond Merda The Curses Slang And Street Lingo You Need To Know When You Speak Espanol

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious “gringo” errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, “trickster” words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker’s conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner’s Spanish will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

Let’s be serious! Can’t quite come up with the right French quip or four-letter word? With Talk Dirty: French, you’ll be able to put your (middle) finger on it. Each entry provides an individual foreign gem, a useful French sentence employing the word, the expression’s English counterpart, and its literal translation. Whether you’re a native-speaker, world traveler, or just looking to tell off those brash Parisians, these naughty words and risqué slang will surely give your tongue a French twist. Les couilles: the balls French Expression: Je l’ai avertie-elle ne m’a pas écouté alors maintenant je m’en bats les couilles. Translation: I warned her—she didn’t listen to me so now I’m flipping my balls off it.

A collection of essays that analyze the interconnections between race, ethnicity, and sport.

The Kindly Ones

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—“The Butterflies.” In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Learn Spanish slang, funny insults, and explicit phrases with this exercise book that quizzes you on how Spanish is really spoken! Classroom workbooks teach conjugation with lame verbs—I walk, you walk, he walks. Eff that. Wouldn’t you rather be learning I hook up, you hook up, we hook up (Yo ligo, tu ligas, nosotros ligamos)? This book teaches you Spanish using the expressions you really want to learn, including cool slang, swear words and explicit sex terms. Packed with fun stuff they don’t teach in school, Dirty Spanish Workbook includes: • Sample Dialogues for Picking Up Sexy Locals • Labeled Illustrations of the Body’s Hot Spots • Conjugation Exercises on Conjugating • Word Search for Dancing, Clubbing and Partying Terms • Fill-in-the-Blank Sentences to Describe a Hottie • Multiple Choice Quizzes featuring Drunk, Wasted and Stoned Vocabulary

Learn to Speak German--the Dirty Deutsch Way! If you think German is all brat and no wurst, you need to think again. German is sexier--and dirtier--than you might imagine. (Think Hamburg!) From hearts and violins to pigs and dogs, Goethe’s native tongue is ripe--and rank--with creative obscenities, including: Kuck mal diese geile Schnitte! Look at that sexy chick! Literal translation: Look at that sexy slice! Alle wissen dass Klaus sehr gut geigt.

An extraordinarily vivid, unflinching series of portraits of South America today, written from the inside out, by the award-winning New Yorker journalist and widely admired author of Samba.

Latin Alive

A U.S. debut by an award-winning Latin author finds a young writer returning to his native Argentina to uncover a mystery surrounding his dying father's obsession with the disappearance of a local man, which he ties to the country's dark political past and his family's underground resistance activities.

Longman Structural Readers are graded both by structure and vocabulary in six stages, ranging from post-beginners to intermediate level. Red beginners can start with Eastystarts and progress to LSR Stage 1. Most books in the series contain exercise material.

Airplane Blonde. Intercorpse. Proslitof. Queef. Rainbow Kiss. There's a big world of obscenity out there--and you'll explore every profane nook and cranny in this compilation. We're talking about more than 2,000 insults, obscenities, and vulgarities raw enough to make even the most unflappable linguist blush. Forget grammar school swearing; this is advanced cursing for the most discerning dirty mouths! From the colorful--geequals, manscape, prairie dog--to the crude--giraffe, Roman shower, vagitarian, this big-ass book of bad language will have you dissing douchebags with doolaily style in just a friggin' minute!

Tia Gorda has always claimed Soledad was born con la pata caliente -- with feet burning to be anywhere but here. In truth, Soledad couldn't wait to get beyond the stifling confines of West 164th Street, away from her superstitious, contentious family with their endless tragedies and petty lights: from the leering men with their potbellies, the slick-skinned teen girls with their raunchy mouths and snapping gum. At eighteen, Soledad couldn't get away from the volume and the violence of the barrio some call Dominican Heights fast enough. Two years later, an art student at Cooper Union with a gallery job and a hip East Village walk-up, Soledad feels eminently cool and infinitely far from the neighborhood where she grew up. But when Gorda calls with the news that Olivia, Soledad's mother, has lapsed into an emotional coma, Soledad knows she hasn't escaped la familia. Gorda insists Soledad's return is the only thing that will cure Olivia. Fighting the memories of the life she's left -- the broken hydrants on littered corners, her jealous cousin Flaca, her bizarre mother and, curiously, images of her mother's Dominican youth -- Soledad returns home to Washington Heights. Her journey has only begun. As Soledad tries to salvage her damaged relationship with Olivia, tame Flaca's raucous behavior, tolerate her zany Tia Gorda and resist falling for Richie, a soulful, intense man from the neighborhood, she also faces the greatest challenge of her life: confronting the ghosts from her mother's past. Rich, evocative and wise, Soledad is a wondrous story of culture and chaos, of family and integrity, myth and mysticism. Angie Cruz is a dazzling new voice, a Latina literary light whose passionate debut in Soledad surely marks the beginning of a remarkable career.

Does My Body Offend You?

A Guide to Spanish from Argentina

“Oh my human brothers, let me tell you how it happened.” Dr. Max Aue, the man at the heart of Jonathan Littell’s stunning and controversial novel The Kindly Ones, personifies the evils of the Second World War and the Holocaust. Highly educated and cultured, he was an ambitious SS officer, a Nazi and mass murderer who was in the upper echelons of the Third Reich. He tells us of his experience during the war. He was present at Auschwitz and Babi Yar, witnessed the battle of St. Elmo, personally in the last days of Nazi Germany. Long after the war, he is living a comfortable bourgeois life in France, married with two children, managing a lace factory. And now, having evaded justice, he speaks out, giving a precise and accurate record of his life. The tone of his account is detached, lapidary, and for the most part unrepentant, whether he is describing his participation in mass murder on the Eastern Front, his bureaucratic investigations of labour productivity in the lines towards the end of the war, or his fervid and convoluted relationship with his twin sister. Over its course, by entwining Aue’s life with those of historical figures such as Eichmann and Speer, Himmler and indeed Hitler, The Kindly Ones comes to depict the entire architecture of Nazism — from its grandest intellectual pretensions to its most minute, most chilling managerial details and executions. The Kindly Ones presents — with unprecedented realism, meticulous research that

greatest horrors imaginable. “War and murder are a question, a question without an answer, for when you cry out in the night, no one answers.” Aue says. In the same way, this powerfully affecting, powerfully challenging book confronts the reader with the most profound questions about history, morality, and art without offering any easy resolution. Written originally in French, and published now in English for the first time, The Kindly Ones has already sold to date well over a million copies in France and is being translated into more than 20 languages.

Go to court, and it has been compared to War and Peace and other great classics of literature. Things have never been easy for Oscar. A ghetto to nerd living with his Dominican family in New Jersey, he's sweet but disastrously overweight. He dreams of becoming the next J.R.R. Tolkien and he keeps falling hopelessly in love. Poor Oscar may never get what he wants, thanks to the Fukü - the curse that has haunted his family for generations. With dazzling energy and insight Diaz immerses us in the tumultuous lives of Oscar; his runaway sister Lola; their beautiful mother Belcica and her abusive father. And he's got to deal with the

In Negro Soy Yo Marc D. Perry explores Cuba’s hip hop movement as a window into the racial complexities of the island’s ongoing transition from revolutionary socialism toward free-market capitalism. Centering on the music and lives of black-identified rappers (rappers), Perry examines the ways these young artists craft notions of black Cuban identity and racial citizenship, along with calls for racial justice, at the fraught confluence of growing Afro-Cuban marginalization and the resurgence of the Black Panther Party. Perry traces the history of Cuban racial politics, from the 1950s to the present, and examines the ways hip hop has become a vehicle for social and political critique. He also explores the ways hip hop has become a vehicle for social and political critique. He also explores the ways hip hop has become a vehicle for social and political critique. He also explores the ways hip hop has become a vehicle for social and political critique.

Owen’s plan to sail away on an adventure puts him on a collision course with some very dangerous people. When Owen’s parents leave him on his own for a week, the sixteen-year-old gets bored and hatches a crazy idea: sneak onto the yacht that’s visiting the sleepy Pacific Coast island where he lives and stow away on an adventure! Once on board the vessel, Owen quickly finds this is anything but innocent fun. The ship is packed with teenagers from Central America, and it looms with the possibility of a violent end. The Heart That Bleeds

London Stories

A timely story of two teenagers who discover the power of friendship, feminism, and standing up for what you believe in, no matter where you come from. A collaboration between two gifted authors writing from alternating perspectives, this compelling novel shines with authenticity, courage, and humor. Malena Rosario is starting to believe that catastrophes come in threes. First, Hurricane María destroyed her home, taking her unbreakable spirit with it. Second, she and her mother are now stuck in Florida, which is nothing like her beloved Puerto Rico. And third, when she goes to school bra-less after a bad sunburn and is humiliated by the school administration into covering up, she feels like she has no choice but to comply. Ruby McAllister has a reputation as her school’s outspoken feminist rebel. But back in Seattle, she lived under her sister’s shadow. Now her sister is teaching in underprivileged communities, and she’s in a Florida high school, unsure of what to do with her future, or if she’s even capable making a difference in the world. So when Ruby notices the new girl is being forced to cover up her chest, she is not willing to keep quiet about it. Neither Malena nor Ruby expected to be the leaders of the school’s dress code rebellion. But the girls will have to face their own insecurities, biases, and privileges, and the ups and downs in their newfound friendship, if they want to stand up for their ideals and—ultimately--for themselves.

Ensure that the needs of all IB Students are met with this comprehensive and flexible Student Book, written specifically for the updated Spanish ab initio course. - Communicate confidently by exploring the five prescribed themes through authentic texts and skills practice at the right level, delivered in clear learning pathways. - Produce coherent written texts and deliver proficient presentations with grammar and vocabulary introduced in context and in relation to appropriate spoken and written registers. - Improve receptive skills with authentic written texts, audio recordings spoken at a natural pace, and carefully crafted reading and listening tasks. - Promote global citizenship, intercultural understanding and an appreciation of Hispanic cultures through a wide range of text types and cultural material from around the world. - Deliver effective practice with a range of structured tasks within each unit that build reading, listening, speaking and writing skills. - Establish meaningful links to TOK and CAS, and identify learner profile attributes in action. The audio for the Student Book is FREE to download from www.hoddereducation.com/ibextras Answers to the Student Book are included in the accompanying subscription based, Teaching and Learning Resources

DIVAn authoritative guide to the most significant artists, schools, and styles of street art and graffiti around the world/div

Drugs, disco, and debauchery: This is the wild true story of the Mutiny, the decadent hotel that embodied Miami’s cocaine-fueled heyday—and inspired the legendary film Scarface. In the seventies, coke hit Miami like a hurricane, and no place attracted dealers and dopers like the Mutiny. Rock stars and models flocked to the hotel’s club to order bottle after bottle of Dom and to snort lines alongside narcos, hit men, and gunrunners, while upstairs, marathon orgies raged in the elaborate fantasy suites. But as the kilos—and bodies—began to pile up, the Mutiny became target number one for law enforcement. Based on exclusive interviews and never-before-seen documents, Hotel Scarface is an extraordinary work of investigative journalism, a portrait of a city high on excess and greed.

Slang Phrases for the Café, Club, Bar, Bedroom, Ball Game and More

From the multi-billion-dollar industry, Professionalism and commercialization dominate its global image. Yet the game retains a rebellious side, maybe more so than any other sport co-opted by money makers and corrupt politicians. From its roots in working-class England to political protests by players and fans, and a current radical soccer underground, the notion of football as the “people’s game” has been kept alive by numerous individuals, teams, and communities. This book not only traces this history, but also reflects on common criticisms: soccer ferments nationalism, serves right-wing powers, and fosters competitiveness. Acknowledging these concerns, alternative perspectives on the game are explored, down to practical examples of egalitarian DIY soccer! Soccer vs. the State serves both as an orientation for the politically conscious football supporter and as an inspiration for those who try to pursue the love of the game away from televisions and big stadiums, bringing it to back alleys and muddy pastures. This second edition has been expanded to cover events of recent years, including the involvement of soccer fans in the Middle Eastern uprisings of 2011-2013, the FIFA scandal of 2015, and the 2017 strike by the Danish women’s team.

Do men use bad language more than women? How do social class and the use of bad language interact? Do young speakers use bad language more frequently than older speakers? Using the spoken section of the British National Corpus, Swearing in English explores questions such as these and considers at length the historical origins of modern attitudes to bad language. Drawing on a variety of methodologies including historical research and corpus linguistics, and a range of data such as corpora, dramatic texts, early modern newsbooks and television, Tony McEnery takes a socio-historical approach to discourses about bad language in English. Arguing that purity of speech and power have come to be connected via a series of moral panics about bad language, the book contends that these moral panics, over time, have generated the differences observable in bad language usage in present day English. A fascinating, comprehensive insight into an increasingly popular area, this book provides an explanation, and not simply a description, of how modern attitudes to bad language have come about.

Dreaming in Cuban

Living Poor; a Peace Corps Chronicle

A Novel

The Ordinary Seaman

A Sociolinguistic Study of Youth Culture

The Big Black Book of Very Dirty Words

Learn cool slang, funny insults and all the words you won't find in a normal textbook in this guide to informal, conversational Spanish. You've taken Spanish lessons and learned all kinds of useful phrases. You know how to order dinner, get directions, and ask for the bathroom. But what happens when it's time to drop the textbook formality? To really know a language, you need to know its bad words, too. You need this book. From common slang and insulting curses to explicit sexual expressions, this volume teaches the kind of Spanish heard every day across Latin America. Learn to sound like a native speaker with phrases like: • What's up?, ¿Qué tal? • What a hottie! (Que cuate!) • Let's spend these shov. Triguemnos estos tragitos. • That ref sucks. Es una mierda ese ábitoro. • I'm craving all-you-can-eat tacos. Me antojó un poco de taquiza libre. • Do you wanna hook up? ¿Quieres ligar?

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Bery Moré."—"Time Cristina García's acclaimed book is the haunting, bitterweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez." (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—"San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—"The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—"The Denver Post

The notion of "duende" became a cornerstone of Federico García Lorca's poetics over the course of his career.

¿Qué pasa, gringo? Whether at a cantina in Mexico or a discothèque in Spain, you better know how to shoot the s**t. Luckily for you, Talk Dirty: Spanish dishes all the dirty sayings in a variety of dialects. Packed with plenty of four-letter words, habaero-hot insults, and wicked expressions, this book will have you speaking like a true hombre. The Spanish-to-English translations will help you learn all the latest foreign slang, such as: De puta madre: of the prostitute mother Spanish Phrase; Mi tío tiende un coche de puta madre! Translation: My uncle has a fantastic car! Literal Translation: My uncle has a car of a prostitute mother! Talk Dirty: Spanish--all you need for a sharper tongue and set of cojones.
