

Tarot Maya

A vibrant, oversized hardcover showcasing the concept and production art from the beautiful Netflix series by visionary animator and filmmaker, Jorge R. Gutierrez. Meet Maya, the eagle-warrior princess and all the dazzling characters that breathe life into lush and detailed landscapes magically inspired by Mesoamerican, Incan, and Caribbean cultures. Behold the original vision for the series taken from early sketches to final animated wonders, with detailed storyboards, color scripts, and in-depth, bilingual (English and Spanish) commentary. Welcome to the vivid world of Maya and the Three! Bilingual Captions in English and Spanish.

Udita was born to love, even though she was ignorant about it. She left her home to come to the city where her childhood friend, Priya lived. This city gifted her another friend, Nipun. Gradually, a bond was also sealed between Udita and the city. Her romanticism took a beating when she accepted Ankit back in her life. In choosing union with him, Udita had to sever all her ties. She thus needed an abundance of trust. Instead, she recalled the inconsistency of his love. Amidst such awareness, there was a night of passion, a night that brought out her love for Nipun and they married. Ankit being the biological father of their twin daughters did not hinder happiness of their family. After the daughters grew up, the unheard-of anomaly in their paternity report caused a sensation. Their idyllic family life was interrupted. There was a price to be paid for renewed togetherness!

Ready to indulge in queer confessional fiction? Three books from Giselle Renarde’s Lesbian Diaries series are now available in one collection! This volume includes Fortune’s Diary, Juliet’s Diary: My Secret Plague Journal, and Emma’s Diary: Anxious, Insecure, and Madly in Love. Emma finally has everything she wants in life, so why isn’t she happy? If this is supposed to be the best time of her life, then why is she constantly questioning her situation? It’s not easy to build a full-time future with someone when you’re sure it’ll all fall apart. A million things could go wrong, but will Emma ever learn to see how much is going right? Juliet is young and in love. Problem is, there’s a pandemic gripping the planet. She knows she’s not supposed to leave the house, but her lust for her girlfriend makes her defiant. How can Juliet get close to Romi if she has to stay away? Fortune is thirty and living with her mother. There’s nothing she’d love more than to be swept off her feet by a beautiful stranger, but that hasn’t happened yet. She’s worried it never will. And then along comes Maya, her mother’s tarot reader. Can she possibly date a girl who claims to see the future? Fortune doesn’t believe in psychic ability, but is she willing to let true love pass her by? Lesbian fiction from award-winning queer Canadian author Giselle Renarde.

Wrath Goddess Sing

Kawaii Tarot

A Study of the Astronomical Substructure of Game and Divining Boards

Drawing on ancient texts and modern archeology to reveal the trans woman’s story hidden underneath the well-known myths of The Iliad, Maya Deane’s Wrath Goddess Sing weaves a compelling, pitilessly beautiful vision of Achilles’ vanished world, perfect for fans of Song of Achilles and the Inheritance trilogy. The gods wanted blood. She fought for love. Achilles has fled her home and her vicious Myrmidon clan to live as a woman with the kallai, the transgender priestesses of Great Mother Aphrodite. When Odysseus comes to recruit the “prince” Achilles for a war against the Hittites, she prepares to die rather than fight as a man. However, her divine mother, Athena, intervenes, transforming her body into the woman’s body she always longed for, and promises her everything: glory, power, fame, victory in war, and, most importantly, a child born of her own body. Reunited with her beloved cousin, Patroklos, and his brilliant wife, the sorceress Meryapi, Achilles sets out to war with a vengeance. But the gods—a dysfunctional family of abusive immortals that have glutted on human sacrifices for centuries—have woven ancient schemes more blood-soaked and nightmarish than Achilles can imagine. At the center of it all is the cruel, immortal Helen, who sees Achilles as a worthy enemy after millennia of ennu and emphysem. In love with her newfound nemesis, Helen sets out to destroy everything and everyone Achilles cherishes, seeking a battle to the death. An innovative spin on a familiar tale, this is the Trojan War unlike anything ever told, and an Achilles whose vulnerability is revealed by the people she chooses to fight...and chooses to trust.

A remarkable tale of a journey to enlightenment traveled by ordinary people Following an unusual encounter with a stranger, Maya Maxwell is driven to discover her connection to a prophecy about the Emerald Stone, a sacred tablet hidden in the Great Pyramid of Giza. The Stone holds the power to create the change required for humanity to survive the "Dark Rift", a rare astronomical and celestial alignment that is predicted to occur on December 21, 2012. Maya is one of the four Chosen Ones destined to activate the Stone that will give birth to the Phoenix Star and lift humanity to higher levels of enlightenment.During her pursuit of the elusive Stone, Maya must learn to release the limitations that prevent her from realizing her full potential. In the process, she must make some very tough decisions about the course that her life will take. Discovering the truth of her being will set both her and humanity free from imminent destruction. But this can only be accomplished by confronting and conquering her inner demons, pursued by a despicable villain working on his own agenda to conquer the world.Whatever your spiritual beliefs, Phoenix Star will resonate in your thoughts with truth, insights, and inspiration.Visit Kiernan Antares's Web site

There are three things Fortune doesn’t believe in: psychics, astrology, and the possibility of ever finding a place of her own. While her mother spends money they don’t have on internet tarot readers, Fortune imagines a new life with the girl of her dreams. Not that she’s met the girl of her dreams... until she attends a lesbian speed-dating event and falls instantly in love with Maya. The problem is that Maya isn’t one of the participants—she seems to be dating the event organizer. In case that isn’t enough of a deterrent, Maya is also the tarot reader Fortune’s mother has been spending oceans of money on! Why can’t life ever be easy? Fortune would give anything to escape the drudgery of cooking and cleaning for her mother, but she doesn’t believe in the business Maya is building. How can a girl who’s given up on love ever find her happy-ever-after? Lesbian romance from award-winning queer Canadian author Giselle Renarde.

Understanding Tarot with the Kawaii Universe

12 cold cases. 12 kidnapped women. One diabolical serial killer. In this bestselling suspense thriller, a brilliant FBI agent faces a deadly challenge: decipher the mystery before each one is murdered. FBI Special Agent Maya Gray, 39, has seen it all. She’s one of BAU’s rising stars and the go-to agent for hard-to-crack serial cases. When she receives a handwritten postcard promising to release 12 kidnapped women if she will solve 12 cold cases, she assumes it’s a hoax. Until the note mentions that, among the captives, is her missing sister, Maya, shaken, is forced to take it seriously. The cases she’s up against are some of the most difficult the FBI has ever seen. But the terms of his game are simple: If Maya solves a case, he will release one of the girls. And if she fails, he will end a life. Maya embarks with an urgency unlike any she’s ever felt. In a race against time, and with her sister’s life hanging in the balance, she must unravel the link between the 12 captives and end the killer’s dark game once and for all. Is this killer toying with her? Does he truly have her sister? Will he ever give her back? Or will Maya end up sucked too deep into this killer’s twisted cat-and-mouse game to notice that she, herself, is the prey? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the MAYA GRAY mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. It is a perfect addition for fans of Robert Dugoni, Rachel Caine, Melinda Leigh or Mary Burton. Books #2-#6 in the series—GIRL TWO: TAKEN, GIRL THREE: TRAPPED, GIRL FOUR: LURED, GIRL FIVE: BOUND, and GIRL SIX: FORSAKEN—are now also available.

In this beautifully illustrated book, leading experts from the world of Tarot, including Rachel Pollack, Mary K. Greer, Ciro Marchetti, and Caitlin Matthews, share their insights into the cards of the Major Arcana, and reveal the profound impact that Tarot has had on their lives. Each contributor shares how their Tarot journey began and what inspired them, and gives their interpretation of a Major Arcana card, and what it is about that card that they love or loathe. Their answers will help to deepen your own understanding of Tarot, and how this ancient craft can enrich your life.

Kawaii Tarot features a darling deck of tarot cards, all created and illustrated by acclaimed United Kingdom-based designer Lulu Mayo, accompanied by a guidebook to the Major and Minor Arcanas. "-Night Owl Reviews Reviewer Top Pick, 5 Stars "Spear paints a colorful, vivid portrait of the lush jungle and deadly beauty...of jaguars."--Publishers Weekly

THE MAYA BOOK OF LIFE: UNDERSTANDING THE XULTUN TAROT is the companion book to the Xultun Tarot Classic Edition. It explores the archetypes and alchemy of the major arcana of the Xultun Tarot through indigenous teachings and the analytical psychology of C G Jung and casts new light on the meaning of 2012. The Xultun Tarot was created by Peter Balin in 1976 based on images from Maya history and culture. Taken from a single painting, it is the only tarot deck where the major arcana form a complete picture. This picture is a symbolic image of the alchemical marriage of spirit and matter and a map of what Jung called the individuation process. Only 500 copies of the original Xultun Tarot deck ever printed. Now Kahurangi Press (xultun.com) has recreated this classic, long out-of-print deck true to its original large size and vibrant colours together with a book that explains the profound symbolism of the cards. Michael Owen is a clinical psychologist in private practice and author of Jung and the Native American Moon Cycles. He Lives in New Zealand.

Explore the lore and legend of the Fairy realm! From mans earliest encounters with a singular society that influenced art and literature, to demystifying some of the worlds most famed...and infamous Fairies. Once Upon a Fairies Wing peeks into the fascinating province of the Fae, while delivering a playful, yet strong message of the importance of protecting the Environment. As the secret language of the fairy realm is decoded, magical spells and incantations are revealed to enlighten and empower and open to the magic of this realm and beyond.

Origins of the Tarot Deck

Xultun (Mayan) Tarot Deck

The History and Legacy of the Maya's Creation Myth and Epic Legends

The Tarot Masters

The Art of Maya and the Three

Documents a high school student's year-long attempt to change her social status from that of a misfit to a member of the "in" crowd by following advice in a 1950s popularity guide, an experiment that triggered embarrassment, humor and unexpected surprises. A first book.

Alexandra Steele, a clinical psychologist, stumbles upon a mystical store in downtown Memphis, TN, where she encounters tarot cards for the first time. She doesn't realize it at the time, but this simple encounter will leave her life forever changed as she uncovers a world of past life connections to the cards and the craft of divination. This sparks an awakening that opens door after door of a long line of mystic and witch incantations that run throughout her history. As she reconnects to these deep mystical ties, she begins to learn about her destiny, which is revealed as she starts to encounter coven sisters and foes from previous incarnations. Will her tendency to hide in the shadows and play small continue to hold her back or will the call of the cards lure her onto her destined path of a life full of magic and sisterhood?

"Includes pictures "Includes excerpts of the Popol Vuh "Includes online resources and a bibliography for further reading Many ancient civilizations have influenced and inspired people in the 21st century. The Greeks and Romans continue to fascinate the West today. But of all the world's civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. In 2012 especially, there was a renewed focus on the Mayans, whose advanced calendar led many to speculate the world would end on the same date the Mayan calendar ends. The focus on the "doomsday" scenario, however, overshadowed the Mayans' true contribution to astronomy, language, sports, and art. Unlike most of the world's sacred books—the Quran, the Bible or the I-Ching for example - nobody knows the universal name, if there ever was one, for the Maya's collection of myths. Instead, the title that has been passed down, the "Popol Vuh," appears to be the specific title given to a particular copy of these tales. Its meaning, roughly translated as the Council Book, refers to the special role of this text: it was the shared property of the council of lords that ruled the Quiché kingdom and was apparently regularly consulted by that body for advice to guide their rule. However, in the opening sections, the scribes who penned the text also give it several other names, including "The Light That Came from Beside the Sea," "Our Place in the Shadows" and "The Dawn of Life" (pg 63). All of these names were originally in K'ichean Maya, the language spoken by the Maya of the Quiché Kingdom and its neighboring regions. The first of these names refers to a pilgrimage by the second generation of Quiché lords in Part V to the Yucatan coast to acquire a copy of at least a portion of the original text. The second refers to Part IV, the period before the first Dawn (the "Shadows") when the ancestral Quiché earned their particular right to rule. The final name refers to Part I, when the first gods created all of the various parts of life. This multiplicity of names and titles for sacred works is not uncommon, and perhaps comparable to the Bible being referred to as "the Good Book" or (in reference to the New Testament) "the Good News" or the "Gospel." The name Popol Vuh is itself controversial as the original text actually spells the name three different ways: "Popol Vuh", of course, but also "Pop Wuj" and "Popol Wuj." In general, the most correct form in contemporary Quiche spelling is probably "Popol Wuj", but as the text is best known in English with the word "Vuh", this convention will be maintained here (Eenriik 2014). There are a number of translations and editions of the Popol Vuh, which vary considerably in quality. Many early editions were not informed by the latest scholarship in Maya linguistics and sometimes the ways they translate names in particular can vary. This text will use the Second Edition (1996), translated by Dennis Tedlock and published by Simon and Schuster, for all of its quotations and page citations. The Popol Vuh: The History and Legacy of the Maya's Creation Myth and Epic Legends examines what's contained within and how the Popol Vuh survived to the present day. Along with pictures depicting important people, places, and events, you will learn about the Popol Vuh like never before.

This is the story of how the Mayan glyphs found in the ancient ruins of Copan and other Mayan sites have been deciphered within the last 20 years. Michael Coe worked with all the leading players in this field. Although the Mayan cilies were discovered a century and a half ago, the field of Mayan scholarship was dominated by scholars who had a dogmatic approach to the decipherment.

The Maya Tarot Deck

Emma's Diary, Juliet's Diary, Fortune's Diary

Guide to the Xultun (Mayan) Tarot Deck. Peter Balin, the painter of the Xultun Tarot deck, has written a book about the tarot and the Maya Indians' view of the world. Although the approach is new and deals with American knowledge, it will serve all Tarot decks regardless of their origin. The reader journeys with the Fool towards the imperceptibility of the sorcerer with each step along the way, clearly defined. The graphics alone are so spellbinding that even if you are not interested in the Mayas or the tarot, there is something in this book for you.

This collection explores the role of innovation in understanding the history of esotericism. It illustrates how innovation is a mechanism of negotiation whereby an idea is either produced against, or adapted from, an older set of concepts in order to respond to a present context. Featuring contributions from distinguished scholars of esotericism, it covers many different fields and themes including magic, alchemy, Rosicrucianism, Theosophy, Tarot, apocalypticism and eschatology, Mesmerism, occultism, prophecy, and mysticism.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch a chord in every reader.

A #1 Divination Bestseller! Learn the traditional meanings of all 78 cards in the modern tarot, and how tarot cards evolved. Experience the cards through daily meditations that work with magical elements. Find out how to prepare for every reading and allow you intuition to unfold. Discover six different ways to lay out your cards for readings. Revised edition of the 78-card Mayan Tarot deck based on sketches by Peter Balin of glyphs found on wooden lintels and stone steles at Tikal, Guatemala. The Major Arcana join together to make one picture. The Minor Arcana cards are titled English/French/German/Italian/Spanish. Filer in English.

Bestselling Native American title exploring Native American spiritual teachings.

A fairy tale of big waves and even bigger courage, inspired by the personal story of professional surfer Maya Gabeira, who smashed records and gender stereotypes Young Maya is shy and often feels fragile and scared because of her asthma, except when she's in the water—it's the one place where she feels strong. While everyone else in her town is scared of "the Beast," the giant wave heard all around the world as it crashes into the shoreline, Maya finds the noise comforting, the curves of the wave soothing. If she could only tame it, then everyone could see all the beauty it has to offer. With a pink surfboard and a determined heart, Maya will be the first girl to meet the Beast head-on. Professional surfer Maya Gabeira, known for surfing Guinness World Record-breaking big waves, shares her story of resilience, defying expectations of women in sports, and daring to achieve the impossible. Beautifully illustrated by Ramona Kautitzki, Maya and the Beast is an empowering reminder that every fear can be conquered and every Beast can be tamed.

The Rider-Waite tarot deck was originally published in 1910. It is the most popular tarot deck in the United States. When people are introduced to a tarot reading class, this is normally the deck that the teacher refers to, due to its clear symbolism and use of colors. The cards were illustrated by Pamela Colman Smith, with the design originally developed by mystic, A. E. Waite. While the original deck is now in the public domain and free to copy, this revised format is copyrighted. I've developed this coloring book with the adult in mind. It is printed on high quality paper, in a 6x9 format so that you can easily tuck it into your purse or satchel and pull it out while commuting on bus or train. This is less obtrusive than children's full-sized coloring books. It is printed on one side only, so that if you use magic markers, you are far less likely to have the colors deface your other pages. I've omitted page numbers so that your finished art is suitable for framing or use in your crafts. I still recommend that you place a piece of paper underneath your drawing so that it can absorb any excess ink. You are free to copy the pages for personal use, but if you are interested in using these images for teaching a class, please contact me for additional licensing. I am happy to consider private-labeling and printing these books for you.

The Lesbian Diaries Volume 2

Popular a Memoir

The myth and ceremony of Maya beliefs have been sustained for over five hundred years in spite of massacres, persecution, and discrimination.

What can reliably guide us in times of rapid change? Tarot experts Rachel Pollack and Johannes Fiebig focus on the daily Tarot card and simple magical practices and offer interpretations for each of the 78 Tarot cards which can easily be put into practice. In addition, they discuss perspectives reaching until 2024 the current crucial period of transformation with "Pluto in Capricorn". It has become Dawn, to assign the Tarot cards to individual sections of the yearly cycle (the decans). This quality of time, which the Tarot cards also express (which, however, is largely unknown) is skillfully used by the authors.

A short diary of a few memorable days in August that left me wistfully thinking, with these memories, we will never be parted. Now I see you, Maya, suddenly coming. It is so nice just to call out your name Maya What do you dream of?

"An instant classic, a must-have for every tarot enthusiast, and a manifesto for insightful living."—Chani Nicholas, astrologer and author of You Were Born for This "Generous, practical, and gently radical."—New York Times Though tarot is often thought of as a tool for divination and fortune-telling, it also has deep roots in spirituality and psychology. For those who know how to see and listen, it can be a powerful human experience. In Tarot for Change, Jessica Dore divulges years of hard-won secrets about how to work with tarot to better understand ourselves and live in alignment with what's precious. Dore shows readers how to choose a deck, interpret images, and build a relationship with the cards, while also demonstrating how the mythic imagery of tarot supports modern therapeutic concepts like seventy-eight cards are a vibrant tapestry that weaves together ideas from psychology, behavioral science, spirituality, and old stories, breathing new language into ancient wisdoms about what it means to be human. This is as much a book for those who are new to tarot as it is for those who have worked with the cards for years. And it's a book for anyone interested in exploring what it means of secrets, symbols, and stories. Tarot for Change is a charm for remembering that our problems are not new, we are never alone, and whether we know it or not, we are always in a process of change.

Powerful and universal retellings of seventy-eight divine stories, legends, and myths from around the world, each accompanied by a gorgeous illustration from acclaimed artist Yoshi Yoshitani. Many of the lessons we learn are shared stories passed among cultures and generations. In this riveting collection of fables and folktales from culture to culture, characters from beloved fairytales, cultural fables, ancient mythologies, and inspirational deities are brought to life, including Sleeping Beauty (Italy), Rapunzel (Germany), Jack and the Beanstalk (England), Our Lady of Guadalupe (Mexico), Sun God Ra (Egypt), the Crane Wife (Japan), and dozens more. Lesser-known stories introduce characters and goddess Pele from Hawaii; Mwindo, the wise and powerful king of the Nyanga people; and the strong and resilient Yennenga, mother of the Mossi people in Burkina Faso. The recurring themes of conquering evil, overcoming adversity, and finding love and companionship are woven throughout this collection. Yoshi Yoshitani's art style is fresh, diverse and multicultural characters. Each story will be featured opposite a correlating illustration, both lush and vibrant.
